Recapturing Confidence in Government

John Wiley & Sons

Human resources represents one of the largest shares of government budgets at every level. The management of people who carry out the government's work is therefore a critical issue to politicians and

government managers and leaders, as well as citizens. Regardless of which administration is in office or which reforms are being touted as necessary, personnel are always at the heart of government and governing. Personnel Management in Government: Politics and Process highlights the rapid developments in public personnel administration and management. As one of the bestselling texts in the field, this sixth edition reflects the major changes that have occurred recently in government personnel

administration, including the authorization given to the new Department of Homeland Security and the Department of Defense to develop their own personnel management systems. Addressing reforms in federal and state governments to illustrate the employment scene in public sector workforces, this book continues to provide updated information on the political, legal, and managerial aspects of public personnel systems and policies. Features Reflects the changing nature of public personnel administration Provides

up-to-date knowledge on the political, legal, and managerial aspects of public personnel management. Addresses developments in the Department of Homeland Security and in the Department of Defense. Presents major reforms in personnel policy and administration across federal, state, and local governments.

*Personnel Management in Government*  
Deep and Deep Publications

A comprehensive guide, this book covers employee relations and the legacy of quality and reengineering, and discussions on the growth of public personnel management in state and local sectors. The authors discuss affirmative action and equal opportunity case law, work and family issues, the Volcker Commission findings, an analysis of federal pay reform and innovative classification and compensation systems currently implemented by federal agencies, a discussion of constitutional and legal issues facing public personnel administration in areas such as AIDS and drug testing, figures and tables on collective bargaining laws and trends, and more.

*Personnel Management in Government*

New York : Harper & Row

The history of public personnel administration is as old as human civilization itself: Persia, China, Assyria, Egypt, and Rome all practiced strategic personnel management systems, some systematically and others unsystematically. But despite the longstanding practice of strategic public personnel administration, the systematic study of this field is a fairly new development in the modern world. Today, the need for strategic thinking in public personnel administration and human capital development is more urgent than ever before. Managing and coping with the challenges of transworld migrations of capital and labor, cyber-employment and virtual workplaces, and relentless global pressures for results-oriented performance through outsourcing all require the development of human capital as a key asset of modern governments and private organizations. Governments and public administration organizations must confront these challenges if they are to survive and thrive in the 21st century, and Strategic Public Personnel Administration provides a comprehensive analysis of the

past development and current function of the field so as to give a clearly balanced picture of public personnel administration in both theory and practice. Today, strategic public personnel management is a central component of strategic governance and administration in public and nonprofit organizations. Strategic personnel administration aims to lead organizations along the right paths with the necessary people on hand to achieve strategic goals and objectives in modern governance and public administration. This two-volume set fills a major gap in the current literature, and it will serve as a key work that addresses the history, knowledge, policy, management, process, and culture of public personnel administration with a strategic perspective.

CRC Press

In Indian context.

Public Personnel Management Taylor & Francis

With over 20 million people on its payroll, the government continues to be the largest employer in the country. Managing people who do the nation's work is of

critical importance to politicians and government leaders as well as citizens. The great recession of 2008 put enormous strains on governments, highlighting the key role personnel play in managing under times of austerity as well as prosperity. A thorough examination of political and historical aspects, *Personnel Management in Government: Politics and Process, Seventh Edition* provides students with a comprehensive understanding of human resource management within its historical and political context in the public sector. It discusses the development of public sector human resource management, the present status of best practices, and important insights from current scholarship on all three levels of government: federal, state, and local. See What's New in the Seventh Edition: Personnel reforms under the Obama administration Pension developments at state and local levels of government Labor relations reforms at state and local levels, e.g. recent experiences in Michigan, Ohio, and other states making big changes to labor laws and policies Changes to diversity and affirmative action initiatives across the nation Developments in

performance outcome initiatives at all levels of government During the 36 years since the publication of the first edition, the authors have addressed issues that were not yet considered mainstream, yet have become so over time. The seventh edition is no different. It examines progress that public personnel professionals are making to address changes in the political, legal, and managerial environment of the current decade. Exploring developments and innovations in the management of people who carry out the government's work, the book introduces students to public sector personnel management. *Public Personnel Management* CRC Press Distinguished by its coherent values perspective, *Public Personnel Management* focuses on the conflicts, political processes, and management techniques that provide the context for personnel administration in the public sector. Organized around the four principal personnel functions that must be fulfilled in any complex organization, this book provides a comprehensive exploration of the planning, acquisition, development, and sanctions within public personnel

management.

