*(Circular E), Employer's  
Tax Guide - Publication  
15 (For Use in 2021)*

South-Western College  
Gain a thorough  
understanding of  
today's individual  
income tax concepts  
and current tax law  
with SOUTH-WESTERN  
FEDERAL TAXATION

2021: INDIVIDUAL INCOME TAXES, 44E and accompanying professional tax software. This reader-friendly presentation emphasizes the latest tax law and recent changes affecting individual taxpayers. Complete coverage of the Tax Cuts and Jobs Act of 2017 offers guidance from the Treasury Department. A distinctive "Framework 1040" demonstrates how topics relate to one another and to Form 1040. Clear examples, summaries and tax scenarios further clarify concepts and help you sharpen critical-thinking, writing and research skills. Each new book includes access to Intuit® ProConnect tax software, Checkpoint® (Student Edition) from

Thomson Reuters, CengageNOWv2 online homework solution and MindTap Reader. Learn how taxes impact you personally as you prepare for the C.P.A. exam or Enrolled Agent exam or begin study for a career in tax accounting, financial reporting or auditing. South-Western Federal Taxation 2018: Individual Income Taxes (Book Only) South-Western College Gain a thorough understanding of today's tax concepts and current tax law with SOUTH-WESTERN FEDERAL TAXATION 2021: COMPREHENSIVE, 44E and accompanying professional tax software. This reader-friendly presentation emphasizes the latest tax law and recent changes impacting

individuals, corporations, partnerships, estates and trusts and financial statements. You examine tax law changes as recent as 2020 with complete coverage of the Tax Cuts and Jobs Act of 2017 and related guidance from the Treasury Department. Clear examples, summaries and tax scenarios clarify concepts and sharpen your critical-thinking, writing and research skills. Each new book includes instant access to Intuit® ProConnect tax software, Checkpoint® (Student Edition) from Thomson Reuters, CengageNOWv2 online homework solution and MindTap Reader. Discover how an understanding of today's taxes can

benefit you as you prepare for the C.P.A. or the Enrolled Agent exam or pursue a career in tax accounting, financial reporting or auditing. *United States Code* McGraw-Hill Education The 2019 Edition of the Elkins' Tax Guide includes a separate 63-page Section that discusses all provisions of the "Tax Cuts and Jobs Act (TCJA)." This lets readers see those provisions all in one place without going through the entire text of the Guide. Also, all provisions of the TCJA are incorporated into the text of the 24 Chapters of the Guide. Included in the discussion of the Tax Cuts and Jobs Act (TCJA), among other provisions, are details of the: (1) 20% deduction under

Section 199A; (2) Business interest expense limitation; (3) Repatriation tax; (4) Participation exemption; (5) Global Intangible Low Tax Income (GILTI); (6) Foreign Derived Intangible Income (FDII); and (7) Base Erosion and Anti-Abuse Tax (BEAT). The TCJA allows a deduction of up to 20% on qualified business income of passthrough entities such as sole proprietorships, partnerships, and S-corporations for tax years beginning after Dec. 31, 2017. The Guide includes a clear description of qualifications for the 20% deduction and examples of how it is computed. And the same can be said for the other six provisions mentioned above. Also,

any IRS proposed regulations applicable to these and other provisions of the TCJA are shown, and a "link" is provided to access the proposed regulations. Every effort has been taken to make the Elkins' Tax Guide easy to understand. The intent was to write the book in plain, understandable English, trying to make the complicated tax laws and regulations easier to grasp. The contents of the Guide are cross-indexed to other Sections and Chapters in the Guide that may provide further explanations without readers having to search for the information. In addition, the Guide includes "links" that readers can "click on" and their computer will

take them directly to PDFs of applicable IRS forms, publications, court cases, and proposed regulations. Of course, this can only be done if you have the Kindle version of the Guide, but the links are shown in the printed version, so all you have to do is type in the links on your computer. Chad Elkins has his own CPA practice in Chicago. He is Certified Public Accountant (CPA), and in addition to having his own practice for several years, he has had experience working for the U.S. Tax Court and the Tax Division of the U.S. Department of Justice. Chad graduated with an MBA from the University of Notre Dame, and he passed all parts of the CPA exam the first time he

took it with outstanding scores. The CPA exam is considered the most difficult professional exam, with the CPA designation regarded as the most difficult professional license to obtain. If you need help with your taxes or you just have a tax question, please feel free to contact Chad Elkins, CPA, in Chicago at (703) 217-6646. You can also contact Chad through his website and on Yelp at: <https://www.elkinscpa.com> or <https://www.yelp.com/biz/chad-elkins-cpa-chicago?start=20> [South-Western Federal Taxation 2019](#) Createspace Independent Publishing Platform Increase Business by Getting Organized - Use this All-in-One

questions, and 38 task-based simulations in AUD Organized in Bite-Sized Lesson format with 142 lessons in AUD Maps perfectly to the Wiley CPAexcel online course; may be used to complement the course or as a stand-alone study tool

