*A Novel* Penguin  
In the second novel set in the “darkly fascinating world” (SF Site) of Anne Bishop’s Black Jewels Trilogy, ambitions unfurl as the realm’s dreams of a

liberator have finally been made flesh... The Blood have waited centuries for the coming of Witch, the living embodiment of magic. But Jaenelle, the young girl singled out by prophecy, is haunted by the cruel battles fought over her—for not all the Blood await her as

their Savior. Some dismiss her as a myth. Some refuse to believe. And still others look forward to using her, making her a pawn to their shadowy devices. Only time and the devotion of her loyal guardians have healed Jaenelle's physical wounds. But her mind is fragile, barely able to protect her from the horrifying memories of her childhood. Nothing, however, can deflect her from her destiny—and the day of reckoning looms near. When her memories return. When her magic matures. When she is forced to accept her fate. On that day, the dark Realms will know what it means to be ruled by Witch.

Wonder Woman's desire to become a superhero takes her to Super Hero High, where she juggles new friendships, intensive training, and a roommate obsessed with social media.

*Make the Leap from a Job You Hate to a Life You Love* Harper  
Collins

From New York Times bestselling author Penelope Ward, comes a new standalone novel. The beginning of my sophomore year in college was off to a rough start. On the first day of orientation, I had an altercation with an infuriating British dude in a campus bathroom. (The ladies' room was out of order. So, I used the men's room. Don't judge.) I got home later that night and realized that

the foreign student we were expecting to rent a room in my parents' house was allergic to our cat. So, the spare room went to someone else: Caleb—the British guy from the men's room. And so it began...my love-hate story with Caleb Yates. Or was it hate-love in that order? The guy knew how to push every one of my buttons. Sometimes I'd email him to express my aggravation and disdain. He'd actually rewrite my own words and send them back to me. That was the type of infuriating person Caleb was. So frustrating. And... Sometimes incredibly funny and endearingly sweet. And hot. He eventually grew on me, and Caleb soon became one of my best friends that year. Too

bad he was headed back to England soon, so nothing could happen between us—for so many reasons. I definitely couldn't fall in love with him, especially since all we had was just one year. Break My Heart 1,000 Times Simon and Schuster  
Seventeen hundred years ago, key elements of our ancient heritage were lost, relegated to the esoteric traditions of mystery schools and sacred orders. Among the most empowering of the forgotten elements are references to a science with the power to bring everlasting healing to our bodies and initiate an unprecedented era of peace and cooperation between governments and

nations. In his groundbreaking new book, *The Isaiah Effect*, Gregg Braden turns to the Isaiah Scroll, perhaps the most important of the Dead Sea Scrolls discovered in 1946, to offer insight into a powerful form of ancient prayer. In *The Isaiah Effect*, Braden, author of *Awakening to Zero Point* and *Walking Between the Worlds*, combines research in quantum physics with the works of the prophet Isaiah and the ancient Essenes. He demonstrates how prophecies of global catastrophe and suffering may only represent future possibilities, rather than forecast impending doom, and that we have the power to influence those possibilities. In addition to describing

multiple futures, the Isaiah texts take us one step further, clearly describing the science of how we choose our futures. Tracing key words of Isaiah's text back to their original language, we discover how he taught a mode of prayer that was lost to the West during Biblical editing in the fourth century. Braden offers detailed accounts of how elements of this mode of prayer have been applied in a variety of situations, ranging from healing life-threatening conditions to entire villages using collective prayer to prevail during the 1998 fires in southern Peru. In each instance, the correlation between the offering of the prayer and a shift of the events in question

was beyond coincidence--the prayers had measurable effects! As modern science continues to validate a relationship between our outer and inner worlds, it becomes more likely that a forgotten bridge links the world of our prayers with that of our experience. Each time we engage ourselves, our loved ones, and our communities with Isaiah's life-affirming message of hope, we secure nothing less than our future and the future of the only home we know.

**A heartwarming tale of love and**

**friendship** Royal Affair Now a PBS Masterpiece television miniseries starring Tom Hollander and Saskia Reeves "I loved this book. Funny, sad, tender: for anyone

who wants to know what happens after the Happy Ever After." — Jojo Moyes, author of Me Before You David Nicholls brings the wit and intelligence that graced his New York Times bestseller, One Day, to a compellingly human, deftly funny novel about what holds marriages and families together—and what happens, and what we learn about ourselves, when everything threatens to fall apart. Douglas Petersen may be mild-mannered, but behind his reserve lies a sense of humor that, against all odds, seduces beautiful Connie into a second date . . . and eventually into marriage. Now, almost three decades after their relationship first blossomed in London, they live more or less

happily in the suburbs with their moody seventeen year-old son, Albie. Then Connie tells him she thinks she wants a divorce. The timing couldn't be worse. Hoping to encourage her son's artistic interests, Connie has planned a month-long tour of European capitals, a chance to experience the world's greatest works of art as a family, and she can't bring herself to cancel. And maybe going ahead with the original plan is for the best anyway? Douglas is privately convinced that this landmark trip will rekindle the romance in the marriage, and might even help him to bond with Albie. Narrated from Douglas's endearingly honest, slyly witty, and at

times achingly optimistic point of view, *Us* is the story of a man trying to rescue his relationship with the woman he loves, and learning how to get closer to a son who's always felt like a stranger. It is a moving meditation on the demands of marriage and parenthood, the regrets of abandoning youth for middle age, and the intricate relationship between the heart and the head.

