Harriet Tubman

**Harriet Tubman** One World

A biography of Harriet Tubman written in verse, in which poem and watercolor come together to honor a woman of humble origins whose courage and compassion make her larger than life.

**Guide to Harriet Tubman's Eastern Shore, A: The Old Home Is Not There** Courier Corporation

The essential, "richly researched"\* biography of Harriet Tubman, revealing a complex woman who "led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary" (\*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for *Bound for the Promised Land* "[Bound for the Promised Land] appropriately reads like fiction, for Tubman's exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman's determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others."—The Seattle Times "Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect."—The Plain Dealer "Larson has captured Harriet Tubman's clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced."—The New York Sun

*The Tubman Command* Arcadia Publishing

Tera W. Hunter offers the first comprehensive history of African American marriage in the nineteenth century and into the Jim Crow era. She reveals the practical ways couples adopted, adapted, or

rejected White Christian ideas of marriage, creatively setting their own standards for conjugal relationships under conditions of uncertainty and cruelty.--

*Harriet Tubman* Open Road Media

Harriet Tubman is a legendary figure in the history of American slavery and the Underground Railroad. In the introduction to this compelling volume, Lois Horton reveals the woman behind the legend and addresses the ways in which Tubman's mythic status emerged in her own lifetime and beyond. Going beyond mere biography, Horton weaves through Tubman's story the larger history of slavery, the antislavery movement, the Underground Railroad, the increasing sectionalism of the pre-Civil War era, as well as the war and post-war Reconstruction. A rich collection of accompanying documents — including the Fugitive Slave Acts, letters, newspaper articles, advertisements and tributes to Tubman — shed light on Tubman's relationships with key abolitionist figures such as Frederick Douglass and William Lloyd Garrison; her role in the women's rights movement; and her efforts on behalf of fugitive slaves and freed blacks through the Civil War and beyond. A chronology of Tubman's life, along with questions for consideration and a selected bibliography, enhance this important volume.

*Harriet Tubman* Cavendish Square Publishing

University Press returns with another short and captivating portrait of one of history's most compelling figures, Harriet Tubman. Harriet Tubman was born a slave but found her way to freedom. Yet she was not satisfied to stop at merely attending to her own welfare. As a conductor on the Underground Railroad, she risked her life to help many others to escape the degradation of slavery too. Becoming one of the key players in the abolitionist movement, Harriet Tubman brought intelligence, courage, and persistence to the monumental task of overcoming slavery. Her story is an inspiration - a remarkable story of loss, compassion, and grit. This short book tells the intensely human story of a woman who has changed the world in a way that no one else could.

*Harriet Tubman and the Freedom Train* Little Brown & Company

When Harriet Tubman crossed the line to freedom in Pennsylvania, she left behind her home in Maryland, along with a life of enslavement. Her native land made Tubman the person she became to history: Underground Railroad conductor, Civil War scout and nurse, suffragist and advocate for the aged and disabled. Authors Phillip Hesser and Charlie Ewers explore the landscape of Tubman's life, from the slave quarters to the churches to the marshes and fields where she worked. Travel to nineteenth-century Dorchester County and search for the places that Harriet Tubman would never know again--some of them now lost to sinking lands and rising waters.

*When Harriet Met Sojourner* Broadleaf Books

A biography of the fugitive slave turned "conductor" on the Underground Railroad describes Tubman's youth in the South, her escape to Philadelphia, her efforts to liberate slaves, and her work for the Union Army.

*Bound in Wedlock* Harriet Tubman A biography of the fugitive slave turned "conductor" on the Underground Railroad describes Tubman's youth in the South, her escape to Philadelphia, her efforts to liberate slaves, and her work for the Union Army. Harriet Tubman

Scenes in the Life of Harriet Tubman: By SARAH H. BRADFORD. [Special Illustrated Edition]

Harriet Tubman Penguin

Harriet Tubman: A Life in American History is an indispensable resource for high school and college students about the life and times of anti-slavery activist Harriet Tubman, who exemplifies how slaves took the initiative to free themselves and others. Harriet Tubman served a pivotal role in leading slaves to freedom in the decade before the Civil War. This biography offers a demythologized chronicle of her life and work with information about her life as a slave, role as conductor on the Underground Railroad, work as a military scout during the Civil War, and postwar activism for blacks and women. The book provides valuable context that situates Harriet Tubman against the backdrop of the slavery debate in antebellum America, and the hardships endured by ex-slaves in postbellum America. As such, the timeframe covers nearly a full century, from the first quarter of the 19th to the first quarter of the 20th. In addition to ten biographical chapters and a short timeline, Harriet Tubman includes an interpretive essay reflecting on her importance in American history. The volume also includes an appendix of primary documents about Tubman's life and work, a bibliography, and a number of sidebars and short commentaries embedded in the text, inviting readers to explore connections between Tubman's life and political, intellectual, and social culture. Provides readers with a comprehensive but readable account of Tubman's life Provides readers with an overview of American abolitionism and the Underground Railroad Explores the pivotal role of religious faith in Tubman's activism Suggests several comparisons between Tubman's activism and current struggles for social justice

