Lushly written with rich and vivid characters, SANTA OLIVIA is Jacqueline Carey's take on comic book superheroes and the classic werewolf myth. After her mother dies, Loup goes to live among the misfit orphans at the parish church, where they seethe from the injustices visited upon the locals by the soldiers. Eventually, the orphans find an outlet for their frustrations: They form a vigilante group to support Loup Garron who, costumed as their patron saint, Santa Olivia, uses her special abilities to avenge the town. The Glittering Court Simon and Schuster

A #1 NEW YORK TIMES BEST SELLER The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. "Brilliant and original, Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end." —School Library Journal For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. To high-born Adelaide, whose wealthy family is forcing her into a loveless marriage, the Glittering Court represents something else: the chance to chart her own destiny, and adventure in an unspoiled, prosperous new land across the sea. After a chance meeting with the dazzling Cedric Thorn, Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies. But her familiarity with upper class life comes with a price: she must hide her identity from her new friends, mysterious refugee Mira and fiery former laundress Tamsin, and most importantly, from Cedric himself—even though she's falling in love with him. Everything begins to crumble when Cedric discovers Adelaide's ruse, and she catches the eye of a powerful young governor, who wants her

for a wife. She didn't leave the gilded cage of her old life behind just to become someone else's property. But nothing is as daunting—or as wonderful—as the potent, forbidden attraction simmering between Adelaide and Cedric. One that, if acted on, would make them both outcasts in a wild, dangerous, uncharted world, and possibly lead them to their deaths.

Dead in the Family Forever

The Dark Swan series by #1 New York Times bestselling author Richelle Mead is together at last in this complete bundle! Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants... Storm Born--Book One Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy--one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. She finds formidable allies in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her... Thorn Queen--Book Two Eugenie Markham is paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It's hardly an

envious life, not with her kingdom in tatters, her love life in chaos, and Eugenie eager to avoid the prophecy about her firstborn destroying mankind. And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyō is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, Eugenie must venture deep into the Otherworld and trust in an unpredictable power she can barely control. Reluctant queen or not, Eugenie has sworn to do her duty--even if it means facing the darkest--and deadliest--side of her nature... Iron Crowned--Book Three Eugenie Markham is the best at banishing entities trespassing in the mortal realm. But as the Thorn Land's queen, she's fast running out of ways to end the brutal war devastating her kingdom. Her only hope: the Iron Crown, a legendary object even the most powerful gentry fear... Who Eugenie can trust is the hardest part. Fairy king Dorian has his own agenda for aiding her search. And Kiyō, her shape-shifter ex-boyfriend, has every reason to betray her along the way. To control the Crown's ever-consuming powers, Eugenie will have to confront an unimaginable temptation--one that will put her soul and the fate of two worlds in mortal peril... Shadow Heir--Book Four Eugenie Markham strives to keep the mortal realm safe from trespassing entities. But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld... The spell-driven source of the blight isn't the

only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyō is endangered by secrets he can't--or won't--reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon--and risk the ultimate sacrifice...

A succubus must balance a burgeoning romance as she fights to save a co-worker's soul in this urban fantasy from a #1 New York Times--bestselling author. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is... It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one--and fast, because soon, Doug's life won't be the only one on the line... Praise for Richelle Mead and her Succubus series "Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!"—Lilith Saintcrow, author of *The Devil's Right Hand* "This is one of those series I'm going to keep following."—Jim Butcher, New York Times

bestselling author of the Harry Dresden series “The mix of supernatural mystery, romance, and reluctant succubus is great fun.”—Locus “Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism.”—Booklist