**The Promise of Stardust** Harper

Collins

A People Magazine Best Children's Book of the Year ★ "This touching novel is one to savor."—Booklist, Starred Review ★ "A quiet story that may be the tiny push that someone thinking of giving up needs to

keep going. . . .  
 Sweetly satisfying."—Kirkus Reviews, Starred Review  
 Fourteen-year-old Oscar Dunleavy is missing, presumed dead. His bike was found at sea, out past the end of the pier, and everyone in town seems to have accepted this as a teenage tragedy. But Oscar's best friend Meg knows he isn't dead. Oscar is an optimistic and kind boy who bakes the world's best apple tarts; he would never kill himself, and Meg is going to prove it. Through interwoven narratives, the reader learns what really happened to Oscar. Meg must confront the painful truth of Oscar's past six months—and the possibility that he might really be gone. Surrounded by grief

and confusion, she starts to put the pieces back together. This story of love and friendship reminds us to keep hope in our hearts. For fans of *The Thing About Jellyfish* and kids who need a reminder that really, all you need is love.

Random House Books for Young Readers  
 New York Times bestselling author J. A. Redmerski brings us the breathtaking sequel to her novel *The Edge of Never*. When everything falls apart, love remains . . . **THE EDGE OF ALWAYS**  
 Camryn Bennett has never been happier.

Five months after meeting on a Greyhound bus, she and her soul mate Andrew Parrish are engaged-and a wedding isn't the only special event in their future. Nervous but excited, Camryn can't wait to begin the rest of her life with Andrew, a man she knows in her heart will love her always. They have so much to look forward to-until tragedy blindsides them. Andrew doesn't understand how this could happen to them. He's trying to move on, and thought Camryn was doing the same. But when Andrew discovers Camryn is secretly harboring a mountain of pain and attempting to numb it in damaging ways, there is nothing he won't do to bring her

back to life. Determined to prove that their love can survive anything, Andrew decides to take Camryn on a new journey filled with hope and passion. If only he can convince her to come along for the ride... (95,000 words)

Part of being human is experiencing setbacks, both minor and major. What can set you apart is how you deal with them. In *You Are Irreplaceable*, author Augusto Cury encourages you to get back to a time when you were driven by the dream of being alive, not controlled by your troubles and opponents. *You Are Irreplaceable* takes you on a winding spiritual journey starting when your life was simple and uncomplicated. A sampling of Augusto's inspirational reflections: "Criticize every negative thought—complacency, compliance, and passivity must all be questioned and the causes of inner conflict must be considered. Demand happiness,

confidence, and well-being. Broaden your emotional range and embrace new experiences. Be the author, not the victim, of your history!"

Augusto Cury can help you cope with failure, grief, and fear. Let him inspire success, well-being, and happiness.

## **Liquid Fear** Tom Rath

In 1940, the German sons and daughters of great Nazi dignitaries Himmler, Göring, Hess, Frank, Bormann, Speer, and Mengele were children of privilege at four, five, or ten years old, surrounded by affectionate, all-powerful parents. Although innocent and unaware of what was happening at the time, they eventually discovered the extent of their father's occupations: These men—their fathers who

were capable of loving their children and receiving love in return—were leaders of the Third Reich, and would later be convicted as monstrous war criminals. For these children, the German defeat was an earth-shattering source of family rupture, the end of opulence, and the jarring discovery of Hitler's atrocities. How did the offspring of these leaders deal with the aftermath of the war and the skeletons that would haunt them forever? Some chose to disown their past. Others did not. Some condemned their fathers; others worshipped them unconditionally to the end. In this enlightening book, Tania Crasnianski examines the

responsibility of eight descendants of Nazi notables, caught somewhere between stigmatization, worship, and amnesia. By tracing the unique experiences of these children, she probes at the relationship between them and their fathers and examines the idea of how responsibility for the fault is continually borne by the descendants. Life Whisperers Little, Brown Books for Young Readers  
Lacey Lancaster always longed to be a wife and mother. However, after a painful divorce, she just wants to lay low in her charming San Francisco apartment with her beautiful Abyssinian cat, Cleo. Everything would be wonderful if it wasn't

for her impossible neighbor, Jack Walker, who argues day and night with his girlfriend . . . and whose cat, Dog, is determined to get Cleo to succumb to his feline advances. And when Lacey discovers that Cleo's in the family way, she's furious that neither Jack nor his amorous animal seems terribly upset about it. But things aren't always what they appear. Jack's "girlfriend" is really his sister—and his intentions toward Lacey are quite honorable (though she's not sure about Dog). And out of the blue, Lacey is discovering the tender joy of falling in love all over again.

