The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Companion to Literature W. W. Norton & Company

From dusty rural villages to northern ghettos, 12 Million Black Voices is an unflinching portrayal of the lives that many black Americans lived in the 1930s. It is a testament to the strength of black communities throughout America.

The Negro Motorist Green Book Black Boy

'Wright's unrelentingly bleak landscape was not merely that of the Deep South, or of Chicago, but that of the world, the human heart' James Baldwin Natural disasters, cold-blooded murders, political agitation - all haunt these dark, dramatic novellas set in an American Deep South still corrupted by its slave-owning past. But at the heart of each are the stories of the men, women and children whose resistance against oppression will come to define their lives. Originally published in 1938, Uncle Tom's Children was Richard Wright's first published work. It would establish his reputation as both a powerful storyteller and a fierce chronicler of racism, violence and oppression in America at the time.

Savage Holiday, first published in 1954 by noted American author Richard Wright, is a tense, well-written psychological thriller about Erskine Fowler, an insurance executive forced into early retirement, who, over the course of a bizarre weekend, is responsible for the accidental death of his neighbor's young son. Tragic consequences follow as Fowler attempts to redeem himself and is forced to question his own life, as events spiral out-of-control to their inevitable conclusion.

Richard Wright BEYOND BOOKS HUB

"Richard Wright" (1908-1960) was one of the landmark authors of twentieth-century American literature as well as one of the most formidable and eloquent black voices of his day. In nearly 900 pages the editors have collected his most essential and evocative writing: essays like "Black Power" and "Pagan Spain"; selections from his autobiography Black Boy; most of the photographs and the complete text of Wright's folk history of the African-American experience 12 Million Black Voices; representative criticism, articles, letters, and poetry; the complete novellas "The Man Who Lived Underground" and "Big Black Good Man"; and generous excerpts from novels like Uncle Tom's Children, Native Son, The Outsider, The Long Dream, Savage Holiday, and Lawd Today. The result is a beautifully wrought miniature panorama of the career of a writer whose immense talent was matched only by his humanity.

The Gumshoe Prometheus Books

African-American writer Richard Wright (1908–1960) was celebrated during the early 1940s for his searing autobiography (Black Boy) and fiction (Native Son). By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever, and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.

Richard Wright is one of the most important African American writers. He is also one of the most prolific. Best known as the author of Native Son, he wrote 7 novels; 2 collections of short fiction; an autobiography; more than 250 newspaper articles, book reviews, and occasional essays; some 4,000 verses; a photo-documentary; and 3 travel books. By attacking the taboos and hypocrisy that other writers had failed to address, he revolutionized American literature and created a disturbing and realistic portrait of the African American experience. This encyclopedia is a guide to his vast and influential body of works.

The 57 Bus ABC-CLIO

Despite his disability a young boy shows everyone that he is more than capable of doing anything anyone else can do, once he has his legs on!

A novel Da Capo Press, Incorporated

Richard Wright grew up in the woods of Mississippi amid poverty, hunger, fear, and hatred. He lied, stole, and raged at those around him; at six he was a "drunkard," hanging about in taverns. Surly, brutal, cold, suspicious, and self-pitying, he was surrounded on one side by whites who were either indifferent to him, pitying, or cruel, and on the other by blacks who resented anyone trying to rise above the common lot. Black Boy is Richard Wright's powerful account of his journey from innocence to experience in the Jim Crow South. It is at once an unashamed confession and a profound indictment—a poignant and disturbing record of social injustice and human suffering.

One teenager in a skirt. One teenager with a lighter. One moment that changes both of their lives forever. If it weren't for the 57 bus, Sasha and Richard never would have met. Both were high school students from Oakland, California, one of the most diverse cities in the country, but they inhabited different worlds. Sasha, a white teen, lived in the middle-class foothills and attended a small private school. Richard, a black teen, lived in the crime-plagued flatlands and attended a large public one. Each day, their paths overlapped for a mere eight minutes. But one afternoon on the bus ride home from school, a single reckless act left Sasha severely burned, and Richard charged with two hate crimes and facing life imprisonment. The 57 Bus is Dashka Slater's true account of the case that garnered international attention and thrust both teenagers into the spotlight.

"Powerful . . . equal parts heartwarming and heart-wrenching. White is a gifted storyteller." —Washington Post From the streets of Baltimore to the halls of the New Mexico Philharmonic, a musician shares his remarkable story in I'm Possible, an inspiring memoir of perseverance and possibility. Young Richard Antoine White and his mother don't have a key to a room or a house. Sometimes they have shelter, but they never have a place to call home. Still, they have each other, and Richard believes he can look after his mother, even as she struggles with alcoholism and sometimes disappears, sending Richard into loops of visiting familiar spots until he finds her again. And he always does—until one night, when he almost dies searching for her in the snow and is taken in by his adoptive grandparents. Living with his grandparents is an adjustment with rules and routines, but when Richard joins band for something to do, he unexpectedly discovers a talent and a sense of purpose. Taking up the tuba feels like something he can do that belongs to him, and playing music is like a light going on in the dark. Soon Richard gains acceptance to the prestigious Baltimore School for the Arts, and he continues thriving in his musical studies at the Peabody Conservatory and beyond, even as he navigates racial and socioeconomic disparities as one of few Black students in his programs. With fierce determination, Richard pushes forward on his remarkable path, eventually securing a coveted spot in a symphony orchestra and becoming the first African American to earn a doctorate in music for tuba performance. A professor, mentor, and motivational speaker, Richard now shares his extraordinary story—of dreaming big, impossible dreams and making them come true.

The Most Dangerous Game Vintage

Master storyteller Stephen King presents the classic “wondrously frightening” (Publishers Weekly) #1 New York Times bestseller about a writer’s horrific and haunting pseudonym. “I’m back...I’m back from the dead and you don’t seem glad to see me at all, you ungrateful son of a bitch.” After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad’s even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph “Not a Very Nice Guy.” Although on the surface, it seems that Thad can finally concentrate on his own novels, there’s a certain unease at the prospect of leaving George Stark behind. But that’s nothing compared to the horror about to descend upon Thad’s new life. There are the vicious, out-of-control

nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark's untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad's fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he's going to find out just how wrong he is...

A Story of Survival, a Tuba, and the Small Miracle of a Big Dream Savant Books & Publications

This book presents a great background to the social conditions in 19th century Cuba which led to the revolution in 1959. It tells about Cuba of 1887.

At the time, Cuba was heavily dependent on Spain, did not have self-rule but had high taxes to support the bureaucracy sent out from Spain to rule

the island. It is very interesting from a historical perspective. Also, it allows drawing analogies with the current state of things. Many researchers recommend this book as a key to better understanding the policy of the country today.

Beginning with early sixteenth-century documents that recorded bilge pump design and installation and ending at about 1900, when bilge pumps were being mass-produced, Oertling covers a period of radical technological change. He describes the process of making long wooden pump tubes by hand, as well as the assembly of the machine-crafted pumps that helped revolutionize ship construction and design. Also given in detail are the creation, function, and development of the three types of pumps used from about 1500 to well into the nineteenth century: the burr pump, the "suction" or common pump, and the chain pump. Of further interest is Oertling's overall examination of the nature and management of leaks in ships' hulls.
