Cambridge Checkpoint English Coursebook 9 Cambridge University Press

Interchange Intro is the new introductory level for the Interchange series, designed for students of English at the beginner level and learners needing a thorough review of basic functions, grammar, and vocabulary. Lessons are carefully organized to ease the learning process: New words are presented thematically with clear illustrations and tasks that help students

organize their knowledge. Structures are introduced step by step and practiced through communicative activities. Interesting facts and statistics engage students right away in thoughtful interaction on topics such as housing, food, sports, health, and jobs. All of the varied activities reflect the successful multi-syllabus approach of the Interchange series. Additional practice with

grammar, reading, writing, vocabulary, and spelling is provided in the Workbook. Also available with the Intro level are Class Cassettes, Student Cassettes, and a Teacher's Manual. The Student's Book, Workbook, and Student Cassettes can be purchased in split editions.

Interchange Level 3 Workbook A OXFORD University Press Interchange Fourth Edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. Interchange Fourth Edition, Presentation Plus, Intro can be used on an interactive whiteboard, portable interactive software technology, or with a computer and a projector. With Presentation Plus, teachers can present the Student's Book, Workbook, or Video Activity Worksheets, play the Class Audio and the Video Program, and display scripts and answer keys. Presentation Plus tools allow teachers to mark up and add links to the components in addition to saving their sessions. In addition, Presentation Plus features the full Interchange Arcade. Teachers can also connect to Cambridge Dictionaries Online for additional reference and language support.

<p>Interchange Level 3 Online Workbook (Standalone for Students) CRC Press 'Imaging for Students' provides a comprehensive introduction to all aspects of diagnostic and interventional imaging, written specifically for medical students and junior doctors. Starting with a clear explanation of how each imaging modality actually works, the reader is then</p>	<p>guided step-by-step through the range of imaging modalities available, with important information included on the hazards and risks associated with medical imaging. The work includes a detailed guide to the interpretation of plain films of the chest and abdomen, before providing a system-based tutorial covering the most common conditions that require imaging for diagnostic</p>	<p>confirmation. Using evidence-based studies and guidelines, 'Imaging For Students' takes a logical approach to the investigation of clinical scenarios, where possible indicating the 'best first test'. 'Imaging For Students' also gives an overview of medical imaging procedures, emphasizing the importance of patient preparation and post-procedure</p>
