e emperor Nero is etched into the Western imagination as one of ancient Rome's most infamous villains, and Tacitus' Annals have played a central role in shaping the mainstream historiographical understanding of this flamboyant autocrat. This section of the text plunges us straight into the moral cesspool that Rome had apparently become in the later years of Nero's reign, chronicling the emperor's fledgling stage career including his plans for a grand tour of Greece; his participation in a city-wide orgy climaxing in his publicly consummated 'marriage' to his toy boy Pythagoras; the great fire of AD 64, during which large parts of central Rome went up in flames; and the rising of Nero's 'grotesque' new palace, the so-called 'Golden House', from the ashes of the city. This building project stoked the rumours that the emperor himself was behind the conflagration, and Tacitus goes on to present us with Nero's gruesome efforts to quell these mutterings by scapegoating and executing members of an unpopular new cult then starting to spread through the Roman empire: Christianity. All this contrasts starkly with four chapters focusing on one of Nero's most principled opponents, the Stoic senator Thrasea Paetus, an audacious figure of moral fibre, who courageously refuses to bend to the forces of imperial corruption and hypocrisy. This course book offers a portion of the original Latin text, study aids with vocabulary, and a commentary. Designed to stretch and stimulate readers, Owen's and Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis and historical background to encourage critical engagement with Tacitus' prose and discussion of the most recent scholarly thought.

Evoking two of the most famous battles of the Ancient World—the Battle of Marathon and the Last Stand at Thermopylae—The Gates of Athens is a bravura piece of storytelling by a well acclaimed master of the historical adventure novel. In the new epic historical novel by New York Times bestselling author Conn Iggulden, in ancient Greece an army of slaves gathers on the plains of Marathon . . . Under Darius the Great, King of Kings, the mighty Persian army—swollen by 10,000 warriors known as The Immortals—have come to subjugate the Greeks. In their path, vastly outnumbered, stands an army of freeborn Athenians. Among them is a clever, fearsome, and cunning soldier-statesman, Xanthippus. Against all odds, the Athenians emerge victorious. Yet people soon forget that freedom is bought with blood. Ten years later, Xanthippus watches helplessly as Athens succumbs to the bitter politics of factionalism. Traitors and exiles abound. Trust is at a low ebb when the Persians cross the Hellespont in ever greater numbers in their second attempt to raze Athens to the ground. Facing overwhelming forces by land and sea, the Athenians call on their Spartan allies for assistance—to delay the Persians at the treacherous pass of Thermopylae . . .

From New York Times bestselling novelist Lindsey Davis comes an epic novel of first-century Rome and the Emperor Domitian, known to all of the Roman world as Master and God Set in the reign of

the Emperor Domitian in first-century Rome, *Master and God* is Lindsey Davis's meticulously researched epic novel of the life and times surrounding the last of the Flavian dynasty of emperors. Gaius Vinius is a reluctant Praetorian Guard—the Emperor's personal guard—and a man with a disastrous marriage history. Flavia Lucilla is also in the imperial court and she is responsible not only for having created the ridiculous hairstyle worn by the imperial ladies but for also making toupees for the balding and increasingly paranoid emperor. The two of them are brought together in an unlikely manner—a devastating fire in Rome—which then leads to a lifelong friendship. Together they watch Domitian's once talented rule unravel into madness and cruelty, until the people closest to him conspire to delete him from history. As an imperial bodyguard, Vinius then faces a tough decision. *Master and God* is a compelling novel of the Roman Empire—from the height of power to the depths of madness—told from the perspective of two courtiers and unlikely friends who together are the witnesses to history.

Thrust into leadership upon the death of his emperor father, young Prince Ahkin feels completely unready for his new position. Though his royal blood controls the power of the sun, he's now responsible for the lives of all the Chicome people. And despite all Ahkin's efforts, the sun is fading—and the end of the world may be at hand. For Mayana, the only daughter of the Chicome family whose blood controls the power of water, the old emperor's death may mean that she is next. Prince Ahkin must be married before he can ascend the throne, and Mayana is one of six noble daughters presented to him as a possible wife. Those who are not chosen will be sacrificed to the gods. Only one girl can become Ahkin's bride. Mayana and Ahkin feel an immediate connection, but the gods themselves may be against them. Both recognize that the ancient rites of blood that keep the gods appeased may be harming the Chicome more than they help. As a bloodred comet and the fading sun bring a growing sense of dread, only two young people may hope to change their world. Rich in imagination and romance, and based on the legends and history of the Aztec and Maya people, *The Seventh Sun* brings to vivid life a world on the edge of apocalyptic disaster.

Rarely, if ever, does a new writer dazzle us with such a vivid imagination and storytelling, flawlessly capturing the essence of a land, a people, a legend. Conn Iggulden is just such a writer, bringing to vivid life one of the most fascinating eras in human history. In a true masterpiece of historical fiction, Iggulden takes us on a breathtaking journey through ancient Rome, sweeping us into a realm of tyrants and slaves, of dark intrigues and seething passions. What emerges is both a grand romantic tale of coming-of-age in the Roman Empire and a vibrant portrait of the early years of a man who would become the most powerful ruler on earth: Julius Caesar. On the lush Italian peninsula, a new empire is taking shape. At its heart is the city of Rome, a place of glory and decadence, beauty and bloodshed. Against this vivid backdrop, two boys are growing to manhood, dreaming of battles, fame, and glory in service of the mightiest empire the world has ever known. One is the son of a senator, a boy of privilege and ambition to whom much has been given and from whom much is expected. The other is a bastard child, a boy of strength and cunning, whose love for his adoptive family—and his adoptive brother—will be the most powerful force in his life. As young Gaius and Marcus are trained in the art of combat—under the tutelage of one of Rome's most fearsome

