*22 King Selassie I & Empress Menen Prayers, With Healing Bible Psalms*  
Metropolitan Books  
Emperor Haile Selassie was an iconic figure of the twentieth century, a progressive monarch who ruled Ethiopia from 1916 to 1974. This book, written by a former state official who served in a number of important positions in Selassie's government, tells both the story of the emperor's life and the story of modern Ethiopia. After a struggle for the throne in 1916, the young Selassie emerged first as regent and then as supreme leader of Ethiopia. Over the course of his nearly

six-decade rule, the emperor abolished slavery, introduced constitutional reform, and expanded educational opportunity. The Italian invasion of Ethiopia in the 1930s led to a five-year exile in England, from which he returned in time to lead his country through World War II. Selassie was also instrumental in the founding of the Organization of African Unity in 1963, but he fell short of the ultimate goal of a promised democracy in Ethiopia. The corruption that grew under his absolute rule, as well as his seeming indifference to the famine that gripped Ethiopia in the 1970s, led finally to his overthrow by the armed forces that he had created. Haile Selassie was an

enlightened monarch in many ways, but also a man with flaws like any other. This short biography is a sensitive portrayal of Selassie as both emperor and man, by one who knew him well.

## **Rastafari Reasoning and the RastaWoman**

The Red Sea Press  
This Rasta Prayer book was written for those who want to turn to Rastafari for Healing, Soul Development, and Spiritual Guidance. Read the Rasta Prayer and then, read the healing bible Psalm. You might be amazed at the results. Jah Rastafari is the light and the truth and the way for all. Call on King Alpha and Queen Omega in times of trouble, and watch the power of Rastafari unfold in your life. Blessed Love.

*Rastafari Notes & H.I.M. Haile Selassie Amharic Bible* Library of Alexandria ETHIOPIC APOCRYPHA/ Amharic Literature FIKARE IYESUS [in Amharic]; interpreted as, "The Explication of Jesus [The Christ]"; here in is a raw English translation & basic interpretation by Mr. Ras Iadonis Tafari/ Wendim Yadon of the Lion of Judah Society of His Imperial Majesty; containing and revealing the Prophesied little book of H.I.M. HAILE SELASSIE I published in the 43rd year of His Imperial Reign on The Throne of David, in Ethiopia, the African "Zion" prior to the Illuminati's "Godless and cruel dragon" so-called 'creeping coup' against CHRIST IN HIS KINGLY CHARACTER and the End of the World. God's Word said that there would be "last days" like these; one only needs to read The Revelation of St. John, chapter 10, verse 10: "And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter."

*Rastafari Edition Rastafari Notes & H.I.M. Haile Selassie Amharic Bible*  
The Ethiopian Bible is the oldest and most complete bible on earth. Written in Ge'ez an ancient dead language of Ethiopia it's nearly 800 years older than the King James Version and contains over 100 books compared to 66 of the Protestant Bible. The Ethiopian Bible includes the Books of Enoch, Esdras, Buruch and all 3 Books of Meqabyan (Maccabees), and a host of others that were excommunicated from the KJV. Books of the Ethiopian Bible features 20 of these books that are not included in the Protestant Bible.  
Chanting Down Babylon  
Frontline International  
In reggae song after reggae song Bob Marley

and other reggae singers speak of the Promised Land of Ethiopia. "Repatriation is a must!" they cry. The Rastafari have been travelling to Ethiopia since the movement originated in Jamaica in 1930s. They consider it the Promised Land, and repatriation is a cornerstone of their faith. Though Ethiopians see Rastafari as immigrants, the Rastafari see themselves as returning members of the Ethiopian diaspora. In *Visions of Zion*, Erin C. MacLeod offers the first in-depth investigation into how Ethiopians perceive Rastafari and Rastafarians within Ethiopia and the role this unique immigrant community plays within Ethiopian society. Rastafari are unusual among migrants, basing their movements on spiritual rather than economic choices. This volume offers those who study the movement a broader understanding of the implications of repatriation. Taking the Ethiopian perspective into account, it argues that migrant and diaspora identities are the products of negotiation, and it illuminates the implications of this negotiation for concepts of citizenship, as well as

for our understandings of pan-Africanism and south-south migration. Providing a rare look at migration to a non-Western country, this volume also fills a gap in the broader immigration studies literature.

