KEELY GONZALES

*Best Way to Train Your
Gun Dog* Penguin

This book is about the richness and variation that characterize our relationships with the dogs that have found

game for us and been our companions. Joe Arnette captures the joys and sorrows of living and working with a gun dog.

*The Ultimate Guide to
Bird Dog Training*
University of Chicago
Press

This book is about gundogs, those ever-

willing companions of both sportsmen and discerning dog owners. Gundogs is not a manual covering training, grooming, nutrition and dog care; it is very much a celebration of the gundog's contribution to the sporting and companion dog scene, an examination of their past, their performance and their prospects in an increasingly urban society. Painstakingly researched, it covers the well-known recognized breeds and the more obscure ones from overseas, some quite unknown to the British public. David Hancock's earlier books have been highly praised, as have his many articles in sporting magazine in the last thirty years. When reviewing one of his previous books, the

revered writer on sporting dogs, the late Brian Plummer, described it as a 'masterpiece'. Reviewing his Sporting Terriers, Dogs in Canada magazine stated that it 'has the quality of a classic'. A reviewer of his last book, Sighthounds, stated that 'Hancock's work provokes thinking in the reader the way a good discussion stimulates and refreshes our minds.' A Canadian reviewer of another of his books gave the view that David Hancock is 'perhaps the most important living writer about dogs.' A comprehensive survey of the gundog's origins, its role and its future, Gundogs is essential reading for all those with an interest in these loyal dogs,

especially gundog and country sport enthusiasts. Meticulously researched and packed with information it covers the well-known recognized breeds as well as more obscure ones. Superbly illustrated with 360 colour and black & white photographs. David Hancock has studied dogs for over half a century and is a past winner of the Dog Writers Association of America.

Retrieving for All Occasions Globe Pequot

The most efficient dog training book for retrievers hunting upland birds and waterfowl—from the author of *Water Dog*. This time-proven guide by legendary trainer Richard A. Wolters offers a step-by-step

method for completely training your dog, resulting in a skilled hunting retriever by the time your pet is one year old. In *Game Dog*, you'll discover:

- How to choose a pup—what to look for, where to find the best
- The five critical periods of a dog's mental development
- Which retrievers are easier to train—males or females
- How to get two dogs to work together
- Why feeding time is more than food
- How to teach your dog to track, quarter, and swim after game
- How to get your dog to betray his instincts and obey your commands
- Which tasks your dog must master to qualify as a hunter
- And much more... Fully illustrated, *Game Dog* is an invaluable book for every hunter

training a retriever and every pet owner who wants a better trained dog. "Wolters has produced a solid book that will be of great help to anyone training his retriever to work. He is an acknowledged master in the field and an excellent instructor."—Dog Fancy

Wingbeats and Heartbeats Rizzoli Publications

Tales and true stories about hunters, their dogs and the upland game and waterfowl they hunt.

trailer Whether raising a hunting dog or a family pet, readers will at last be able to realize the dream of owning a true "top dog," a retriever that they'll be proud of in the duck blind or at home with the kids. Sure to set the standard for years to come, *Top Dog* takes the dog-training category to a new level.

Training Bird Dogs with Ronnie Smith Kennels
Dutton

The Labrador retriever has epitomized the term "versatile gun dog" for decades -- long before it became North America's most popular pet breed. Whether launching themselves from a duck blind into the skim ice of a winter marsh or rooting a gaudy, cackling ring-

necked pheasant out of a tangle of honeysuckle, working Labs consistently display courage, persistence, and style. The twenty-one stories in this anthology, put together by Gun Dog magazine field editor Joe Arnette, celebrate these qualities in stories that inspire joy, sadness, admiration, and remembrance. Contributors include the best-known writers in the gun-dog business, including E. Donnell Thomas, Robert F. Jones, the late Gene Hill, Ted Lundrigan, Michael McIntosh, the late Richard Wolters, and Arnette himself.

Gun-Dog Training

Spaniels and Retrievers
University of Wisconsin
Pres

This is the first book on training gun dogs ever specifically written to remove the whip from the trainer's hand.

Through these pages, you'll learn how to train a class gun dog with humanity, commonsense, and love. Bill Tarrant, whose column appears every month in the pages of *Field & Stream*, the nation's largest sporting magazine, has earned his reputation by going contrary to a considerable amount of tradition. When he's asked to describe his training methods, Tarrant puts things this way: "Train with intimacy, not intimidation. Train with your head, not your hand. Never let

anything bad happen to your dog that he can associate with you. Always position your dog to self-train. Use training gear that gives Pup the choice of how much he wants to endure." The titles of Tarrant's chapters tip you off to not only his subjects but also his attitude toward those subjects. He starts with "Talk to the Animals," moves on to "Scent Makes Sense," and then asks, "If Pup Did the Picking, Would He Pick You?" Then Tarrant takes you through "Picking a Healthy Pup," "Caring for the New Pup," and "Speed Training: the Destroyer of Gun Dog Pups." Next come chapters on "Training the Bird Dog," "Training the Retriever," and "Training the Flushing

Dog." "Gun Shyness," "Goin' Huntin'," and "First Aid" appear next, followed by "Heartworm," "Allergies," and "Let's Go Huntin'." Tarrant winds up the book by talking about "Opening Day," "Hot-Weather Precautions," and "It's Out There." Tarrant *Trains Gun Dogs* is a comprehensive course in how to achieve top results with your gun dog the humane way. Book jacket.

