 Teaching Tools — Ukulele in the Classroom
 The Ukulele in the Classroom series includes a wide range of learning resources suited to many needs. Whether you're teaching at a week-long summer camp, looking for a

comprehensive classroom program, or just wanting to add some fun songs to your repertoire, we have a book for you! Follow the links below to find out more. Books — Ukulele in the Classroom Bringing the world of music to life with this hands-on, performance-based ukulele method. The student book includes traditional music from around the world, popular songs, classical and Baroque

melodies, creative skill-building exercises, singing, picking, strumming, and much more. Amazon.com: Ukulele in the Classroom - Student Edition ... The ukulele is highly accessible for beginners, requiring very little technique or knowledge to make a sound, strum a simple chord, or pick a simple melody. Adding a finger on the fretboard or a chord to a

song actually multiplies the amount of mental and physical work involved, and students who have not had sufficient practice may become easily lost at these junctures. Classroom Ukulele: 5 Strategies for Maximizing Student ... Ukulele in the Classroom is based on a program originally created by Melanie's father, Chalmers Doane. A few years ago, fellow Canadian musician

James Hill relaunched it. Since then, he and Melanie have instructed and certified educators across Canada to teach the course. "We don't want an army of ukulele players," Melanie says. Ukulele in the Classroom - TEACH Magazine One of the benefits of teaching ukulele is that it can be used as a melodic or harmonic instrument. Students can play and sing at the same time. Students in Grade 4-5 can become reluctant singers, but with a ukulele or a guitar in hand, they are often motivated to sing while they learn to play. Ukulele in the Classroom - Part One | Denise Gagné Ukulele in the Classroom Series. by James Hill and J. Chalmers Doane. Classroom Method with Optional Companion CD. This classroom ukulele method series is a more in-depth and sequential study with 30 lessons including ear training, note reading, rhythm, scale, strumming exercises, and over two dozen vocal and instrumental arrangements. Starting a Ukulele Program in Your Classroom: Part 4 of 6 ... Ukulele in the Classroom is a methodical approach to developing music literacy skills in the school classrooms and other learning

environments. Students use book to play by ear, by note, and sing and strum in union and in parts. Ukulele in the Classroom Book 3- Teachers Edition Welcome to the 34th Annual Joy of Singing, now completely virtual and online in response to the worldwide COVID-19 pandemic.
