#### Switched Flirt

Cassie Mae's delightful novel answers the eternal question: What do you do when you're head over heels for your best friend's guy? Ever since high school, Kayla has been crazy for gorgeous football player Talon. But before she could muster the courage to tell him, he became a hot item with her beautiful BFF, Reagan. The only person who knows Kayla's secret is Wesley, Talon's best bud—and he's got it bad for Reagan. Now they're all in college together, hanging out 24/7. For Kayla, seeing the two lovebirds together is absolutely unbearable. So Kayla and Wesley hatch a plot to drive them apart before Talon has a chance to give Reagan the Christmas gift she's been waiting for. Soon enough, the once happy couple is fighting. Reagan suddenly can't get enough of Wesley's goofy sense of humor, and Talon seems to be

paying more attention to Kayla than a guy who's "only a friend" ever should. But just when everything seems to be falling into place, Kayla and Wesley accidentally spend a night together and discover a hitch in their plan they never considered: that switching partners may not lead to a perfect ending after all. Praise for Switched "Switched is a brilliant read that keeps you laughing, and sighing, and frustrated, and loving it!"—Rachel Schieffelbein, author of Run for the Roses "Switched was a mixture of heartfelt honesty and laugh-out-loud moments. Wesley and Kayla's journey is one you can't miss and will want to be on, cheering from the sidelines as they mess up and make up. I couldn't get enough of these two."—Theresa Paolo, author of (Never) Again "Cassie Mae's books have become my latest guilty pleasure. Pleasure, because who doesn't love to read a romantic comedy? And I say guilty because when I lay my hands on one, I tend to read them in one sitting and let all my other responsibilities go to the wayside. What dishes?"—Pauline

Creeden, author of Sanctuary "Five stars . . . but as usual deserving of far more!"—Le Book Squirrel "I absolutely loved Switched. I found it cute, funny, goofy, and downright sigh-inducing."—The Shadow Realm "I found myself smiling from ear to ear (and harboring a major craving for gummy bears . . .). I love the simple way she spells out a love story. The innocent gestures and internal dialogue cause me to sigh, or laugh, with the turn of each page."—Madison Says "Sweet, romantic, funny, and very entertaining, Switched was a fantastic New Adult romance."—Imagine a World "This is a cute, fun romance with lots of laughter and an adorable love story. Switched could be a chick flick, and a good one at that. If you are looking for a short, girly book to pass the time, then you've certainly come to the right place!"—Dark Faerie Tales "Switched is a fun read and a welcome addition to the New Adult romance genre. I liked Cassie Mae's writing and plot—it was just like reading a script for a 90s teen film, and there's nothing wrong with that!"—Wondrous Reads
