A [Fascinating Exploration of the Myths and Mythology of the World's First Great Civilization, in 370 Stunning Photographs](#) Oxbow Books Limited The surprising and compelling story of two rival geniuses in an all-out race to decode one of the world’s most famous documents—the Rosetta Stone—and their twenty-year-long battle to solve the mystery of ancient Egypt’s hieroglyphs. The Rosetta Stone is one of the most famous objects in the world, attracting millions of visitors to the British museum ever year, and yet most people don’t really know what it is. Discovered in a pile of rubble in 1799, this slab of stone proved to be the key to unlocking a lost language that baffled scholars for centuries. Carved in ancient Egypt, the Rosetta Stone carried the same message in different languages—in Greek using Greek letters, and in Egyptian using picture-writing called hieroglyphs. Until its discovery, no one in the world knew how to read the hieroglyphs that covered every temple and text and statue in Egypt. Dominating the world for thirty centuries, ancient Egypt was the mightiest empire the world had ever known, yet everything about it—the pyramids, mummies, the Sphinx—was shrouded in mystery. Whoever was able to decipher the Rosetta Stone, and learn how to read hieroglyphs, would solve that mystery and fling open a door that had been locked for two thousand years. Two brilliant rivals set out to win that prize. One was English, the other French, at a time when England and France were enemies and the world’s two great superpowers. The Writing of the Gods chronicles this high-stakes intellectual race in which the winner would win glory for both himself and his nation. A riveting portrait of empires both ancient and modern, this is an unparalleled look at the culture and history of ancient Egypt and a fascinating, fast-paced story of human folly and discovery unlike any other.

Myths from Many Lands Oxford University Press

The great Norse sagas are full of magic and heroic deeds. Odin's wanderings, Thor's hammer, the death of Bakkur, the vision of Ragnarok - tales which have been told since time immemorial - are given a fresh life in this version, written as one continuous exciting adventure story. With a brilliant introduction by Guardian Children's Fiction prize-winner, Michelle Paver. Puffin Classics contain additional endnotes for children including an author profile, a guide to who's who, activities and more.

Egyptian Mythology Random House Books for Young Readers

In A History of Egypt, Jason Thompson has written the first one-volume work to encompass all 5,000 years of Egyptian history, highlighting the surprisingly strong connections between the ancient land of the Pharaohs and the modern-day Arab nation. No country's past can match Egypt's in antiquity, richness, and variety. However, it is rarely presented as a comprehensive panorama because scholars tend to divide it into distinct eras—prehistoric, pharaonic, Greco-Roman, Coptic, medieval Islamic, Ottoman, and modern—that are not often studied in relation to one another. In this daringly ambitious project, drawing on the most current scholarship as well as his own research, Thompson makes the case that few if any other countries have as many threads of continuity running through their entire historical experience. With its unprecedented scope and lively and readable style, A History of Egypt offers students, travelers, and general readers alike an engaging narrative of the extraordinarily long course of human history by the Nile.

NEW YORK TIMES BESTSELLER • “Magisterial . . . [A] rich portrait of ancient Egypt’s complex evolution over the course of three millennia.”—Los Angeles Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Publishers Weekly In this landmark volume, one of the world’s most renowned Egyptologists tells the epic story of this great civilization, from its birth as the first nation-state to its absorption into the Roman Empire. Drawing upon forty years of archaeological research, award-winning scholar Toby Wilkinson takes us inside a tribal society with a pre-monetary economy and decadent, divine kings who ruled with all-too-recognizable human emotions. Here are the legendary leaders: Akhenaten, the “heretic king,” who with his wife Nefertiti brought about a revolution with a bold new religion; Tutankhamun, whose dazzling tomb would remain hidden for three millennia; and eleven pharaohs called Ramesses, the last of whom presided over the militarism, lawlessness, and corruption that caused a political and societal decline. Filled with new information and unique interpretations, The Rise and Fall of Ancient Egypt is a riveting and revelatory work of wild drama, bold spectacle, unforgettable characters, and sweeping history. “With a literary flair and a sense for a story well told, Mr. Wilkinson offers a highly readable, factually up-to-date account.”—The Wall Street Journal “[Wilkinson] writes with considerable verve. . . . [He] is nimble at conveying the sumptuous pageantry and cultural sophistication of pharaonic Egypt.”—The New York Times

