### **The Book of Giants** Destiny Books

Prophecies of a 19th-century German mystic who spent seven years suspended between life and death • Focuses on the mysterious "language of the spirits" that the seeress spoke and wrote • Contains a biography of the Seeress of Prevorst's life and illustrations of all known examples of her spiritual script and diagrams Known as the Seeress of Prevorst, Frederika Hauffe (1801-1829) was a German mystic and clairvoyant who was subject to convulsions and trances that caused her to remain bedridden from 1822 until her death seven years later. While in this state suspended between life and death, she received revelations from the spirit world about the triune doctrine of body, soul, and spirit, and she drew precise geometrical diagrams, often in complete darkness and with astonishing speed. The spirits of the dead were said to be in constant attendance on her and were even occasionally seen by others. Her most remarkable gift, however, was the ability to write and speak in what she called "the language of the spirits," a unique coded alphabet that incorporated numbers and primitive ideographs. Using his scientific expertise to decode her secret language and diagrams, John DeSalvo examines the life and revelations of the Seeress of Prevorst and her importance in light of spiritual development over the nearly two centuries since her death. Preceding the rise of Spiritualism by two generations, the seeress's prophecies and teachings threw open the door to the spirit world. With one foot in each world, her life and work offer a portal into mystical realms as fascinating today as in her own time.

*The Enochian Evocation of Dr. John Dee* Harper Collins

A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the

Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

**Necronomicon Spellbook** Llewellyn Worldwide Limited

The first of Frater Yechidah's eagerly awaited Enochian Magic series, detailing John Dee and Edward Kelley's magical system in extraordinary detail, from the Heptarchic system to Enochian proper. Yechidah provides a unique mix of thorough research with his own experience and understanding from using the system for many years, resulting in a book that is both scholarly and insightful. He explores the history behind the famous magician and seer, shows how the system was delivered, explains why it is such a powerful magical tool, and answers many of the questions that people have asked about the nature of the angelic beings. Gain an indepth knowledge of Enochian magic. Learn how to derive the names of angels from the various tablets. Discover the purpose of the tools. Ponder the mysteries of the more obscure parts of the system, with Yechidah's suggestions for what they might mean. This tome provides a comprehensive overview of the Enochian system for both scholars and magicians, with excerpts from Dee's diaries and insights from a number of Enochian magicians over the last century. Enochian Magic in Theory is the first of a two part series on Dee's angelic system, with Enochian Magic in Practice providing the practical instructions for how to put the magic into use.

*Golden Dawn Magic* Weiser Books

The second of Frater Yechidah's eagerly awaited Enochian Magic series, detailing John Dee and Edward Kelley's magical system in extraordinary detail, from the Heptarchic system to Enochian proper. This expansive volume goes beyond the theory, giving a

detailed, thorough and comprehensive guide on how to put Enochian magic into practice, from skyring and evocation to tools and talismans, and, for the first time ever, a complete method for the binding of Cacodaemons. This tome gives easy to follow instructions on how to use the Enochian system, both from the original Dee perspective, and also from more modern techniques, such as those employed by the Golden Dawn, Aleister Crowley, the Order of the Sons and Daughters of Light, and other pioneering magicians.

A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the canon or accepted books of the Old Testament because of its strange and mysterious content

about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. Decoding the Enochian Secrets reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scryer. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister Crowley used them. Including Enochian Magic Meditations and rituals, Decoding the Enochian Secrets presents the source text to the most powerful form of magic known to mankind.

