 The One Minute Manager, published in 1982, took the world by storm. More than 13 million copies have been sold in this country and it has been

translated into more than 25 languages, making it one of the most influential books about business management ever written. The second book in this record-breaking series, *Putting the One Minute Manager to Work*, turns the three secrets of One Minute Management into day-to-day skills and shows how they work in real-life situations. By going straight to boardrooms and assembly lines for their examples, the authors put the One Minute concepts into working systems that directly affect a company's bottom line. Here is the next step in the revolutionary, simple, and uniquely effective

system that is changing how the world runs business.  With The One Minute Manager Ken Blanchard and coauthor Spencer Johnson forever changed the way we approach management by introducing their Three Secrets: One Minute

Goals, One Minute Praisings and One Minute Reprimands. The book became an international bestseller and remains a timeless classic.

Blanchard, along with coauthor Margret McBride, presents the 4th Secret, a concept that, when implemented properly, is one of the most powerful actions for improving company and employee morale. This is a book that can extend well beyond the business realm and repair relationships that we thought were broken forever. Using Blanchard's signature breezy style, *The 4th Secret of the One Minute Manager* tells the story of a bright young man, Matt Hawkins, who wants to help his mentor, the company president, face and deal with some crucial mistakes. For advice, Matt turns to family friend Jack Peterson, known by everyone as the One Minute Manager. What begins as a beautiful country weekend turns into an enlightening few days when Matt discovers how to take action effectively when we have done something wrong. Through this engaging parable, Blanchard and McBride teach readers step-by-step how to

accept responsibility for their errors and deal with the cause of the damage while maintaining a genuine sense of integrity. Destined to join Ken Blanchard's other groundbreaking classics, *The 4th Secret of the One Minute Manager* offers businesspeople—and just about anyone else—a cogent and clearheaded way of approaching one of life's most perplexing dilemmas: how to accept that we have made a wrong decision and how to correct it by making a meaningful apology. The techniques described in this simple but profound story will have significant results at work and at home.

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work Harper Collins

Step-by-step guide for uninspired employees, motivation and performance.

Whale Done! MIT Press
The bestselling co-author of the legendary *The One Minute Manager*® and a former Twitter executive join forces to create the ultimate guide to creating powerful mentoring relationships. While most people agree that having a mentor is a good thing,

they don't know how to find one or use one. And despite widespread approval for the idea of being a mentor, most people don't think they have the time or skills to do so. Positive mentoring relationships can change the way we lead and help us succeed. In *One Minute Mentoring*, legendary management guru Ken Blanchard and Claire Diaz-Ortiz, a former Twitter executive and early employee, combine their knowledge to provide a systematic approach to intergenerational mentoring, giving readers great insight into the power and influence of mentoring and encouraging them to pursue their own mentoring relationships. Using his classic parable format, Blanchard explains why developing effective communication and relationships across generations can be a tremendous opportunity for companies and individuals alike. *One Minute Mentoring* is the go-to source for learning why mentoring is the secret ingredient to professional and personal success.

Manager Zondervan Take Care of Your Customers--or Someone Else Will! *Legendary Service* Great customer service is a concept organizations love to be known for. Yet most people consider the service they receive to be average, at best. Successful companies make the connection between legendary customer service and a thriving business--they recognize that the way employees treat customers is directly related to the way managers treat employees. Kelsey Young is an optimistic but disillusioned sales associate working her way through college. Her world opens up when one of her professors challenges her to create a culture of service at her workplace by putting the five components of *Legendary Service* into practice. Although Ferguson's, the store where Kelsey works, certainly isn't known for

service excellence, Kelsey believes she can make a positive difference. She quickly learns that culture change isn't easy--and that her role as a frontline employee is more significant than she ever could have imagined. In characteristic Blanchard style, *Legendary Service: The Key Is to Care* is a quick and entertaining read for people at all organizational levels in every industry. When applied, its lessons will have a profound impact on the service experience your customers will receive. Whether a CEO or a part-time employee, every person can make a difference--and customer service is everyone's job. PRAISE FOR LEGENDARY SERVICE: "Read this book and establish a service culture in your organization." -- Horst Schulze, Chairman/CEO, Capella Hotel Group "Legendary Service has great learnings for people at all organizational levels: for executives and managers, the value of a service culture; and for frontline staff, the reality that they are the face of the company and can make a difference. *Legendary service*--it's everyone, always." -- Mark King, CEO and President, TaylorMade Golf

"Everything I know about service I learned from my career at Hilton Hotels, Marriott International, The Walt Disney Company, and Ken Blanchard. The *One Minute Manager* dramatically changed my thinking 32 years ago. *Legendary Service* will teach the next generation how to deliver sensational service. Buy it, study it, implement it." -- Lee Cockerell, Executive Vice President, Walt Disney World (Retired & Inspired), and author of *Creating Magic* and *The Customer Rules* "Kathy Cuff and Vicki Halsey have created a fantastic customer service model called ICARE. When you add their voices to that of the master storyteller Ken Blanchard, you have a masterpiece entitled *Legendary Service*. It is a must-read for everyone who, like me, has a passion for service." -- Colleen Barrett, President Emeritus, Southwest Airlines, and coauthor of *Lead with LUV* "Ken Blanchard has done it again and delivered the right book at the right time. *Legendary Service* provides the essentials of hospitality and servant leadership in a way that everyone can adopt--right now--today!" -- John Caparella, President and

