GMAT Math Workbook Simon and Schuster

Get the ultimate guide to the Praxis® Core Academic Skills for Educators, complete with practice tests The Praxis® Core Academic Skills for Educators test has replaced the Praxis (PPST) as the pre-certification exam for educators, and plenty has changed. The new exam still tests competency in reading, writing, and mathematics, but the bar has been raised and the focus is more on critical thinking to provide states and agencies better candidate qualification indicators. The new test is aligned with the College and Career Readiness Standards and the Common Core State Standards, with expanded testing that more accurately reflects the nation's changing educational standards. Praxis® For Dummies, with online practice tests is the ultimate study guide for the exam. As an educator, you know how thorough preparation can effect performance, and this is one exam that requires your very best. The book contains a detailed overview so you know what to expect on test day, and three full-length practice exams that allow you to work out the kinks in advance. Completely geared toward the new test, Praxis® Core For Dummies, with online practice tests features the most updated information on the market. Learn which topics you know well by answering hundreds of test questions Understand how to prepare for the required essays Hone your test-taking skills with strategies that will help you ace the exam The book also includes access to practice tests online as well as detailed answer explanations that helps you discover your weak areas in time to improve them. While outdated study guides are sure to leave you unprepared, Praxis® Core For Dummies, with online practice tests is your ultimate study guide to one of the most important tests you'll ever take.
