“A high-  
octane, high-  
caliber joyride  
centered on

one very loud night in New York City” from the New York Times–bestselling author (Michael Northrop, author of *Rotten*). Ferris Bueller meets La Femme Nikita in this funny, action-packed young adult novel. It’s prom night—and Perry just wants to stick to his own plan and finally play a much-anticipated gig with his band in the Big Apple. But when his mother makes him take

Gobja Zaksauskas—their quiet, geeky Lithuanian exchange student—to the prom, he never expects that his ordinary high school guy life will soon turn on its head. Perry finds that Gobi is on a mission, and Perry has no other choice but to go along for a reckless ride through Manhattan’s concrete grid with a trained assassin in Dad’s red Jag. Infused with capers, car chases, heists, hits,

henchmen, and even a bear fight, this story mixes romance, comedy, and tragedy in a true teen coming-of-age adventure—and it’s not over until its “au revoir.” This ebook includes a sample chapter of Perry’s Killer Playlist. “What follows are captures, tortures, machine guns, a helicopter rescue, and a kiss that is, like this addictive first novel for teens, a ‘long, intoxicating dive through a

<p>sea of Red Bull.” —Booklist (starred review) “The hilarious YA buzzbomb I’ve been waiting for all year. Has style and wit to burn.” —Sean Beaudoin, author of <i>Wise Young Fool</i> “Fast paced, smart, exciting . . . it’s like your favorite summer action thriller and John Hughes movie rolled into one.” —Josh Schwartz, executive producer of <i>Gossip Girl</i> and <i>The O.C. Zebra is

the last in a line of anarchists, atheists, and autodidacts. When war came, her family didn't fight; they took refuge in books. Now alone and in exile, Zebra leaves New York for Barcelona, retracing the journey she and her father made from Iran to the United States years ago. Books are Zebra's only companions--until she meets Ludo. Their connection is magnetic; their time

together fraught. Zebra overwhelms him with her complex literary theories, her concern with death, and her obsession with history. He thinks she's unhinged; she thinks he's pedantic. Neither are wrong; neither can let the other go. They push and pull their way across the Mediterranean , wondering with each turn if their love, or lust, can free Zebra from her past. An adventure tale, a love story, and a

paean to the power of language and literature starring a heroine as quirky as Don Quixote, as introspective as Virginia Woolf, as whip-smart as Miranda July, and as spirited as Frances Ha, Call Me Zebra will establish Van der Vliet Oloomi as an author "on the verge of developing a whole new literature movement" (Bustle). Houghton Mifflin Harcourt The acclaimed

author presents “three passionate lectures about the state of politics in Israel” in this “humorous, mournful, enraged, and uplifting” volume (Kirkus). A National Jewish Book Award Finalist Israeli author Amos Oz has won numerous awards for his novels capturing the cultural and political complexities of his country, including the Frankfurt Peace Prize, the Primo Levi Prize, and the

National Jewish Book Award. But these essays on the universal nature of fanaticism and its possible cures, on the Jewish roots of humanism and the need for a secular pride in Israel, and on the geopolitical standing of Israel in the wider Middle East and internationally, “may contain his most urgent message yet.” (Ruth Eglash, *Washington Post*). These essays were written, Oz states, “first

and foremost” for his grandchildren: they are a patient, learned telling of history, religion, and politics, to be thumbed through and studied, clung to even, as we march toward an uncertain future. “Concise, evocative . . . Dear Zealots is not just a brilliant book of thoughts and ideas—it is a depiction of one man’s struggle, who for decades has insisted on keeping a sharp, strident and lucid perspective in

the face of chaos and at times of madness.”  
—David Grossman, winner of the Man Booker International Prize

Houghton Mifflin Activity Book A must-read for parents and teachers, this major bestseller reveals how cultural literacy is the hidden key to effective education and presents 5000 facts that every literate American should know. In this forceful manifesto Professor E. D. Hirsch, Jr., argues that children in the

United States are being deprived of the basic knowledge that would enable them to function in contemporary society. They lack cultural literacy: a grasp of background information that writers and speakers assume their audience already has. Even if a student has a basic competence in the English language, he or she has little chance of entering the American mainstream without

knowing what a silicon chip is, or when the Civil War was fought. An important work that has engendered a nationwide debate on our educational standards, Cultural Literacy is a required reading for anyone concerned with our

future as a literate nation.