Stephen Skinner has been interested in magic for as long as he can remember. He wrote, with Francis King, the classic *Techniques of High Magic* in 1976. He followed that with *Oracle of Geomancy and Terrestrial Astrology* which has become the standard work on Western divinatory geomancy. Books on Nostradamus and Millennium Prophecies followed in highly illustrated editions. Stephen is also the author of eight books on feng shui, including the first one written in English in the 20th century. In the 1970s he was responsible for stimulating interest in John Dee and Enochian magic by publishing the first reprint of Casaubon's *True and Faithful Relation of What Passed for Many Yeers between Dr John Dee and some Spirits.* and Dr Donald Laycock's key reference book on the angelic language *The Complete Enochian Dictionary*. With David Rankine, he discovered what happened to Dee's most important manuscript, his personal book of angelic invocations which he kept in Latin, and how it was preserved and developed in the 17th century into a full working Enochian system. Only ten percent of this material reached the unpublished archives of the Hermetic Order of the Golden Dawn, and even this was then suppressed by the chiefs of the Order, so it did not appear in Israel Regardie's monumental work on the Order rituals and documents. They have also traced the routes down which were passed the classic techniques of invocation and evocation from late mediaeval grimoires, through Dee's magic, via Ashmole, and the aristocratic angel magicians of the 17th century, and Frederick Hockley to the senior magicians of the Golden Dawn.

Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, *The Enochian Evocation of Dr. John Dee* is the translation of the original material received from direct Angelic contact. In 1852 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse. Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

Among the first seven scrolls discovered in the caves of Qumran at the Dead Sea is a scroll given the name, "The Book of Giants." It is thought to have been based on the Book of Enoch, a pseudepigraphical Jewish work from the 3rd century BCE. The Book of Giants, like the Book of Enoch, concerns itself with the Nephilim, which are the offspring of fallen angels, who are called the Watchers. Two main versions of the text exist. The Dead Sea version is written in Aramaic. Another version has been found written in middle Persian, adapted from the Aramaic to fit into the Manichean religion. Both versions will be examined. Following theories speculating that the Book of Giants was once part of the Book of Enoch, we will attempt to place the two texts back together to render the complete story of the Watchers and the Nephilim. We will discover the history and contributions of these ancient scrolls and look carefully at their content and meaning. Throughout the combined texts of the Book of Giants and the Book of Enoch we will examine all the biblical and apocryphal references and parallels within the text. The result is an in-depth and panoramic view of the Angels, the Watchers, and the Nephilim, and how one of the giants of the Nephilim race may have survived the flood intended to cleanse the Earth of their horror.

*Power Crystals* Frater W.I.T.

"The greatest guide ever written—by our greatest living teacher of magick—to the greatest occult system on Earth." —from the forward by Jason Louv, author of *John Dee and the Empire of Angels* Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527-1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels—the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of "calls" to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In *Enochian Vision Magick*, Lon Milo DuQuette introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv.

*Andrew Jackson Davis* - Simon and Schuster

A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library

Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic—from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time—to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

This book lists all seals/sigils for the Enochian Angels/Cacodemons. It is a comprehensive list that contains 269 Angels and Cacodemons. All information and sigils/seals of the beings in this book was obtained by Astral means. I was repeatedly warned not to look into the Akashic Records so many times, but I have to admit, it hasn't fazed me one bit. I believe that this book will open the eyes of many people who seek out hidden knowledge. No more scrambling and endless hours of scouring the net to find anything that has to do with these beings. I have not been able to find any sigils or seals that remotely come close to what they are supposed to be, not to mention none have sigils/seals. This book has it all. This book is a must have for any serious practitioner.

Reveals the radical ancient practice of living resurrection, in which initiates ritually died and were reborn into a state of higher consciousness • Explores living resurrection initiation practices from world cultures, including Egyptian, Greek, Gnostic, Chinese, Celtic, and Native American traditions • Describes the secret chambers and temples where Mystery Schools practiced "raising the dead" • Shows why this practice was branded a heresy and suppressed by the Church More than two thousand years before the resurrection of Jesus, initiates from spiritual traditions around the world were already practicing a secret mystical ritual in which they metaphorically died and were reborn into a higher spiritual state. During this living resurrection, they experienced a transformative spiritual awakening that revealed the nature of reality and the purpose of the soul, described as "rising from the dead." Exploring the practice of living resurrection in ancient Egyptian, Phoenician, Greek, Persian, Indian, Japanese, Chinese, Celtic, and Native American traditions, Freddy Silva explains how resurrection was never meant for the dead, but for the living—a fact supported by the suppressed Gnostic Gospel of Philip: "Those who say they will die first and then rise are in error. If they do not first receive the resurrection while they live, when they die they will receive nothing." He reveals how these practices were not only common in the ancient world but also shared similar facets in each tradition: initiates were led through a series of challenging ordeals, retreated for a three-day period into a cave or restricted room, often called a "bridal chamber," and while out-of-body, became fully conscious of travels in the Otherworld. Upon returning to the body, they were led by priests or priestesses to witness the rising of Sirius or the Equinox sunrise. Silva describes some of the secret chambers around the world

