### Popular Culture and the Austerity Myth

Verso Books

To this day, they were, their fans believe, the best band in the world. Critics and sales figures told a similar story. Yet for all their brilliance and adoration – their famously energetic live shows routinely interrupted by stage invasions – The Smiths were continually plagued by their reticence to play the game, and by the time of 1987’s *Strangeways Here We Come*, they had split. Tony Fletcher’s A

Light That Never Goes Out – part celebration, part paean – moves from Manchester in the nineteenth-century to the present day to tell the complete story of The Smiths. The product of extensive research and unprecedented access, it will serve to confirm The Smiths as one of the most important and influential rock groups of all time.

### An Exploration of Hatred in Pop Music

Faber & Faber

A moving reflection on the complicated nature of home and homeland, and the heartache and adventure of leaving an adopted country in order to return to your native land—this is a “winsome memoir of departure and reversal . . . about the way

a series of unknowns accrue into a life” (Jia Tolentino, author of *Trick Mirror*). When the New Yorker writer Rebecca Mead relocated to her birth city, London, with her family in the summer of 2018, she was both fleeing the political situation in America and seeking to expose her son to a wider world. With a keen sense of what she’d given up as she left New York, her home of thirty years, she tried to knit herself into the fabric of a changed London. The move raised poignant questions about place: What does it mean to leave the place you have adopted as home and country? And what is the value and cost of uprooting yourself? In a deft mix of memoir and reportage, drawing on

literature and art, recent and ancient history, and the experience of encounters with individuals, environments, and landscapes in New York City and in England, Mead artfully explores themes of identity, nationality, and inheritance. She recounts her time in the coastal town of Weymouth, where she grew up; her dizzying first years in New York where she broke into journalism; the rich process of establishing a new home for her dual-national son in London. Along the way, she gradually reckons with the complex legacy of her parents. *Home/Land* is a stirring inquiry into how to be present where we are, while never forgetting where we have been.

*The Solace of Open Spaces* Da Capo Press  
 - The Smiths - Songs That Saved Your Life is now re-issued in a revised and expanded form, to include the fruits of Simon Goddard's most recent research, undertaken since the publication of the first edition in 2002. *Focus On: 100 Most Popular RCA Records Artists* Portico

"Penguin Books is delighted to announce the forthcoming publication of a List of the Lost, Morrissey's extraordinary novel, on 24 September. High-octane, ferociously lyrical, a List of the Lost shows a side of Morrissey never seen before. Beware the novelist . . . intimate and indiscreet . . . pompous, prophetic airs . . . here is the fact of fiction . . . an American tale where, naturally, evil conquers good, and none live happily ever after, for the complicated pangs of the empty experiences of flesh-and-blood human figures are the reason why nothing can ever be enough. To read a book is to let a root sink down. a List of the lost is the reality of what is true battling against what is permitted to be true.' a Morrissey"

*Bad Gays* Titan Books (US, CA)

A new, definitive biography of the iconic and mysterious singer, Warhol superstar, Velvet Underground collaborator: influential solo artist Nico. *YOU ARE BEAUTIFUL AND YOU ARE ALONE* is a new biography of Nico, the mysterious singer best known for her work with the Velvet Underground and her solo album *Chelsea*

*Girl*. Her life is tangled in myth--much of it of her own invention. Rock and roll cultural historian Jennifer Bickerdike delivers a definitive book that unravels the story while making a convincing case for Nico's enduring importance. Over the course of her career, Nico was an ever-evolving myth: art film house actress, highly coveted fashion model, Dietrich of Punk, Femme Fatale, Chelsea Girl, Garbo of Goth, The Last Bohemian, Heroin Junkie. Lester Bangs described her as 'a true enigma.' At age 27, Nico became Andy Warhol's newest Superstar, featuring in his one commercial break out hit film *Chelsea Girls* and garnering the position of chanteuse for the Velvet Underground. It wasn't Nico's musical chops which got her the gig; it was her striking beauty. Her seeming otherworldly and unattainable presence was further amplified by her reputation for dating rock stars (Brian Jones, Bob Dylan, Jim Morrison, among others). She became famous for being Nico. Yet Nico's talent and her contribution to rock culture are often overlooked. She spent most of her career as a solo artist on the road, determined to make music, seemingly against all the odds, enduring

empty concert halls, abusive fans, and the often perilous reality of being an ageing artist and drug addict. She created mesmerizing and unique projects that inspired a generation of artists, including Henry Rollins, Morrissey, Siouxsie Sioux and the Banshees and Iggy Pop. Drawing on the archives at the Andy Warhol Museum and at Nico's record labels, various private collections, and rarely seen footage, and featuring exclusive new interviews from those who knew her best, including Iggy Pop and Danny Fields, and those inspired by her legacy, *YOU ARE BEAUTIFUL AND YOU ARE ALONE* reveals the complicated, often compromised, self-destructive and always head strong woman behind the one-dimensional myths.

