The Onion Magazine Andrews McMeel

Publishing

Ranging from the relatable to the utterly nonsensical and bizarre, *The Book of Onions* focuses on themes of loneliness, desperation, and failure. And misplaced optimism. And perverted talking fruit. Sort of like Gary Larson's "The Far Side," if Gary were way less accomplished and suffered from depression.

The Onion Ad Nauseam Quirk Books

The hilarious mock reference guide to the world from the brilliant Onion team *How to Write Funny* Simon and Schuster This groundbreaking classic is now available in a special anniversary edition with bonus content. Winner of the Newbery Medal as well as the National Book Award, *HOLE*s is a New York Times bestseller and one of the strongest-selling middle-grade books to ever hit

shelves! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and

darkly humorous tale of crime and punishment —and redemption. Special anniversary edition bonus content includes: A New Note From the Author!; "Ten Things You May Not Know About HOLES" by Louis Sachar; and more!

The Onion Presents Homeland Insecurity Simon and Schuster

Our Dumb World: The Onion's Atlas of The Planet Earth, 73rd Edition features incorrect statistics on all of the Earth's 168, 182, or 196 independent nations. It also features maps, including a fold-out world map at actual size. Readers will learn about every country from Afghanistan, "Allah's Cat Box," to the Ukraine, "The Bridebasket of Europe." Today's news-parody consumer cannot possibly understand made-up current events without the context of fake world

history and geography. That is why The Onion is publishing a world atlas: to help us. Our Dumb World is an invaluable tool for any reader interested in overthrowing a weakened government in East Asia, exploiting a developing nation in Africa, or for directions to tonight's party at Erica's. It is a reference guide to 250,000 of the world's most important places, such as North Korea's Trench of Victory, the Great Human Pyramid of Egypt, and Saudi Arabia's superhighway, the Mohammedobahn.

Google Earth For Dummies Random House Digital, Inc.

In this extraordinary memoir, Nobel Prize-winning author Günter Grass remembers his early life, from his boyhood in a cramped two-room apartment in Danzig through the late

1950s, when *The Tin Drum* was published. During the Second World War, Grass volunteered for the submarine corps at the age of fifteen but was rejected; two years later, in 1944, he was instead drafted into the Waffen-SS. Taken prisoner by American forces as he was recovering from shrapnel wounds, he spent the final weeks of the war in an American POW camp. After the war, Grass resolved to become an artist and moved with his first wife to Paris, where he began to write the novel that would make him famous. Full of the bravado of youth, the rubble of postwar Germany, the thrill of wild love affairs, and the exhilaration of Paris in the early fifties, *Peeling the Onion*--which caused great controversy when it was published in Germany--reveals Grass at his most

intimate.

Trump's America Little, Brown
From The Birth Of A Nation To The Death Of Journalism Since its founding by a bloodthirsty tyrant in 1756, *The Onion* has not merely changed the way we think about the news -- it has changed whether we think about the news at all. As the first decade of this new millennium draws to a close, *Our Front Pages* shows us the first thing that presidents, kings, prime ministers, and popes saw when they opened their eyes each morning for the last 21 years. Now you, the common reader and citizen, can see what they saw and be as informed as they were with this important retrospective of the past two decades. You, too, will realize what generations before have realized and generations yet

unborn will some day realize in turn: The Onion is not merely the chronicle of America. The Onion is America.

The Areas of My Expertise Andrews McMeel Publishing

Christmas wouldn't be Christmas without impulse-priced holiday gift books—and now The Onion has unleashed its award-winning team of investigative journalists upon the genre. Christmas Exposed features more than one hundred shocking tales of Secret Santas, shopping mall mayhem, dysfunctional family dinners, and much, much more. *The Onion's Our Dumb World* Grand Central Publishing

Are you a witless cretin with no reason to live? Would you like to know more about every piece of knowledge ever? Do you have cash? Then congratulations,

because just in time for the death of the print industry as we know it comes the final book ever published, and the only one you will ever need: The Onion's compendium of all things known.

