A Novel Vintage

"I hope everyone reads this book. It has become such a crucial thing for all of us to understand." —Erin Burnett, CNN "An ideal tour guide for your journey into the depths of the rabbit hole that is QAnon. It even shows you a glimmer of light at the exit." —Cullen Hoback, director of HBO's *Q: Into the Storm* Its messaging can seem cryptic, even nonsensical, yet for tens of thousands of people, it explains everything: What is QAnon, where did it come from, and is the Capitol insurgency a sign of where it's going next? On October 5th, 2017, President Trump made a cryptic remark in the State Dining Room at a gathering of military officials. He said it felt like "the calm before the storm"—then refused to elaborate as puzzled journalists asked him to explain. But on the infamous message boards of 4chan,

a mysterious poster going by "Q Clearance Patriot," who claimed to be in "military intelligence," began the elaboration on their own. In the days that followed, Q's wild yarn explaining Trump's remarks began to rival the sinister intricacies of a Tom Clancy novel, while satisfying the deepest desires of MAGA-America. But did any of what Q predicted come to pass? No. Did that stop people from clinging to every word they were reading, expanding its mythology, and promoting it wider and wider? No. Why not? Who were these rapt listeners? How do they reconcile their worldview with the America they see around them? Why do their numbers keep growing? Mike Rothschild, a journalist specializing in conspiracy theories, has been collecting their stories for years, and through interviews with QAnon converts, apostates, and victims, as well as psychologists, sociologists, and academics, he is uniquely equipped to explain the movement and its followers. In *The Storm Is Upon Us*, he takes readers from the background conspiracies and cults that fed the Q phenomenon, to its embrace by right-

wing media and Donald Trump, through the rending of families as loved ones became addicted to Q's increasingly violent rhetoric, to the storming of the Capitol, and on. And as the phenomenon shows no sign of calming despite Trump's loss of the presidency—with everyone from Baby Boomers to Millennial moms proving susceptible to its messaging—and politicians starting to openly espouse its ideology, Rothschild makes a compelling case that mocking the seeming madness of QAnon will get us nowhere. Rather, his impassioned reportage makes clear it's time to figure out what QAnon really is — because QAnon and its relentlessly dark theory of everything isn't done yet.

Holocaust Deniers and Conspiracy Theorists Simon & Schuster

This timely reissue of Richard Hofstadter's classic work on the fringe groups that influence American electoral politics offers an invaluable perspective on contemporary domestic affairs. In *The Paranoid Style in American Politics*, acclaimed historian Richard Hofstadter examines the competing forces in American political discourse and how fringe groups can influence — and derail — the larger agendas of a political party. He investigates the politics of the irrational, shedding light on how the behavior of individuals can seem out of proportion with actual political issues, and how such behavior impacts larger groups. With such other classic essays as “Free Silver and the Mind of 'Coin' Harvey” and “What Happened to the Antitrust Movement?”, *The Paranoid Style in American Politics* remains both a seminal text of political history and a vital analysis of the ways in which political groups function in the United States.

The Final Act of the Trump Show

Oxford University Press

Conspiracies theories are some of the most striking features in the American political landscape: the Kennedy assassination, aliens at Roswell, subversion by Masons, Jews, Catholics, or communists, and modern movements like Birtherism and Truththerism. But what do we really know about conspiracy theories? Do they share general causes? Are they becoming more common? More dangerous? Who is targeted and why? Who are the conspiracy theorists? How has technology affected conspiracy theorising? This book offers the first century-long view of these issues.

Denver Riggelman is a logical guy—he has to be, as a government data analytics expert. But at the same time, he’s been haunted since childhood by the memory of an inexplicable encounter with—Something—that he and his grandfather met unexpectedly in the woods. Denver’s ongoing curiosity about what it might have been, and his fascination with the fringe element of Bigfoot Believers, leads him on an “official” investigation into the world of Bigfoot’s fervent disciples and their eclectic belief systems. *The Mating Habits of Bigfoot* takes you deep into a world dedicated to studying a creature whose existence cannot be proved, but that doesn’t stop its devotees from learning its habits, language, and dietary preferences. Wandering haphazardly through the woods, seeing things that aren’t there and hoping for the miracle of provable contact, the Bigfoot crusaders attempt to find their evasive hero-God...while speculating about whether his anatomy is proportionate. Hilarious and thought-provoking, this book will challenge what you think you know about reality.

An Objective Guide to Understand QAnon, The Deep State and Related Conspiracy Theories: The Great Awakening Explained Liveright Publishing

Conspiracy theories have existed for centuries to rationalize major events and crises, but while they were once relegated to the fringes of discourse, in recent decades, they have increasingly become part of public debate. While many conspiracy theories are innocuous, others, like Holocaust denial, are considered dangerous because their intention to legitimize racist or otherwise

hateful ideologies. This resource helps readers to examine key debates and topics related to conspiracy theories. Balancing free speech and public safety, the development of conspiracy theorizing over the past century, the role the internet has played, and whether some conspiracy theories can actually benefit society are all richly analyzed. *The Best Land Under Heaven: The Donner Party in the Age of Manifest Destiny* Simon and Schuster

An Invitation to the Great

Awakening Hardie Grant Publishing

"As governor of New Jersey and a key Trump insider and longtime friend, Chris Christie has always been known for speaking his mind. Now that the ... 2020 election is ... behind us, he shares his [beliefs] on how a battered Republican Party can soar into the future and start winning big elections again"--Publisher marketing.

