The only book you'll need to ace your AQA GCSE 'An Inspector Calls' exam. Written for anyone preparing for their AQA GCSE 'An Inspector Calls' exam, this book gets you

right inside the head of the examiner so that every single thing you write gets a mark. You see, this exam is as much about technique as it is knowing the play, and

once you know the skills the examiner will mark you on, you can focus all your attention on the things that pile on the marks rather than wasting time on vague or irrelevant details. Learn how to: - Get under the skin of each character so you know them better than you know yourself (ok that might be an exaggeration);- Focus in on language, theme, form and structure, so you tick all the right assessment objective boxes;- Plan for the sorts of questions you're likely to get in the

exam;- Write in such a way as to give yourself the best possible chance of a Grade 8 or 9. Darren Coxon has been teaching GCSE and A-Level English Literature for more than twenty years. In that time he estimates he's put at least 1,000 students through various GCSE exams. He can count on the fingers of one hand the number who haven't obtained a Grade 5 or above (and that was always teaching in non-selective schools). He puts this success down to a unique method which

he'll share with you inside these pages. By buying this book you'll also have access to the Examiner's Head Facebook community, for further support and guidance. So come with him on a journey inside the head of the examiner! He's with you all the way
