## MOSHE BALL

*Interpreting the Bible* Baker Books

Now that we are passing, as many surmise, into the post-scientific period, is it possible to rethink this vitally relevant issue of interpretation, and to approximate more nearly to the mind of the Spirit? Certainly the question of interpretation has returned to the center of theological consideration today. It is being realized that what is technically known as the study of hermeneutics is an essential discipline for the biblical scholar. - Introduction.

*Engaging Exposition* CreateSpace

If non-specialists learn the correct principles and processes for hermeneutics, much more accurate and helpful biblical interpretation can be accomplished. Hermeneutics gives the reader not only an understanding of the principles of proper biblical interpretation but also the ability to apply those principles in sermon preparation, personal Bible study, or writing. This popular book outlines a five-step hermeneutical procedure that includes: (1) historical-cultural and contextual analysis, (2) lexical-syntactical analysis, (3) theological analysis, (4) genre identification and analysis, and (5) application. The second edition includes updated material covering developments in hermeneutics over the past twenty years. An Instructor's Resource CD containing teaching suggestions, Powerpoint slides, suggested answers to exercises, and supplementary handouts is available to Bible college and seminary professors.

*Biblical Hermeneutics, an Introduction* InterVarsity Press

*Principles of Biblical Hermeneutics* Solid Christian Books

*The Guiding Principles of Biblical Interpretation* David C Cook

This book presents proponents of five approaches to biblical

hermeneutics and allows them to respond to each other. The five approaches are the historical-critical/grammatical (Craig Blomberg), redemptive-historical (Richard Gaffin), literary/postmodern (Scott Spencer), canonical (Robert Wall) and philosophical/theological (Merold Westphal) views.

*Biblical Hermeneutics, Or, Principles of Bible Interpretation* Baker Books

Presented in the book are some basics for Bible interpretation by the Dean in the Faculty of Theology and Ministerial Formation in Malawi Assemblies of God University.

*Principles of Biblical Interpretation in the Post-modern World* InterVarsity Press

In the homiletics field, a text has been needed that blends hermeneutics, sermon development, and sermon delivery. Engaging Exposition fills that gap with what its experienced authors call a "3-D approach" to preaching. Bill Curtis writes about the Discovery process—how to equip the student to discover the meaning of a biblical text by using sound principles of interpretation, and to move from biblical analysis to biblical interpretation. Danny Akin addresses the Development process—how to equip the student to develop expository sermons based upon results of the interpretive process, and to move from the Main Idea of the Text (MIT) to the completed sermon. Stephen Rummage explains the Delivery process—how to equip students to deliver expository messages using the completed sermon, and to move from an understanding of speech communication principles to persuasive delivery.

*Introduction to Biblical Hermeneutics* Kregel Publications

Since its publication in 1950, Protestant Biblical Interpretation has been a standard introduction to hermeneutics in evangelical colleges and seminaries. Twice revised, this textbook has sold well over 100,000 copies. Now this venerable resource is

available in a paperback edition. "Hermeneutics," writes the author, "is the science and art of Biblical interpretation. . . . As such it forms one of the most important members of the theological sciences. This is especially true for conservative Protestantism, which looks on the Bible as . . . the only authoritative voice of God to man." After surveying the history of biblical interpretation, the author devotes seventy pages to explicating "the Protestant system of hermeneutics." He then discusses the doctrinal, devotional, and practical uses of the Bible. Following a chapter on the hermeneutical dimension of the problem of biblical inerrancy and secular science, he concludes with chapters on the interpretation of types, prophecy, and parables.

**Catholic Principles for Interpreting Scripture** Zondervan Academic

What distinguishes catholic exegesis from other approaches to interpreting Scripture? This study examines the Pontifical Biblical Commission's document, The interpretation of the Bible in the Church, and derives from it twenty principles of Catholic interpretation. The meaning of each of these principles is explained and its significance is discussed in light of commentary on the Biblical Commission's document, magisterial documents on Scripture, and contemporary scholarly discussion. This volume includes a preface by Cardinal Albert Vanhoye, formerly Secretary of the Pontifical Biblical Commission, a bibliography of works about the Commission's document and of works cited, a general index, and a glossary. Peter S. Williamson received his M. A. in theology from Sacred Heart Seminary in Detroit and his S.T.B., S.T.L. and S.T.D. in biblical theology from the Pontifical Gregorian University in Rome. He is a married layman who has been involved for nearly 30 years in evangelization and pastoral ministry in the United States, Lithuania and Kazakhstan.

As Enunciated by Irenaeus, Origen, Augustine, Luther, and Calvin  
Solid Christian Books

Anybody who wants to study the Bible, either at a personal level or a more scholarly level needs to understand that there are certain principles that guide and govern the process. The technical word used to refer to the principles of biblical interpretation is hermeneutics, which is of immense importance in Biblical Studies and Theology. *How to Interpret the Bible* takes into consideration the cultural context, historical background and geographical location in which the text was originally set. This enables us to obtain clarity about the original author's intended meaning. Linguistic and literary factors are analyzed so that the various genres of Scripture are examined for their true meaning. The importance of having sound principles of interpretation cannot be overstated as to ignore them will result in all manner of erroneous assumptions. Beville presents the Historical-Grammatical approach as a sound and objective method of interpretation. This, in turn, provides a foundation not only for understanding but also for teaching Scripture. The approach outlined by the author helps avoid contradiction, inconsistency, arbitrariness, and subjectivity. This work is intended for those who wish to develop a deeper understanding of the Bible. It will be particularly useful for those who want to prepare teaching material grounded in safe hermeneutics. "In, *How to Interpret the Bible*, Kieran Beville explores how an understanding of hermeneutics enables a deeper engagement with the Scriptures. This well-written and thoughtful introduction will be a great asset to anyone wishing to see with greater clarity the revelation of God's heart and mind within the Bible. I warmly commend it." (Dr. Roger Standing, Principal, Spurgeon's College, London). *Protestant Biblical Interpretation Principles of Biblical Hermeneutics*