Issues for Debate in American Public Policy HarperCollins

ONE OF THE NEW YORK TIMES'S 100 NOTABLE BOOKS OF 2020 ONE OF NPR'S BEST BOOKS OF 2020 ONE OF THE A.V. CLUB'S 15 FAVORITE BOOKS OF 2020 From the widely acclaimed author of *White Tears*, a bold new novel about searching for order in a world that frames madness as truth. After receiving a prestigious writing fellowship in Germany, the narrator of *Red Pill* arrives

in the Berlin suburb of Wannsee and struggles to accomplish anything at all. Instead of working on the book he has proposed to write, he takes long walks and binge-watches Blue Lives--a violent cop show that becomes weirdly compelling in its bleak, Darwinian view of life--and soon begins to wonder if his writing has any value at all. Wannsee is a place full of ghosts: Across the lake, the narrator can see the villa where the Nazis planned the Final Solution, and in his walks he passes the grave of the Romantic writer Heinrich von Kleist, who killed himself after deciding that "no happiness was possible here on earth." When some friends drag him to a party where he meets Anton, the creator of Blue Lives, the narrator begins to believe that the two of them are involved in a cosmic battle, and that Anton is "red-pilling" his viewers--turning them toward an ugly, alt-rightish worldview--ultimately forcing the narrator to wonder if he is losing his mind.

Written by award-winning CQ Researcher journalists, this annual collection of nonpartisan and thoroughly researched reports focuses on 16 hot-button policy issues. With reports ranging from racial profiling to prescription drug costs, the Twentieth Edition of Issues for Debate in American Public Policy promotes in-depth discussion, facilitates further research, and helps readers formulate their own positions on crucial policy issues. And because it is CQ Researcher, the policy reports are expertly researched and written, showing readers all sides of an issue. Because this annual volume comes together just months before publication, all selections are

brand new and explore some of today's most significant American public policy issues, including: racial profiling, populism and party politics, student debt, the gig economy, the future of the coal industry, prescription drug costs, and much more!

The Dangerous Case of Donald Trump
Melville House

"The Protocols of the Elders of Zion" is almost certainly fiction, but its impact was not. Originating in Russia, it landed in the English-speaking world where it caused great consternation. Much is made of German anti-semitism, but there was fertile soil for "The Protocols" across Europe and even in America, thanks to Henry Ford and others.

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall

and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." -- Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world." -- Mills Crenshaw, KTALK, Salt Lake City. "Like it or not, everything is changing. The result will be the most wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands." -- William Cooper, October 24, 1989.

How Republicans Lost Their Party and

Got Everything They Ever Wanted Simon and Schuster

"A book so gripping it can scarcely be put down. . . . Superb."— New York Times Book Review "WESTWARD HO! FOR OREGON AND CALIFORNIA!" In the eerily warm spring of 1846, George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime. But in eagerly pursuing what would a century later become known as the "American dream," this optimistic-yet-motley crew of emigrants was met with a chilling nightmare; in the following months, their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow-covered mountains of the Sierra Nevada. We know these early pioneers as the Donner Party, a name that has elicited horror since the late 1840s. With *The Best Land Under Heaven*, Wallis has penned what critics agree is "destined to become the standard account" (Washington Post) of the notorious saga. Cutting through 160 years of myth-making, the "expert storyteller" (True West) compellingly recounts how the unlikely band of early pioneers met their fate. Interweaving information from hundreds of newly uncovered documents, Wallis illuminates how a combination of greed and recklessness led to one of America's most calamitous and sensationalized catastrophes. The result is a "fascinating, horrifying, and inspiring" (Oklahoman) examination of the darkest side of Manifest Destiny.

37 Psychiatrists and Mental Health Experts Assess a President - Updated and Expanded with New Essays Houghton Mifflin

#1 New York Times Bestseller "The pace of "The Cellist" never slackens as its action volleys from Zurich to Tel Aviv to Paris and beyond. Mr. Silva tells his story with zest, wit and superb timing, and he engineers enough surprises to startle even the most attentive reader."—Wall Street Journal From Daniel Silva, the internationally acclaimed #1 New York Times bestselling author, comes a timely and explosive new thriller featuring art restorer and legendary spy Gabriel Allon. Viktor Orlov had a longstanding appointment with death. Once Russia's richest man, he now resides in splendid exile in London, where he has waged a tireless crusade against the authoritarian kleptocrats who have seized control of

the Kremlin. His mansion in Chelsea's exclusive Cheyne Walk is one of the most heavily protected private dwellings in London. Yet somehow, on a rainy summer evening, in the midst of a global pandemic, Russia's vengeful president finally manages to cross Orlov's name off his kill list. Before him was the receiver from his landline telephone, a half-drunk glass of red wine, and a stack of documents.... The documents are contaminated with a deadly nerve agent. The Metropolitan Police determine that they were delivered to Orlov's home by one of his employees, a prominent investigative reporter from the anti-Kremlin *Moskovskaya Gazeta*. And when the reporter slips from London hours after the killing, MI6 concludes she is a Moscow Center assassin who has cunningly penetrated Orlov's formidable defenses. But Gabriel Allon, who owes his very life to Viktor Orlov, believes his friends in British intelligence are dangerously mistaken. His desperate

search for the truth will take him from London to Amsterdam and eventually to Geneva, where a private intelligence service controlled by a childhood friend of the Russian president is using KGB-style "active measures" to undermine the West from within. Known as the Haydn Group, the unit is plotting an unspeakable act of violence that will plunge an already divided America into chaos and leave Russia unchallenged. Only Gabriel Allon, with the help of a brilliant young woman employed by the world's dirtiest bank, can stop it. Elegant and sophisticated, provocative and daring, *The Cellist* explores one of the preeminent threats facing the West today—the corrupting influence of dirty money wielded by a revanchist and reckless Russia. It is at once a novel of hope and a stark warning about the fragile state of democracy. And it proves once again why Daniel Silva is regarded as his generation's finest writer of suspense and international intrigue.
