## LIN PORTER

---

**A Biography of Henry Rollins** W. W.  
Norton

“A masterwork [by] the preeminent

historian of the Civil War era.”—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master

historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

*A House Divided* W. W. Norton

In this powerfully-written unauthorized biography, Parker plots the course of Rollins' career.

Give Me Liberty! Simon and Schuster  
The leading text in a brief, full-color edition. Clear, concise, integrated, and up-to-date, Give Me Liberty! is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using

the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

*Forget the Alamo* Harper Collins

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many

a dirty word. In *Give Me Liberty*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.

*Give Me Liberty with Voice...* Abrams  
A powerful text by an acclaimed historian, *Give Me Liberty!* delivers an authoritative, concise, and integrated

American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: "Who is an American?" With new coverage of issues of inclusion and exclusion—reinforced by new primary source features in the text and a new secondary source tutorial online—*Give Me Liberty!* strengthens students' most important historical thinking skills. The Seagull Edition offers the complete text of the Full Edition in full color and a portable trim size with fewer illustrations and maps and an exceptionally low price.

**Give Me Liberty Or Give Me Death (Annotated)** Penguin

A New York Times Notable Book for 2011  
 A Library Journal Top Ten Best Books of 2011  
 A Boston Globe Best Nonfiction Book of 2011  
 Bestselling author Tony Horwitz tells the electrifying tale of the daring insurrection that put America on the path to bloody war. Plotted in secret, launched in the dark, John Brown's raid on Harpers Ferry was a pivotal moment in U.S. history. But few Americans know the true story of the men and women

who launched a desperate strike at the slaveholding South. Now, *Midnight Rising* portrays Brown's uprising in vivid color, revealing a country on the brink of explosive conflict. Brown, the descendant of New England Puritans, saw slavery as a sin against America's founding principles. Unlike most abolitionists, he was willing to take up arms, and in 1859 he prepared for battle at a hideout in Maryland, joined by his teenage daughter, three of his sons, and a guerrilla band that included former slaves and a dashing spy. On October 17, the raiders seized Harpers Ferry, stunning the nation and prompting a counterattack led by Robert E. Lee. After Brown's capture, his defiant eloquence galvanized the North and appalled the South, which considered Brown a

terrorist. The raid also helped elect Abraham Lincoln, who later began to fulfill Brown's dream with the Emancipation Proclamation, a measure he called "a John Brown raid, on a gigantic scale." Tony Horwitz's riveting book travels antebellum America to deliver both a taut historical drama and a telling portrait of a nation divided—a time that still resonates in ours.

The leading text in the U.S. survey course.

America in the Age of Lincoln W. W. Norton & Company  
From the Pulitzer Prize-winning Washington Post reporter David E. Hoffman comes the riveting biography of Oswaldo Payá, a dissident who dared to

defy Fidel Castro, inspiring thousands of Cubans to fight for democracy. Oswaldo Payá was seven years old when Fidel Castro seized power in Cuba, promising to create a "free, democratic, and just Cuba." But Castro instead created an authoritarian regime with little tolerance of free speech or thought. His secret police were trained to crush dissent by East Germany's ruthless Stasi.

Throughout Cuba's 20th century history, the dream of democracy was often just within reach, only to be dashed by dictatorship and revived again by a new generation. Payá inherited this dream and it became his life's work. As a teenager in Communist Cuba, he led a protest against the Soviet-led shattering of the Prague Spring. Before long, he was sent to Castro's forced labor camps.

Payá later became a leading voice of opposition and formed a pro-democracy movement. A devoted Catholic, he championed a simple, bedrock belief that rights are bestowed by God, and not the state. Every day, he witnessed these rights trampled in Cuba. He could not stay silent. Payá's most daring challenge to the Cuban government was the Varela Project, a one-page citizen petition demanding free speech, a free press, freedom of association, freedom of belief, private enterprise, free elections and freedom for political prisoners. More than 35,000 people signed the Varela Project, an extraordinary outpouring of protest—with nothing more than pen and paper—against Castro's decades of despotism. The regime responded by ignoring the petition, arresting dozens of

Payá's followers and sending them to prison for many years. After receiving multiple death threats, Payá was killed in a suspicious car wreck on a remote country road. Pulitzer Prize-winning reporter David E. Hoffman returns with an epic portrait of a lone individual who had the courage, faith, and persistence to struggle for democracy against an unforgiving dictator. At its heart, *Give Me Liberty* is a sweeping account of one country's tragic and continuing struggle for its freedom.

