Hello from Heaven! Metro Publishing, Limited

"Every time I feel sad or wish my brother was here to hug me, no matter where I am, I hear his favorite song on the radio." More than one hundred million Americans claim to have had contact with the dead through deathbed visions, dream visitations, and otherwise inexplicable lifesaving premonitions. Is it possible to bridge the gap between our world and the hereafter and make contact with departed family and friends? In this groundbreaking work, authors Joel Martin and Patricia Romanowski share the dramatic firsthand testimonies of men and women who have connected with loved ones who have passed over. Providing compelling evidence for these experiences and offering new insight into the afterlife, *Love Beyond Life* is at once fascinating, comforting, and enlightening, an invaluable resource for anyone who yearns to make sense of life's final journey.

Love Wins Simon and Schuster

Shares an account of his religiously transformative near-death experience and revealing week-long coma, describing his scientific study of near-death phenomena while explaining what he learned about the nature of human consciousness.

The Lifestyle of Heaven Ascending Book 2 Xulon Press

Restore Your Spirit after Sudden Loss Healing after loss. When a

loved one passes unexpectedly, the person left behind can lose their bearings. After the sudden loss of her mother, Chelsea Hanson, a nationally-recognized grief educator and founder of With Sympathy Gifts and Keepsakes, didn't know where to turn for help, what to do next, or how to put the pieces of her life back together. Hanson's *The Sudden Loss Survival Guide* gathers everything that she learned during her own recovery process and provides an indispensable road map to aid those who've experienced a life-changing loss. A proactive, intentional approach. While you cannot control losing a loved one, you can consciously guide your own recovery. Through the application of simple, proactive practices, *The Sudden Loss Survival Guide* will empower you to overcome the darkness and anxiety of grief. Action-based tools. *The Sudden Loss Survival Guide* includes heart-lifting prompts and action steps that guide you towards reengaging in life and discovering deeper meaning. Through Hanson's grief healing practices, this book delivers the essential answers and tools needed to survive, cope, and heal from the devastating impact of sudden loss. *The Sudden Loss Survival Guide* is a distinctive grief recovery handbook. In this book, discover:

- Seven practices for healing, including creative memorialization and maintaining an ongoing spiritual connection
- Skimmable, stand-alone passages with immediate, usable information for the trauma you're facing
- A transformative method for living a meaningful, fulfilling life in remembrance of your loved one

Readers of grief books like *It's OK That You're Not OK*, *I Wasn't Ready to Say Goodbye*, and *Grief Day By Day* will

learn how to live again with the help of *The Sudden Loss Survival Guide*.

My Mom's Letters from Heaven Simon and Schuster

A tragic suicide may have ended the earthly life of Harriet Deison, but it didn't end the love story she shared with her husband, Pete. Their connection continued through Pete's vivid dreams of Harriet sent from her new home in heaven. Pete and Harriet Deison were enjoying a full life of being parents, grandparents, and partners in ministry when deep depression spiraled Harriet into a darkness that caused her to take her own life. Suddenly thrust into unimaginable grief, Pete, a Presbyterian minister, turns to his roots as a student and educator in an attempt to make sense of it all. *Visits from Heaven* is the love story of a man and his wife of forty-three years, which quietly becomes the story of God's love for his children. The narrative of strange coincidences, amazing answers to prayer, and dozens of dreams by Pete and others affirms that there is a continued existence of a loved one that can be experienced here on earth. Is heaven a place where real life continues, or is it all clouds, pearly gates, and long church services? *Visits from Heaven* answers those questions, giving readers a clearer picture of what life is like for a believer after he or she leaves earth. It's also a wake-up call for those who secretly think heaven is a dry and boring place. Deeply grounded in the Scriptures and in the classic works of writers such as C.S. Lewis, Sheldon Vanauken, John Claypool, Randy Alcorn, and N.T. Wright, Deison shares biblical truths about the reality of our continued existence and the nature of our heavenly home. *Visits from*

Heaven gently leads grieving people on an effective and insightful journey through the grief and recovery process.

Identifying Gifts from the Other Side Bantam

Say Good-bye One More Time Have you ever experienced a breeze in a closed room? A brush on the cheek when no one is there? A whisper that sounds like the voice of someone who has passed away? Perhaps it is coincidence or perhaps it is the beginning of spirit communication. In *Seven Steps to Heaven* noted psychic Joyce Keller clears up misconceptions about the afterlife and reveals the various ways in which those who have crossed over make contact with us. With clarity and compassion she shares for the first time her successful Connection Technique that makes it possible for anyone to bridge the divide between the living and the dead. Developed over a period of twenty years, Keller's Connection Technique involves seven simple and safe tools: angels and spirit teachers prayer and affirmations meditation dreams a spirit space sound a labyrinth *Seven Steps to Heaven* offers comfort and hope to everyone who has experienced the profound loneliness and sadness that comes with the death of a family member, a dear friend, or a pet.

Straight from Heaven Baker Books

A groundbreaking study of after-death communication experiences, *Hello from Heaven!* is a thought-provoking, hope-filled, and poignant study of an incredible phenomenon.