**Harriet Tubman and the Fight for Freedom** Simon and Schuster

Harriet Tubman is one of America's most beloved historical figures, revered alongside luminaries including Abraham Lincoln and Frederick Douglass. Harriet Tubman: Myth, Memory, and History tells the fascinating story of Tubman's life as an American icon. The distinguished historian Milton C. Sernett compares the larger-than-life symbolic Tubman with the actual "historical" Tubman. He does so not to diminish Tubman's achievements but rather to explore the interplay of history and myth in our national consciousness. Analyzing how the Tubman icon has changed over time, Sernett shows that the various constructions of the "Black Moses" reveal as much about their creators as they do about Tubman herself. Three biographies of Harriet Tubman were published within months of each other in 2003-04; they were the first book-length studies of the "Queen of the Underground Railroad" to appear in almost sixty years. Sernett examines the accuracy and reception of these three books as well as two earlier biographies first published in 1869 and 1943. He finds that the three recent studies come closer to capturing the "real" Tubman than did the earlier two. Arguing that the mythical Tubman is most clearly enshrined in stories told to and written for children, Sernett

scrutinizes visual and textual representations of "Aunt Harriet" in children's literature. He looks at how Tubman has been portrayed in film, painting, music, and theater; in her Maryland birthplace; in Auburn, New York, where she lived out her final years; and in the naming of schools, streets, and other public venues. He also investigates how the legendary Tubman was embraced and represented by different groups during her lifetime and at her death in 1913. Ultimately, Sernett contends that Harriet Tubman may be America's most malleable and resilient icon.

*Walking the Way of Harriet Tubman* ABC-CLIO

Part of the critically acclaimed Little People, BIG DREAMS series, discover the incredible life of Harriet Tubman, the Underground Railroad conductor who "never lost a single passenger." Little Harriet was born into slavery on a plantation in Maryland. Though life was hard, Harriet persisted. She used all of her strength and bravery to escape slavery and journey north on the Underground Railroad. Harriet made the dangerous mission back to the South many times, fighting her whole life to bring others with her to freedom. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the abolitionist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

A Picture Book of Harriet Tubman Millbrook Press

If you loved the movie HARRIET <https://www.focusfeatures.com/harriet/> you will love THE TUBMAN COMMAND! From the bestselling author of The Hamilton Affair, a novel based on a thrilling chapter of Civil War history and African American history, how Harriet Tubman lead a Union raid to free 750 slaves. It's May 1863. Outgeneraled and outgunned, a demoralized Union Army has pulled back with massive losses at the Battle of Chancellorsville. Fort Sumter, hated symbol of the Rebellion, taunts the American navy with its artillery and underwater mines. In Beaufort, South Carolina, one very special woman, code named Moses, is hatching a spectacular plan. Hunted by Confederates, revered by slaves, Harriet Tubman plots an expedition behind enemy lines to liberate hundreds of bondsmen and recruit them as soldiers. A bounty on her head, she has given up husband and home for the noblest cause: a nation of, by, and for the people. The Tubman Command tells the story of Tubman at the height of her powers, when she devises the largest plantation raid of the Civil War. General David Hunter places her in charge of a team of black scouts even though skeptical of what one woman can accomplish. For her gamble to succeed, "Moses" must outwit alligators, overseers, slave catchers, sharpshooters, and even hostile Union soldiers to lead gunships up the Combahee River. Men stand in her way at every turn--though one reminds her that love shouldn't have to be the price of freedom. It's the perfect read before going to see the big new movie about Harriet Tubman,

Harriet (November 2019) starring Kasi Lemmons, Cynthia Erivo, and Janelle Monae.

Harriet Tubman ABC-CLIO

A biography of the fugitive slave turned "conductor" on the Underground Railroad describes Tubman's youth in the South, her escape to Philadelphia, her efforts to liberate slaves, and her work for the Union Army.