A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age. Ever since 1492, when Christopher Columbus made landfall in the New World and was hailed as a heavenly being, the accidental god has haunted the modern age. From Haile Selassie, acclaimed as the Living God in Jamaica, to Britain's Prince Philip, who became the unlikely center of a new religion on a South Pacific island, men made divine—always men—have appeared on every continent. And because these deifications always emerge at moments of turbulence—civil wars, imperial conquest, revolutions—they have much to teach us. In a

revealing history spanning five centuries, a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of "religion" was invented; why religion and politics are perpetually entangled in our supposedly secular age; and how the power to call someone divine has been used and abused by both oppressors and the oppressed. From nationalist uprisings in India to Nigerian spirit possession cults, Anna Della Subin explores how deification has been a means of defiance for colonized peoples. Conversely, we see how Columbus, Cortés, and other white explorers amplified stories of their godhood to justify their dominion over native peoples, setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores. At once deeply learned and delightfully antic, *Accidental Gods* offers an unusual keyhole through which to observe the creation of our modern world. It is that rare thing: a lyrical, entertaining work of ideas, one that marks the debut of a remarkable literary

career.

*The Testimony of His Imperial Majesty, Emperor Haile Selassie I*

Independently Published  
Rastafari Reasoning and the RastaWoman: Gender Constructions in the Shaping of Rastafari Livity examines the complex ways that gender and race shaped a liberation movement propelled by the Caribbean evolution of an African spiritual ethos. Jeanne Christensen proposes that Rastafari represents the most recent reworking of this spiritual ethos, referred to as African religiosity. The book contributes a new perspective to the literature on Rastafari, and through a historical lens, corrects the predominant static view of Rastafari women. In certain Rastafari manifestations, a growing livity developed by RastaMen eventually excluded women from an important ritual called "Reasoning"—a conscious search for existential and ontological truth through self-understanding performed in a group setting. Restoring agency to the RastaWoman, Christensen argues that RastaWomen, intimately in touch with this spiritual ethos, challenged oppressive structures

within the movement itself. They skirted official restrictions, speaking out in public and written forums whenever such avenues presented themselves, and searched for their own truth through conscious intentional self-examination characteristic of the Reasoning ritual. With its powerful, theoretically informed narrative, *Rastafari Reasoning and the RastaWoman: Gender Constructions in the Shaping of Rastafari Livity* will appeal to students and scholars interested in religious transformation, resistance movements, gender issues, critical race studies, and the history and culture of the English-speaking Caribbean.

*The Mother of the Ethiopian Nation* Jamaican Rastafarian Love Traces the history of the Rastafarian movement, discussing the impact it has had on Jamaican society, its successful expansion to North America, the British Isles, and Africa, its role as a dominant cultural force in the world, and other related topics.

**The Testament Of Rastafari** CreateSpace  
The Rastafari Movement: A North American and

Caribbean Perspective provides a historical and ideological overview of the Rastafari movement in the context of its early beginnings in the island of Jamaica and its eventual establishment in other geographic locations. Building on previous scholarship and the author's own fieldwork, the text goes on to provide a rich comparative analysis of the Rastafari movement with other Black theological movements, specifically the Nation of Islam and the Black Hebrew Israelites in the context of the United States. The text explores the following topics: • Pan-Africanism, Black nationalism and Rastafari; • gender dynamics; • globalization; • concepts and symbols; • other Black theological movements. This text is ideal for students of religious studies, sociology, anthropology, African Diaspora studies, African American studies, and Black studies who wish to gain an understanding of the history and beliefs of the Rastafari Movement.

**Conspiracy Against Haile Selassie** C. HURST & CO. PUBLISHERS  
A passionate memoir and fearless behind-the-

scenes look at the personal lives of the biggest reggae stars in the world.

Empress Yuajah Over the years little has been written about the remarkable life of Empress Menen Asfaw (April 3, 1891-February 15, 1962), who was the wife of the last reigning Emperor of Ethiopia, Haile Sellassie I. With this first time translation and publication of her biography, readers can become reacquainted with the life of Empress Menen and the great contribution she made to her faith, her nation and her family. The foundation for this biography is a rare book entitled, "Her Imperial Majesty Menen Asfaw" which was written shortly after her passing in 1962. The original book has been translated from the ancient Ge'ez language of Ethiopia to Amharic and then to English. To make this a true reflection of Menen's life, much has been added to the original manuscript including information about the history, culture and geography of Ethiopia, highlights of Emperor Haile Sellassie's reign, and periods in her life that were not well documented before have been expanded upon.