Visits from Heaven New York Review of Books

Is there life after death? Will we be reunited with our deceased loved ones when we die? Can they communicate with us now? *Hello From Heaven!* is the first complete study of an exciting new field of research called After-Death Communication, or ADC. This is a spiritual experience that occurs when a person is contacted directly and spontaneously by a family member or friend who has died. During their seven years of research, the authors collected more than 3,300 firsthand accounts from people who believe they have been contacted by a deceased loved one. The 353 ADC accounts in *Hello From Heaven!* offer:

- Fascinating modern-day evidence of life after death
- Comfort and emotional support for those who are bereaved
- Hope for those who yearn to be reunited with a loved one who has died
- Courage and strength for those who have a life-threatening illness
- Inspiration for caregivers to the elderly and terminally ill
- Insight and reassurance for those who are fearful of death
- Inner peace for

those whose hearts and minds are awaiting this good news You will treasure these uplifting messages from those who continue to exist in a life beyond physical death. Their profound communications of love offer comfort, hope, and spiritual inspiration to all readers.

The Case for Heaven Kermit Zarley

This is not one of those books about heaven that will make you question whether you will get there. The next life is no mystery- there are people in heaven, some of the same people that were here on earth. While physical forms change, personalities and characters remain for eternity. Soon after his mother died, Gerry Klassen found himself writing a letter from her perspective... and the letters just kept coming. She shares all about the hilarious episodes and different scenarios that make her able to connect with every kind of person imaginable, from Roman soldiers to famous leaders of the Bible to Jesus Himself. She gives her son a heavenly perspective that makes him realize... there's nothing going on down here that God's love cannot bring to a perfect and peaceful conclusion up there.

The Sacred and the Profane in the Renaissance Zondervan

What was it like to be face to face with Jesus? What does Heaven look like? And what did Randy Kay learn from his afterlife encounter? As a human development researcher, medical advisor, and director of clinical support, Randy Kay was not given to fantastical ideas about the spirit realm or embellished divine encounters. But after clinically dying in the hospital, Randy Kay had a life-changing afterlife experience with Jesus in Heaven. In his first book, *Dying to Meet Jesus*, Randy shared this experience, but not the supernatural insights and profound discoveries he received. Now, Randy senses a timely assignment from the Holy Spirit to answer the question so many readers have asked: what did you learn while you were in Heaven? In *Revelations from Heaven*, Randy leads you into a heavenly encounter of your own, revealing 31 revelations that God is unveiling to you. These insights include *Emboldened Prayer: A biblical perspective on encounters in Heaven and how they embolden our prayer lives.* *Conversations with Jesus: Insights that were exchanged while Randy communicated with Jesus in Heaven.* *Angelic and Demonic Activity: How there is a very real, invisible realm battling over the souls of humanity.* *Race and Ethnicity in Heaven: In eternity, how do people see one another and how does God see them? The*

Sights, Sounds, and Senses of Heaven: In Heaven, the five senses are enhanced and there are new senses that earthly language cannot explain. *Heavens Perspective on Sadness and Grief: How tears are kept and collected in bottles.* *The Difference Between Paradise and Heaven: When a believer dies, where do they really go? Take hold of the amazing truths that Heaven has released through Randys incredible experience, and see for yourself the powerful life-change that can accompany Revelations from Heaven.*

A New Field of Research Confirms that Life and Love are Eternal Llewellyn Worldwide

As the sun rises on her snow-covered world, Little Cub wonders aloud... "What is heaven like?" With tender words, her Papa describes a wonderful place, free of sadness and tears, where God warmly welcomes his loved ones after their life on earth is over. Little Cub and Papa spend the day wandering their beautiful, invigorating arctic world while she asks all about God's home: How do we get to heaven? Will we eat there? Will I get to see you in heaven? Papa patiently answers each question, assuring her that... "Heaven will be full of everything good." This

gentle story provides satisfying answers for a young child's most difficult questions about what happens after this life, inviting "little cubs" to find comfort in knowing that God Gave Us Heaven. Also available: God Gave Us You God Gave Us Two God Gave Us Christmas

Fire of Heaven Vintage

From the author of the acclaimed *Dinner with Persephone* comes a radically original novel about four women who invite us to imagine the divine anew: what if "a woman's point of view" were also God's? Patricia Storace's *Eve* begins by telling us her version of what happened in Eden, and by revealing that our familiar constellations conceal other heavens we have never allowed ourselves to see. Each of the four subsequent chapters is the story of one of these new zodiacs, featuring images central to women: a knife, a cauldron, a garden, a pair of embracing lovers. The four women whose stories they tell are Job's daughter, the Queen of Sheba, a polytheistic cook, and a transformed Sarah, wife of Abraham. Storace brilliantly reimagines the worlds of these women, freeing them from the old tales in which they were trapped and putting them in the foreground of their stories and of the Old Testament itself.