COO, The Venetian, The Palazzo, and Sands Expo "Ken, Kathy, and Vicki show us how to change everyday service events into memorable experiences. Their book is a must-read for anyone unwilling to accept mediocrity." -- Leonardo Inghilleri, coauthor of Exceptional Service, Exceptional Profit *Gain the Mindset and Skillset for Getting What You Need to Succeed* Ballantine Books

Here are the highly successful training techniques used at one of the top golfing schools in America--the Golf University in San Diego. It was founded by Ken Blanchard, coauthor of the bestselling books *The One Minute Manager*, *Raving Fans*, and *Gung Ho!* In this brilliant book, Blanchard applies his management wisdom to the game of golf. He explains how you can take the same methods that are highly effective in business and adapt them with astonishing success to your golf game. Using training techniques that have been tested with pupils from beginners to low handicappers, *The One Minute Golfer* offers a long-overdue program for playing and enjoying golf, while improving your

game. *Ken Blanchard on Empowerment* William Morrow Paperbacks

In this story, number one bestselling author Dr. Spencer Johnson reveals a simple, easy way to bring out the best in yourself. Using his proven world-famous One Minute program, you can: Take better care of yourself and encourage others to do the same Reduce stress at work and at home Enjoy a sense of peace and balance Have more business and personal success Life is lived minute by minute. With the practical wisdom that characterizes all of his One Minute books, Dr. Johnson shows how stopping and taking a minute out of the day can make life more meaningful and enjoyable—for you and for those near you. Increasing Effectiveness Through Situational Self Leadership HarperCollins UK

Wall Street Journal Bestseller From the acclaimed author of *Turn the Ship Around!*, former US Navy Captain David Marquet, comes a radical

new playbook for empowering your team to make better decisions and take greater ownership. You might imagine that an effective leader is someone who makes quick, intelligent decisions, gives inspiring speeches, and issues clear orders to their team so they can execute a plan to achieve your organization's goals. Unfortunately, David Marquet argues, that's an outdated model of leadership that just doesn't work anymore. As a leader in today's networked, information-dense business climate, you don't have full visibility into your organization or the ground reality of your operating environment. In order to harness the eyes, ears, and minds of your people, you need to foster a climate of collaborative experimentation that encourages people to speak up when they notice problems and work together to identify and test solutions. Too many leaders fall in love with the sound of their own voice, and wind up dictating plans and digging in their heels when problems begin to emerge. Even when you want to be a more collaborative leader, you

can undermine your own efforts by defaulting to command-and-control language we've inherited from the industrial era. It's time to ditch the industrial age playbook of leadership. In *Leadership is Language*, you'll learn how choosing your words can dramatically improve decision-making and execution on your team. Marquet outlines six plays for all leaders, anchored in how you use language:

- Control the clock, don't obey the clock: Pre-plan decision points and give your people the tools they need to hit pause on a plan of action if they notice something wrong.
- Collaborate, don't coerce: As the leader, you should be the last one to offer your opinion. Rather than locking your team into binary responses ("Is this a good plan?"), allow them to answer on a scale ("How confident are you about this plan?")
- Commit, don't comply: Rather than expect your team to comply with specific directions, explain your overall goals, and get their commitment to achieving it one piece at a time.
- Complete, not continue: If every day feels like a repetition of the last, you're doing something wrong.

Articulate concrete plans

with a start and end date to align your team.

- Improve, don't prove: Ask your people to improve on plans and processes, rather than prove that they can meet fixed goals or deadlines. You'll face fewer cut corners and better long-term results.
- Connect, don't conform: Flatten hierarchies in your organization and connect with your people to encourage them to contribute to decision-making. In his last book, *Turn the Ship Around!*, Marquet told the incredible story of abandoning command-and-control leadership on his submarine and empowering his crew to turn the worst performing submarine to the best performer in the fleet. Now, with *Leadership is Language* he gives businesspeople the tools they need to achieve such transformational leadership in their organizations.

[t]hey guide us along a path of personal discovery so that we may have the strength of spirit to risk the creation of more meaningful organizations." --Jim Kouzes, coauthor, *The Leadership Challenge* and *Encouraging the Heart* **The One Minute Entrepreneur** McGraw Hill Professional A compendium of straightforward techniques on how to accentuate the positive and redirect the negative, increasing productivity at work and at home. What do your people at work and your spouse and kids at home have in common with a five-ton killer whale? Probably a whole lot more than you think, according to top business consultant and mega-bestselling author Ken Blanchard and his

coauthors from SeaWorld. In this moving and inspirational new book, Blanchard explains that both whales and people perform better when you accentuate the positive. He shows how using the techniques of animal trainers -- specifically those responsible for the killer whales of SeaWorld - - can supercharge your effectiveness at work and at home. When gruff business manager and family man Wes Kingsley visited SeaWorld, he marveled at the ability of the trainers to get these huge killer whales, among the most feared predators in the ocean, to perform amazing acrobatic leaps and dives. Later, talking to the chief trainer, he learned their techniques of building trust, accentuating the positive, and redirecting negative behavior -- all of which make these extraordinary performances possible. Kingsley took a hard look at his own often accusatory management style and recognized how some of his shortcomings as a manager, spouse, and father actually diminish trust and damage relationships. He began to see the difference between "GOTcha" (catching

wrong) and "Whale Done!" (catching people doing things right). In *Whale Done!*, Ken Blanchard shows how to make accentuating the positive and redirecting the negative the best tools to increase productivity, instead of creating situations that demoralize people. These techniques are remarkably easy to master and can be applied equally well at home, allowing readers to become better parents and more committed spouses in their happier and more successful personal lives.