[Autobiography](#) Cambridge Scholars Publishing

*Morrissey & Marr: The Severed Alliance* is among the most successful – and controversial – rock biographies ever published. Having denounced the book and called for the death of its author Johnny Rogan, Morrissey later did a U-turn and cited it as evidence in the royalty-related court case brought by Smiths

drummer Mike Joyce. Now, 20 years after it was first published, Rogan has returned to his definitive Smiths biography to produce a completely revised edition based on new information and new interviews to add to the almost 100 initially conducted over a four-year period. Widely acclaimed as one rock's leading writers, Johnny Rogan now brings yet more insight and analysis to his best-selling book that revealed, for the first time, the true and unsanitised story of The Smiths – the most important group of their generation.

*Morrissey* Unbound Publishing

"Spend the day in bed" with *Autobiography* by Morrissey, whose new album *Low in High School* is out November 17th Steven Patrick Morrissey was born in Manchester on May 22nd 1959. Singer-songwriter and co-founder of the Smiths (1982–1987), Morrissey has been a solo artist for twenty-six years, during which time he has had three number 1 albums in England in three different decades. Achieving eleven Top 10 albums (plus nine with the Smiths), his songs have been recorded by David Bowie, Nancy Sinatra, Marianne Faithfull, Chrissie Hynde, Thelma Houston, My Chemical Romance and

Christy Moore, amongst others. An animal protectionist, in 2006 Morrissey was voted the second greatest living British icon by viewers of the BBC, losing out to Sir David Attenborough. In 2007 Morrissey was voted the greatest northern male, past or present, in a nationwide newspaper poll. In 2012, Morrissey was awarded the Keys to the City of Tel-Aviv. It has been said "Most pop stars have to be dead before they reach the iconic status that Morrissey has reached in his lifetime."

### **A Light That Never Goes Out**

*Morrissey* Great Lyricists *Autobiography* From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous--living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph, Sinéad has fascinated and

outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

#### Morrissey Knopf

The long-awaited memoir from the legendary guitarist and cofounder of the seminal British band The Smiths. An artist who helped define a period in popular culture, Johnny Marr tells his story in a memoir as vivid and arresting as his music. The Smiths, the band with the signature sound he cofounded, remains one of the most beloved bands ever, and have a profound influence on a number of acts that followed—from the Stone Roses,

Suede, Blur, and Radiohead to Oasis, The Libertines, and Arctic Monkeys. Marr recalls his childhood growing up in the northern working-class city of Manchester, in a house filled with music. He takes us back to the summer of 1982 when, at eighteen, he sought out one Stephen Morrissey to form a new band they called The Smiths. Marr invites fans on stage, on the road, and in the studio for the five years The Smiths were together and how after a rapid ascent, the working-class teenage rock star enjoyed and battled with the perks of success until ideological differences, combined with his much publicized strained relationships with fellow band mates, caused him to leave in 1987. Marr's "escape" as he calls it, ensured the beginning of the end for one of the most influential groups of a generation. But The Smiths' end was only the beginning for Marr. The bona-fide guitar hero continues to experiment and evolve in his solo career to this day, playing with Paul McCartney, Pretenders, Modest Mouse, Oasis and collaborating today's most creative and renowned artists. Rising above and beyond the personal struggles and bitter feuds, Marr

delivers the story of his music and his band, sharing the real insights of a man who has made music his life, and finally giving fans what they've truly been waiting for.

*Morrissey & Marr: The Severed Alliance*  
Manchester University Press

NEW YORK TIMES BESTSELLER The definitive anthology of Jim Morrison's writings with rare photographs and numerous handwritten excerpts of unpublished and published poetry and lyrics from his 28 privately held notebooks. You can also hear Jim Morrison's final poetry recording, now available for the first time, on the CD or digital audio edition of this book, at the Village Recorder in West Los Angeles on his twenty-seventh birthday, December 8, 1970. The audio book also includes performances by Patti Smith, Oliver Ray, Liz Phair, Tom Robbins, and others reading Morrison's work. Created in collaboration with Jim Morrison's estate and inspired by a posthumously discovered list entitled "Plan for Book," *The Collected Works of Jim Morrison* is an almost 600-page anthology of the writings of the late poet and iconic Doors' front man. This landmark