Harriet Tubman Frances Lincoln Children's Books

Harriet Tubman, freedom fighter and leader in the Underground Railroad, is one of the most significant figures in US history. Her courage and determination in bringing enslaved people to freedom have established her as an icon of the abolitionist movement. But behind the history of the heroine called "Moses" was a woman of deep faith. In *Walking the Way of Harriet Tubman*, Therese Taylor-Stinson introduces Harriet, a woman born into slavery whose unwavering faith in God and practices in prayer and contemplation carried her through insufferable abuse and hardship. Her deep spirituality rooted in mysticism, Christianity, and African indigenous beliefs sustained her escape from slavery and led her to an internal liberation, giving her the strength and purpose to lead others on the road to freedom. Harriet's lived spirituality illuminates a profound path forward for those of us in the fight for justice and equity--a freedom which Black, Indigenous, Latinx, and people of color must cultivate to be fully who we are called to be for ourselves and our communities. As the luminous significance of Harriet Tubman's spiritual life is revealed, so too is the path to our own spiritual truth, advocacy, and racial justice as we follow in her footsteps--for Black lives and all people of color.

*What I Told My Daughter* Penguin

They called her "Minty." When she grew up, she became Harriet Tubman, the courageous and heroic woman who helped hundreds of slaves escape to freedom through the Underground Railroad. But she was just a little girl for a while—and this is her story. Minty, short for Araminta, was a feisty and headstrong young slave, whose rebellious spirit often got her into trouble. She told stories to her doll, released animals from traps, and, above all, dreamed of running away. And when her father began to teach her the skills necessary for escape, she listened carefully, and learned. . . . \*"Rich with melodrama, suspense, pathos, and, of course, a powerful vision of freedom. This exquisitely crafted book resonates well beyond its few pages."—Kirkus Reviews, starred review Winner of the Coretta Scott King Award An ALA Notable Book

**Harriet Tubman** Simon and Schuster

Edited by Nina Tassler, the chairman of CBS Entertainment, a collection of original essays from notable, highly accomplished women in politics, academia, athletics, the arts, and business offering advice for raising a new generation of empowered girls. Young women are bombarded these days with advice from every direction telling them to lean in, marry smart, thrive, or not even to try to have it all. So where to begin? And whom should they listen to? Nina Tassler is, by any standard, a trailblazer. She holds one of the highest positions at CBS Corp., one of the world's most prominent media companies; she serves on the boards of prominent institutions; and she's a devoted wife and mother. It's hard to imagine a better role model for a young woman. But while attending a volleyball tournament with her daughter, Nina was forced to face her own limitations. Olympic gold medalist Misty May-Treanor was scheduled to speak and the girls were all so excited to hear what she would

have to say—not just as an icon of the sport that they all loved, but as a woman. Nina realized that the absence of sports from her own girlhood meant that she didn't always know how to talk to her daughter about what it means to be a female athlete, or about how women could succeed in the often male-dominated field of sports. Nina realized that her perspective on what feminism means—on what being a woman means—is singular, and informed by her own journey...and that perhaps other women—other mothers—had their own unique ways of talking about these issues with their own girls. And so *What I Told My Daughter* was born: a kaleidoscope of talented, successful women from all walks of life—from celebrities to business executives, academics to law enforcement to philanthropic and humanitarian leaders including Geena Davis, Brooke Shields, Norah O'Donnell, First Lady Laura Bush, Pat Benatar, Gloria Estefan, Christine Baranski, Sheila Bair, Peggy Orenstein, and Gloria Allred—share anecdotes about the stories they've told their own daughters to instill in them the belief that they are capable of doing whatever they set their mind to, and that even as they struggle to find their own way, they are far from alone.

*Turtleback*

From the award-winning novelist and biographer Beverly Lowry comes an astonishing re-imagining of the remarkable life of Harriet Tubman, the "Moses of Her People." Tubman was an escaped slave, lumberjack, laundress, raid leader, nurse, fund-raiser, cook, intelligence gatherer, Underground Railroad organizer, and abolitionist. In *Harriet Tubman*, Lowry creates a portrait enriched with lively imagined vignettes that transform the legendary icon into flesh and blood. We travel with Tubman on slave-freeing raids in the heart of the Confederacy, along the treacherous route of the Underground Railroad, and onto the battlefields of the Civil War. Integrating extensive research and interviews with scholars and historians into a rich and mesmerizing chronicle, Lowry brings an American hero to life as never before.

**Tubman Travels** YWAM Publishing

The biography of a slave whose flight to freedom was the first step in her becoming a "conductor" on the underground railroad.

Before She Was Harriet Harper Collins

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an "underground railroad" that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this "well-written and moving life of the 'Moses of her people'" (*The Horn Book*), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, *Harriet Tubman: Conductor on the Underground Railroad* was also selected

as an American Library Association Notable Book.