**Tax-Free Wealth** RDA Press, LLC

Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder

you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

*South-Western Federal  
 Taxation 2017:  
 Individual Income  
 Taxes* Wiley  
 Employer's Tax Guide  
 (Circular E) - The  
 Families First  
 Coronavirus Response  
 Act (FFCRA), enacted  
 on March 18, 2020,  
 and amended by the  
 COVID-related Tax  
 Relief Act of 2020,  
 provides certain  
 employers with tax  
 credits that reimburse  
 them for the cost of  
 providing paid sick and  
 family leave wages to  
 their employees for  
 leave related to COVID-

19. Qualified sick and  
 family leave wages and  
 the related credits for  
 qualified sick and  
 family leave wages are  
 only reported on  
 employment tax  
 returns with respect to  
 wages paid for leave  
 taken in quarters  
 beginning after March  
 31, 2020, and before  
 April 1, 2021, unless  
 extended by future  
 legislation. If you paid  
 qualified sick and  
 family leave wages in  
 2021 for 2020 leave,  
 you will claim the  
 credit on your 2021  
 employment tax  
 return. Under the  
 FFCRA, certain  
 employers with fewer  
 than 500 employees  
 provide paid sick and  
 family leave to  
 employees unable to  
 work or telework. The  
 FFCRA required such  
 employers to provide  
 leave to such

employees after March 31, 2020, and before January 1, 2021.

Publication 15 (For use in 2021)

Auditing and Attestation Wiley

How can I avoid self-employment taxes?

This simple question was the inspiration for creating an article describing the benefits of an S Corporation.

That original article, which was about four pages long, quickly became a series of KnowledgeBase articles on the Watson CPA Group website.

The articles touched on basic topics such as how to elect S Corp status, payroll, reasonable salary determination, retirement planning, health care, fringe benefits and liability protection. Those broad topics demanded

much more information, both horizontally by spanning into more related issues, and vertically by digging deeper into the granular yet riveting levels of the tax code. The articles were grouped and relabeled as the Taxpayer's Comprehensive Guide to LLCs and S Corps which grew to 39 pages in its first edition. Time marched on, and more information was added to the first edition such as expanded retirement planning concerns, health care options after the Affordable Care Act and business valuations including exit strategies. Boom, we now had our second edition at over 100 pages. At that point it was suggested by

some clients and colleagues to convert the PDF into an eBook as well as paperback. So here we are.. Each week we receive several phone calls and emails from small business owners across the country who have read our Taxpayer's Comprehensive Guide to LLCs and S Corps and praised the wealth of information. Regardless of your current situation, whether you are considering starting your own business or entertaining a contracting gig, or you are an experienced business owner, the contents of this book are for you. This book will show you how to reduce your self-employment taxes through an S Corporation election and how to use your

corporation to your retirement and fringe benefit advantage. You will also learn the operational considerations of an S Corp plus the 185 reasons you should NOT elect S Corp status. Want to buy or sell a business? That's in here too. This book is written with the general taxpayer in mind. Too many resources simply regurgitate complex tax code without explanation. While in some cases tax code and court opinions are duplicated verbatim because of the precise words, this book strives to explain many technical concepts in layperson terms with some added humor and opinions. We believe you will find this book educational as well as amusing.

*J.K. Lasser's Your Income Tax 2017*  
South Western  
Educational Publishing

John Wiley & Sons  
Contains extensive

coverage of the tax issues faced by all types of contractors, including large and small contractors, homebuilders, and other specialty trades, provides you with the clear, concise guidance you need to expertly address your tax issues.

Your Complete Guide to a Better Bottom Line

Cengage Learning Emphasizing a hands-on approach to tax education, every concept introduced in Fundamentals of Taxation includes meaningful exercises that allow students to reinforce what they are learning. This book is designed to not only expose beginning tax students to tax law, but to also teach the practical intricacies involved in the preparation of a tax

return. To train tomorrow's tax preparers to handle the complex U.S. tax law, Fundamentals of Taxation's author team has devised four primary teaching advantages: The text is organized closely to follow the IRS tax forms. Actual tax forms are incorporated throughout the text, giving students the opportunity to understand the principles behind tax law while they learn how to work with clients to obtain the information they will need to complete tax forms. Proper reporting of tax issues are illustrated. The authors present a tax issue, discuss the legal requirements, illustrate the proper tax form placement, and show the completed form in

the text, mixing practical and legal implications of tax preparation. Integration of an individual income tax software package (TaxACT). The authors supplement the text with citations of relevant tax authorities such as the Internal Revenue Code, Treasury Regulations, Revenue Rulings, Revenue Procedures, and court cases.

### **Your Federal Income Tax for Individuals**
