KAILEY BRIANA

[How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work](#) Simon and Schuster

Embrace the Case Interview walks you through each step on the path to your dream consulting job as described by a former management consultant who conducted over 100 interviews for a top-tier firm. First, we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter. Second, we cover the behavioral part of the interview. Often overlooked, the behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview. We discuss the traits interviewers are looking for and how to answer their questions in a structured way. Third, we take an in-depth look at the case interview itself. Unlike books that focus on segmenting cases and applying frameworks, you will learn a single, flexible structure that you will apply to any case with deadly effectiveness. In addition to structuring the case, you will learn approaches for the cases' other parts including qualitative questions, quantitative problems, exhibit analysis, and synthesis. Embrace the Case Interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases. As such, each example case contains an in-depth discussion of the text book answer to help you improve. For more information, please visit embrace.thecaseinterview.com. Enjoy the book and best of luck in your upcoming interviews!

The Ultimate Prep Guide for Consulting Interviews

Firmsconsulting LLC

Case Closed is an award-winning, detailed guide to acing the consulting interview. Other consulting prep materials are written by those who have been out of the industry for decades. Case Closed is the only guide written by former McKinsey consultants and interviewers who have been intimately involved in the interview process in the last 2 years. This authoritative resource covers some never-covered-before topics, including: How to write your resume to attract the attention of resume-graders and recruiters at McKinsey, Bain, and BCG Why the "personal experience" (fit) interview matters, what interviewers are probing for, and what types of experiences to prep How the interviewers evaluate your case performance: what matters, and what doesn't How to tackle non-traditional cases that interviewers may throw at you, which no canned framework from the typical case interview books can help with How to prep if you have 60 days, 30 days, or just 2 weeks before your expected first interview How to hack both in-person interactions and video interview interactions, in a time of COVID-19 The surprisingly good - and surprisingly bad - questions to ask your interviewer during Q&A How to master innovative, universally-adaptable case interview frameworks. Any candidate can regurgitate the frameworks from Case In Point or Case Interview Secrets; nothing there will "wow" an interviewer Countless example cases spanning profitability, new market entry, new product / growth, pricing, M&A, and even non-traditional archetypes Whether you are a current undergrad or MBA looking for an internship or full-time role, or an experienced professional, Case Closed is an investment into your professional future. Stand out from the pack with the latest, cutting-edge secrets to wow your consulting case interviewers. Sean Huang's former proteges span undergraduates, MBAs, advanced degree holders, and experienced hires. These students have landed job offers at top consulting firms, including McKinsey, BCG, and Bain; many have also used the structured thinking he has taught them to land roles at Goldman Sachs IBD, Google BizOps & Strategy, as well as at Fortune 500 strategy groups. "Case Closed has been a lifesaver. It truly contains everything you need to know to ace your consulting interviews and Sean explains things in a clear manner that is easy to understand. After studying Case Closed, I landed my dream job at McKinsey and I've raved about this book to all my friends."-McKinsey New York full time offer, Wharton MBA "I used to be intimidated by the notorious consulting case interviews. For anyone looking to get a job offer to a top consulting firm, Case Closed is honestly the best interview prep book (and I've read all of them). The case interviews in Case Closed were by far the best and most similar to the cases I got in the actual interviews."-Bain San Francisco internship offer, UC Berkeley Haas (undergraduate) "In my panic, I read all of the case interview frameworks from different case prep books. And that ended up confusing me more because there were so many frameworks but no easy way to remember when to use what. Case Closed walks you through the interview process in such a great way that I started loving case interviews and landed

the job." -BCG Boston full time offer, University of Virginia (undergraduate)

The Complete Guide from Getting the Interview to Landing the Job

Red Wheel/Weiser

The Second Edition of Johnny Saldaña's international bestseller provides an in-depth guide to the multiple approaches available for coding qualitative data. Fully up to date, it includes new chapters, more coding techniques and an additional glossary. Clear, practical and authoritative, the book: -describes how coding initiates qualitative data analysis -demonstrates the writing of analytic memos -discusses available analytic software -suggests how best to use The Coding Manual for Qualitative Researchers for particular studies. In total, 32 coding methods are profiled that can be applied to a range of research genres from grounded theory to phenomenology to narrative inquiry. For each approach, Saldaña discusses the method's origins, a description of the method, practical applications, and a clearly illustrated example with analytic follow-up. A unique and invaluable reference for students, teachers, and practitioners of qualitative inquiry, this book is essential reading across the social sciences.

