101 Books to Read Before You Grow Up Anchor

The #1 New York Times bestseller. Over 10 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that

can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to

redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. Stop What You're Doing and Read...Epic Page-turners: The Count of Monte Cristo & Les Miserables Penguin

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

The Short Reign of Pippin IV Zondervan

"The ultimate literary bucket list." —THE WASHINGTON POST
Celebrate the pleasure of reading and the thrill of discovering new titles in an extraordinary book that's as compulsively readable, entertaining, surprising, and enlightening as the 1,000-plus titles it recommends. Covering fiction, poetry, science and science fiction, memoir, travel writing, biography, children's books, history, and more, *1,000 Books to Read Before You Die*

ranges across cultures and through time to offer an eclectic collection of works that each deserve to come with the recommendation, You have to read this. But it's not a proscriptive list of the "great works"—rather, it's a celebration of the glorious mosaic that is our literary heritage. Flip it open to any page and be transfixed by a fresh take on a very favorite book. Or come across a title you always meant to read and never got around to. Or, like browsing in the best kind of bookshop, stumble on a completely unknown author and work, and feel that tingle of discovery. There are classics, of course, and unexpected treasures, too. Lists to help pick and choose, like *Offbeat Escapes*, or *A Long Climb, but What a View*. And its alphabetical arrangement by author assures that surprises await on almost every turn of the page, with Cormac McCarthy and *The Road* next to Robert McCloskey and *Make Way for Ducklings*, Alice Walker next to Izaak Walton. There are nuts and bolts, too—best editions to read, other books by the author, "if you like this, you'll like that" recommendations, and an interesting endnote of adaptations where appropriate. Add it all up, and in fact there are more than six thousand titles by nearly four thousand authors mentioned—a life-changing list for a lifetime of reading. "948 pages later, you still want more!" —THE WASHINGTON POST
100 Books You Must Read Before You Die - volume 1 [Emma; Jane Eyre; Wuthering Heights; Heart of Darkness; Frankenstein ...] Penguin

This carefully crafted ebook: "*Jane Eyre + Wuthering Heights (2 Unabridged Classics)*" is formatted for your eReader with a functional and detailed table of contents. Charlotte Brontë's most beloved novel describes the passionate love between the

courageous orphan Jane Eyre and the brilliant, brooding, and domineering Rochester. The loneliness and cruelty of Jane's childhood strengthens her natural independence and spirit, which prove invaluable when she takes a position as a governess at Thornfield Hall. But after she falls in love with her sardonic employer, her discovery of his terrible secret forces her to make a heart-wrenching choice. Ever since its publication in 1847, Jane Eyre has enthralled every kind of reader, from the most critical and cultivated to the youngest and most unabashedly romantic. It lives as one of the great triumphs of storytelling and as a moving and unforgettable portrayal of a woman's quest for self-respect. Born into a poor family and raised by an oppressive aunt, young Jane Eyre becomes the governess at Thornfield Manor to escape the confines of her life. There her fiery independence clashes with the brooding and mysterious nature of her employer, Mr. Rochester. But what begins as outright loathing slowly evolves into a passionate romance. When a terrible secret from Rochester's past threatens to tear the two apart, Jane must make an impossible choice: Should she follow her heart or walk away and lose her love forever? Considered by many to be Charlotte Brontë's masterpiece, Jane Eyre chronicles the passionate love between the independent and strong-willed orphan Jane Eyre and the dark, impassioned Mr. Rochester. Having endured a lonely and cruel childhood, orphan Jane Eyre, who is reared in the home of her heartless aunt prior to attending a boarding school with an equally torturous regime, is strengthened by these experiences. The natural independence and unbroken spirit she emerges with allows her to thrive as a governess at Thornfield Hall. It is only after she falls in love with

her employer and discovers his explosive secret that she is forced to return to the poverty and isolation of her past. Wuthering Heights is the only published novel by Emily Brontë, written between October 1845 and June 1846 and published in July of the following year. It was not printed until December 1847 under the pseudonym Ellis Bell, after the success of her sister Charlotte Brontë's novel Jane Eyre. A posthumous second edition was edited by Charlotte in 1850. It is one of the world's greatest tales of unrequited love, captivating readers with its intense passion and drama. A classic novel of consuming passions, played out against the lonely moors of northern England, recounts the turbulent and tempestuous love story. The title of the novel comes from the Yorkshire manor on the moors of the story. The narrative centres on the all-encompassing, passionate, but ultimately doomed love between Catherine Earnshaw and Heathcliff, and how this unresolved passion eventually destroys them and the people around them.