A Book About Heaven, Hell, and the Fate of Every Person Who Ever Lived Zondervan

Greetings From Heaven: Wish You Were Here is a novel telling the wonderful story of life after death for Christians. It begins with a college student and promising author named David who dies tragically in a car accident just two days before Christmas. Immediately he meets two strangers, who introduce themselves as Jonathan and Daniel, and explain that they are his guardian angels who have been watching over David from the moment he was born. They lift him skyward and fly him towards the direction of Heaven. David learns from them the location of Heaven as well as the ancient clues from the Bible which confirm this and confirm all the other wonderful things he is about to see. The spectacular view of Heaven as the angels approach it with David is awe-inspiring. Shortly David joins a group of newly arrived believers as they are each individually "welcomed home" by both Jesus and God the Father. David and his group enter into the pearly gates, walk upon the glowing streets of gold, eat from the Tree of Life and drink from the River of Life. They quickly learn the true meaning of the Bible verse "they shall mount up with wings like

eagles" and shortly arrive at each of their individual mansions where they re-unite with their dearly departed Christian loved ones. Later on they worship Christ together with hundreds of millions of Christians in the center of Heaven. David and the other newly arrived believers are then special guests of honor at the Wedding Feast where they get to personally spend time with Christ and eat with Him. Finally, David celebrates Christmas in Heaven by both attending and actually participating in a perfect recreation of the birth of Christ played by all of the original participants, including Mary, Joseph, the original angels and shepherds, and where Jesus himself plays the Christ child. Meanwhile, it is Christmas on earth and David's grieving family wishes they could hear from him just one more time and find some answers about what happened to him. They open up David's Christmas present to them and realize that it is the manuscript from David's first and only book he will ever write. The title, *Greetings From Heaven: Wish You Were Here*, brings them to tears. But they are amazed when they begin reading and recognize that only weeks earlier, David had prophetically written about the car accident and his trip to heaven. Then they realize that they have truly heard from David one last time and that David is indeed safe and happy in his eternal home in Heaven with Jesus.

One Door Away from Heaven Unbound Publishing

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back. The "Pod" enables them to build Heaven Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife ... FOREVER. * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the

astounding discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With *HEAVEN RIDE*, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

A New Field of Research-After-Death Communication

Confirms That Life and Love Are Eternal Hello from Heaven A New Field of Research-After-Death Communication Confirms That Life and Love Are Eternal

It's obvious from the bookshelves and the big screen that heaven is on everyone's mind. All of us long to know what life after death will be like. Bestselling author John Burke is no exception. For decades, he has been studying accounts of people who have had near-death experiences (NDEs). While not every detail of individual NDEs correlate with Scripture, Burke shows how the common experiences shared by thousands of survivors clearly point to the God of the Bible and the exhilarating picture of heaven he promises. Imagine Heaven is an inspirational journey through the Bible's picture of heaven, colored in with the real-life stories of heaven's wonders. Burke compares gripping stories of NDEs to what Scripture says about our biggest questions of heaven: Will I be myself? Will I see friends and loved ones? What will it look like? What is God like? What will we do forever? What about children and pets? This book will propel readers into an experience that will forever change their view of the life to come and the way they live life today. It also tackles the tough questions of heavenly reward and hellish NDEs. Anyone interested in NDEs or longing to imagine heaven more clearly will enjoy this fascinating and hope-filled book.

Wish You Were Here Harper Collins

Containing testimonies from people from all walks of life, including such celebrities as Paul McCartney and Robbie Williams, this is both a glimpse into a wider spiritual reality and a practical

guide to communicating with the deceased Describing the direct contact between the living and the deceased, this collection was undertaken without the intervention of an intermediary such as a psychic or medium. A product of years of painstaking work researching the phenomenon of after-death communication (ADC), this extraordinary work collects hundreds of deeply poignant, firsthand accounts from those who have been directly contacted by deceased loved ones. The reader is left to decide whether these are mere hallucinations or manifestations of something more significant. Response to Heathcote-James' new research has been genuinely startling, revealing that an amazing proportion of the population believe that they have had after-death experiences. The weight of evidence may well change the way readers consider the supernatural.

Amazing Insights on Life After Death, Life's Purpose and Earth's Future Hampton Roads Publishing

"This is a truly inspiring book!" - Roger Gallaway, PC, MP Federal Government Official of Canada "I didn't want this book to end! Robbie Thomas words permeated my very existence and were indelibly inscribed in my mind. For you are a true 'pillar of light', a messenger of God!" - Reverend May Leilani Schmidt, Spiritual Healer "I am not quite done this book yet more than half way finished. I decided to read Thomas's other book Paranormal Encounters first and found it EXCELLENT but this book too is written differently than that of the other one, but all in the same its a great read too. Very Spiritual and amazed I am at the people lives this Thomas touches just amazed. Genuine is all I can say. spirits in the afterlife, sharing the stories of the mourners he has served and showing readers how they can contact their departed loved ones

I'm Still With You Bantam

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

A Medium's Message of Life After Death Simon and Schuster Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven,

hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell

presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of

understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.