Replete with an astonishing assemblage of facts, illustrations, maps, charts, threats, blood, and additional fees to edify even the most simple-minded book-buyer, The Onion Book of Known Knowledge is packed with valuable information -- such as the life stages of an Aunt; places to kill one's self in Utica, New York; and the dimensions of a female bucket, or "pail." With hundreds of entries for all 27 letters of the alphabet, The Onion Book of Known Knowledge must be purchased immediately to avoid the sting of eternal ignorance.

The Secret of Our Success Hachette UK
 John Bogle puts our obsession with financial success in perspective
 Throughout his legendary career, John C. Bogle-founder of the Vanguard Mutual Fund Group and creator of the first index mutual fund-has helped investors build wealth the right way and led a tireless campaign to restore common sense to the investment world. Along the way, he's seen how destructive an obsession with financial success can be. Now, with *Enough.*, he puts this dilemma in perspective. Inspired in large measure by the hundreds of lectures Bogle has delivered to professional groups and college students in recent years, *Enough.* seeks, paraphrasing Kurt Vonnegut, "to poison our minds with a little humanity." Page by page, Bogle

thoughtfully considers what "enough" actually means as it relates to money, business, and life. Reveals Bogle's unparalleled insights on money and what we should consider as the true treasures in our lives Details the values we should emulate in our business and professional callings Contains thought-provoking life lessons regarding our individual roles in society Written in a straightforward and accessible style, this unique book examines what it truly means to have "enough" in world increasingly focused on status and score-keeping.

Peeling the Onion Macmillan

A news-parody compendium of world non-facts features maps and incorrect statistics for all of the world's independent nations, from Afghanistan to the Ukraine, and includes the world's

rejected flag designs and the planet's most annoying handicrafts.

Holes Princeton University Press

The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In *Damn Delicious*, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most

inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

Our Dumb World Feiwel & Friends

The debut collection of raucous, dark, strange, satirical stories from the former *Late Show* with Stephen Colbert writer and *New Yorker* contributor, featuring a foreword by Stephen Colbert "Jen Spyra's stories are shocking, silly, smart, and absurdly funny. Underline both those words, I don't care how much it costs!"—Tina Fey A bride so desperate to get in shape for her wedding that she enrolls in a new kind of workout program

that promises the moon but costs more than she bargained for. A snowman who, on the wish of a child, comes to life in a decidedly less savory way than in the childhood classic. And in the title story, a time-hopping 1940s starlet tries to claw her way to the top in modern-day Hollywood, despite being ridiculously unwoke. In this uproarious, addictive debut, Jen Spyra takes a culture that seems almost beyond parody and holds it up to a funhouse mirror, immersing the reader in a world of prehistoric influencers, woodland creatures plagued by millennial neuroses, and an all-out birthday bash determined to be the most lavish celebration of all time, by any means necessary. Welcome, brave soul, to the world of Jen Spyra.

The Onion's Finest News Reporting

Random House Digital, Inc.

The staff of The Onion presents a satirical collection of mock headlines and news stories, including an account of the Pentagon's development of an A-bomb-resistant desk for schoolchildren.

Our Dumb World Random House Trade Paperbacks

Discarded valentines. Ransom notes. To-do lists. Diaries. Homework assignments. A break-up letter written on the back of an airsickness bag. Whether they are found on buses, at stores, in restaurants, waiting rooms, parking lots, or even prison yards, these items give readers an uncensored, poignant, and often hilarious peek into other people's lives. By collecting them in his hit magazine, Found (and its companion website, www.foundmagazine.com), Davy

Rothbart has bewitched the nation with a surprising window into its heart and soul and turned his many readers into an army of sharp-eyed finders. Found is chock-full of the latest and greatest of these finds, arranged in the style of the magazine, laying bare the tantalizing tales to be discovered in the trash we toss. By turns heartbreaking and hysterically funny, Found is a mesmerizing tribute to everyday life and our eternal curiosity about our fellow human beings.