publication is the definitive opus of Morrison's creative output—and the book he intended to publish. Throughout, a compelling mix of 160 visual components accompanies the text, which includes numerous excerpts from his 28 privately held notebooks—all written in his own hand and published here for the first time—as well as an array of personal images and commentary on the work by Morrison himself. This oversized, beautifully produced collectible volume contains a wealth of new material—poetry, writings, lyrics, and audio transcripts of Morrison reading his work. Not only the most comprehensive book of Morrison's work ever published, it is immersive, giving readers insight to the creative process of and offering access to the musings and observations of an artist whom the poet Michael McClure called “one of the finest, clearest spirits of our times.” This remarkable collector's item includes: Foreword by Tom Robbins; introduction and notes by editor Frank Lisciandro that provide insight to the work; prologue by Anne Morrison Chewing Published and unpublished work and a vast selection of notebook writings The

transcript, the only photographs in existence, and production notes of Morrison's last poetry recording on his twenty-seventh birthday The Paris notebook, possibly Morrison's final journal, reproduced at full reading size Excerpts from notebooks kept during his 1970 Miami trial The shooting script and gorgeous color stills from the never-released film HWY Complete published and unpublished song lyrics accompanied by numerous drafts in Morrison's hand Epilogue: “As I Look Back”: a compelling autobiography in poem form Family photographs as well as images of Morrison during his years as a performer

### **Memory Songs: A Personal Journey Into the Music that Shaped the 90s**

Simon and Schuster

One of the seminal groups of the Eighties, The Smiths' career was as brilliant as it was brief. Now, drawing on interviews with band members, producers, and colleagues, music journalist Simon Goddard presents a meticulous chronological survey of the group's musical evolution, from their first demos in 1982 to their final fractured studio session five years later. Investigating the stories

behind the songs, and detailing every British TV and radio session, he also offers a unique analysis of each track's concert life. Granted unprecedented access to The Smiths' studio archives and to the private collection of outtakes and rehearsals retained by drummer Mike Joyce, the author lifts the lid on unreleased material as well as the lost songs and alternate versions that have remained closely guarded secrets until now.

*Sundog* Franz Steiner Verlag

A personal introspective by the influential pop songwriter and performer traces his Liverpool upbringing, artistic influences, creative pursuit of original punk sounds, and emergence in the MTV world.

*The Complete Lyrics* e-artnow sro

In her provocative new book *Rednecks, Queers, and Country Music*, Nadine Hubbs looks at how class and gender identity play out in one of America's most culturally and politically charged forms of popular music. Skillfully weaving historical inquiry with an examination of classed cultural repertoires and close listening to country songs, Hubbs confronts the shifting and deeply entangled workings of taste, sexuality, and class politics. In

Hubbs's view, the popular phrase "I'll listen to anything but country" allows middle-class Americans to declare inclusive "omnivore" musical tastes with one crucial exclusion: country, a music linked to low-status whites. Throughout *Rednecks, Queers, and Country Music*, Hubbs dissects this gesture, examining how provincial white working people have emerged since the 1970s as the face of American bigotry, particularly homophobia, with country music their audible emblem. Bringing together the redneck and the queer, Hubbs challenges the conventional wisdom and historical amnesia that frame white working folk as a perpetual bigot class. With a powerful combination of music criticism, cultural critique, and sociological analysis of contemporary class formation, Nadine Hubbs zeroes in on flawed assumptions about how country music models and mirrors white working-class identities. She particularly shows how dismissive, politically loaded middle-class discourses devalue country's manifestations of working-class culture, politics, and values, and render working-class acceptance of queerness invisible. Lucid, important, and

thought-provoking, this book is essential reading for students and scholars of American music, gender and sexuality, class, and pop culture.

*The Smiths* SCB Distributors

A portrait of the contemporary music icon explores his enigmatic personality in light of the author's own fan obsession, tracing his rise as the front man of The Smiths in the 1980s through his solo career.

[Across the margins](#) Manchester University Press

Morrissey is a popular music icon. The former singer of the influential Manchester band The Smiths is arguably one of the most intriguing and popular, if not polarizing, iconic figures of popular culture. But this book is not about Morrissey. This book is about his fans, their creative expressions of fandom, and their contributions to Morrissey's worldwide popularity. Specifically, this book is about the subculture of Moz fandom as a US-Mexican borderland phenomenon. Mozlandia—Morrissey fans from the Midlands to the Borderlands.

