This book is a companion to The Unwinding. It contains within images that tell stories, but it reads like a silent film. Each of the images is an invitation to dream. The tales of this silent edition are not pinned to the page by words. Each dreamer will find their own path, perhaps a new one each time they return. The illustrations are intended to inspire: there is space to draw and write, to paint dreams and stories, thoughts and verse, in new worlds, wherever your pen may guide you.

The Forever War Farrar, Straus and

Giroux

From one of America's greatest non-fiction writers, an epic saga of the rise and fall of American power, from Vietnam to Afghanistan, told through the life of one man. ****WINNER OF THE LOS ANGELES TIMES BIOGRAPHY PRIZE 2019**** ****FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARDS 2020**** Richard Holbrooke was one of the most legendary and complicated figures in recent American history. Brilliant, utterly self-absorbed, and possessed of almost inhuman energy and appetites, he was both admired and detested. From his days as a young adviser in Vietnam to his last efforts to end the war in Afghanistan, Holbrooke embodied the postwar American impulse to take the lead on the global stage. He was the

force behind the Dayton Accords that ended the Balkan wars, America's greatest diplomatic achievement in the post-Cold War era. His power lay in an utter belief in himself and his idea of a muscular, generous foreign policy. But his sharp elbows and tireless self-promotion ensured that he never rose to the highest levels in government that he so desperately coveted. Holbrooke's story is the story of the rise and fall of America during its era of supremacy: its strength, drive, and sense of possibility, as well as its penchant for overreach and heedless self-confidence. Drawing on Holbrooke's diaries and papers, George Packer's narrative is both intimate and epic in its revelatory portrait of this extraordinary and deeply flawed man, and the elite spheres of society and

government he inhabited. A GUARDIAN, FINANCIAL TIMES, SPECTATOR BOOK OF THE YEAR

Twilight of the Elites Random House NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an instant classic of war reporting from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to have reported on all these events, and his experiences are

conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, *The Forever War* is not just about America's wars after 9/11, but about the nature of war itself.

Undivided Vintage

Find out what happens to Connor, Risa, and Lev now that they've finally destroyed the Proactive Citizenry in this collection of short stories set in the world of the New York Times bestselling *Unwind Dystology* by Neal Shusterman. Connor Lassiter's fight to bring down Proactive Citizenry and find a suitable alternative to unwinding concluded in *UnDivided*. Now Connor, Risa, and Lev are free to live in a peaceful future--or are they? Neal Shusterman brings back his beloved *Unwind* characters for his

fans to see what's left for those who were destined to be unwound.

Ten Thoughts about Time Penguin

Analyzes scandals in high-profile institutions, from Wall Street and the Catholic Church to corporate America and Major League Baseball, while evaluating how an elite American

meritocracy rose throughout the past half-century before succumbing to unprecedented levels of corruption and failure. 75,000 first printing.

Do More Faster Scholastic Inc.

"Thanks to Connor, Lev, and Risa, and their high-profile revolt at Happy Jack Harvest Camp, people can no longer turn a blind eye to unwinding. Ridding society of troublesome teens and, in the same stroke, providing much-needed tissues for transplant might be convenient, but its morality has finally been brought into question. However, unwinding has become big business, and there are powerful political and corporate interests that want to see it not only continue, but expand, allowing the unwinding of prisoners and the impoverished. Cam is a teen who does not exist. He is made

entirely out of the parts of other unwinds. Cam, a 21st century Frankenstein, struggles with a search for identity and meaning, as well as the concept of his own soul, if indeed a rewind being can have one. When a sadistic bounty hunter who takes "trophies" from the unwinds he captures starts to pursue Connor, Risa and Lev, Cam finds his fate inextricably bound with theirs"--

The Silent Unwinding HarperCollins UK
A riveting story about change in the Obama era--and an essential handbook for voters who want the truth about the president, his record, and his enemies by "TIME" senior correspondent Grunwald.