### **Personnel Management in Government** Praeger

HANDBOOK OF HUMAN RESOURCE MANAGEMENT IN GOVERNMENT, THIRD EDITION The practice of public human resource management has evolved significantly in recent years due to increased outsourcing, privatization, and the diminution of public employee rights. This thoroughly revised and updated edition of the classic reference *Handbook of Human Resource Management in Government* offers authoritative, state-of-the-art information for public administrators and human resource professionals. The third edition features contributions from noted experts in the field, including Donald E. Klingner, Mary E. Guy, Jonathan P. West, Jeffrey L. Brudney, Montgomery Van Wart, J. J. Steven Ott, Norma M. Riccucci, and many more. Praise for the *Handbook of Human Resource Management in Government* "This third edition of the *Handbook of Human Resource Management in Government* is an essential resource for scholars, practitioners, and general readers in need of concise summaries of up-to-date,

cutting-edge, public personnel administration research. No other handbook on the market more concisely, more comprehensively, more clearly synthesizes this vast, rapidly changing field that remains so vital to effective government performance." —RICHARD STILLMAN, editor-in-chief, *Public Administration Review* "The Handbook of Human Resource Management in Government comprehensively and seamlessly blends theory and practice. The result is a clear road map that can finally make HR a key player in helping the government meet the unprecedented challenges facing our nation, our states, and our communities." —BOB LAVIGNA, vice president, Research, Partnership for Public Service, Washington, DC "With each successive edition, Condrey's Handbook of Human Resource Management in Government becomes a more essential tool for graduate students who wish to improve their understanding of this field. Condrey's own expertise has enabled him to take contributions from leading experts in the field and shape them into a reader that is comprehensive, engaging, and authoritative." —DONALD E. KLINGNER,

University of Colorado Distinguished Professor, School of Public Affairs, University of Colorado at Colorado Springs; former president, American Society for Public Administration; and fellow, National Academy of Public Administration

**Personnel Management in Government** Ardent Media

A Presidential Civil Service is a masterful account of the founding of President Franklin D. Roosevelt's Liaison Office for Personnel Management (LOPM), and his use of LOPM to demonstrate the efficacy of a management-oriented federal civil service over a purely merit-based Civil Service Commission.

Personnel Management Longman Publishing Group

*Civil Service Reform in the States* examines the critical importance of civil service systems in modern government and popular efforts to reform those systems. The book provides an up-to-date analysis and assessment of public personnel reforms undertaken by various state governments since 1990 and the extent to which these reforms have been implemented or resisted. With chapters written by nationally recognized experts

on civil service and civil service reform, this book will appeal to public policy makers, practitioners, and students alike. Public Personnel Management and Public Policy Marcel Dekker

With over 20 million people on its payroll, the government is the largest employer in the country. Managing people who do the nation's work is of critical importance to politicians, government leaders, and citizens alike. *Personnel Management in Government: Politics and Process*, eighth edition, examines the progress and innovations that public personnel professionals are making to address changes in the political, legal, and managerial environment of government. It provides students with a comprehensive understanding of human resource management within its historical and political context in the public sector. A number of new developments are addressed in the eighth edition, including discussion of: Human resource management in nonprofit organizations in an all-new, dedicated chapter Current and future challenges to recruitment and hiring, including the use of social media in recruitment Privatization and contracting

out The rise of employment "at will" policies Digital technology or "digitalization" in HRM and the need to enhance cybersecurity Managing performance with human capital analytics Increased reliance on telework States' attacks on public sector labor unions HRM changes under the Trump administration Since publication of the first edition in 1977, *Personnel Management in Government* has addressed issues not yet considered mainstream, but that have proven central to the development of the field over time. This long-standing but no less innovative textbook is required reading for all students of public, government, and non-profit personnel management.

Dresang, Dennis L., *Public Personnel Management and Public Policy*, 4th

Edition\* The latest edition of this highly praised book retains the characteristics that have made it a success: an accessible writing style, and an abundance of practical exercises and real life case studies. With an increased inclusion of research findings, this updated text continues to elucidate policy issues and professional practice in personnel administration at every level of government-state, local, and federal. /U For those interested in public personnel management and human resource administration.

### **Public Personnel Administration : Theory and Practice**

Routledge  
Human Resource Management in Public Service: Paradoxes, Processes, and Problems offers managers and aspiring managers a thorough, provocative, and award-winning coverage of the complex issues of management in the public sector, from both employee and managerial viewpoints. Combining more than 100 years of professional and academic experience, authors Evan M. Berman, James S. Bowman, Jonathan P. West, and Montgomery Van Wart have created user-friendly and accessible material by

highlighting dilemmas, challenging readers to resolve them, and enticing them to go beyond the text to discover and confront other dilemmas. Grounded in real public service experiences, the book emphasizes hands-on skill building and problem solving. Continuing the award-winning tradition of previous editions, this Fifth Edition covers all of the stages of the employment process, including recruitment, selection, training, legal rights and responsibilities, compensation, and appraisal.