Problem Gun Dogs CJ Publications

Tarrant, a former columnist with *Field and Stream*, shares his tips on selecting and training a gun dog.

Wing & Shot, Gun Dog Training Simon and Schuster

Inspired by *Garden & Gun* magazine's popular "Good Dog" column, a rich

collection of true stories celebrating the unique relationship between humans and their canine companions, penned by some of today's top writers, including Jon Meacham, Roy Blount, Jr, Dominique Browning, and P.J. O'Rourke. When Garden & Gun magazine debuted a column aptly named "Good Dog," it quickly became one of the publication's most popular features in print. Now, Editor-in-Chief David DiBenedetto (proud owner of a Boykin spaniel) and the editors of G&G have gathered the most memorable stories, as well as original pieces, in this collection of essays written by some of most notable dog owners in literature

and journalism. Good Dog offers memorable, beautifully written stories of dog ownership, companionship, friendship, and kinship. From the troublemakers who can't be fenced in to the lifelong companions who won't leave our sides, this poignant anthology showcases man's best friend through all of his most endearing—and sometimes maddening—attributes. By turns inspirational and humorous (just like the dogs we love), Good Dog is a must-have collection for dog lovers everywhere. [Training Your Pointing Dog for Hunting & Home](#) Dutton Adult The classic study of canine behavior: "A major authoritative work...Immensely

rewarding reading for anyone concerned with dog-breeding.”—Times Literary Supplement

Based on twenty years of research at the Jackson Laboratory, this is the single most important and comprehensive reference work on the behavior of dogs ever compiled, written by geneticist and comparative psychologist John Paul Scott, known for his research into social behavior and aggression. “One of the most important texts on canine behavior published to date. Anyone interested in breeding, training, or canine behavior must own this book.”—Wayne Hunthausen, D.V.M., Director of Animal Behavior Consultations

“This pioneering

research on dog behavioral genetics is a timeless classic for all serious students of ethology and canine behavior.”—Dr. Michael Fox, Senior Advisor to the President, The Humane Society of the United States

“Comprehensive...[a] seminal work.”—Mark Derr, The Atlantic Monthly

“Essential reading for anyone involved in the breeding of dogs. No breeder can afford to ignore the principles of proper socialization first discovered and articulated in this landmark study.”—The Monks of New Skete, authors of *How to Be Your Dog's Best Friend* and the video series *Raising Your Dog with the Monks of New Skete*

Game Dog Sunshine Books (MA)

Do you have a gun dog and want to have a great time working with your dog and perhaps enter a field trial? Do you want to find a training method where your dog has just as much fun as you do? Do you want to learn how to combine reward based training and field trial training? If so, this is the book for you. Retrieving for All Occasions is an accessible and inspiring book about how you can use the reward based training philosophy in your gun dog training. The book describes an approach to gun dog training that will challenge you to try something new – if you have the desire and will to do so. This book includes over 100 exercises to train a talented spaniel or retriever. The exercises

are for introductory field trial classes for spaniels and retrievers, but this book is also useful for those who have pointers or setters and want to train them for gun dog work.

How to Help Gun Dogs Train Themselves MVP Books

Hard copy version of this excellent book that contains step by step, easy to follow lessons for training the wildfowler's retriever. Based on Eric Begbie's Gundog Training Broadsheets, adapted for the waterfowler, this book uses only humane training methods and also contains a selection of wildfowling tales. This book is a must for every wildfowler who uses a gundog when he goes hunting.

Tarrant Trains Gun

Dogs Penguin
Training Your Pointing Dog for Hunting & Home describes how to develop an obedient gun dog that is also an affectionate family companion, with training schedules and advice on everything from handling a newborn pup to teaching advanced field techniques and finely tuned pointing manners. This book presents a simplified, commonsense approach that can be used in its entirety or to troubleshoot individual aspects of your dog's education. You will learn the importance of early obedience training and appropriate transition to the field, including tips for retrieving, quartering, sight pointing, and bird work. With proper care

and handling, you can cultivate your pup's natural aptitudes and achieve a rewarding relationship with a healthy, happy gun dog. - Advice on how to choose the right breed for your personality and hunting style - Training tips for housebreaking and basic living commands - Techniques for introducing the gun, achieving staunchness on point, and advanced field quartering and retrieving - How to prevent problem behaviors of deer chasing, blinking, gun shyness, hardmouth, and short stopping
Retriever Training
Wilderness Adventures Press
This is more than a training book aimed at the first time owner. According to Bill Tarrant, Field and

Stream magazine's gun dog editor, Bailey's book is a stand-up, self-propelling training and dog behaviour book that emphasises the first days of a pup's life in effective training.. In addition, Outdoor Life magazine's hunting dog editor Larry Mueller says, Hopefully Joan's insight into the dog's first year will at last clarify this important subject. The timely thrust of this book is how to accomplish the amazing things that can be done ONLY while the dog is but a baby. If you have a pup, don't put this book aside to read later..