**Os Supridentes**

HarperCollins

A twisted young medical student

kidnaps the girl of his dreams and embarks on a dark and delirious road trip across Brazil in the English-language debut of Brazil's most celebrated young crime writer. Teo Avelar is a loner. He lives with his paraplegic mother and her dog in Rio de Janeiro, he doesn't have many friends, and the only time he feels honest human emotion is in the presence of his medical school cadaver—that is, until he meets Clarice. She's almost his exact opposite: exotic, spontaneous, unafraid to speak her mind. An aspiring screenwriter, she's working on a screenplay called Perfect Days about three friends who go on a road trip across Brazil in search of romance. Teo is

obsessed. He begins to stalk her, first following her to her university, then to her home, and when she ultimately rejects him, he kidnaps her and they embark upon their very own twisted odyssey across Brazil, tracing the same route outlined in her screenplay.

Through it all, Teo is certain that time is all he needs to prove to Clarice that they are made for each other, that time is all he needs to make her fall in love with him. But as the journey progresses, he digs himself deeper and deeper into a pit that he can't get out of, stopping at nothing to ensure that no one gets in the way of their life together. Both tense and lurid, and brimming with suspense from the very first page, *Perfect Days*

is a psychological thriller in the vein of Patricia Highsmith's *The Talented Mr. Ripley*—a chilling journey in the passenger seat with a psychopath, and the English language debut of one of Brazil's most deliciously dark young writers.

**Just One Year** Harper Collins

Health-giving, accessible, delicious recipes, put together with passion and purpose, and enlightening food stories from a civilisation that has not yet lost touch with how to eat. 'This warm and engaging cookbook shines a rare light on the fascinating food traditions of Tibet. Yeshe and Julie are brilliant at explaining how dishes such as momo dumplings and

sweet ceremonial rice are traditionally eaten on the Tibetan Plateau, yet their recipes are so clear and reassuring they will appeal to readers anywhere. The accompanying photographs offer a glimpse of the captivating beauty of Tibet and an intimate portrait of Tibetan family life.' Fuchsia Dunlop, bestselling author of *Every Grain of Rice* Nourishing, simple, seasonal food that heals as well as fuels: this way of eating might be popular today, but it has been traditional in Tibet for over 8,000 years. *Taste Tibet* is a collection of over 80 recipes from the Tibetan plateau written for today's home cook. Create comforting soups and stews, learn the secrets of hand-

pulled noodles, and everything you need to know about making and eating momo dumplings, Tibet's most legendary and addictive culinary export. Alongside the recipes, award-winning food writer Julie Kleeman and Tibetan cook Yeshi Jampa, who live in Oxford, UK, and run the *Taste Tibet* restaurant and food stall, interweave stories of Yeshi's childhood in Tibet, and the shared love of food that brought them together. They reveal nomadic Himalayan food culture and practices, including mindful eating and communal cooking - a way of life that celebrates family, togetherness and respect for food - while exploring the relationship between

landscape and diet,  
evoking the simple,  
subtle and unique  
flavours of Tibet.

Two Champion Makers*  
Harmony

If you could trade your  
biggest burden for  
someone else's, would  
you do it? Five  
teenagers sit around a  
bonfire in the middle of  
the New Mexico desert.  
They don't know it yet,  
but they are about to  
make the biggest  
sacrifice of their lives.  
Lo has a family history  
of MS, and is starting  
to come down with all  
the symptoms.

Thomas, a former child  
soldier from Liberia, is  
plagued by traumatic  
memories of his war-  
torn past. Kaya would  
do anything to feel  
physical pain, but a  
rare condition called  
CIP keeps her numb.  
Ellen can't remember

who she was before  
she started doing  
drugs. Kit lost his  
girlfriend in a car  
accident and now he  
just can't shake his  
newfound fear of  
death. When they  
trade totems as a  
symbol of shedding  
and adopting one  
another's sorrows, they  
think it's only an  
exercise. But in the  
morning, they wake to  
find their burdens  
gone...and replaced  
with someone else's.  
As the reality of the  
ritual unfolds, this  
unlikely group of five  
embarks on a week of  
beautiful, terrifying  
experiences that all  
culminate in one  
perfect truth: In the  
end, your soul is  
stronger than your  
burdens. "Utterly  
original, haunting, and  
honest, Strayhorn's  
literally infectious story

of fear and hope will change the way you view your flaws forever." --Una LaMarche, critically acclaimed author of *Like No Other* and *Five Summers*

