Reflections on Angels Past and Present, and True Stories of How They Touch Our Lives

Howard Books
 Angelic beings can be found throughout the Hebrew Bible, and by late antiquity the archangels Michael and Gabriel were as familiar as the patriarchs and matriarchs, guardian angels were as present as one's shadow, and praise of the seraphim was as sacred as the Shema prayer. Mika Ahuvia recovers once-commonplace beliefs about the divine realm and demonstrates that angels were foundational to ancient Judaism. Ancient Jewish practice centered on

humans' relationships with invisible beings who acted as intermediaries, role models, and guardians. Drawing on non-canonical sources—incantation bowls, amulets, mystical texts, and liturgical poetry—Ahuvia shows that when ancient men and women sought access to divine aid, they turned not only to their rabbis or to God alone but often also to the angels. On My Right Michael, On My Left Gabriel spotlights these overlooked stories, interactions, and rituals, offering a new entry point to the history of Judaism and the wider ancient Mediterranean and Near Eastern world in which it flourished. The well-known evangelist explains the characteristics of angels as well as their purposes and significance in the contemporary world

Thinking Biblically About Angels, Satan, and Principalities

Cambridge Scholars Publishing

Fifteen years after its original publication comes a thoroughly revised edition of the *Evangelical Dictionary of Theology*. Every article from the original edition has been revisited. With some articles being removed, others revised, and many new articles added, the result is a completely new dictionary covering systematic, historical, and philosophical theology as well as theological ethics.

Angels of Light, Powers of Darkness

Multnomah

In this groundbreaking book, Barker claims that pre-Christian Judaism was not monotheistic and that the roots of Christian Trinitarian theology lie in a pre-Christian Palestinian belief about angels derived from the ancient religion of Israel. Barker's beliefs are based on canonical and deuterocanonical works and literature from Qumran and rabbinic sources.

Angels Univ of California Press

A gorgeous new edition of the New York Times bestseller that has sold more than a million copies. "A golden conjunction of heaven and earth...reminding us that there are angels in every religion." -The

Washington Post "As far as angels are concerned, now you see them, now you don't. A Book of Angels gives us a lovely, sustained glimpse." - Chicago Tribune When Sophy Burnham wrote A Book of Angels, she inspired a phenomenon. An instant bestseller when it was originally published in 1990, this beautiful book not only tells the extraordinary true stories of present-day encounters with angels, but also traces the study of angels throughout history and in different cultures. Burnham writes about the powerful male angels, Buddhist bodhisattvas, Islamic angels, Hindu Apsaras, the mysterious angels of the Jewish Kabbalah, cherubim, seraphim, guardian angels, the

angel of death, and others. What are angels? What do they look like? Whom do they choose to visit? Why do they appear sometimes and not others, and would you recognize one if it appeared before you? With great feeling, Burnham offers an eloquent report from the place where earth and heaven meet. A wondrous journey into the world of angels, this book is a song of praise to life. Heavenly Hierarchy Westminster John Knox Press
The remarkable truth about angels, the agents of Heaven, unveiled through Scripture—from the New York Times best-selling author of Everything You Need "Outstanding! As one would expect from

David Jeremiah, this book reflects a theologian's concern, a pastor's heart, and a Biblicist's accuracy."—Dr. Bruce Wilkinson

People have long been fascinated by stories of angel sightings, yet many contemporary beliefs about angels are based on misconception and myth rather than solid, biblical truth. As he's done so brilliantly for decades, respected Bible teacher Dr. David Jeremiah of Turning Point Ministries uses Scripture to unveil the remarkable truth about these agents of heaven and their role in our world and our lives. What are angels? What is their role in God's plan? Are they present? Do they appear? Do they give us personal insight about our work and our

worship? In this broad and thorough survey of Scripture, Dr. Jeremiah clearly and simply separates fact from fiction as it relates to angels. His enlightening findings are supported with illustrations and insights from prominent teachers, such as Billy Graham, Corrie ten Boom, C. S. Lewis, and more. Dr. Jeremiah's down-to-earth style guides readers around the hype about angels and directly into everything you need to know about the "substance of things unseen!"