Tales of Ancient Egypt Createspace Independent Publishing Platform

The retelling of seven ancient Egyptian myths, placing them in context of their time and place in the world. In one of the stories Rhampsinitus built a stone house to protect his wealth. When treasure was stolen, he tricked the clever thief into confession, but he in turn tricked him back. To aid children, brief biographies of the heroes, villains and gods who appear in the tales are given. The atmospheric illustrations are intended to transport children to a fantasy kingdom of larger-than-life pharaohs.

Penguin Readers Level 7: Tales of the Greek Heroes (ELT Graded Reader) Pavilion Children's Books

An authoritative guide to the Egyptian myths that sheds new light on an ancient way of understanding the world This survey of Egyptian mythology explores how the ancient Nile-dwellers explained the world around them. It delves into the creation and evolution of the world and the reigns of the gods on earth, before introducing us to the manifestations of Egypt’s deities in the natural environment; the inventive ways in which the Egyptians dealt with the invisible forces all around them; and their beliefs about life after death. Through his engaging narrative, Garry Shaw guides us through the mythic adventures of such famous deities as Osiris, the god murdered by his jealous brother Seth; the magical and sometimes devious Isis, who plotted to gain the power of the sun god Re; and Horus, who defeated his uncle Seth to become king of Egypt. He also introduces us to lesser known myths, such as the rebellions against Re; Geb’s quest for Re’s magical wig; and the flaying of the unfortunate god Nemty. From stars and heavenly bodies sailing on boats, to the wind as manifestation of the god Shu, to gods, goddesses, ghosts, and demons—beings that could be aggressive, helpful, wise, or dangerous—Shaw goes on to explain how the Egyptians encountered the mythological in their everyday lives.

The Classics Pocket Book Thames & Hudson

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book.

Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises.

Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR).

Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. Tales of the Greek Heroes, a Level 7 Reader, is B2 in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future perfect simple, mixed conditionals, past perfect continuous, mixed conditionals, more complex passive forms and modals for deduction in the past. Learn all about the mysterious and exciting legends of the gods and heroes in Ancient Greece, from the birth of Heracles and the adventures of Theseus, to the first fall of Troy and the battle of the giants. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

The True History of a Dark Fantasy Hardpress Publishing

Tales of Ancient Egypt Penguin

A Tale of Ancient Egypt Puffin

Egypt 2035 BC...In a land steeped in myth and superstition, a raid on a small village leaves a young boy, Khu, its only survivor. Fate paves a strange and mystical path through dark and uncertain times, when the split powers of Upper and Lower Egypt compete for sovereignty over a realm plagued by instability, rebellion and fear. Two kings and their kingdoms battle over one dream--a dream threatened by shifting allegiances and foreign invasion. Khu is a story of a boy who becomes a warrior amid tragedy and triumph. It is a tale of virtue, vice and valor, where the destiny of a divided nation is inextricably linked to that of the boy Khu, in the struggle to restore Egypt to a unified and glorious kingdom.

Classic Stories of Egyptian Myths, Gods, Goddesses, Heroes, and Monsters Southwater

Born of the imagination, mythical beasts are the subjects of myriad myths, legends, and stories and have been reproduced in art forms ranging from ancient tapestries to modern corporate logos. This richly illustrated book draws on a wide variety of sources to illuminate the roles mythical beasts -- especially the dragon, the unicorn, the griffin, and the sphinx -- have played in many different cultures, showing why they have retained their appeal through the ages. An invaluable resource. -- *The Classical Outlook* An exciting contribution to any folklore and mythological studies collection. -- *Wisconsin Bookwatch*
