Hodder Education Series Editor: Stella Paes Part of the 2nd edition (2018/2019) AQA GCSE (9-1) Science Lab Book series, providing separate books for each of the Single Sciences (Biology, Chemistry and Physics) and one Combined Science book. Aligned precisely with the AQA GCSE (9-1) Science specifications, the write-in Lab books cover the full range of practicals needed to cover AQA's practical requirements for both the Trilogy and Synergy courses. Each 2nd edition Lab Book guides students through the scientific process and includes: all the instructions students need to perform the Required Practicals with confidence and fully grasp the scientific methodology writing frames structured around the assessment objectives to allow students to record, analyse and evaluate their results exam-style questions focused on common problem areas for students a Practical Skills checklist, so that students can track the practical skills and content they have learnt in preparation for their exam and free online technician notes. All the worksheets and methods have been reviewed and checked by CLEAPSS so you can be certain the

practicals work and are safe in the classroom.

AQA GCSE

Biology 9-1

Student

Book (GCSE

Science 9-1)

HarperCollins UK

The only textbook that fully supports the Oxford AQA International GCSE Biology specification (9201), for first teaching in September 2016. The enquiry-based, international approach builds scientific skills and knowledge, preparing

students for the Oxford AQA International GCSE exams and supporting their progression to further A Level study.
