YOSEF TALIYAH

Caribbean Cruises - Insight Guides Lonely Planet

TRAVEL & HOLIDAY GUIDES. The volcanic island of Grenada and the smaller Grenadines, Carriacou and Petite Martinique, sit at the southern tip of the Windward Islands chain in the eastern Caribbean. In 2004, they were decimated by Hurricane Ivan. The nutmeg trees on which the economy was once reliant were destroyed, and buildings and infrastructure collapsed. But now the islands have been rebuilt, renovated and improved. They are once more open for business, and enjoying a newfound prosperity as visitor numbers increase

year on year. This guide takes hikers on treks through the rainforest, and divers to The Bianca C, the largest shipwreck in the Caribbean. It shows cultural visitors the nation's diverse heritage and rich musical traditions and leads those in need of a little lie-down to unspoilt beaches and secluded coves.

Moon Travel

Covering three fantastic regions for lovers of the "great outdoors" - the Rockies, Alberta and the Yukon - this guide introduces British Columbia including Vancouver and Vancouver Island. Eco-tourism, sport-based holidays and wildlife viewing are all available in this region of Canada and are all covered in this handbook. It features detailed information on hiking

trails, canoe routes, ski hills, rock climbing, mountain biking and more, as well as routes that leave the beaten track to discover the secrets locals usually keep to themselves, including viewpoints, free hot springs and special beaches. The guide also offers a selection of accommodation concentrating on interesting hotels, B&Bs and campsites. Carriacou and Petite Martinique Bradt Travel Guides
Written by Caribbean-based writer and photographer Paul Crask, this new, thoroughly updated third edition of Bradt's Grenada, Carriacou and Petite Martinique is the only standalone guide available to this alluring Caribbean destination.

With insider knowledge of the islands, from luxurious villas and resorts to pastoral villages and mountain trails, Bradt's Grenada, Carriacou and Petite Martinique is rich in detail, local colour and practical information, and offers detailed accommodation, dining and activities listings as well as the author's own take on how to maximise your stay. Whether you are into sailing, scuba diving wrecks and reefs, kayaking through mangrove forests, hiking mountain trails, 'jumping-up' at carnival, or sampling vintage rums at historic distilleries and luxurious beachside resorts, Bradt's Grenada, Carriacou and Petite Martinique is ideal for travellers of all kinds. This new edition covers the many developments on the islands in the past few years. Investment in accommodation on Grenada continues and the diversity of options is impressive: from the new Sandals resort to the Rumboat Retreat, a lodge that welcomes independent travellers as well as rum enthusiasts. More airlines now fly directly to Grenada's Maurice Bishop International Airport and the annual sailing

regattas continue to attract a large international gathering. With easy access to and from North America and Europe, and with plenty of great accommodation and dining options, scenic Grenada offers a perfect blend of traditional island life with modern Caribbean living. Grenada is a tri-island nation famed for its nutmeg and cocoa, sailing regattas, jaw-dropping beaches and strong cultural traditions. The main island, Grenada, has a tall spine of forested mountain ridges surrounded by rivers, waterfalls and farmlands, and the scenic coastline is replete with secluded bays and anchorages. To the north, at the southern tip of the Grenadines island chain, Carriacou and Petite Martinique are tranquil and beautiful. Noted for traditions of Big Drum Dance and boat building, both islands enjoy deserted beaches and coral reefs and offer a warm and friendly welcome.

Grenada Penguin UK
Featuring articles by local writers covering not just the cruising angle but the cultural one, too, this comprehensive guide book to cruising the Caribbean includes full-color photos throughout combining with the lively narrative and helpful travel tips.

Grenada, Carriacou and Petite Martinique

The first volume in Tim Robinson's phenomenal Connemara Trilogy - which Robert Macfarlane has called 'One of the most remarkable non-fiction projects undertaken in English'. In its landscape, history and folklore, Connemara is a singular region: ill-defined geographically, and yet unmistakably a place apart from the rest of Ireland. Tim Robinson, who established himself as Ireland's most brilliant living non-fiction writer with the two-volume Stones of Aran, moved from Aran to Connemara nearly twenty years ago. This book is the result of his extraordinary engagement with the mountains, bogs and shorelines of the region, and with its folklore and its often terrible history: a work as beautiful and surprising as the place it attempts to describe.

Chosen as a book of the year by Iain Sinclair, Robert Macfarlane and Colm Tóibín 'Dazzling ... an indubitable classic' Giles Foden, Condé Nast Traveller 'One of contemporary Ireland's finest literary stylists' Joseph O'Connor, Guardian

Lonely Planet Panama