Lucky Jim Oregon Publishing

The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie The Shawshank Redemption fail at the box office but go on to gross more than \$100 million as a cult classic? How did The 48 Laws of Power miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years

after the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include: • Rick Rubin, producer for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration. • Tim Ferriss, whose books have sold millions of copies, in part because he rigorously tests every element of his work to see what generates the strongest response. • Seinfeld, which managed to capture both the essence of the nineties and timeless themes to become a modern classic. • Harper Lee, who transformed a muddled manuscript into To Kill a Mockingbird with the help of the right editor and feedback. • Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters. Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the creator's mind from day one. By thinking holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the test of time.

The Prime of Miss Jean Brodie Bantam

“A perfect book”—and basis for the Maggie Smith film—about a teacher who makes a lasting impression on her female students in the years before World War II (Chicago Tribune). “Give me a girl at an impressionable age, and she is mine for life!” So asserts Jean Brodie, a magnetic, dubious, and sometimes comic teacher at the conservative Marcia Blaine School for Girls in Edinburgh. Brodie selects six favorite pupils to mold—and she doesn’t stop with just their intellectual lives. She has a plan for them all, including how they will live, whom they will love, and what sacrifices they will make to uphold her ideals. When the girls reach adulthood and begin to find their own destinies, Jean Brodie’s indelible imprint is a gift to some, and a curse to others. The Prime of Miss Jean Brodie is Spark’s masterpiece, a novel that offers one of twentieth-century English literature’s most iconic and complex characters—a woman at once admirable and sinister, benevolent and conniving. This ebook features an illustrated biography of Muriel Spark including rare photos and never-before-seen documents from the author’s archive at the National Library of Scotland.

The Rough Guide to Classic Novels Thales Press

The Booker Prize-winning novel—now a major motion picture from Fox Searchlight Pictures. This sweeping, irrepressibly inventive novel, is a romance, but a romance of the sort that could only take place in nineteenth-century Australia. For only on that sprawling continent—a haven for misfits of both the animal and human kingdoms—could a nervous Anglican minister who gambles on the instructions of the Divine become allied with a teenaged heiress who buys a glassworks to help liberate her sex. And only the prodigious imagination of Peter Carey could

implicate Oscar and Lucinda in a narrative of love and commerce, religion and colonialism, that culminates in a half-mad expedition to transport a glass church across the Outback.

A Bend in the River Rough Guides UK

The Good Soldier A Tale of Passion by Ford Madox Ford At the fashionable German spa town Bad Nauheim, two wealthy, fin de siecle couples - one British, the other American - meet for their yearly assignation. As their story moves back and forth in time between 1902 and 1914, the fragile surface propriety of the pre - World War I society in which these four characters live is ruptured - revealing deceit, hatred, infidelity, and betrayal. "The Good Soldier" is Edward Ashburnham, who, as an adherent to the moral code of the English upper class, is nonetheless consumed by a passion for women younger than his wife - a stoic but fallible figure in what his American friend, John Dowell, calls "the saddest story I ever heard."