gladiators—Rome itself is being rocked by the art of treachery and ambition, caught in a tug-of-war as two rival generals, Marius and Sulla, push the empire toward civil war. For Marcus, a bloody campaign in Greece will become a young soldier's proving ground. For Gaius, the equally deadly infighting of the Roman Senate will be the battlefield where he hones his courage and skill. And for both, the love of an extraordinary slave girl will be an honor each will covet but only one will win. The two friends are forced to walk different paths, and by the time they meet again everything will have changed. Both will have known love, loss, and violence. And the land where they were once innocent will be thrust into the grip of bitter conflict—a conflict that will set Roman against Roman...and put their friendship to the ultimate test. Brilliantly interweaving history and adventure, Conn Iggulden conjures a stunning array of contrasts—from the bloody stench of a battlefield to the opulence of the greatest city in history, from the tenderness of a lover to the treachery of an assassin. Superbly rendered, grippingly told, *Emperor, The Gates of Rome* is a work of vaulting imagination from a powerful new voice in historical fiction. From the Hardcover edition.

What would Caligula do? What the worst Roman emperors can teach us about how not to lead If recent history has taught us anything, it's that sometimes the best guide to leadership is the negative example. But that insight is hardly new. Nearly 2,000 years ago, Suetonius wrote *Lives of the Caesars*, perhaps the greatest negative leadership book of all time. He was ideally suited to write about terrible political leaders; after all, he was also the author of *Famous Prostitutes and Words of Insult*, both sadly lost. In *How to Be a Bad Emperor*, Josiah Osgood provides crisp new translations of Suetonius's briskly paced, darkly comic biographies of the Roman emperors Julius Caesar, Tiberius, Caligula, and Nero. Entertaining and shocking, the stories of these ancient anti-role models show how power inflames leaders' worst tendencies, causing almost incalculable damage. Complete with an introduction and the original Latin on facing pages, *How to Be a Bad Emperor* is both a gleeful romp through some of the nastiest bits of Roman history and a perceptive account of leadership gone monstrously awry. We meet Caesar, using his aunt's funeral to brag about his descent from gods and kings—and hiding his bald head with a comb-over and a laurel crown; Tiberius, neglecting public affairs in favor of wine, perverse sex, tortures, and executions; the

insomniac sadist Caligula, flaunting his skill at cruel put-downs; and the matricide Nero, indulging his mania for public performance. In a world bristling with strongmen eager to cast themselves as the Caesars of our day, *How to Be a Bad Emperor* is a delightfully enlightening guide to the dangers of power without character.

The year 354 A.D.: Julian, a young scholar in Athens, is the last survivor of a bloody political purge that killed his entire family. Unexpectedly summoned to the court of the Emperor Constantius, he fears the worst—only to find himself bearing the ring of Caesar of the Western Empire. Tested by bloody battle and the scepticism of the Roman legions, Julian proves to be a military genius, crushing the German tribes that have threatened Rome for generations. Soon after, defying his own emperor against overwhelming odds, he risks civil war and ultimately seizes the Empire for himself, becoming the most powerful man in the world while still only thirty. Now the dark side of his ambition emerges. Julian discards the Christianity of his boyhood and sets his sights on the greatest conquest of all—the Persian Empire. In Persia, however, his gods and his sanity desert him, and in one swift stroke, the course of history is altered forever. Ranging from the forbidding forests of ancient Gaul to the sweltering sands of Persia, *Gods & Legions* is a breathtaking historical re-creation of one of the most dangerous periods—and enduring mysteries—of all time.

Vespasian's mission will lead to violence, mayhem, and theft—and in the end, to a betrayal so great it will echo through the ages. Vespasian is serving as a military officer on the outskirts of the Roman Empire, suppressing local troubles and defending the Roman way. But political events in Rome—Tiberius's increasingly insane debauchery, the escalating grain crisis—draw him back to the city. When Caligula becomes Emperor, Vespasian believes that things will improve. Instead, he watches the young emperor deteriorate from Rome's shining star to a blood-crazed, incestuous, all-powerful madman. Lavish building projects, endless games, public displays of his relationship with his sister, Drusilla, and a terrified senate are as nothing to Caligula's most ambitious plan: to bridge

the bay of Neapolis and ride over it wearing Alexander's breastplate. And it falls to Vespasian to travel to Alexandria and steal it from Alexander's mausoleum.

As their final battle approaches, a sellsword, a spy, and a general must find unlikely and dangerous allies in order to turn the tides of war in the final book of Brian McClellan's epic fantasy trilogy. The Dynize have unlocked the Landfall Godstone, and Michel Bravis is tasked with returning to Greenfire Depths to do whatever he can to prevent them from using its power; from sewing dissension among the enemy ranks to rallying the Palo population. Ben Styke's invasion of Dynize is curtailed when a storm scatters his fleet. Coming ashore with just twenty lancers, he is forced to rely on brains rather than brawn -- gaining new allies in a strange land on the cusp of its own internal violence. Bereft of her sorcery and physically and emotionally broken, Lady Vlora Flint now marches on Landfall at the head of an Adran army seeking vengeance against those who have conspired against her. While allied politicians seek to undo her from within, she faces insurmountable odds and Dynize's greatest general. For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller *The Dangerous Book for Boys* has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan's death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan's age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?