[Why pamper life's complexities?](#) University of Texas Press

'The NME mattered to all those

generations who grew up with music at the centre of their universe. The NME never had a truer chronicler than Pat Long.' Tony Parsons Since it was founded in 1952, the *New Musical Express* has played a central part in the British love affair with pop music. Snotty, confrontational, enthusiastic, sarcastic: the NME landing on the doormat every Wednesday was the high point of any music fan's week, whether they were listening to The Beatles, Bowie or Blur. The Sex Pistols sang about it, Nick Hornby claims he regrets not working for it and a whole host of household names – Tony Parsons and Julie Burchill, Nick Kent and Mick Farren, Steve Lamacq and Stuart Maconie – started their career writing for it. This authoritative history, written by former assistant editor, Pat Long, is an insider's account of the high times and low lives of the world's most famous, and most influential, music magazine. The fights, the bands, the brawls, the haircuts, the egos and much more. This is the definitive – and first – book about the infamous NME. **List of the Lost** Random House Contemporary popular culture is engaged in a rich and multi-levelled set of

representational relations with austerity. This volume seeks to explore these relations, to ask: how does popular culture give expression to austerity; how are its effects conveyed; how do texts reproduce and expose its mythic qualities? It provides a reading of cultural texts in circulation in the present 'age of austerity'. Through its central focus—popular culture—it considers the impact and influence of austerity across media and textual categories. The collection presents a theoretical deconstruction of popular culture's reproduction of, and response to, mythical expressions of 'austerity' in Western culture, spanning the United Kingdom, North America, Europe and the Middle East and textual events from political media discourse, music, videogames, social media, film, television, journalism, folk art, food, protest movements, slow media and the practice of austerity in everyday life

**Sonic Youth Slept On My Floor** Random House

Examines the career of the British pop star from his days as the lead singer of The Smiths through his successful solo career, and explores the complex attitudes and

perspectives expressed in his lyrics.

**Rememberings** Omnibus Press

'Beautifully judged account of the Manchester scene . . . There is something of the fairy tale about Dave Haslam's sage joyful testament to the kind of life that nobody could ever plan, a happy aligning of a cultural moment and a young man who instinctively knew that it was his once upon a time' Victoria Segal, Sunday Times

'Witty, sometimes dark, revealing, insightful, everything one could hope for from one of those folk without whom independent music simply wouldn't exist' Classic Rock

Sonic Youth Slept on My Floor is writer and DJ Dave Haslam's wonderfully evocative memoir. It is a masterful insider account of the Hacienda, the rise of Madchester and birth of the rave era, and how music has sound-tracked a life and a generation. In the late 1970s Dave Haslam was a teenage John Peel listener and Joy Division fan, his face pressed against a 'window', looking in at a world of music, books and ideas. Four decades later, he finds himself in the middle of that world, collaborating with New Order on a series of five shows in Manchester. Into the story of those intervening decades, Haslam

weaves a definitive portrait of Manchester as a music city and the impact of a number of life-changing events, such as the nightmare of the Yorkshire Ripper to the shock of the Manchester Arena terror attack. The cast of Haslam's life reads like a who's who of '70s, '80s and '90s popular culture: Tony Wilson, Nile Rodgers, Terry Hall, Neneh Cherry, Tracey Thorn, John Lydon, Johnny Marr, Ian Brown, Laurent Garnier and David Byrne. From having Morrissey to tea and meeting writers such as Raymond Carver and Jonathan Franzen to discussing masturbation with Viv Albertine and ecstasy with Roisin Murphy, via having a gun pulled on him at the Hacienda and a drug dealer threatening to slit his throat, this is not your usual memoir.

[Aesthetics and Ideology in Contemporary Literature and Drama](#) Houghton Mifflin

An unconventional history of homosexuality We all remember Oscar Wilde, but who speaks for Bosie? What about those 'bad gays' whose unexemplary lives reveal more than we might expect? Many popular histories seek to establish homosexual heroes, pioneers, and martyrs but, as Huw Lemmey and Ben

Miller argue, the past is filled with queer people whose sexualities and dastardly deeds have been overlooked despite their being informative and instructive. Based on the hugely popular podcast series of the same name, *Bad Gays* asks what we can learn about LGBTQ+ history, sexuality and identity through its villains, failures, and baddies. With characters such as the Emperor Hadrian, anthropologist Margaret

Mead and notorious gangster Ronnie Kray, the authors tell the story of how the figure of the white gay man was born, and how he failed. They examine a cast of kings, fascist thugs, artists and debauched bon viveurs. Imperial-era figures Lawrence of Arabia and Roger Casement get a look-in, as do FBI boss J. Edgar Hoover, lawyer Roy Cohn, and architect Philip Johnson. Together these amazing life stories

expand and challenge mainstream assumptions about sexual identity: showing that homosexuality itself was an idea that emerged in the nineteenth century, one central to major historical events. *Bad Gays* is a passionate argument for rethinking gay politics beyond questions of identity, compelling readers to search for solidarity across boundaries.