How to Strategically Deal With Recruiters, Search Firms, Boards of Directors, Panels, Presentations, Pre-interviews, and Other High-Stress Situations

Createspace Independent Publishing Platform

Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

Case Interview Questions for Tech Companies

SAGE

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

How to Conquer Your Case Interviews

Createspace Independent Publishing Platform

Written for business leaders and consultants who are trying to solve significant problems and create measurable value. Readers

can view the templates used in consulting studies and how they are used. All the foundational strategy and business analyses tools are taught along with the soft skills and practical tools to solve any business problem. This is the only book of its kind walking the reader step-by-step through a complete consulting study. This book follows an engagement team as they assist a large company in diagnosing and fixing deep and persistent organizational issues over an 8-week assignment. Readers will learn how they successfully navigate a challenging client environment, frame the problem and limit the scope, develop hypotheses, build the analyses and provide the final recommendations. We have placed the explanation of management consulting techniques within a lively and engaging storyline, which allows the reader to truly understand the challenges faced on consulting engagements, connect with the characters, and understand both how and why they debated elements of the study. It is written so that the reader may follow, understand, and replicate a strategic engagement using the same techniques used by the leading firms, such as McKinsey, Bain, and BCG. To make the story realistic and useful, we have worked with one client engagement throughout the book. Using different examples and different clients to explain concepts would have made it difficult for readers to see the data linkages and development of the final recommendations. The client and engagement are fictitious. The data presented are also fictitious, but they are based on actual consulting engagements and the experiences of the author and the contributing McKinsey, BCG, et. al. partners at FIRMSconsulting.com & StrategyTraining.com. RESERVE YOUR SPOT FOR FREE EPISODES FROM EX-MCK ET AL. PARTNERS AT FIRMSCONSULTING.COM/PROMO FREE EPISODE FROM THIS BOOKS COMPANION COURSE AT FIRMSCONSULTING.COM/SAAMC

Graph Analysis for Consulting and Case Interviews

John Wiley & Sons

In these turbulent times, the job-interview game is more different than ever for executives. They face a longer interview process, must demonstrate a vision to meet the prospective employer's challenges, and will undergo intense vetting before receiving a job offer. Top Notch Executive Interviews reveals what employers really want and expect to see in executive candidate interview behavior and content. The book's coverage of the executive interview difference, its case studies of senior-level managers in sticky interview situations, and its broad collection of hiring decision-maker interview peeves and preferences make it the must-have companion volume to Top Notch Executive Resumes. This vital book includes an insightful examination of critical differences that distinguish executive-level interviews from all others, along with extensive information on leveraging relationships with recruiters, plentiful sample interview questions and suggested responses, and a comprehensive list of sample questions to ask the interviewer. Special additional features include: — Detailed tips on how to land an interview and conduct pre-interview research. — The importance of nonverbal behavior and attire. — A thorough guide to interview formats. — An interviewing checklist. — A chapter on tricky interview situations. — A directory of executive-interview coaches. — And post-interview chapters covering thank-yous, follow-ups, references, vetting, background checks, plus negotiating and weighing job offers.

The No Asshole Rule

[Embrace the Case Interview](#) Case Interview SecretsA Former McKinsey Interviewer Reveals how to Get Multiple Job Offers in ConsultingCheng, a former McKinsey management consultant, reveals his proven, insider'smethod for acing the case interview.Hacking the Case InterviewYour Shortcut Guide to Mastering Consulting Interviews

The Case Interview Workbook contains 60 case questions for management consulting interviews, with complete solutions.

Every case is compiled and edited by a team of ex-consultants from McKinsey & Company, the Boston Consulting Group, and Bain & Company. This book fills the gap left by others by providing you with plenty of high-quality cases to practice on before your interview. Many cases are from actual interviews at the top-tier firms and cannot be found elsewhere. After working through this book, you will be prepared for every type of case question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth strategy, marketing, investment, M&A, market entry, customer segmentation, profitability, valuation, logic, issue identification, cost analysis, market expansion, and brainteasers, to name a few. These cases will help you prepare for interviews at leading management consulting firms, including McKinsey & Company, The Boston Consulting Group, Bain & Company, Oliver Wyman, Strategy& (formerly Booz & Company), A.T. Kearney, Roland Berger, and L.E.K, as well as for consulting roles at large firms such as Accenture, Deloitte, PwC, EY, and KPMG. Note that is a workbook, designed to complement other preparation books. You will have a hard time solving these cases without learning first elsewhere how to do so, e.g. which frameworks to use, how to use them, and how to structure a solution.

