Dryland degradation and desertification now affect almost a billion people around the world. Tragically, the biological resources and productivity of millions of acres of land are lost to desertification each year because people remain unaware of strategies and techniques that could improve yields, reduce risk, and begin healing the world's deserts. *A Guide for Desert and Dryland Restoration* is the first book to offer practical, field-tested solutions to this critical problem. Author

David Bainbridge has spent more than 25 years actively involved in restoring lands across the American Southwest. *A Guide for Desert and Dryland Restoration* presents the results of his years of fieldwork, as well as research and experience from scientists and practitioners around the globe. The book discusses the ecology of desert plants, explores the causes of desertification and land abuse, and outlines the processes and procedures needed to evaluate, plan, implement, and monitor desert restoration projects. It sets forth economical and practical field-tested solutions for understanding site characteristics, selecting and growing plants, and ensuring that they survive with a minimal amount

of water and care. Each chapter represents a guide to a critical topic for environmental restoration; extensive photographs, diagrams and drawings give detailed information for immediate application, and additional resources are included in appendixes. *A Guide for Desert and Dryland Restoration* is the first comprehensive book focused on restoring arid regions, and clearly demonstrates that arid lands can be successfully rehabilitated. In addition to restorationists, the book will be an invaluable resource for anyone working in arid lands, including farmers, ranchers, gardeners, landscapers, outdoor recreation professionals, and activists.

More than four million Palestinian refugees live in protracted exile across the Middle East. Taking a regional approach to Palestinian refugee exile and alienation across the Levant, this book proposes a new understanding of the spatial and political dimensions of refugee camps across the Middle East. Combining critical

scholarship with ethnographic insight, the essays uncover host states' marginalisation of stateless refugees and shed light on new terminology on refugees, migration and diaspora studies. The impact on the refugee community is detailed in novel studies of refugee identity, memory and practice and new legal approaches to compensation and "right of return". The book opens a critical debate on key concepts and proposes a new understanding of the spatial and political dimensions of refugee camps, better understood as laboratories of Palestinian society and "state-in-making". This strong collection of original essays is an essential resource for scholars and students in refugee studies, forced migration, disaster studies, legal anthropology, urban studies, international law and Middle East history.

This is a quintessential book for Cinema buffs and particularly those who are passionate about Tamil cinema, which has the distinction of having played a significant role in history of films in India. Tracing the evolution of Tamil films from the time of pre-independence, when it was anathema for local Congress leaders to be associated with the celluloid, to the arrival of an American, Ellis Dungan, who made masterpieces like Meera, the book showcases vignettes about every important milestone in the vast canvas of Tamil films. In the almost ten decades of its evolution, Tamil cinema has grown to exert a dominant influence on the social and political life of Tamil Nadu in a manner

that is unparalleled elsewhere in the world. This seminal volume is an analytical study of Tamil cinema both as an art form and as a socio-political force. Theodore Baskaran traces its history, and presents the achievements of many filmmakers with colourful insights. For the film buff as well as the serious student of film studies, *The Eye of the Serpent* is a handy reference book on several aspects of Tamil cinema - its character and evolution, the songs and songwriters, filmmakers and script writers, the beginnings of the unique nexus between cinema and politics in Tamil Nadu and much more.

[em]The explosive conclusion to Stacey O'Neale's award-winning Mortal Enchantment series reveals the secrets of the fantasy world![/em] Valac has stolen two of the sacred objects. In a bid to rule all four courts, he has threatened to use Excalibur to cut the mist that protects Avalon--ultimately ending the lives of thousands of elementals. As the Akasha, Kalin has the power to stop him. And she refuses to lose anyone else she loves. [i]Will she have to sacrifice herself to save them?[/i] Desperate to save Kalin's life, Rowan searches for the long-lost creator of the mist. But what he finds is the very last thing he expected. Everything he thought he knew about his past is turned upside down, and he questions whether he's meant to be the savior or the elemental that destroys them all. Told from Kalin, Rowan, and Marcus's perspective, the final installment to the series follows their journey of courage, duty, sacrifice, and love.