How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it? With new religious cults springing up almost daily and old ones growing rapidly, this is more and more common. How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years? James Sire, author of *The Universe Next Door* and *How to Read Slowly*, has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible. He

covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another, mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view. Sire also handles twisted translation, overspecification, virtue by association, ignoring the context and other flawed interpretations. A book to help us all become better readers of the Scriptures. *Introduction to Biblical Interpretation* Baker Publishing Group (MI) How do you even start to study your Bible? What are the guiding principles? Are the rules for interpreting narrative any different from parables and apocalyptic literature? How do you understand prophecy? These questions and more are answered in this class. Baker Academic

This book offers updated explanations of the sins of interpretation to teach sound grammatical, lexical, cultural, theological, and historical Bible study practices. "A must for teachers, pastors, and serious Bible students."--*Journal of the Evangelical Theological Society*

Principles of Biblical Hermeneutics Luviri Press

In this newly expanded second edition of *12 Essential Skills for Great Preaching*, Dr. Wayne McDill draws on decades of experience as a preacher and homiletics professor to inspire other preachers to live up to their God-given potential. Here are twelve proven ways to pack more content and effectiveness into every sermon, covering all of the bases from general preparation to the end result of increasing each listener's faith. Recent seminary graduates and seasoned pastors alike will identify skills that need personal improvement, and McDill encourages them to strengthen such areas at their own pace and in whatever order they feel is best. Every chapter in this new edition has been revised and updated. Also included are additional worksheet helps and sermon examples.

Principles of Biblical Interpretation, Vol. 1 Lulu.com

'Excellent, practical, and accurate. It leads students from the most fundamental building blocks of interpretation (including skills that most beginning students lack) through all the essential processes.' ---Craig S. Keener, Professor of New Testament, Eastern Seminary Just as a rock climber's handhold enables him to master the mountain, a firm grasp on God's Word empowers us to traverse the challenging, risky slopes of life. This workbook is designed for use with the textbook *Grasping God's Word*. While

the textbook shows you the principles and tools of interpretation, the workbook lets you try them out by applying them to specific genres and contexts. Together, these books will help you get a grip on the solid rock of Scripture---how to read it, how to interpret it, and how to apply it. Features include: \* Proven in classrooms across the country \* Emphasis on real-life application \* Supplemented by a website for professors providing extensive teaching materials \* Updates corresponding to the second edition of the textbook, including new exercises *Grasping God's Word* progresses through the following five sections: 1. How to Read the Book---Basic Tools 2. Contexts---Now and Then 3. Meaning and Application 4. The Interpretive Journey---New Testament 5. The Interpretive Journey---Old Testament

*A Practical Guide to Discovering Biblical Truth* Christian Publishing House

Since its publication in 1994, *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students, pastors, and serious lay readers. This second edition has been substantially updated and expanded, allowing the authors to fine-tune and enrich their discussions on fundamental interpretive topics. In addition, four new chapters have been included that address more recent controversial issues: • The role of biblical theology in interpretation • How to deal with contemporary questions not directly addressed in the Bible • The New Testament's use of the Old Testament • The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues, making for vibrant, thought-provoking dialogue. What they do agree on, however, is the authority of Scripture, the relevance of personal Bible study to life, and why these things matter.

**Basics for Bible Interpretation** Forgotten Books

Biblical principles of biblical interpretation and decoding.

The Issues, History, and Principles of Biblical Interpretation Wm.

B. Eerdmans Publishing

In this revised and expanded edition, Grant Osborne provides seminary students and working pastors with the full set of tools they need to travel the hermeneutical spiral—moving from sound exegesis to the development of biblical and systematic theologies and to the preparation of sound, biblical sermons.

**Grasping God's Word** B&H Publishing Group

An authoritative guide to accurately interpreting and applying

God's Word In this second edition of Invitation to Biblical Interpretation, Andreas Kostenberger leads the reader step-by-step through the process of interpreting and applying God's Word. The primary principle is the hermeneutical triad, which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for

Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources, as well as the sources cited throughout, and includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

*Hermeneutics* InterVarsity Press

"Are you concerned to interpret and apply Scripture accurately? Could you profit from what a team of experts, each writing in his area of specialty, can teach you on this subject? If so, Biblical Interpretation belongs in your library. In this volume twenty-four college professors and two preachers combine their knowledge and communication skills to help those who preach, teach, and

study the Bible. They review for you the history of biblical interpretation, the method for doing word studies, the contributions of archaeology and history to interpretation, and many other useful aspects of the subject. They also provide two exemplars of biblical interpretation, one of Jeremiah 4:23-26 and one of Ephesians 2:11-22." -- BACK COVER.

Biblical Hermeneutics B&H Publishing Group

What does this mean? is a seminary-level introduction to hermeneutics, drawing especially on the Lutheran theological tradition to define and shape the tasks of interpretation. In parts 1 and 2, Voelz describes the major issues and methods of textual criticism, semantics, and pragmatics. In the final section, he offers insights for reading Scripture from a confessional position.
