Tales of Terror and Detection Sterling Publishing Company Incorporated

"Positively tailor-made for reading—or reading aloud—by flashlight," declares Kirkus Reviews in a starred review. The phenomenally versatile, award-winning author Candace Fleming gives teen and older tween readers ten ghost stories sure to send chills up their spines. Set in White Cemetery, an actual graveyard outside Chicago, each story takes place during a different time period from the 1860s to the present, and ends with the narrator's death. Some teens die heroically, others ironically, but all due to supernatural causes. Readers will meet walking corpses and witness demonic possession, all against the backdrop of Chicago's rich history—the Great Depression, the World's Fair, Al Capone and his fellow gangsters.

Poe Simon and Schuster

This selection of Poe's critical writings, short fiction and poetry demonstrates an intense interest in aesthetic issues and the astonishing power and imagination with which he probed the darkest corners of the human mind. The Fall of the House of Usher describes the final hours of a family tormented by tragedy and the legacy of the past. In the Tell Tale Heart, a murderer's insane delusions threaten to betray him, while stories such as

The Pit and the Pendulum and the Cask of Amontillado explore extreme states of decadence, fear and hate.

"The Black Cat" is a short story by Edgar Allan Poe. It was first published in the August 19, 1843, edition of The Saturday

Evening Post. It is a study of the psychology of guilt, often paired in analysis with Poe's "The Tell-Tale Heart". In both, a murderer carefully conceals his crime and believes himself unassailable, but eventually breaks down and reveals himself, impelled by a nagging reminder of his guilt.

Mrs. Poe Courier Dover Publications

Read throughout the world, admired by Dostoevsky and translated by Baudelaire, Edgar Allan Poe has become a legendary figure, representing the artist as obsessed outcast and romantic failure. His nightmarish visions, shaped by cool artistic calculation, reveal some of the dark possibilities of human experience. But his enormous popularity and his continuing influence on literature depend less on legend or vision than on his stylistic accomplishments as a writer. The tales in this volume include Poe's best-known and most representative works as well as his masterly "The Narrative of Arthur Gordon Pym." For the first time, the authoritative editions of works by major American novelists, poets, scholars, and essayists collected in the hardcover volumes of The Library of America are being published singly in a series of handsome paperback books. A distinguished writer has contributed an introduction for each volume, which also includes a chronology of the author's life and career, an essay on the text, and notes.

E. A. Poe's short story follows Prince Prospero and his friends' futile attempt to outrun and outsmart a deadly plague, called the Red Death. The heart of the story is presented as a masquerade where the guests revel in mirth and intoxication, oblivious of the horrors that await them. The author's narrative techniques revolve around symbolism (number seven, the clock, the black chamber) and provides an allegorical halo around the short story.

Witnessing his wife's suffering from tuberculosis and the ravages of cholera in Baltimore at the time, Poe imbues "The Mask" with an air of veracity, but the supernatural reigns supreme. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).