where the ritual was performed, including the so-called tomb of Thutmosis III in Egypt, which featured an empty sarcophagus and detailed instructions for the living on how to enter the Otherworld and return alive. He reveals why esoteric and Gnostic sects claimed that the literal resurrection of Jesus promoted by the Church was a fraud and how the Church branded all living resurrection practices as a heresy, relentlessly persecuting the Gnostics to suppress knowledge of this self-empowering experience. He shows how the Knights Templar revived these concepts and how they survive to this day within Freemasonry. Exploring the hidden art of living resurrection, Silva shows how this personal experience of the Divine opened the path to self-empowerment and higher consciousness, leading initiates such as Plato to describe it as the pinnacle of spiritual development.

*Decoding the Enochian Secrets* Destiny Books

An exploration of the scientific, historical, and paranormal qualities of quartz crystals and ancient crystal skulls • Explores the use of crystals throughout history, including their role in Atlantis and in alien technology • Offers step-by-step instructions to successfully use crystals in scrying, meditation, and Enochian magic • Includes never-before-published scientific findings on the author's crystal skull as well as other crystal skulls researched at the British Museum • Explains how the Space-Time Crystal Matrix connects the physical world with the spiritual and may be the communication technology of the future  
Known for his in-depth scientific work on the Shroud of Turin and the Great Pyramid of Giza, John DeSalvo, Ph.D., now sets his sights on quartz crystals and their mystical counterpart, crystal skulls. Exploring the use of crystals from Mesopotamia and ancient Egypt to present-day technology, including their use in ritual and ceremonial magic and their importance in ancient religious literature, he examines the many physical and chemical properties of quartz crystals and explains how their crystalline lattice structure is the key to their amazing abilities, both scientific and paranormal. Reviewing the many paranormal claims about crystal skulls, DeSalvo reveals the scientific findings on his own ancient crystal skull as well as research by the British Museum on other famous crystal skulls.

His investigation also extends to the recent discovery in Tibet of a trove of Dropa discs--grooved stones allegedly recording an ancient alien visit to Earth. Highlighting the use of quartz crystals and crystal skulls for psychic and spiritual purposes, DeSalvo offers step-by-step instructions for their use in scrying, meditation, and Enochian magic, including communication with angels. Reviewing accounts of power crystals in Atlantis and their use in alien technology, he explains how crystals connect the physical world with the spiritual via a powerful communication network linking all crystals and their memories--the Space-Time Crystal Matrix, a spiritual technology lost to the ages but which may become the communication system of the future.

You may have heard people speak of it in hushed tones: Enochian magick! Some say it is dangerous. Others say it is the most powerful magick known. Now you can find out the truth when you read *The Enochian Magick* of Dr. John Dee by Geoffrey James (previously published as *The Enochian Evocation of Dr. John Dee*). This system was received by Dr. John Dee, astrologer to Queen Elizabeth I of England, and his assistant, Edward Kelly. Together, through a series of evocations, they discovered a system of magick so potent that some people fear to use it. Now you can learn the entire Enochian system as never before. Previously, people went to secondary sources such as the Golden Dawn or Aleister Crowley for information on the Enochian system. Here, for the first time, are the diaries of Dr. Dee, which reveal the entire system so you can use it for a wide variety of magical purposes. Presented here is the definitive version of the forty-eight angelic keys according to Dee himself. Revealed are the names of the sixteen good angels who are most skilled and powerful in medicine and in the curing of diseases, as well as the sixteen angels of the four elements. Every step of the method by which Dee and Kelly worked their evocations is fully explained so you can recreate their experiments and tap into some of the most powerful magick available.