Includes coverage of issues relating to every level of government (federal, state, and local agencies) as well as in nonprofit organizations Examines the latest management theories (such as employee engagement and motivation) and current issues including disability and LGBT inclusivity, privatization, merit systems, and family and medical leave The discussion is rooted in public policy issues, providing students with a better understanding of the actors involved and the broader context of personnel administration The focus on the human resource issues is important to the work of all managers--not just personnel specialists Abundant pedagogical tools, including learning objectives, summaries, and discussion questions, guide student understanding and foster critical thinking Exercises and case studies throughout the book can be assigned for individual or group work, helping students apply public personnel management concepts to real world situations. Programs for Strengthening Federal Personnel Management Longman Publishing Group -X, Riley, Dennis D., Public Personnel

Administration, Second Edition\* This book presents snapshots of the issues and events transforming the world of public personnel administration as the new century begins. The book includes both traditional and contemporary issues such as compensation, training, job analysis, sexual harassment, drug testing, and the ADA. This updated edition is easy to read and contains exercises and case problems that help readers apply concepts to examples from real life. /U For those interested in public personnel management.

*Handbook of Human Resource Management in Government* SAGE Publications

Public Personnel Management has served as an essential, concise reader for public personnel and human resource management courses in the fields of public administration, political science, and public policy over the last 25 years. Since the first edition published in 1991, the book has offered professors and students alike an in-depth look at cutting-edge developments beyond standard textbook coverage, to provide a broad understanding of the key management

and policy issues facing public and nonprofit HRM today. Original chapters are written expressly for the text by leading public administration scholars, each focusing on specific and often controversial concerns for public personnel management, such as pensions, gender and sexuality, healthcare, unions, and a multi-generational workforce. Now in an extensively revised sixth edition, *Public Personnel Management* presents new, original chapters to examine developments of interest to researchers and practitioners alike, including: remote working, cybersecurity, public service motivation, the abandonment of traditional civil service at the state and local levels, the Affordable Care Act and its implications for practice, pension systems and labor relations, affirmative action, social equity, legislation surrounding LGBT rights, and – as the field of public personnel management becomes more internationalized – a chapter addressing public personnel management across Europe. This careful and thoughtful overhaul will ensure that *Public Personnel Management* remains a field-defining book for the next 25 years.

**Federal Personnel Management and the Transition ...** State University of New York Press

Updated in a new 5th edition, *Public Personnel Management*, by Norma M. Riccucci, is a concise and accessible reader containing all original articles addressing the most current issues in public personnel management. Written expressly for the text by leading scholars, all of the articles are either new to this edition or substantially revised. Each article focuses on specific-often controversial-issues in public personnel management, such as comparative personnel management, pensions, sexuality, health, succession planning, unions, and the multi-generational workforce.

*Public Personnel Administration* New York : M. Dekker

Now in a thoroughly revised 7th edition, *Public Personnel Management* focuses on the critical issues and common processes in the management of public sector personnel. In keeping with prior editions, the text centers on the core processes within public human resource management: strategic workforce

planning, effective recruitment and retention, workforce development, and employee relations. Designed to further address the ways in which expectations for human resource managers have changed and developed in recent years, the 7th edition includes several new features and improvements: Substantially restructured, updated, and additional case studies and student exercises. Coverage of how the field of Public HRM has been influenced by the two most recent national recessions, economic downturns at the state and local level, privatization and contracting trends at all levels of government, the growing presence of millennial employees in the workplace, issues surrounding social media use within the workplace, the evolving goals of social equity and diversity, and the shifting role and influence of labor unions. Discussions of how the growth in information technology capabilities has influenced the major processes within HRM, from workforce analysis through big data analytics to the explosion in automated recruitment, assessment, and instructional technologies. For the first time, the text includes an online Instructor's Manual,

PowerPoint slides, discussion questions, and suggestions for further reading to make it even easier to assign and use this classic text in the classroom. Providing the most up-to-date and thorough overview of the history and practice of public human resource management for both undergraduate and graduate students, *Public Personnel Management, 7e* remains the beloved text it ever was, ideal for

introductory courses in Public Personnel Management, Public Human Resource Management, and Nonprofit Personnel Management.
