Do you want to
become more fluent in
English? Do you want
to understand
everyday language and
not just 'textbook'
English? I taught
English for many years
and saw that many
students get stuck at
the high
beginner/intermediate
stage. They learn the
basics and then can't

move forward. This
problem used to really
frustrate me because I
had lots of excellent
students who were just
stuck and eventually
they would give up. I
thought for a long time
about what was wrong
and then decided that
it wasn't that the
student didn't have
ability but that what
they were studying and
how they were
studying was not
effective. I saw that
even though they had
good basic English they
would read textbooks
full of their native
language (not English).
I used to think 'why are
they reading all this
German etc about
English and not just
reading English
instead. I decided to
see if I could fix this
problem. I started
assigning students
homework like 'watch

this English drama with subtitles and then without' or 'read a short article every night for a month'. I found the results were amazing. My students started becoming much more fluent and confident. This convinced me that the best way to become fluent was to read or watch real English that was interesting to the students. So I started writing short stories using easy to understand English mixed with idioms and phrasal verbs that native English speakers use all the time. In this book I have added explanations in English so you don't mix up English and German in your mind. I have also included easy to understand examples which I recommend you note down in your

notebook so you can remember them easily. In my opinion, learning idioms, phrasal verbs and useful phrases is the best way to move your English forward as you will be using the vocabulary that English speakers use every day. If you would like to become more fluent and understand everyday English phrases then get stated today and press the button on the top right.

Speak the English the English Speak

Routledge

WOULD YOU LIKE TO SPEAK ENGLISH AS THE ENGLISH DO? THIS BOOK WILL SHOW YOU HOW!The use of idiom distinguishes the average English speaker from the excellent. Speaking English is volume 2 in the series 'Speak the

English the English
Speak' (vol 1). It will
teach you the meaning
and, where
appropriate, the history
behind 500+ further
essential English
idioms and, also, how
to use them. It will help
you to engage in fluent
English conversation
and to understand the
nuances of the
language. Discover the
true meaning of
phrases such as, 'seat
of the pants', 'done
and dusted', 'lesser of
two evils' and 'after a
fashion'. The phrases
are arranged in
alphabetical chapters
for easy
reference. Colin Grey
was inspired to write
this book by Olga
Kuzina, his tour guide
on a cruise down the
River Dnieper in 2013.
Her English was so
good and so full of
idiom that he and his

wife took her on one
side to ask where she
had learnt it. Her reply
stunned him, "I've
never been out of the
country. But I do teach
English at Sevastopol
University." Lucky
students! When he
returned home Colin
emailed Olga with a list
of 20 phrases and the
question, "How many
of these would you use
and be comfortable
with in normal
conversation?" Her
answer was, "3 but
would you please
explain the other 17".
These were the origin
of this book. All
royalties from the sale
of this book go to the
Aidan Woodcock
Charitable Trust which
sponsors young
professional musicians
and helps them
develop their careers.

Collins COBUILD Idioms Dictionary M M Info Care
 First published in 2010. Routledge is an imprint of Taylor & Francis, an informa company.
Essential Idioms in English Oxford University Press
 Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second

edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods. For example: 'Rowling has not been asleep at the wheel in the three years since the last Potter novel,

and I am pleased to report that she has not confused sheer length with inspiration.' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G. Woodhouse, 1940. Many entries include boxed features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both elegant and easy to use. Anyone interested in the quirky side of the English

language will have hours of fun browsing through this fascinating and informative volume.

HOW IS THIS TOEFL

BOOK DIFFERENT? This

TOEFL book is different

because it uses an

integrated vocabulary learning system called

recycling. Recycling is

simple. Each exercise

is divided into four

quizzes. Quiz 1, a

multiple-choice

vocabulary quiz,

introduces ten new

words. Next, you will

do Quiz 2, which is a sentence-completion quiz based on the ten words in Quiz 1. Next, you will do Quiz 3, a spelling quiz. The speaker in the audio will say the same ten words in turn. You will then have ten seconds to spell each word by saying it and typing it. Finally, you will do Quiz 4, which is a 60-word typing test based on the ten new words you have been recycling through Quizzes 1, 2 and 3, plus words, phrases and idioms recycled from previous exercises. **BONUS MATERIAL** Learn essential rhetorical strategies and a test-proven way to develop opinion-based and fact-based TOEFL essays. *Speaking English* Nova Press

