Radical Depravity InterVarsity Press

If you are like me you have struggled to

accept the modern Christian church's portrayal (or betrayal) of God, depiction of the devil and description of hell. Many god-fearing people and good-hearted preachers alike have long harbored unspoken thoughts of a more loving,

merciful and masterful Creator. However, just about as many who subscribe to this grander vision and version of God also admittedly and even ashamedly lack the ability to reference the Bible and specific passages of scripture in order to publicly validate these privately held higher concepts of God... THE HOLY BIBLE OF INCLUSION will scripturally, extensively and even exhaustively confront theological myths, misrepresentations and mistranslations of the Bible and its Origins - Universal Salvation - the devil - the Purpose of hell and the Fire of God - Sexual Orientation and many others. Join me on this worthwhile and rewarding spiritual journey as we research, rethink, recover and then re-present the awesome and awe-inspiring God of the universe.

*The Path to Being a Pastor* Crossway Examines Hebrews' exposition of Jesus' death, his self-offering in heaven at his ascension, and the link between them.

Can We Still Believe the Bible?

InterVarsity Press

"Like newborn babes, long for the pure milk of the word, that by it you may grow in respect to salvation." 1 Peter 2:2  
It's a fact of life: our health declines if we don't nourish our bodies every day with food and water. That's true physically. It's true spiritually as well. If we neglect to regularly feed our souls on the Holy Scriptures, our faith becomes weak and we start to lose touch with our Savior. Growth is stifled... if it happens at all. Drawing Near, used daily in combination with God's Holy Word, can not only help bring you closer to God but also keep

you from spiritual stagnation. This book will guide you in a growing relationship with Him. As Pastor MacArthur says in his Introduction: "Our entertainment-conscious, quick-fix, fast-food society does everything it can to divert us from setting aside time to study God's Word. As you well know from your own efforts, Bible study is not often entertaining—it's hard work. It takes discipline to set aside time each day to reap the benefits such study has to offer. If you reach an impasse when it's time to sit down, open your Bible, and try to decide what to do, you're not alone. Without some plan to follow, it's easy to become frustrated and eventually give up after only one or two days. That's where this book comes in." If you desire greater understanding of the precious Word of God, if you want

a daily guide to draw you closer to the Lord, this outstanding collection of 365 devotional readings by one of America's most respected and trusted Bible teachers is for you!

### **Taking America Back for God**

Crossway

A man who's been transformed by Christ and desires to preach the gospel might say he feels called to be a pastor. This personal conviction, while heartfelt, doesn't acknowledge important, challenging steps necessary to be a qualified leader. So where should full-time ministry begin? In *The Path to Being a Pastor*, Bobby Jamieson explains why it's better to emphasize "aspiration" over "calling" as men pursue the office of elder and encourages readers to make sure they are pastorally gifted before

considering the role. He shares from his own eleven-year experience preparing to be a pastor by walking potential leaders through different stages of ministry training, from practical steps—such as cultivating godly ambition and leadership, observing healthy churches, and mastering Scripture—to personal advice on building a strong family and succeeding in seminary. Emphasizing the importance of prayer, godly counsel, and immersion in the local church, Jamieson encourages men to ask Am I qualified? instead of Am I called? when considering a life in ministry.

*Horace Williams* Church Publishing, Inc.  
 HOW DOES THE CHURCH REACH THE UNCHURCHED? We live in an increasingly post-Christian culture. More and more we find ourselves on the

margins as less and less people have any intention of ever attending church. What used to work doesn't work anymore and we need to adapt. Helping us to see the way forward, this book offers practical ideas and personal stories for engaging with Western society. Find out how to effectively reach people in the context of everyday life and take hold of the opportunity to develop missional communities focused on Jesus.

*Church in Transition* Oxford University Press

The Biggest Win gives athletes and sports fans of all ages a unique, insider's look into the lives and faith of six Christian NFL players from the 2017 Philadelphia Eagles Super Bowl team—Carson Wentz, Nick Foles, Zach

Ertz, Trey Burton, Jordan Hicks, and Chris Maragos—in particular, how these high-profile athletes remain committed to God's ...