Betrayed North Atlantic Books
Western society, and increasingly the

rest of the world too, is ruled by the clock. Jonsson observes how the arrival of measured, accurate timekeeping became first our tool, and then our master. We now live longer on average than ever before, yet most of us feel we have no time.

Proactive Citizenry, the company which created Cam from the parts of unwound teens, has a plan: to mass produce Rewound teens like Cam for military purposes. But below the surface is of that horror lies another shocking level of intrigue: Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. As Conner, Risa and Lev uncover these shocking secrets, enraged teens begin to march on Washington to demand justice

and a better future. But more trouble is brewing. Starkey's group of storked teens are growing more powerful and militant with each new recruit. And if they have their way, they'll burn the harvest camps to the ground, and put every adult in them before a firing squad-which could destroy any chance America has for a peaceful future. Praise for UNWIND: "This is the kind of rare book that makes the hairs on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film." The Times "Gripping, brilliantly imagined futuristic thriller... The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens."

Publishers Weekly, starred review "a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff." thebookbag.co.uk "This book challenges ones ideas about life, about morality, about religion, about fanatics. It is not a comfortable read but it is thought-provoking." Carousel

Unwind Open Road Media

Paints a picture of the last thirty years of life in America by following several citizens, including the son of tobacco farmers in the rural south, a Washington insider who denies his idealism for riches, and a Silicon Valley billionaire.

The Lost Words Simon and Schuster
Named One of the 10 Best Books of the Year by The New York Times Book Review
Named one of the Best Books of the Year by The Washington Post Book

World, The Boston Globe, Chicago Tribune, TheSan Francisco Chronicle Book Review, Los Angeles Times Book Review, USA Today, Time, and New York magazine. Winner of the Overseas Press Club's Cornelius Ryan Award for Best Nonfiction Book on International Affairs
Winner of the New York Public Library Helen Bernstein Book Award for Excellence in Journalism
The Assassins' Gate: America in Iraq recounts how the United States set about changing the history of the Middle East and became ensnared in a guerrilla war in Iraq. It brings to life the people and ideas that created the Bush administration's war policy and led America to the Assassins' Gate—the main point of entry into the American zone in Baghdad. The Assassins' Gate also describes the place

of the war in American life: the ideological battles in Washington that led to chaos in Iraq, the ordeal of a fallen soldier's family, and the political culture of a country too bitterly polarized to realize such a vast and morally complex undertaking. George Packer's best-selling first-person narrative combines the scope of an epic history with the depth and intimacy of a novel, creating a masterful account of America's most controversial foreign venture since Vietnam.

Unwinding Anxiety Simon and Schuster Fantasy. Magic is seeping out of the world, leaving the witches who've relied on it for countless centuries increasingly hopeless. While some see an inevitable end of their era, others are courting madness-willing to sacrifice former

allies, friends, and family to retain the power they covet

Unwinding the Belly Simon and Schuster
 NATIONAL BESTSELLER ONE OF THE
 NEW YORK TIMES 10 BEST BOOKS OF
 THE YEAR Who are the immensely
 wealthy right-wing ideologues shaping
 the fate of America today? From the
 bestselling author of *The Dark Side*, an
 electrifying work of investigative
 journalism that uncovers the agenda of
 this powerful group. In her new preface,
 Jane Mayer discusses the results of the
 most recent election and Donald Trump's
 victory, and how, despite much
 discussion to the contrary, this was a
 huge victory for the billionaires who
 have been pouring money in the
 American political system. Why is
 America living in an age of profound and

widening economic inequality? Why have even modest attempts to address climate change been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of

exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. *Dark Money* is an essential book for anyone who cares about the future of American democracy. National Book Critics Circle Award Finalist LA Times Book Prize Finalist PEN/Jean Stein Book Award Finalist Shortlisted for the Lukas Prize

Unwinding Madness Anchor

The inheritor of two sometimes conflicting strains of the great American liberal tradition, Packer explores the ideals that shaped the lives of his forebears and describes his own struggle

to carry on their tradition in our time, when large numbers of Americans have lost faith in politics.

