*The Mysterious Numbers of the Hebrew Kings* Baker Academic

Baker's Handbook of Bible Lists supplements standard Bible reference tools, offering speedy access to basic information without the wordiness of a Bible dictionary or encyclopedia.

*Survey of the Old Testament* Zondervan

A Survey of the Old Testament WorkbookZondervan

A Survey of the Old Testament Workbook Zondervan

This book surveys within the various literary genres (cosmologies, personal archives and epics, hymns, and prayers) parallels between the Bible and Ancient Near Eastern literature.

*A Survey of Jesus' Bible* Baker Books

Each book of the New Testament is introduced and investigated with scholarship and biblical faithfulness. Includes all the information usually found in a Bible handbook - author, date, historical background, purpose, outline - but it goes much further. The authors provide an exposition of every passage in the New Testament, written in contemporary, understandable language. Sidebars and inserts offer other valuable reference material such as lists of the parables of Jesus, the miracles of Jesus, and key theological principles.

**Old Testament Today** Zondervan

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

**Old Testament Today** Zondervan

Excellent reference describes line technique; drawing the figure, face, and hands; humorous illustration; pen drawing for advertisers; landscape and architectural illustration. Drawings by Dürer, Holbein, Doré, Rackham, Beardsley, Klinger, more. 161 figures.

*Old Testament Theology for Christians* Harper Collins

The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty. They are a story whose grand theme is hope. Great battles are fought, heroes and tyrants vie for power, Israel splits into rival kingdoms, and the soul of God's holy nation oscillates between faithlessness and revival. Yet above this tossing sea of human events, God's covenant promises reign untroubled and supreme. First and Second Chronicles are a narrative steeped in the best and worst of the human heart—but they are also a revelation of Yahweh at work, forwarding his purposes in the midst of fallible people. God has a plan to which he is committed. Today, as then, God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom, and to himself as our source of confidence and peace. Exploring the links between the Bible and our own times, Andrew E. Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an

ancient message into our postmodern context. It explains not only what the Bible meant but also how it speaks powerfully today.

Haggai, Zechariah, Malachi B&H Publishing Group

This innovative textbook at long last provides an Old Testament survey for undergraduate students that goes beyond basic content. The book attempts to balance the literary, historical, and theological issues pertaining to each individual book and to the Old Testament as a whole. The main portion of the survey treats each book of the Old Testament in the order of the English canon. This information does not simply rehash the biblical material, but assumes that the Scriptures are being read alongside the survey. The book focuses its primary attention on the purpose and message of each book and attempts to show how the literary structure of each one has been used to accomplish the author's purpose. The survey also introduces readers to the issues of hermeneutics (general and special), history (Israelite and Near Eastern), archaeology, canon, geography, Old Testament theology (biblical and systematic), and critical methodologies. All these issues are dealt with in separate chapters at a basic introductory level that never allows the reader to lose sight, as it were, of the forest while wandering through the trees. In addressing critical issues of date and authorship, the survey avoids a polemical stance. Hill and Watson seek to depend on the evidence of the text rather than on presuppositions to substantiate their views. Their commitment to the authority of the biblical text results in a book that, while notably evangelical, is not always traditional. The authors approach the survey mindful of two complicating factors in Old Testament study. First, God's revelation did not come by way of the English language or through Western culture, and therefore we today have to work carefully to receive the message clearly. Second, even when we are listening, we have a tendency to be selective about what we hear or to try to make the message conform to our ideas. The solution is to allow the Bible to speak for itself. The informed reader will find much innovation here and a keen awareness of current scholarship relating to the Old Testament. Above all, this textbook will bring a new vigor and excitement to the Old Testament as readers learn to discover its story for themselves and see how to understand it as a substantial part of God's self-revelation to humankind. This survey is well illustrated with maps, charts, and photographs. Additional features are the questions for study and the annotated reading list at the end of each chapter.

Covenant Star Song Communications Group

(New revised edition) Considered the classic and comprehensive work in reckoning the accession of kings, calendars, and coregencies based upon the Old Testament text and other extra-biblical sources.

Glass Ceilings and Bottomless Pits B&H Publishing Group

Many of us know and love the stories and characters of the Old Testament such as Joseph, Moses and Jonah. But how do we view its importance in relation to New Testament teaching and our 21st century experiences? This accessible yet powerful addition to the Pocket Guide series draw together the threads of Scripture to help us understand the power of God's word when viewed in its completeness.