America's Fastest Growing Churches The Good Book Company

Challenges to the reliability of Scripture are perennial and have frequently been addressed. However, some of these challenges are noticeably more common today, and the topic is currently of particular interest among evangelicals. In this volume, highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate. He believes that a careful analysis of the relevant evidence shows

we have reason to be more confident in the Bible than ever before. As he traces his own academic and spiritual journey, Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture, offering a positive, informed, and defensible approach.

*What God Thinks When We Fail*  
Crossway

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book;

(3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. Paul's first letter to the Corinthian church contains one of the most quoted chapters in all of the Bible: 1 Corinthians 13. In this accessible study, pastor and author Jay Thomas helps readers see that this epistle is about more than love and marriage. At the heart of 1 Corinthians is the reality

that the good news of Jesus Christ saves, changes, and unites God's people.

[30 Life Principles](#) Brazos Press

Using Psalm 139, Abbey Wedgeworth walks alongside women suffering the heartbreak of miscarriage. Having experienced the sorrow of miscarriage herself, she acknowledges the isolation commonly felt and the impact that such an experience can have on faith. The 31 biblical reflections in this beautiful and comforting book remind grieving women that God sees them, knows them, loves them, and is actively caring for them. These precious verses will show women that God can bring comfort, assurance, protection, and purpose in the very sorrow that they are experiencing. Includes personal stories of pregnancy loss from others, including Courtney

Reissig, Kristie Anyabwile, and Eric Schumacher encouraging sufferers that they are not alone. It is a very helpful book to give to women who are suffering in this way.

*Surprised by Paradox* Spirit and Truth Sanctuary

One of the most significant developments within contemporary American Christianity, especially among younger evangelicals, is a groundswell of interest in the Reformed tradition. In *Reformed Resurgence*, Brad Vermurlen provides a comprehensive sociological account of this phenomenon--known as New Calvinism--and what it entails for the broader evangelical landscape in the United States. Vermurlen develops a new theory for understanding how conservative religion can be strong and

thrive in the hypermodern Western world. His paradigm uses and expands on strategic action field theory, a recent framework proposed for the study of movements and organizations that has rarely been applied to religion. This approach to religion moves beyond market dynamics and cultural happenstance and instead shows how religious strength can be fought for and won as the direct result of religious leaders' strategic actions and conflicts. But the battle comes at a cost. For the same reasons conservative Calvinistic belief is experiencing a resurgence, present-day American evangelicalism has turned in on itself. Vermurlen argues that in the end, evangelicalism in the United States consists of pockets of subcultural and local strength within the

"cultural entropy" of secularization, as religious meanings and coherence fall apart.

Surviving Religion 101 Wipf and Stock Publishers

Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line

must be drawn at "no sexual activity" whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Heistand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. *Sex, Dating, and Relationships* adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

*The Paradox of Sonship* Broadleaf Books  
Renowned pastor and New York Times bestselling author Timothy Keller writes

the book his readers have been asking for: A year-long daily devotional, beautifully designed with gilt edges and a gold ribbon marker. The Book of Psalms is known as the Bible's songbook—Jesus knew all 150 psalms intimately, and relied on them to face every situation, including his death. Two decades ago, Tim Keller began reading the entire Book of Psalms every month. The Songs of Jesus is based on his accumulated years of study, insight, and inspiration recorded in his prayer journals. Kathy Keller came to reading the psalms as a support during an extended illness. Together they have distilled the meaning of each verse, inviting readers into the vast wisdom of the psalms. If you have no devotional life yet, this book is a wonderful way to

start. If you already spend time in study and prayer, understanding every verse of the psalms will bring you a new level of intimacy with God, unlocking your purpose within God's kingdom.