The Onion's Our Dumb World Penguin Amazon.com Exclusives Featuring a foreword by Thomas Jefferson, a Dress the Supreme Court layout, and, oddly enough, a profile of George "The Iceman" Gervin, America (The Book): A Citizen's Guide to Democracy Inaction,

from Jon Stewart and the writers of the Emmy Award-winning The Daily Show, is by far one the most irreverent and wittiest (and may we add smartest) political book you're likely to encounter. Amazon.com spoke with Jon Stewart a few days before the 2004 publication of America (The Book) and they discussed bald eagles, magical talking cats, Thor Heyerdahl, and much more • Read the Amazon.com Interview with Jon Stewart • Listen to the Amazon.com Interview with Jon Stewart • Watch a "vintage" Amazon.com Exclusive Video from Jon Stewart More from Jon Stewart Naked Pictures of Famous People America (The Book) [Audio CD] The Daily Show with Jon Stewart: Indecision 2004 [DVD] **The Trump Leaks** John Wiley & Sons Covers That Matter For People Who

Don't. From America's Finest News Source comes a compilation of the most important, most influential, and glossiest magazine covers ever produced by the hand of humankind. Seen by tens of billions worldwide, these are the unforgettable Onion Magazine covers that altered the course of human history and radically redefined your trivial life anew every weekend. Profound philosophical questions, the thoughts of leading cultural luminaries, harsh truths of existence, remorseless personal attacks -- you will encounter full-color graphical representations of all of these within this handsome volume. Whether you are a connoisseur of pretty pictures or are new to looking at images, THE ONION MAGAZINE: THE ICONIC COVERS THAT TRANSFORMED AN UNDESERVING

WORLD is sure to give you, the feeble-minded consumer, far more pleasure than you have any earthly right to experience.

Dispatches from the Tenth Circle
Yearling

A New York Times Book Review Notable Book of 2017 An electrifying first collection from one of the most exciting short story writers of our time "I can't recall the last time I laughed this hard at a book. Simultaneously, I'm shocked and scandalized. She's brilliant, this young woman."—David Sedaris Ottessa Moshfegh's debut novel *Eileen* was one of the literary events of 2015. Garlanded with critical acclaim, it was named a book of the year by The Washington Post and the San Francisco Chronicle, nominated for a National Book Critics

Circle Award, short-listed for the Man Booker Prize, and won the PEN/Hemingway Award for debut fiction. But as many critics noted, Moshfegh is particularly held in awe for her short stories. Homesick for Another World is the rare case where an author's short story collection is if anything more anticipated than her novel. And for good reason. There's something eerily unsettling about Ottessa Moshfegh's stories, something almost dangerous, while also being delightful, and even laugh-out-loud funny. Her characters are all unsteady on their feet in one way or another; they all yearn for connection and betterment, though each in very different ways, but they are often tripped up by their own baser impulses and existential insecurities. Homesick for

Another World is a master class in the varieties of self-deception across the gamut of individuals representing the human condition. But part of the unique quality of her voice, the echt Moshfeghian experience, is the way the grotesque and the outrageous are infused with tenderness and compassion. Moshfegh is our Flannery O'Connor, and Homesick for Another World is her Everything That Rises Must Converge or A Good Man is Hard to Find. The flesh is weak; the timber is crooked; people are cruel to each other, and stupid, and hurtful. But beauty comes from strange sources. And the dark energy surging through these stories is powerfully invigorating. We're in the hands of an author with a big mind, a big heart, blazing chops, and a political

acuity that is needle-sharp. The needle hits the vein before we even feel the prick.