God, Satan, and Angels
Wipf and Stock Publishers

In Joshua 5:13-15, the leader of the Israelite army, Joshua, encountered what he at first believed to be a man outside the city of

Jericho. He quickly realized that this was not a man, but an angel commanding an entire army of angels, sent by God to help conquer Jericho. This account, along with numerous others in the Bible, gives us much information concerning the role of angels in God's plan for mankind. Angels are God's ministers for good, sent to help man overcome the evil schemes devised by Satan and his ministers. Curtis L. Carr was born in Beaumont Texas. He was raised in a Christian family that placed a high value on becoming a good Bible student at an early age. He was fortunate to have had the opportunity to sit at the feet of several outstanding Bible teachers. It was

instilled in him the importance of maintaining neutrality when studying the Bible in order to get at the true meaning and not allowing any previously held opinions to cause bias in the study. One of his favorite Bible passages is: Acts 17: 11 "These were more fair-minded than those in Thessalonica, in that they received the word with all readiness, and searched the Scriptures daily to find out whether these things were so."

Angels and Demons

Intervarsity Press
 Angels and Beasts
 looks into the interplay between the angelic figures in the vision of the seven seals. John creates a relationship between the four living creatures and the four riders in Revelation

6:1-8 that must not be overlooked. This connection works between the two groups as a whole and at the one-to-one level. The blending of symbols and the communication between these symbolic figures reveal exegetical, theological, and spiritual lessons. Both the scenario and the script of John's vision talk about terms and ties in the realm of angelic beings. For John these relations in the world above are a code to unlock relations in the world below.

God's Special Agents

Multnomah Books Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on

psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

Greenleaf Book Group
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

A Book of Angels

Penguin
Christians and non-Christians alike are encountering angelic beings more than ever, but what does Scripture say about the appearance of angels? In this revision of his eye-opening book, Terry Law presents fascinating biblical

truths about both God's angels and evil angels, while exposing false and dangerous teachings that use New Age techniques to contact these powerful beings.

Angels & Angelology in the Middle Ages

Charisma Media

Refutes the notion that early Christians believed that mighty forces of evil were ranged against man.

The Book of Angels

Thomas Nelson Inc

Recently angels have made a remarkable comeback in the popular imagination; their real heyday, however, was the Middle Ages. From the great shrines dedicated to Michael the Archangel at Mont-St-Michel and Monte Garano to the elaborate metaphysical speculations of the

great thirteenth-century scholastics, angels dominated the physical, temporal, and intellectual landscape of the medieval West. This book offers a full-scale study of angels and angelology in the Middle Ages. Seeking to discover how and why angels became so important in medieval society, David Keck considers a wide range of fascinating questions such as: Why do angels appear on baptismal fonts? How and why did angels become normative for certain members of the church? How did they become a required course of study? Did popular beliefs about angels diverge from the angelologies of the theologians? Why did some heretics claim to derive their authority from heavenly spirits?

Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible. Metaphysics and mystery plays, prayers and pilgrimages, Cathars and cathedrals—all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways. Penguin Group USA

Bible Themes.

What the Bible Says about Angels Shaw Books

Angels and saints. Catholics tend to think of them as different from the rest of us. They're cast in plaster or simpering on a holy

card, performing miracles with superhero strength, or playing a harp in highest heaven. Yet they are very near to us in every way. In this lively book, Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance. The truth is that Jesus Christ has united heaven and earth in a close communion. Drawing deeply from Scripture, Dr. Hahn shows that the hosts of heaven surround the earthly Church as a "great cloud of witnesses." The martyrs cry out from heaven's altar begging for justice on the earth. The prayers of the saints and angels rise to God, in the Book of Revelation, like the sweet aroma of

incense. Dr. Hahn tells the stories of several saints (and several angels too) in a way that's fresh and new. The saints are spiritual giants but with flesh-and-blood reality. They have strong, holy ambitions—and powerful temptations and opposition that must be overcome. Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives. In this telling of their story, the saints are neither otherworldly nor this-worldly. They exemplify the integrated life that every Christian is called to live. Still, their lives are as different from one another as human lives can be. Dr. Hahn shows the heavenly Church in all its kaleidoscopic

diversity—from Moses to Mary, Augustine to Therese, and the first century to the last century. Only saints will live in heaven. We need to be more like the saints if we want to live in heaven someday. Dr. Hahn shows us that our heavenly life can begin now. It must.

*The Army of the Lord:
A Study of Angels*

Image

The interest in angels has never been greater. But with so much speculation and misinformation out there, how can readers separate truth from fiction? This study of angelology discusses

the origin, nature, activities, and destiny of angels -- all based on solid, biblical teaching. While comprehensive in scope and biblical in foundation, this book is easy to read and understand. This fascinating and informative book assures readers that they are not alone in this world.

Why Violence Has Declined Good Press Using Scripture to unveil the remarkable truth about angels, a senior pastor presents clear, powerful details about angels, and their role and work in the world and in people's lives.