UnBound MIT Press

How did Lev Calder move from an unwillingly escaped Tithe to a clapper?

In this revealing short story, Neal Shusterman opens a window on Lev's adventures between the time he left CyFi and showed up at the Graveyard. Pulling elements from Neal Shusterman's critically acclaimed *Unwind* and giving hints about what is to come in the riveting sequel, *UnWholly*, this short story is not to be missed.

UnStrung Crown

Practical advice from some of today's top early stage investors and entrepreneurs TechStars is a mentorship-driven startup accelerator

with operations in three U.S. cities. Once a year in each city, it funds about ten Internet startups with a small amount of capital and surrounds them with around fifty top Internet entrepreneurs and investors. Historically, about seventy-five percent of the companies that go through TechStars raise a meaningful amount of angel or venture capital. *Do More Faster: TechStars Lessons to Accelerate Your Startup* is a collection of advice that comes from individuals who have passed through, or are part of, this proven program. Each vignette is an exploration of information often heard during the TechStars program and provides practical insights into early stage entrepreneurship. Contains seven sections, each focusing on a major theme within the TechStars program,

including idea and vision, fundraising, legal and structure, and work/life balance Created by two highly regarded experts in the world of early stage investing Essays in each section come from the experienced author team as well as TechStar mentors, entrepreneurs, and founders of companies While you'll ultimately have to make your own decisions about what's right for your business, Do More Faster: TechStars Lessons to Accelerate Your Startup can get your entrepreneurial endeavor headed in the right direction.

The Book of the Unwinding Simon and Schuster

A critical look at the tension between the larger role of the university and the commercialization of college sports.

Unwinding Madness is the most comprehensive examination to date of how the NCAA (National Collegiate Athletic Association) has lost its way in the governance of intercollegiate athletics - and why it is incapable of achieving reform and must be replaced. The NCAA has placed commercial success above its responsibilities to protect the academic primacy, health and well-being of college athletes and fallen into an educational, ethical, and economic crisis. The authors propose detailed solutions, starting with the creation of a new national governance organization to replace the NCAA. At the college level, these proposals will not diminish the revenue production capacity of sports programs but will restore academic integrity to the

enterprise, provide fairer treatment of college athletes with better health protections, and restore the rights and freedoms of athletes, which have been taken away by a professionalized athletics mentality that controls the cost of its athlete labor force and overpays coaches and athletic directors.

Wildland Simon and Schuster

One of The New York Times' "6 Books to Read for Context on Ukraine" "A short and insightful primer" to the crisis in Ukraine and its implications for both the Crimean Peninsula and Russia's relations with the West (New York Review of Books) The current conflict in Ukraine has spawned the most serious crisis between Russia and the West since the end of the Cold War. It has undermined European security, raised questions

about NATO's future, and put an end to one of the most ambitious projects of U.S. foreign policy—building a partnership with Russia. It also threatens to undermine U.S. diplomatic efforts on issues ranging from terrorism to nuclear proliferation. And in the absence of direct negotiations, each side is betting that political and economic pressure will force the other to blink first. Caught in this dangerous game of chicken, the West cannot afford to lose sight of the importance of stable relations with Russia. This book puts the conflict in historical perspective by examining the evolution of the crisis and assessing its implications both for the Crimean Peninsula and for Russia's relations with the West more generally. Experts in the international relations of post-Soviet

states, political scientists Rajan Menon and Eugene Rumer clearly show what is at stake in Ukraine, explaining the key economic, political, and security challenges and prospects for overcoming them. They also discuss historical precedents, sketch likely outcomes, and

propose policies for safeguarding U.S.-Russia relations in the future. In doing so, they provide a comprehensive and accessible study of a conflict whose consequences will be felt for many years to come.