#### *The Biggest Win* Crossway

The best leaders not only lead well but also reflect on their leadership long enough and thoughtfully enough to articulate the philosophies that cause them to do so. Whether serving in the marketplace or in ministry, as executives or rank-and-file employees, as salaried staff or volunteer servants, good leaders can pinpoint the rationale for their actions and decisions with the ease of reciting their home address. In *Axiom*: author Bill Hybels divulges the God-given convictions that have dictated his leadership strategy for more than three

decades as senior pastor of Willow Creek Community Church. Oriented toward four key leadership categories ... 1. Vision and strategy ('Promote Shameless Profitability, ' 'Take a Flyer') 2. Teamwork and communication ('Obi-Wan Kenobi Isn't for Hire, ' 'Disagree without Drawing Blood') 3. Activity and assessment ('Develop a Mole System, ' 'Sweat the Small Stuff') 4. Personal integrity ('Admit Mistakes, and Your Stock Goes Up, ' 'Fight for Your Family') ...Axiom brokers accessible wisdom from one leader's journey, as well as emboldens you to nail down the reasons why you lead like you lead.

### **Mormons and the Bible** Convergent Books

"I can't imagine a college student—skeptic, doubter, Christian,

struggler—who wouldn't benefit from this book." —Kevin DeYoung For many young adults, the college years are an exciting period of selfdiscovery full of new relationships, new independence, and new experiences. Yet college can also be a time of personal testing and intense questioning— especially for Christian students confronted with various challenges to Christianity and the Bible for the first time. Drawing on years of experience as a biblical scholar, Michael Kruger addresses common objections to the Christian faith—the exclusivity of Christianity, Christian intolerance, homosexuality, hell, the problem of evil, science, miracles, and the reliability of the Bible. If you're a student dealing with doubt or wrestling with objections to Christianity from

fellow students and professors alike, this book will equip you to engage secular challenges with intellectual honesty, compassion, and confidence—and ultimately graduate college with your faith intact.

[Building a Children's Chapel](#) Abingdon Press

"This book presents a biblical theology of discipleship that gives the "big picture" of God's relationship with humanity. It surveys God's interaction with humankind from Eden, through the sequence of the biblical covenants, and on into the fulfillment that comes in Jesus. Throughout, the twin themes emerge—one of God's demand of righteousness and another of his prior, enabling grace. Discipleship to Jesus stands in relation to its Old Testament

precedents, preserving continuity in the grace/demand interplay. Jesus' ministry to Israel is the fulfillment of the interactions between God and his people, assuming the roles of righteous King and gracious Servant. Faithful discipleship to Jesus the King, therefore, must always involve responding to his bracing call for righteousness, but doing so in the ongoing experience of the Servant's prior, enabling grace. This book provides an understanding of Jesus that will facilitate ongoing experiences of transforming grace, which in turn will enable faithful discipleship. As such, it presents a view of Christian discipleship that is grounded in an informed Christology of Jesus, the Servant King."

**The Holy Bible of Inclusion [Second Edition]** Oxford University Press

Hill's landmark work in southern religious history returns to print updated and expanded—and compellingly relevant. In 1966, Samuel S. Hill's *Southern Churches in Crisis* argued that southern Protestantism, a cornerstone of white southern society and culture, was shirking its moral duty by refusing to join in the fight for racial justice. Hill predicted that the church was risking its standing in southern society and that it would ultimately decline in influence and power. A groundbreaking study at the time, Hill's book helped establish southern religious history as a field of scholarly inquiry. Three decades later, *Southern Churches in Crisis* continues to be widely read, quoted, and cited. In *Southern Churches in Crisis Revisited*, which reprints the 1966 text in full, Hill

reexamines his earlier predictions in an introductory essay that also describes how the study of religion in the South has become a major field of scholarly inquiry. Hill skillfully engages his critics by integrating new perspectives and recent scholarship. He suggests new areas for exploration and provides a selected bibliography of key studies in southern religious history published in the three decades subsequent to the original appearance of this groundbreaking work.