HBR's 10 Must Reads on Managing Yourself (with bonus article "How Will You Measure Your Life?" by Clayton M. Christensen) Penguin

The definitive guide to working with -- and surviving -- bullies, creeps, jerks, tyrants, tormentors, despots, backstabbers, egomaniacs, and all the other assholes who do their best to destroy you at work. "What an asshole!" How many times have you said that about someone at work? You're not alone! In this groundbreaking book, Stanford University professor Robert I. Sutton builds on his acclaimed Harvard Business Review article to show you the best ways to deal with assholes...and why they can be so destructive to your company. Practical, compassionate, and in places downright funny, this guide offers: Strategies on how to pinpoint and eliminate negative influences for good Illuminating case histories from major organizations A self-diagnostic test and a program to identify and keep your own "inner jerk" from coming out The No Asshole Rule is a New York Times, Wall Street Journal, USA Today and Business Week bestseller.

Complete Case Interview Preparation CreateSpace

The God Delusion caused a sensation when it was published in 2006. Within weeks it became the most hotly debated topic, with Dawkins himself branded as either saint or sinner for presenting his hard-hitting, impassioned rebuttal of religion of all types. His argument could hardly be more topical. While Europe is becoming increasingly secularized, the rise of religious fundamentalism, whether in the Middle East or Middle America, is dramatically and dangerously dividing opinion around the world. In America, and elsewhere, a vigorous dispute between 'intelligent design' and Darwinism is seriously undermining and restricting the teaching of science. In many countries religious dogma from medieval times still serves to abuse basic human rights such as women's and gay

rights. And all from a belief in a God whose existence lacks evidence of any kind. Dawkins attacks God in all his forms. He eviscerates the major arguments for religion and demonstrates the supreme improbability of a supreme being. He shows how religion fuels war, foments bigotry and abuses children. The God Delusion is a brilliantly argued, fascinating polemic that will be required reading for anyone interested in this most emotional and important subject.

Complete Case Interview Prep Business Plus

The use of complex graphs in case interviews has exploded. You have a very short time to look at the graph, analyze it, extract what's important and apply it to your answer. This book was designed to help you understand the role of graphs in consulting (both during an interview and on the job). The authors introduce the Ivy Graph Framework, which will allow you to analyze 11 of the most popular graphs quickly, completely, and with great confidence. In addition the book provides ten sophisticated cases with numerous graphs per case and allows you to see how these cases unfold. There is nothing else out there like it!

Management 101 Turtle Hare Media

Need to learn case interviews but don't know where to start? This book is designed to get you up and running. By using scripted examples and interviews with experienced recruiters it gives readers an understanding of what a case actually is, and how they can start to prepare. Case interviews are used extensively by most major recruiters, including McKinsey, Bain, BCG, Amazon, Google and many more, and this book contains interviews with recruiters from all of the above companies. The author, Stephen Pidgeon, is a former McKinsey consultant and interviewer who now works as a career coach at the Tuck School of Business. He coaches hundreds of candidates every year, many of whom are successful in their goal of landing their dream job. He is also the author of 'How to get a job in consulting'.

How Digital Businesses Succeed in an Ever-Changing Global Marketplace University of Pennsylvania Press

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, Time), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that

characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Interview Case Book Independently Published

Case Interview Secrets A Former McKinsey Interviewer Reveals how to Get Multiple Job Offers in Consulting

A Comprehensive Consulting Case Interview Guide Full of Expert Advice and Pages of Example Case Style Interview Questions, Taken from Real Life Management Consulting Job Interviews Around the World WETFEET, INC.

The Interview Case Book offers 20 case discussions grouped into five categories: opportunity analysis, market response, performance gap analysis, action planning, and company expansion. Each interview is followed by a brief comment on the case type and the approach taken by the interviewee. In addition to the case interviews and comments, each type of case is illustrated by an extensive number of case questions that function as a training ground for practice interviews. Across all five types of cases, this book offers an additional 200 practice questions. The questions are very diverse in nature and are designed to represent the spectrum of actual questions that may be asked during case interviews.