This book is the first to focus on violent and/or 'abusive' behaviours in lesbian, gay, bisexual and/or transgender, non-binary gender or genderqueer people's intimate relationships. It provides fresh empirical data from a comprehensive mixed-methods study and novel theoretical insights to destabilise and queer existing narratives about intimate partner violence and abuse (IPVA). Key to the analysis, the book argues, is the extent to which Michael Johnson's landmark typology of IPVA can be used to make sense of the survey data and accounts of 'abusive' behaviours given by LGB and/or T+ participants. As well as calling for IPVA scholars to challenge heteronormativity and cisnormativity and improve IPVA measurement, this book offers guidance and a new tool to assist practitioners from a variety of relationships services with identifying victims/survivors and perpetrators in LGB and/or T+ people's relationships. It will appeal to academics and practitioners in the field of domestic violence and abuse. Storm Born Penguin

The course of south Indian history from pre-historic times to the contemporary era is a complex narrative with many interpretations. Reflecting recent advances in the study of the region, this volume provides an assessment of the events and socio-cultural development of south India through a comprehensive analysis of its historical trajectory. Investigating the region's states and configurations, this book covers a wide range of topics that include the origins of the early inhabitants, formation of the ancient kingdoms, advancement of agriculture, new religious movements based on bhakti, and consolidation of

centralized states in the medieval period. It further explores the growth of industries in relation to the development of East-West maritime trade in the Indian Ocean as well as the wave of Islamicization and the course of commercial relations with various European countries. The book then goes on to discuss the advent of early-modern state rule, impact of the raiyatwari system introduced by the British, debates about whether the region's economy developed or deteriorated during the eighteenth century, decline of matriliney in Kerala, emergence of the Dravidian Movement, and the intertwining of politics with contemporary popular culture. Well illustrated with maps and images, and incorporating new archaeological evidence and historiography, this volume presents new perspectives on a gamut of issues relating to communities, languages, and cultures of a macro-region that continues to fascinate scholars and readers alike.

An Introduction to Tamil Cinema Simon and Schuster

Considered to be one of the most important self-help books ever written, "I Dare You!" was first published in 1931 by William Danforth, the founder of the

Ralston-Purina pet food company and the American Youth Foundation. Danforth was a successful entrepreneur who spent much of his life helping and counseling young people and founded a youth camp in Michigan dedicated to mentoring youth. In this influential work, he expounded on his belief that a healthy and productive life depended on keeping four important elements in balance. These elements were physical, mental, social, and religious. A person must develop each element individually, but must not focus on one element to the detriment of the others. Danforth also believed in the importance of dedicating one's attention and efforts to the task at hand and treating each job and day as the most important one ever. Danforth never approached any challenge with less than complete attention and he inspired countless young people with his unwavering enthusiasm and determination. "I Dare You!" is a timeless classic that will encourage everyone to face life's challenges with a determined spirit. This edition is printed on premium acid-free paper.

Sri Sankara, the Hindu sage, is said to have "crossed the ocean of Maya as easily as one steps over a small irrigation channel in the field". He wrote a number of texts and hymns to foster knowledge of the self and to foster the sense of devotion in the hearts of humankind. This offering is one of Sri Sankara's most famous hymns. Here the great Indian politician and religious scholar, C. Rajagopalachari interprets the 'Baja Govindam'. He gives spiritual meaning and practical application to each of 31 verses of this great hymn. This is the original English translation of the Tamil text.

This book brings together linguistic and archaeological evidence of South Asian prehistory. The author depicts and analyses the region, in particular the Indus Valley civilization, its links with neighbouring regions and its implications for social history. Each type of linguistic data is put into its socio-historical context. Consequently, the book is both a description of the unique methodology 'linguistic archaeology' and a treatment of South Asian linguistic data.

The Witch Needs Her Freedom. Ellara Wist, one of the many witches that fought on the losing side of the war, has no intentions of returning to Outerland when it is finished and she has no intention of letting her fellow witches suffer either. So, during her sentencing for war crimes against the kingdom of Aulen, she boldly offers their new king a proposal: she'll join the king's court as his own personal sorceress in exchange for the lives and freedom of those trapped in Outerland. The King Needs a Wife. Terran didn't want to be king. But after years of war and the loss of almost his entire family, he will not put the crown aside. But when a witch from his past offers herself as a sacrifice, he sees her as an equal. So, he instead counters her offer with one of his own: Don't be my sorceress. Be my Queen. And the deal they strike will change their world forever. Desperate, Ellara agrees, swearing to herself that she could never love him. But as time reveals the man she's married not as the monster everyone thought he was and danger draws them closer together, she finds her vow almost impossible to keep.