Jane Eyre + Wuthering Heights (2 Unabridged Classics) Open Road Media

A hilarious satire about college life and high class manners, this is a classic of postwar English literature. Regarded by many as the finest, and funniest, comic novel of the twentieth century, Lucky Jim remains as trenchant, withering, and eloquently misanthropic as when it first scandalized readers in 1954. This is the story of Jim Dixon, a hapless lecturer in medieval history at a provincial university who knows better than most that “there was no end to the ways in which nice things are nicer than nasty ones.” Amis’s scabrous debut leads the reader through a gallery of

emphatically English bores, cranks, frauds, and neurotics, with each of whom Dixon must contend in one way or another in order to hold on to his cushy academic perch and win the girl of his fancy. More than just a merciless satire of cloistered college life and stuffy post-war manners, *Lucky Jim* is an attack on the forces of boredom, whatever form they may take, and a work of art that at once distills and extends an entire tradition of English comic writing, from Fielding and Dickens through Wodehouse and Waugh. As Christopher Hitchens has written, “if you can picture Bertie or Jeeves being capable of actual malice, and simultaneously imagine Evelyn Waugh forgetting about original sin, you have the combination of innocence and experience that makes this short romp so imperishable.”

I'm Afraid of Men Vintage Canada

Pulitzer Prize-winning literary critic Michiko Kakutani shares 100 personal, thought-provoking essays about books that have mattered to her and that help illuminate the world we live in today—with beautiful illustrations throughout. “A book tailor-made for bibliophiles.”—Oprah Winfrey “An ebullient celebration of books and reading.”—Publishers Weekly (starred review) In the introduction to her new collection of essays, *Ex Libris: 100+ Books to Read and Reread*, Michiko Kakutani writes: “In a world riven by political and social divisions, literature can connect people across time zones and zip codes, across cultures and religions, national boundaries and historical eras. It can give us an understanding of lives very different from our own, and a sense of the shared joys and losses of human experience.” Readers will discover novels and memoirs by some of the most gifted writers working today; favorite classics worth reading or

rereading; and nonfiction works, both old and new, that illuminate our social and political landscape and some of today’s most pressing issues, from climate change to medicine to the consequences of digital innovation. There are essential works in American history (*The Federalist Papers*, *The Writings and Speeches of Martin Luther King, Jr.*); books that address timely cultural dynamics (Elizabeth Kolbert’s *The Sixth Extinction*, Daniel J. Boorstin’s *The Image*, Margaret Atwood’s *The Handmaid’s Tale*); classics of children’s literature (the *Harry Potter* novels, *Where the Wild Things Are*); and novels by acclaimed contemporary writers like Don DeLillo, William Gibson, Chimamanda Ngozi Adichie, and Ian McEwan. With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates, *Ex Libris* is an impassioned reminder of why reading matters more than ever.

[The Catcher in the Rye](#) Penguin

Years before they served together on board the U.S.S. EnterpriseTM, Commander William Riker and ship's counselor Deanna Troi had a tempestuous love affair on her home planet of Betazed. Now, their passions have cooled and they serve together as friends. Yet the memories of that time linger and Riker and Troi remain Imzadi- a powerful Betazoid term that describes the enduring bond they still share. During delicate negotiations with an aggressive race called the Sindareen Deanna Troi mysteriously falls ill and dies. But her death is only the beginning of the adventure for Commander Riker, an adventure that will take him across time, pit him against one of his closest friends, and force him to choose between Starfleet's strictest rule and the one he calls Imzadi.

Optionality Random House

NEW YORK TIMES BESTSELLER • An essential volume for generations of writers young and old. The twenty-fifth anniversary edition of this modern classic will continue to spark creative minds for years to come. Anne Lamott is "a warm, generous, and hilarious guide through the writer's world and its treacherous swamps" (Los Angeles Times). "Superb writing advice.... Hilarious, helpful, and provocative." —The New York Times Book Review For a quarter century, more than a million readers—scribes and scribblers of all ages and abilities—have been inspired by Anne Lamott's hilarious, big-hearted, homespun advice. Advice that begins with the simple words of wisdom passed down from Anne's father—also a writer—in the iconic passage that gives the book its title: "Thirty years ago my older brother, who was ten years old at the time, was trying to get a report on birds written that he'd had three months to write. It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, 'Bird by bird, buddy. Just take it bird by bird.'"