There is also a brief description of the legendary story of the Queen of Sheba and King Solomon, as well as the Rastafari faith as many women across the globe view Empress Menen as an exemplary role model. There are sixty-two photographs, many not widely seen before, of the Empress and her family. The citizens of her nation knew Empress Menen for her kindness and humanitarian outreach. She established childcare centers and handicraft schools, as well as the Empress Menen School for Girls, the first of its kind to offer education to young women of Ethiopia. During the Italian Invasion of 1936-1941, she assumed the administrative responsibility of Ethiopia while the Emperor was on the battlefield. A woman of great faith, she was a member of the Ethiopian Orthodox Christian Church and constructed and upgraded many churches throughout her country. She visited the Holy Land four times and built a church and monastery on the banks of the Jordan River. During her life she also experienced a great deal of sorrow and hardship, enduring the loss of seven of her ten

children, five years as a refugee of war in exile, plus the everyday struggle of on-going health problems. Empress Menen Asfaw, the Mother of the Ethiopian Nation, was a far-sighted woman well ahead of her time.

### **Notebook Lined**

Routledge

The Holy Bible is the most important book in Rastafari. This special edition Bible includes the Old and New Testament with corrections made to the King James Version. The books of Enoch, Jubilees, and the Kebra Nagast are also included, all sacred books in the Ethiopian Biblical Canon. It restores the name Jah throughout the scriptures. The King Selassie Version Bible tells the unique history like no other Bible does of Israelites pilgrimage from their beginnings in East Africa (Garden of Eden) to journey into West Africa and eventually into the bondage of the Trans-Atlantic Slave trade (the Caribbean and Americas). The lineage of Kings is given from King Solomon and Queen of Sheba's son, all the way to H.I.M. Haile Selassie I. It also includes Rasta prophets, Ital diet, and Jah's High Holy days. Their is no other Bible 'pon the earth

like the King Selassie Version. H.I.M. Haile Selassie I, the King of Kings and Lord of Lords said "Today man sees all his hopes and aspirations crumbling before him. He is perplexed and knows not whither he is drifting. But he must realize that the Bible is his refuge, and the rallying point for all humanity. In it man will find the solution of his present difficulties and guidance for his future action, and unless he accepts with clear conscience the Bible and its great Message, he cannot hope for salvation. For my part I glory in the Bible."

Selected Speeches of His Imperial Majesty Haile Selassie I Research Associates School Times I have by God's will, compiled and presented these selected utterances of His Imperial Majesty Emperor Haile Selassie I on matters pertaining to the Faith, with hope that light will be shed on certain controversial issues among brethren. It in my earnest prayer that the awareness of what the King says and advises on matters pertaining to religion will inspire and lead to the development and growth of a unified doctrine and faith for all Rastafarians. However,

my hope is not only for the enlightenment of my brothers and sisters of Rastafari but that these speeches will also be especially Jews, Christians and Muslims. All students of the Scriptures, who claim the patriarch Abraham. cannot in good conscience ignore the counsel sovereign throne, the throne of David and Solomon. Haile Selassie I and the Royal Family of Ethiopia represent a direct genealogical link to the Bible story and the Davidic throne. The counsel and wisdom handed down to His Majesty by his forefathers, the Biblical Patriarchs, must be just as important to all other students of the Scriptures and history as it is to all Rastafarians. As the Scriptures keenly point out, the House of Judah has been preserved by God to be the rallying point of His people and a 'light' unto the Gentiles. (See Ezekiel 37 vs. 22-25 & Isaiah 42 v.6)

King Solomon and Queen

Makeda, Empress of

Axum, known in the

Abrahamic tradition as the

Queen of Sheba. Haile

Selassie is a defining figure in both Ethiopian and African history. At the League of Nations in 1936, the Emperor condemned the use of chemical weapons by Italy against his people. His internationalist views led to Ethiopia becoming a charter member of the United Nations, and his political thought and experience in promoting multilateralism and collective security have proved seminal and enduring. His suppression of rebellions among the nobles (mekwannint), as well as what some perceived to be Ethiopia's failure to modernize adequately, earned him criticism among some contemporaries and historians. Haile Selassie is revered as the returned Messiah of the Bible, God incarnate, among the Rastafari movement, the number of followers of which is estimated between 200,000 and 800,000. Begun in Jamaica in the 1930s, the Rastafari movement perceives Haile Selassie as a messianic figure who will lead a future golden age of eternal peace, righteousness, and prosperity....

