original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision. American Medical Directory Detroit Iron Forget Doris Day singing on the stagecoach. Forget Robin Weigert's gritty portrayal on HBO's Deadwood. The real Calamity Jane was someone the likes of whom you've never encountered. That is, until now. This book is a definitive biography of Martha Canary, the woman popularly known as Calamity Jane. Written by one of today's foremost authorities on this notorious character, it is a meticulously researched account of how an alcoholic

prostitute was transformed into a Wild West heroine. Always on the move across the northern plains, Martha was more camp follower than the scout of legend. A mother of two, she often found employment as waitress, laundress, or dance hall girl and was more likely to be wearing a dress than buckskin. But she was hard to ignore when she'd had a few drinks, and she exploited the aura of fame that dime novels created around her, even selling her autobiography and photos to tourists. Gun toting, swearing, hard drinking—Calamity Jane was all of these, to be sure. But whatever her flaws or foibles, James D. McLaird paints a compelling portrait of an unconventional

woman who more than once turned the tables on those who sought to condemn or patronize her. He also includes dozens of photos—many never before seen—depicting Jane in her many guises. His book is a long-awaited biography of Martha Canary and the last word on Calamity Jane.

Car and Driver Haynes Manuals N. America, Incorporated Chrysler Corporation was the premiere police patrol and pursuit vehicle provider for more than twenty years. Dodge, Plymouth, & Chrysler police cars wore the shields of agencies ranging from the California Highway Patrol to one-car rural police departments. At one time, eighty percent of the police

cars on the road were from the Chrysler family - Dodge, Chrysler, or Plymouth. Dodge, Plymouth, & Chrysler Police Cars, 1979-1994 is the supplement to Dodge, Plymouth & Chrysler Police Cars, 1956-1978. The includes a history of models from 1979 on, including the Dodge St. Regis, Chrysler Newport, Dodge Diplomat, K-cars Dodge Aries K and Plymouth Reliant K, Jeep Cherokee, and Dodge Intrepid. Co-authors Edwin J. Sanow and John L. Bellah are veteran law enforcement officers who have spent many hours behind the wheels of legendary Dodge, Plymouth, and Chrysler police cars. Galen Govier, columnist for Mopar

Muscle, provides a special section on VIN, sales code and fendor tag decoding. -Back Cover.

1998 Dodge Dakota  
Truck Shop Manual

“Shootin’—Lynchin’—H angin’,” announces the

advertisement for Tombstone’s Helldorado Days festival. Dodge City’s Boot Hill Cemetery sports an “authentic hangman’s tree.” Not to be outdone, Deadwood’s Days of ’76 celebration promises “miners, cowboys, Indians, cavalry, bars, dance halls and gambling dens.” The Wild West may be long gone, but its legend lives on in Tombstone, Arizona; Deadwood, South Dakota; and Dodge City, Kansas. In Tombstone, Deadwood, and Dodge City, Kevin Britz and Roger L. Nichols conduct a tour of these iconic towns, revealing how over time they became repositories of western America’s defining myth. Beginning with the founding of the

communities in the 1860s and 1870s, this book traces the circumstances, conversations, and clashes that shaped the settlements over the course of a century. Drawing extensively on literature, newspapers, magazines, municipal reports, political correspondence, and films and television, the authors show how Hollywood and popular novels, as well as major historical events such as the Great Depression and both world wars, shaped public memories of these three towns. Along the way, Britz and Nichols document the forces—from business interests to political struggles—that influenced dreams and decisions in

Tombstone, Deadwood, and Dodge City. After the so-called rowdy times of the open frontier had passed, town promoters tried to sell these towns by remaking their reputations as peaceful, law-abiding communities. Hard times made boosters think again, however, and they turned back to their communities' rowdy pasts to sell the towns as exemplars of the western frontier. An exploration of the changing times that led these towns to be marketed as reflections of the Old West, *Tombstone, Deadwood, and Dodge City* opens an illuminating new perspective on the crafting and marketing of America's mythic self-image. *Chicago Tribune Index*