*Caring for Widows Crossway*

Learn how to face and overcome the fears we feel about loneliness, illness, financial insecurity, disappointing others, failure, insignificance, and aging “A thoughtful, literate, faith-filled guide to reclaiming our minds and our

lives.”—John Ortberg, senior pastor of Menlo Church and author of *I’d Like You More If You Were More Like Me* You’d be hard-pressed to overstate the extent to which fear, anxiety, and worry permeate our lives today. Fear wreaks havoc on our relationships and communities. It leads us into making bad decisions. It holds us back from the very pursuits that promise fulfillment and joy. As the senior pastor of a large, diverse church in America’s heartland, Adam Hamilton has seen the cost of fear up close. When he surveyed his congregation on how fear affects them, 2,400 people responded—and what they said was eye-opening. Eighty percent admitted to living with moderate or significant levels of fear. *Unafraid* is Hamilton’s insightful and impassioned response. Drawing on

recent research, inspiring real-life examples, and fresh biblical insight, Hamilton uses a mixture of facts and faith to help readers understand and counter fears related to such outside perils as death and illness, as well as the everyday anxieties all of us encounter. He invites us to: Face our fears with a bias of hope Examine our fears in light of the facts Attack our anxieties with action Release our cares to God Writing with generosity and intelligence, Hamilton shows how believer and unbeliever alike can develop sustaining spiritual practices and embrace Jesus’s recurring counsel: “Do not be afraid.” For anyone struggling with fear or wondering how families and communities can thrive in troubled times, *Unafraid* offers an informed and inspiring message full of

practical solutions.

*Giving Up Gimmicks* Zondervan

Christopher Columbus returned to Europe in the final days of 1500, ending his third voyage to the Indies not in triumph but in chains. Seeking to justify his actions and protect his rights, he began to compile biblical texts and excerpts from patristic writings and medieval theology in a manuscript known as the Book of Prophecies. This unprecedented collection was designed to support his vision of the discovery of the Indies as an important event in the process of human salvation - a first step toward the liberation of Jerusalem and the Holy Land from Muslim domination. This work is part of a twelve-volume series produced by U.C.L.A.'s Center for Medieval and Renaissance Studies which

involved the collaboration of some forty scholars over the course of fourteen years. In this volume of the series, Roberto Rusconi has written a complete historical introduction to the Book of Prophecies, describing the manuscript's history and analyzing its principal themes. His edition of the documents, the only modern one, includes a complete critical apparatus and detailed commentary, while the facing-page English translations allow Columbus's work to be appreciated by the general public and scholars alike.

*Guaranteed Pure* Wipf and Stock Publishers

Every pastor struggles with demands for his time, and how to determine priorities in ministry. Some choose to respond to the most urgent needs, while others

seek a more balanced and intentional approach. But what determines these priorities? Where should a busy pastor look for wisdom in making decisions? In the Pastor's Ministry, pastor and author Brian Croft looks to the Scriptures to determine the top ten priorities for a faithful pastoral ministry. These biblically rooted responsibilities help pastors determine how to spend their time and with greater discernment respond to the demands of the church. Each of these priorities is rooted in a direct command of God's Word, including: Guarding the Truth Preaching and Teaching the Word Praying for the Flock Setting an Example Visiting the Sick Comforting the Grieving Caring for Widows Confronting Sin Encouraging the Faint-Hearted Identifying and Training Other Leaders

To be successful and faithful in pastoral ministry, every pastor needs to understand these core callings and make them part of his regular practice. These ten responsibilities guide how a pastor schedules his time, helping him to lay the foundation for a biblically faithful ministry in his church.

*The Book of Prophecies* Felipe chavarro  
Why do white Protestants in America embrace a president who seems to violate their basic standards of morality? The answer, Andrew Whitehead and Samuel Perry argue, is "Christian nationalism," the belief that the United States is -- and should be -- a Christian nation. Knowing someone's stance on Christian nationalism, this book shows, tells us more about his or her political beliefs than race, religion, or political

party. Drawing on national survey data and interviews with Americans across the political spectrum, *Taking America*

*Back for God* illustrates the tremendous influence of Christian nationalism on debates about the most contentious issues dominating American public life.