The Oxford Dictionary of Idioms Createspace Independent Pub
This new edition of the Collins COBUILD Idioms Dictionary offers comprehensive and up-to-date coverage of the most important English idioms from around the world. Collins COBUILD Idioms Dictionary offers in-depth coverage of the most important idioms in English, and provides additional information about how common they are, in which contexts they should be used, what they mean and how to use them. This edition has been fully revised to provide learners with detailed information on idioms in a language that is easy to understand. The new, 2-colour layout of the dictionary means that it is easier than ever

for students to find the information they need. With over a thousand new idioms, this major new edition is packed with information on what idioms really mean and how to use them. Many of the new idioms come from varieties of English spoken all over the world, from Britain to the USA, from South Africa to Australia. A new feature of this edition is the addition of helpful cross-references, making finding the idiom you need easy. There is also a self-study exercise section at the back of the book so that students can practise and consolidate what they have learnt. The fully-revised thematic index provides learners with the most useful English idioms, organized

according to theme, along with real corpus examples. As with all COBUILD products, the Collins Corpus provides thousands of examples showing how the idioms are used in the English language today. In addition, there are hundreds of fascinating notes on the origins of idioms, which will allow students to gain a fuller understanding of the English language. Attractively presented, the Collins COBUILD Idioms Dictionary will prove to be a fascinating and invaluable resource for learners and teachers of English and anyone who wants to gain a greater appreciation of the English language. *The University of Chicago Spanish Dictionary* Dorling Kindersley Ltd

What is it to 'cock a snook', where is the land of Nod, and who was first to go the extra mile? Find the answers to these questions (and many more!) in the new edition of the Oxford Dictionary of Idioms. This dictionary uncovers the meanings of myriad phrases and sayings that are used daily in the English language, encompassing more than 10,000 figurative expressions, similes, sayings, and proverbs. More than 400 idioms have been added to this new edition, and comprise recently coined and common sayings alike. New additions include 'back of the net', 'drag and drop', 'go it alone', 'how come?', 'if you ask me', 'make your skin crawl', and 'woe

betide'. Illustrative quotations sourced from the Oxford corpora give contextual examples of the idioms and their standard usage, and many entries include background information on the origins of the idiom in question. An updated thematic index makes for easy navigation, and anyone who is interested in the origins and diversity of English vernacular will have hours of fun browsing this fascinating dictionary.

for teachers and guides
to impart their
knowledge to
the children. Understand
ing of idioms given in
the book is sure to
enrich your English
language and usage of
the same will make you
sound like a native
speaker within no time.
Most commonly used,
rarely used, formal,
informal and all types of
idioms are covered in

one single book. Few
examples of the
fascinating idioms and
phrases covered in this
book (1) A to Z: All from
beginning to
end. Example: From A
to Z all the members
were corrupt. (2) Above
all: The highest point in
a character. Example:
He was honest and
straight but above all
he was brave and
daring. (3) Above
board: Clean and
frank. Example: All his
actions were above
board - there
was nothing sly and
underhand about
him. As per the adage,
"The proof of the
pudding is in
the eating", the
samples listed above is
sure to compel
the reader to buy
his/her own copy and

English idioms and phrases will help you understand and remember English idiomatic expressions and their meanings, making your English more fluent and natural. English for Everyone: English Idioms combines an innovative visual teaching method with the best of DK design to make one of the most difficult aspects of learning English as a foreign language incredibly easy. Hundreds of expressions are presented in context, with crystal-clear definitions and attractive illustrations that show each idiom's literal and idiomatic meaning. The book also covers English collocations and commonly confused words, helping you

avoid the kind of mistakes that native English speakers would never make. Each teaching module is followed by tightly focused practice exercises to help you remember what you have learned. Extensive supporting audio is integrated throughout the course, with every expression in the context of its sample sentence recorded by native English speakers. The audio is free and available online, and can be played, paused, and repeated as often as you like, to help you perfect your pronunciation of each expression. Suitable for learners at all levels, English for Everyone: English Idioms is an exciting and intuitive guide to improving your understanding of

English and the style of your written and spoken English.