Under the Net Penguin

Popular speaker, multimillionaire, and author of the all-time bestselling real-estate book *Nothing Down*, Robert G. Allen knows how to bring you financial success. With his seminars sweeping the nation, Allen is at the cutting edge of strategic wealth creation now more than ever. And in this completely revised edition of his classic bestseller *Creating Wealth* Allen gives you

the basic principles that you need to stop thinking poor and start growing rich. Moving beyond just real estate, Allen goes straight to the core of people's inner motivations and beliefs about money to give you all the fundamentals of wealth creation. By developing a wealthy mind-set, anyone can take off into financial self-reliance -- and Allen shows you how. He explains the ways in which most of us have been programmed to think that only saving is good and debt and risk are bad, so that in our efforts to gain security, we cheat ourselves out of getting rich. The key to changing that mind-set is Allen's unique integration of real estate with other wealth-generating investments. In his trademark, easy-to-understand style Allen spells out all his practical applications and shows you how to: Take advantage of recent tax laws Use leverage to multiply holdings while minimizing risks Benefit from high-yield discount mortgages Acquire long-term profits in gold and silver coins Set up corporations and trusts to protect assets Find the highest rate of return with the greatest liquidity As Robert Allen has proved in his own life -- becoming a multimillionaire well before he was thirty-five -- it doesn't matter how much or how little money you have when you start as long as you understand the right principles -- timeless principles that can make you a fortune.

The Good Soldier Zondervan

The Catcher in Rye is the ultimate novel for disaffected youth, but it's relevant to all ages. The story is told by Holden Caulfield, a seventeen-year-old dropout who has just been kicked out of his fourth school. Throughout, Holden dissects the 'phony' aspects of society, and the 'phonies' themselves- the headmaster whose affability depends on the wealth of the parents, his roommate

who scores with girls using sickly-sweet affection. Lazy in style, full of slang and swear words, it's a novel whose interest and appeal comes from its observations rather than its plot intrigues (in conventional terms, there is hardly any plot at all). Salinger's style creates an effect of conversation, it is as though Holden is speaking to you personally, as though you too have seen through the pretences of the American Dream and are growing up unable to see the point of living in, or contributing to, the society around you. Written with the clarity of a boy leaving childhood, it deals with society, love, loss, and expectations without ever falling into the clutch of a cliché

Money Macmillan

Not Sure What the Future Holds? No Problem. It's hard not to be worried about the future, especially if you just lost your job, are trying to plan your career, or are suddenly missing thousands of dollars from your retirement account. In *Optionality*, finance journalist Richard Meadows lays out a guide for not only becoming resilient to shocks, but positioning yourself to profit from an unpredictable world. Meadows takes us on a journey from quitting his office job at age 25, to lounging on tropical beaches living the early retirement dream, to finding and adopting an ancient philosophy for systematically pursuing the good life. Learn how to:

- Find investment opportunities with open-ended upside, and maximise the chances of a 'moonshot' success
- Make life-changing choices under conditions of uncertainty
- Achieve the kind of financial freedom that lets you live life on your own terms
- Protect against disaster, build support networks, and create a safety buffer of resilience in every area of life
- Develop a systems approach to making your own

luck *Optionality* is the key to navigating an uncertain world. In this entertaining and insightful debut, Meadows delivers a timely message: optionality has never been so valuable, and only those who have it will survive and thrive.

White Noise Modern Library

Moses Herzog, personajul central din romanul lui Saul Bellow, este un om suferind, un glumeț, un seducător. Deși constată că întreaga sa viață se dezintegrează – este un scriitor, profesor și tată ratat, părăsit de soție și trădat de cel mai bun prieten –, Herzog se consideră un supraviețuitor atât al dezastrelor personale, cât și al epocii în care trăiește. Concepe scrisori – pe care însă nu le trimite niciodată – către prieteni și dușmani, către colegi și personalități ale vremii, comunicându-le părerea lui despre lume și dezvăluindu-le cele mai intime secrete ale vieții sale. Roman distins cu NATIONAL BOOK AWARD O capodoperă! Vocea lui Herzog, furioasă, stranie și absurdă, este vocea civilizației noastre. The New York Times Book Review O carte spectaculoasă... cu siguranță cel mai bun roman al lui Bellow. Malcolm Bradbury