Revelations on Ras Tafari  
NYU Press

This anthology explores

Rastafari religion, culture, and politics in Jamaica and other parts of the African diaspora. An Afro-Caribbean religious and cultural movement that sprang from the streets of Kingston, Jamaica, in the 1930s, today Rastafari has close to one million adherents. The basic message of Rastafari—the dismantling of all oppressive institutions and the liberation of humankind—even has strong appeal to non-believers who are captivated by reggae music, the lyrics, and the "immortal spirit" of its enormously popular practitioner, Bob Marley. Probing into Rastafari's still evolving belief system, political goals, and cultural expression, the contributors to this volume emphasize the importance of Africana history and the Caribbean context. Author note: Nathaniel Samuel Murrellis Assistant Professor of Philosophy and Religion at the University of North Carolina, Wilmington, and Visiting Professor at the Caribbean Graduate School of Theology in Kingston, Jamaica. \*Includes pictures  
\*Includes online resources and a bibliography for further reading "By virtue of His Imperial Blood, as well as by anointing He has received, the person of the Emperor is sacred. His dignity is inviolable and His power indisputable." - Article 4 of the revised Constitution of Ethiopia (1955) The modern history of Africa was, until very recently,

written on behalf of the indigenous races by the white man, who had forcefully entered the continent during a particularly hubristic and dynamic phase of European history. In 1884, Prince Otto von Bismarck, the German chancellor, brought the plenipotentiaries of all major powers of Europe together, to deal with Africa's colonization in such a manner as to avoid provocation of war. This event-known as the Berlin Conference of 1884-1885-galvanized a phenomenon that came to be known as the Scramble for Africa. The conference established two fundamental rules for European seizure of Africa. The first of these was that no recognition of annexation would be granted without evidence of a practical occupation, and the second, that a practical occupation would be deemed unlawful without a formal appeal for protection made on behalf of a territory by its leader, a plea that must be committed to paper in the form of a legal treaty. Before World War II, few in the West had ever heard of Abyssinia, and fewer still could point to a map and tell precisely

where it was. On the eve of that war, in the autumn of 1935, as the forces of imperial Italy prepared to invade the sovereign territory of Ethiopia, the leaders of the Allies brimmed with sympathy for the imperiled African kingdom but offered nothing in the way of practical assistance. Rallying his subjects against the invaders was Negus Negusti, the "King of Kings," Emperor Haile Selassie, the last ruler of the great Solomonic Dynasty of Ethiopia. The Italians, led by Benito Mussolini, were practically unassailable at that point, and while a bold resistance was mounted to hold back their invasion, the effort was ultimately futile. On May 2, 1936, as the Italian army bore down on the capital at Addis Ababa, Emperor Haile Selassie boarded a train and fled east to the French territory of Djibouti. From there, he was granted asylum in Britain. The Allies' conquest of Ethiopia formed a cornerstone of the early phases of the North Africa Campaign during World War II, and the dramatic advance of Allied forces on Addis Ababa in the spring of 1941 placed Ethiopia very much at the

forefront of Western affairs. In May of that year, Emperor Haile Selassie returned in triumph to the capital of his kingdom, the fanfare and hubris of which tended to project his personality to the forefront of the global political stage. Haile Selassie, a god-like figure among his devotees and followers, was recognized then as one of the great political personalities of the 20th century, and his influence over world affairs was disproportionate, bearing in mind the minor international significance of Ethiopia itself, a feudal society steeped in medieval traditions. His "Appeal to the League of Nations," an address delivered to the world body in 1936 that admonished it for betraying its own principles, still ranks today as one of the greatest moments of political oratory ever recorded. In the West, of course, the focus on Ethiopia commonly comes from the Italian standpoint, which overlooks just how important a figure the Ethiopian emperor was in the 20th century. Far from merely being the ruler of a land being carved up by

imperialists, Haile Selassie's story is one of a remarkable rise, and his impact on the Rastafari movement and Ethiopia's

global standing remain strong today. Haile Selassie: The Life and Legacy of the Ethiopian

Emperor Revered as the Messiah by Rastafarians looks at one of the most famous rulers of the 20th century.
