Preached at Enfield, Connecticut on July

8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s

justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms

of a mighty Savior.

¡Cantemos! Ha sido creado por la pasión del canto congregacional de Keith y Kristyn Getty y ha sido formada a través de viajes, presentaciones, al escuchar , discutir, aprender y enseñar a través de todo el mundo. Al crear este material ellos tenían cinco objetivos clave: Descubrir por qué cantamos y la abrumadora dicha y el santo privilegio que proviene de cantar. Considerar que cantar impacta nuestras vidas, corazones y mentes. Cultivar una cultura de familia que canta, en nuestra vida familiar diaria. Equipar a nuestras

iglesias a cantar con sinceridad al Señor y a los demás en una expresión de unidad. Para inspirarnos para ver el canto congregacional como un testigo radical para el mundo. También se han incluido “pistas adicionales” al final, con sugerencias prácticas para usarlas con grupos que están más profundamente relacionados con el canto en la iglesia. El propósito de Dios a través de esta irresistible visión de ver a Su pueblo cantando (personas que alegremente se unen a cantar, hermanos y hermanas alrededor del mundo y alrededor de Su trono) es incluirte, el quiere que tu, y que nosotros cantemos. Sing! has grown from Keith and Kristyn Getty’s passion for congregational singing; it’s been formed by their traveling and playing and listening and discussing and

learning and teaching all over the world. And in writing it, they have five key aims: • to discover why we sing and the overwhelming joy and holy privilege that comes with singing • to consider how singing impacts our hearts and minds and all of our lives • to cultivate a culture of family singing in our daily home life • to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity • to inspire us to see congregational singing as a radical witness to the world They have also added a few “bonus tracks” at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining

together in song with brothers and sisters around the world and around his heavenly throne—to include you. He wants you, he wants us, to sing.

Most church members don't see their churches clearly. In almost all of Thom S. Rainer's consultations, church members

perceive their church to be friendly. But as he surveyed guests, he found that the guests typically saw church members as unfriendly. The perception chasm existed because the members were indeed friendly . . . to one another. The guests felt like they crashed a private party. Bestselling author Thom Rainer (I Am a Church Member, Autopsy of a Deceased Church) has a game plan for churches to become more hospitable. In a format that is suitable for church members to read individually or study together, Rainer guides readers toward a practical framework for making a difference for those who visit their church. Churches may use *Becoming a Welcoming Church* to assess and audit where they are on a spectrum between welcoming and wanting. Additionally,

churches can use the companion book *We Want You Here* to send guests home with a compelling vision for what pastors want every guest to know when they visit.

American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well

as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith—often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex

couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

We live in a deeply broken world . . . but there is hope. Sexuality is a fundamental part of what it means to be human—part of God's beautiful design when he created all things. And yet, sex in our world today looks nothing like the way that God intended it to be. Sexual brokenness surrounds us and, in one

way or another, affects us all. This sexual brokenness reveals our deep need for redemption— something quick fixes, mere behavior modification, or a set of rules can't provide. Honest and direct yet kind and caring, this book points us to the only place we can find help for sexual brokenness—the transforming grace of Jesus Christ. Only this grace offers hope for a life of freedom, purity, and joy as God intended.

Congregational authority is less about the meetings and more about the mission. Congregationalism has a bad rap for well-known reasons: inefficient meetings, upstart members, browbeaten ministers. But biblical congregationalism

isn't so much about the meetings. It's about empowering the whole church to promote and protect the gospel. Pastors lead and equip. Members get to work strengthening one another and pursuing Christ's mission in the world.

Algunas personas ven el trabajo social de la iglesia local como «el patito feo» de nuestra fe; como algo que se debe hacer pero que nadie quiere hacerlo. Aun más, hay quienes consideran que este tipo de ministerio no es necesario y

que el trabajo de ofrecer ayuda social le corresponde al gobierno y a otras agencias no gubernamentales pero nunca a la iglesia. Por estas razones, en este libro presento las bases y los fundamentos necesarios para responder a estas formas de pensar y tratar de cambiar la percepción de que el objetivo de la iglesia es solamente espiritual, sin ninguna implicación social. De la misma manera, espero que las sugerencias y métodos aquí presentados sean útiles para desarrollar ministerios de acción social que sirvan para aliviar las necesidades y sufrimientos de nuestro pueblo hispano y de la gente pobre y vulnerable que se encuentra en las comunidades a las cuales ministramos. Some people see the social work of the local church as “the ugly duckling” of our

faith; something that should be done but no one stepping forward to do it. Others look to our state and local governments to handle this work. This book presents the basics to respond to these methods of thinking, and attempts to change the perception that the objective of the church is only spiritual, without any social responsibility. Suggestions and methods are presented to equip social action teams to assist with the needs and sufferings of the Hispanic community and the vulnerable and poor of our communities.

Iglesia combativa: El poder de Dios en acción. Combativa. Enérgica. Tenaz. Determinada. Obstinada. Persistente. Ya se dio una idea. Estas iglesias tienen

líderes y miembros que se rehúsan a rendirse. Al contrario, tienen gente en la congregación que realmente cree que los mejores días de la iglesia están en el futuro cercano. Seguro, tienen sus frustraciones. Pero ven el poder de Dios obrando cada semana en su iglesia. Están emocionados tanto por el presente como por el futuro. No ven las limitaciones; ven las posibilidades de Dios. Cuántas veces hemos escuchado estas afirmaciones... "¡No podemos competir con la megaiglesia de nuestra ciudad!". "Una nueva iglesia se abrió a dos calles de nosotros. ¡Ya tenemos muchas iglesias aparte de ellos!" "La iglesia abrió otra de sus sedes cerca de nosotros. Lo que está haciendo es completamente falto de ética". "No podemos alcanzar a las familias jóvenes.

Todos se van a la iglesia grande que tiene todas esas cosas para niños y estudiantes". "No tenemos el dinero ni la gente que otras iglesias tienen". El autor de éxitos de ventas Thom S. Rainer ha escuchado comentarios como estos por cientos y aun miles de veces. Son afirmaciones de desesperanza, de desesperación, afirmaciones de derrota. Pero los líderes de las iglesias ya no quieren más sentirse de esta manera, sino que desean romper con la mediocridad de siempre, de los mismos pensamientos sosos y tomar el control de la manera en que viven sus iglesias. Hay esperanza. La esperanza de Dios. Las posibilidades de Dios. ¿Cómo luce una iglesia combativa? Echemos juntos un vistazo.