**An American History** Simon and Schuster

*Give Me Liberty!* is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, *Give Me Liberty!* delivers an authoritative,

accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

[The Fiery Trial: Abraham Lincoln and American Slavery](#) Give Me Liberty! An American History Fifth Edition, One Volume, Seagull

Here, in this landmark personal work, Gerry demonstrates how, despite the democratic rhetoric we hear and believe, we have become enslaved. All of us are trapped by a complex web of corporate and governmental behemoths he calls the "New Slave Master" that today

controls our airways, educates our children, and manages every facet of our lives. Yet, far from being a pronouncement of gloom, Give Me Liberty! is an inspiring and visionary work. In the spirit of his bestselling *How to Argue and Win Every Time*, Spence expounds on his philosophy, thus empowering us to: Liberate the slave within, redefine success, unchain the spirit, escape the religions of work and beliefs that enslave us, free ourselves with what he calls our "magical weapon." Like Thomas Paine's *Common Sense*, Give Me Liberty! captures the underlying malaise of a country, transforming it into a national dialogue that promises a groundswell for a meaningful democracy in America in the coming years.

How Our Unconscious Minds Elect Presidents, Control Markets, Wage Wars, and Save Our Lives W. W. Norton

In a miracle of concision, Paul S. Boyer provides a wide-ranging and authoritative history of America, capturing in a compact space the full story of our nation. Ranging from the earliest Native American settlers to the presidency of Barack Obama, this Very Short Introduction offers an illuminating account of politics, diplomacy, and war as well as the full spectrum of social, cultural, and scientific developments that shaped our country. Here is a masterful picture of Americas achievements and failures, large-scale socio-historical forces, and pivotal

events. Boyer sheds light on the colonial era, the Revolution and the birth of the new nation; slavery and the Civil War; Reconstruction and the Gilded Age; the Progressive era, the Roaring Twenties and the Great Depression; the two world wars and the Cold War that followed; right up to the tragedy of 9/11, the wars in Iraq and Afghanistan, and the epoch-making election of Barack Obama. Certain broad trends shape much of the narrative--immigration, urbanization, slavery, continental expansion, the global projection of U.S. power, the centrality of religion, the progression from an agrarian to an industrial to a post-industrial economic order. Yet in underscoring such large themes, Boyer also highlights the diversity of the American experience, the importance of

individual actors, and the crucial role of race, ethnicity, gender, and social class in shaping the contours of specific groups within the nations larger tapestry. And along the way, he touches upon the cultural milestones of American history, from Tom Paines *The Crisis* to Allen Ginsbergs *Howl*. *American History: A Very Short Introduction* is a panoramic history of the United States, one that covers virtually every topic of importance--and yet can be read in a single day.

*A History of America's Exceptional Idea*  
W W Norton & Company Incorporated  
Describes the changes brought about by the Civil War, discusses the impact of slavery's end, and looks at the political, economic, and social aspects of Reconstruction.

ordinary Americans. Each document is

accompanied by an introductory

headnote and study questions.

**Voices of Freedom** W. W. Norton &

Company

A brilliant and surprising account of the

coming of the American Civil War,

showing the crucial role of slaves who escaped to Mexico. The Underground Railroad to the North promised salvation to many American slaves before the Civil War. But thousands of people in the south-central United States escaped slavery not by heading north but by crossing the southern border into Mexico, where slavery was abolished in 1837. In *South to Freedom*, historian Alice L. Baumgartner tells the story of why Mexico abolished slavery and how its increasingly radical antislavery policies fueled the sectional crisis in the United States. Southerners hoped that annexing Texas and invading Mexico in the 1840s would stop runaways and secure slavery's future. Instead, the seizure of Alta California and Nuevo México upset the delicate political

balance between free and slave states. This is a revelatory and essential new perspective on antebellum America and the causes of the Civil War.

*An American History* Random House Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, *Atlas Shrugged* is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's *The Great American Read*. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these

questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists. Give Me Liberty Basic Books

An exciting novel for tweens that captures the dawn of the American Revolution. Life is tough for thirteen-year-old Nathaniel Dunn, an indentured servant in colonial Virginia. Then in a twist of luck, he meets Basil, a kind schoolmaster, and an arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves?

Nathaniel must face the puzzling choices a dawning nation lays before him. “Filled with action, well-drawn characters, and a sympathetic understanding of many points of view.” —ALA Booklist
