Two-page in-depth descriptions, written by featured institutions, offer complete details on a

specific graduate program, school, or department as well as information on faculty research. Comprehensive directories list programs in this volume, as well as others in the Peterson's graduate series. Competition Science Vision Disha Publications EduGorilla is India's largest educational community catering to the needs of students and encapsulating every exam

held in the country. It is a team of eminent subject matter experts and prolific content developers pioneering competitive exams' preparation. EduGorilla offers vernacular online test series and mock tests for more than 1151 national and international exams. This book is an endeavor of the community to provide their digitized practice material in

printed format. The book has been written to meet the requirements of IBPS aspirants and provide them with well-structured and conceptualized practice material. It contains multiple-choice questions modeled on the relevant subjects and topics. The volume has been prepared by a team of experts after thoroughly analyzing the exam pattern, syllabus, and

previous years' papers. It gives a fair idea to the students about the structure of the question paper and the type of questions asked in the exam. The title begins with an overview of the exam and goes on to cover practice sets along with hints and solutions. It intends to guide the students to solve questions with a higher degree of accuracy and within the stipulated

time. Students can analyze their performance and gauge their preparation level.