SECRET Shared

Penguin

The hotly anticipated sequel to the erotic sensation *S.E.C.R.E.T.*, where women's sexual fantasies become reality. Still wounded from a recent heartbreak over her boss and lover, Will, Cassie Robichaud throws herself into service with *S.E.C.R.E.T.*, the mysterious organization that changed her forever by bringing her deepest sexual fantasies to life, one step at a time. Now, it's Cassie's turn to guide the group's newest candidate,

Dauphine Mason, recruiting men to execute a new set of fantasies. At thirty-one, Dauphine is the proprietor of a New Orleans vintage clothing store. She's been harboring a crush on Mark Drury, a local rock star, but is too shy to put herself out there with him. She turns to *S.E.C.R.E.T.* to reignite her sexual flame and find the confidence to risk her heart again with another man. As Cassie worries that the right time will never come for her and Will, she finds inspiration helping Dauphine in *S.E.C.R.E.T.* Both women navigate the rocky path between their hearts and their passions, hoping to discover what they truly want in life and in love. *S.E.C.R.E.T.* Shared is a romantic,

adventurous, and sexually charged sequel to one of the hottest new series in erotica. Now with an excerpt from L. Marie Adeline's final book in the SECRET trilogy, SECRET Revealed. The Way We Bared Our Souls Jewel E. Ann LLC Modernity was supposed to be the period in human history when the fears that pervaded social life in the past could be left behind and human beings could at last take control of their lives and tame the uncontrolled forces of the social and natural worlds. And yet, at the dawn of the twenty-first century, we live again in a time of fear. Whether its the fear of natural disasters, the fear of environmental catastrophes or the fear of indiscriminate

terrorist attacks, we live today in a state of constant anxiety about the dangers that could strike unannounced and at any moment. Fear is the name we give to our uncertainty in the face of the dangers that characterize our liquid modern age, to our ignorance of what the threat is and our incapacity to determine what can and can't be done to counter it. This new book by Zygmunt Bauman one of the foremost social thinkers of our time is an inventory of liquid modern fears. It is also an attempt to uncover their common sources, to analyse the obstacles that pile up on the road to their discovery and to examine the ways of putting them out of

action or rendering them harmless. Through his brilliant account of the fears and anxieties that weigh on us today, Bauman alerts us to the scale of the task which we shall have to confront through most of the current century if we wish our fellow humans to emerge at its end feeling more secure and self-confident than we feel at its beginning. Marked Macmillan

Joey Harker is a Leader. With InterWorld trapped by HEX and his only other companion—the mysterious Time Agent Acacia Jones—missing in action, Joey's the only one left. Though injured and alone, he refuses to give up. How can he, when all the worlds are depending on him? As the threat

of FrostNight looms ever closer, Joey seeks out more of his fellow Walkers across the Altiverse, training them as fast as he can and trying to track down InterWorld Base Town along the way. But even a solid team of recruits—including Acacia's brother, Avery, who's not a recruit so much as a tenuous ally—can't prepare Joey for the ultimate showdown with InterWorld's enemies, old and new. Joey never wanted to be in charge. But he's the one everyone is looking to now, and he'll have to step up if he has any hope of saving InterWorld, the Multiverse, and everything in between. Eternity's Wheel is the heart-pounding conclusion to the InterWorld series, full

of time and space travel, magic, science, and the bravery of a young boy who must now face his destiny as a young man.

*Change the Way You Look at Your Life* Simon and Schuster

In this multi-award-winning autobiographical novel, Cristovão Tezza draws his readers into the mind of a young father whose son, Felipe, is born with Down syndrome. From the initial shock of diagnosis, and through his growing understanding of the world of hospitals and therapies, Tezza threads the story of his son's life with his own. Felipe, who lives in an eternal present, becomes a remarkable young man; for Tezza, however, the story is a settling of accounts

with himself and his own limitations and, ultimately, a coming to terms with the sublime ironies and arbitrariness of life. He struggles with the phantom of shame, as if his son's condition were an indication of his own worth, and yearns for a 'normal' world that is always out of reach. Reading this compelling book is like stumbling through a trap door into the writer's mind, where nothing is censored, and everything is constantly examined and reinterpreted. What emerges is a hard-won philosophy of everyday life. It is extraordinary to encounter a common human drama — the birth of a disabled child — investigated profoundly by a father who happens to be a

gifted writer. The  
Eternal Son is an  
honest and insightful  
story by one of Brazil's  
foremost contemporary

novelists, here  
beautifully translated  
by Alison Entrekin. It is  
world literature at its  
finest.