Enough John Wiley & Sons

In the great tradition of the American almanac, *The Areas of My Expertise* is a brilliant and hilarious compendium of handy reference tables, fascinating trivia, and sage wisdom on all topics large and small. Although bestsellers such as *Poor Richard's Almanack* and *The Book of Lists* were certainly valuable, they also were largely true. Here is a different kind of handy desk reference, one in which all of the historical oddities and amazing true facts are sifted through the singular, illuminating imagination of John Hodgman—which is the nice way of saying: He made it all up. John Hodgman

brings his considerable expertise to bear in answering all of the questions book buyers have been asking: -What are the mottoes of the 51 United States? THE ANSWER IS PROVIDED -Who were the U.S. presidents who had hooks for hands? THE ANSWER IS PROVIDED -What role does the Yale secret society “Skull and Bones” play in the secret world government? THERE IS NO SECRET WORLD GOVERNMENT -What was the menu at the first Thanksgiving, and did it include eels? Technically, that is two questions, but do not apologize, for John Hodgman shall answer them both . . . LATER. -Aside from a compendium of fake trivia, what is the best kind of book to write? A SIMPLE TABLE OF THE 55 MOST DRAMATIC LITERARY SITUATIONS PROVIDES THE ANSWER, and John

Hodgman is the author of that table. Imagine if The Book of Lists had been rewritten by Peter Cook and Jorge Luis Borges under the pseudonym of “John Hodgman” and then renamed The Areas of My Expertise, and you will only begin to have a sense of the dizzying, uproarious, sublimely weird, and strangely wise journey that is contained within this book (along with all the pages and words). Perfect for anyone who thirsts for knowledge, and especially for collectors of books of fake trivia, The Areas of My Expertise offers through absurdity a better understanding of the world we share—and recognizes that while the truth may be stranger than fiction, it is never as strange as lies . . . or as true. Look out for John Hodgman's latest book, Vacationland, available from

Viking in Fall 2017.

Based on a True Story Orion

Hot off the reprint presses! Onion fans hear this! Homeland Insecurity is the largest collection of award-winning journalism from America's Finest News Source ever released, and that means you must buy it! Featuring every brilliantly biting article printed in The Onion between November 2004 and December 2005, a time in our country's history ripe for further examination by America's Finest News Source, Homeland Insecurity collects all the news reporting you were too lazy to read when it first appeared, now delivered in a handy single volume that will fit perfectly on the bookshelf of your dorm, ward, or cell. Homeland Insecurity is Volume 17 in the always bestselling and

always entertaining Onion series. The Onion is the world's most popular humor publication, with more than 3.8 million weekly visitors to its website (theonion.com) and a print circulation of more than 500,000. More than a million copies of its various books have been sold to date, beginning with *Our Dumb Century*, which was a #1 New York Times bestseller and winner of the Thurber Prize for American Humor. [The Onion Book of Known Knowledge](#) Houghton Mifflin Harcourt #1 New York Times bestseller “Barry will teach you almost everything you need to know about one of the deadliest outbreaks in human history.”—Bill Gates “Monumental... an authoritative and disturbing morality tale.”—Chicago Tribune The strongest weapon against

pandemic is the truth. Read why in the definitive account of the 1918 Flu Epidemic. Magisterial in its breadth of perspective and depth of research, *The Great Influenza* provides us with a precise and sobering model as we confront the epidemics looming on our own horizon. As Barry concludes, “The final lesson of 1918, a simple one yet one most difficult to execute, is that...those in authority must retain the public's trust. The way to do that is to distort nothing, to put the best face on nothing, to try to manipulate no one. Lincoln said that first, and best. A leader must make whatever horror exists concrete. Only then will people be able to break it apart.” At the height of World War I, history’s most lethal influenza virus erupted in an army camp in

Kansas, moved east with American troops, then exploded, killing as many as 100 million people worldwide. It killed more people in twenty-four months than AIDS killed in twenty-four years, more in

a year than the Black Death killed in a century. But this was not the Middle Ages, and 1918 marked the first collision of science and epidemic disease.