**Four Portraits, One Jesus, 2nd Edition** Baker Books

This workbook accompanies A Survey of the Old Testament by Andrew E. Hill and John H. Walton. It follows the textbook's structure and offers readings, activities, and exercises designed to support the students' learning experience as they explore the literary, historical, and theological issues behind each book of the Old Testament. A Survey of the Old Testament Workbook offers students an additional contact point with the content and concepts from the main textbook and will help them better understand the Old Testament, its background, purpose, message, structure, and major themes. This workbook is an indispensable study resource for students and independent learners alike who want to deepen their understanding of the Old Testament and the God it reveals.

**Discovering the Essence, Background and Meaning About Every New Testament Book** Baker Publishing Group

'This extraordinarily lucid book demonstrates that women from all walks of life get the short end of the stick because of their gender. From welfare mothers to corporate executives, Albelda and Tilly show and why the powers-that-be benefit from scapegoating and marginalizing women.' Professor Mimi Abramowitz, author, *Regulating the Lives of Women*A cogent analysis of the economic and social realities for women in the United States, across class lines. In an age when the right wing manipulates the dialogue around women's issues to separate middle- and upper-class women from their poorer sisters this book's facts, figures, and analysis provide a much needed antidote.

*The David Story: A Translation with Commentary of 1 and 2 Samuel* Zondervan

The Old Testament was written for us, but not to us. Inviting us to leave our modern Christian preconceptions behind, John Walton contends that we will only grasp the Old Testament's theology when we are immersed in its Ancient Near Eastern context, being guided by what the ancient authors intended as they wrote within their cognitive environment.

**A Survey of the Old Testament** InterVarsity Press

See the magnificent unity and central theme of the Old Testament. Helps readers understand God's covenant promises to Israel.

**Mythology, Theology, and the Deluge Debate** Courier Corporation

This second edition of the widely used and highly praised Old Testament Survey revises the original edition and greatly expands its attention to historical and geographical topics. These are combined with the first edition's focus on literature and narrative, and an increased amount of improved maps are also included. In all, the book charts every major element that unifies the Old Testament, making it an excellent companion for Bible reading. Any student desiring a thorough and time-tested overview of the Bible's first half will find it in this updated edition of Old Testament Survey.

Old Testament Survey Zondervan

The Genesis flood account has been probed and analyzed for centuries. But what might the biblical author have been saying to his ancient audience? In order to rediscover the biblical flood, we must set aside our own cultural and interpretive assumptions and visit the distant world of the ancient Near East. Walton and Longman lead us on this enlightening journey toward a more responsible reading of a timeless biblical narrative.

*An Introduction and Commentary* Kregel Academic

Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides, experts that will give new insights into these cherished writings. Features include • Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text. • Passage-by-passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. • Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. • Written by an international team of 30 specialists, all top scholars in background studies.

**Classification and Index of the World's Languages** Zondervan

The New Testament Scriptures will never be properly understood by a person if the Old Testament Scriptures essentially remain a mystery to him,' says Paul Benware.Most Christians do not have a clear understanding of the pattern, unity, or progression of the Old Testament. They can tell stories of Moses, Noah, and David but aren't sure how all these events fit together. And they don't fully appreciate the doctrines found in the thirty-nine books between Genesis and Malachi.But the Old

Testament does not have to be mysterious or confusing. Newly revised, Dr. Benware offers a chronological approach to give you a bird's-eye view of the historic value of the Old Testament, while his book-by-book analysis reveals important details and emphases. If you want a better understanding of the whole Bible, *Survey of the Old Testament* is the place to start.

**1 and 2 Chronicles** Elsevier Science Limited

As more and more Christians are involved in teaching in their churches, there is a need for an accessible, engaging commentary that can enhance their understanding of Scripture and aid their

teaching. The Baker Illustrated Bible Commentary is that resource. This nontechnical, section-by-section commentary on the whole Bible provides reliable and readable interpretations of the Scriptures from forty-two leading evangelical scholars. The Baker Illustrated Bible Commentary is a complete revision of the well-known Baker Commentary on the Bible edited by Walter Elwell, now featuring new articles and vibrant full-color images on more than 1,800 pages, complete with photos, maps, and timelines to illustrate the text. This information-packed commentary helps readers gain a deeper understanding of the Bible. Beyond that, it includes practical applications for

spiritual and personal guidance, making it invaluable to any believer seeking to get the most out of their Bible study. Pastors and others in teaching ministries looking for a one-volume, evangelical commentary on the Bible will value this resource.

**A Journey from Original Meaning to Contemporary Significance** Pocket Guides

In this all-new Tyndale Old Testament Commentary, we meet the three prophets who were sent to reform the Israelite community after exile. Andrew Hill shows how their oracles remain timely for the church today.
