Here is an excellent and up-to-date commentary on Daniel that can be unreservedly commended. There is a good, though brief, introduction, in which especial attention is paid to the discussion of the literary affinities of Daniel. The original translation takes account of all relevant recent work, while the commentary is full and first class. The author has read and digested a considerable amount of modern literature on Daniel and brought to it his own careful and balanced judgement. His critical positions are rarely new, but in the reviewer's opinion they are sound - and sound judgement is better than novelty! On many of the problems of the book an incredible amount has been written, expressing an enormous variety of opinions. Professor Porteous is not concerned with the history of interpretation, and contents himself with a brief treatment of such questions, presenting his own considered view or suspending judgement where a decision between competing views cannot be made with confidence ... More important than all such matters is the religious and theological value of the book, and it is his attention to this that gives Professor Porteous's commentary its special quality, and makes it a notable addition to the series for which it has been written' (Society for Old Testament Study Book List).

Holy Bible Xulon Press

The first in a new Bible study series from Verse By Verse Ministry International (vbvmi.org). This 12-week VBVM I Group Study on End Times features thought-provoking teaching of core biblical concepts in prophecy. The workbook prepares both individual students and small groups for a deeper study of eschatology by examining key ideas and highlights from the book of Revelation, Daniel and other scripture. Students will gain a foundational understanding of God's plan for Israel, the Church and the end of the age. The VBVM I Group Study series is designed to suit the needs of students new to a study of end times while still offering a challenge to experienced Bible students. Each lesson in this study includes a video available to stream for free over the internet. The videos feature the teaching of Stephen Armstrong, acclaimed for his unique and gifted approach to explaining the Bible. The 12 videos are available for viewing or download for free at: <http://www.vbvmiendtimesstudy.org>. A printable PDF copy of the workbook may also be downloaded for free.

The Anchor Bible series offers new, book-by-book translations of the Old and New Testament and the Apocrypha, with commentary. This volume on the Book of Daniel has been prepared by two distinguished biblical scholars from the faculty of the Catholic University of America: Alexander A. Di Lella, Professor of Old Testament, and the late Louis F. Hartman, Professor of Semitic Languages. The Book of Daniel was written as resistance literature, to strengthen and console loyal Jews of the second century B.C. who had to endure religious, economic, and social oppression at the hands of Antiochus I. The inspiring stories in which Daniel and his companions Shadrach, Meshach and Abednego survive the ordeals of the lions' den and the fiery furnace dramatize for believers of all time the ultimate test of faith--the willingness to risk one's life for one's beliefs. The Book of Daniel also includes the famous incident of the handwriting on the wall and recounts the four vivid dream-visions or apocalypses which, through symbols and signs, offered interpretations of history and predictions of future deliverance. Louis F. Hartman and Alexander A. Di Lella have revealed the profound religious and human dimensions of the Daniel stories. They present Daniel as a colorful and dramatic hero unique in biblical literature--an enduring symbol of hope and salvation for all men and women of faith who must suffer for their beliefs.

Meet a man forced to live in a fast changing and godless society. He faced fears about the future, concern for his safety, and the discouragement of world that seemed to be falling apart at warp speed. Sound familiar? His name was Daniel, and with the power of hope, humility, and wisdom, he not only thrived, he changed an empire while he was at it. Though he lived thousands of years ago, he has a much to teach us today. Even in Babylon, God Is in Control In Thriving in Babylon, Larry Osborne explores the "adult" story of Daniel to help us not only survive - but actually thrive in an increasingly godless culture. Here Pastor Osborne looks at: - Why panic and despair are never from God- What true optimism looks like- How humility disarms even our greatest of enemies- Why respect causes even those who will have nothing to do with God to listen- How wisdom can snatch victory out of the jaws of defeat For those who know Jesus and understand the full implications of the cross, the resurrection, and the promises of Jesus,

everything changes - not only in us, but also in our world.

**Faithful Discipleship in a Foreign Land** Good Press

More than moral lessons or a prophetic timetable, this commentary explores both the familiar and unfamiliar in its study of Daniel--and ultimately points us to Christ.

*Corporate Responsibility in the Hebrew Bible* Flying Frog Publishing

The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In The Story of Daniel the Prophet, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative.This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher.We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the marginal references open up many veins of precious ore in the deep mines of God's Word.Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals.As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.

*The Coming Prince* Our Daily Bread Publishing

Dr. Zdravko Stefanovic lets the Bible explain itself. This ist the only war the book of Daniel can be clearly understood. Its life-changing message will leave you not just astonished but completely transformed by an awesome God who speaks even today through the book of Daniel.

*Genesis to Revelation* HarperChristian Resources

This volume goes beyond a mere presentation of the author's interpretation of Old Testament prophecy. It quotes Bible scholars from different corners of the theological ring to help the reader discover the meaning of Scripture of himself.

**Daniel** Daniel in the Lions' Den

It's more than just a statement. It's a fact! The world as we know it will eventually end. In On the Way to the Future, trusted Bible teacher Ray C. Stedman examines the prophecy of Daniel, not to stir readers to build a bomb shelter, but to increase their awareness of God's plan for their lives now, what He has in store for the future, and how they can be prepared to experience it. This resource is perfect for laypeople, pastors, and ministry leaders.

**Verse by Verse Ministry International** P & R Publishing

He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book-a companion to his Daniel in the Critics' Den-he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841-1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including Forgotten Truths and The Silence of God.

**Zohar, the Book of Enlightenment** TEACH Services, Inc.

In Preaching Christ from Daniel Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel. Using the most up-to-date biblical scholarship, Greidanus addresses foundational issues such as the date of composition, the author(s) and original audience of the book, its overall message and goal, and various ways of preaching Christ from Daniel. Throughout his book Greidanus puts front and center God's sovereignty, providence, and coming kingdom. Each chapter contains building blocks for constructing expository sermons and lessons, including useful information on the context, themes, and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more!

**Daniel** Paulist Press

This is the extended and annotated edition including \* an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. THE PROPHECIES OF DANIEL are among the most remarkable Predictions of THE ELDER COVENANT. They are not confined within either a limited time or a contracted space. They relate to the destinies of mighty Empires, and stretch forward into eras still hidden in the bosom of the future. The period of their delivery was a

remarkable one in the history of our race. The Assyrian hero had long ago swept away the Ten Tribes from the land of their fathers, and he in his turn had bowed his head in death, leaving magnificent memorials of his greatness in colossal palaces and gigantic sculptures. The Son of the renowned SARDANAPALUS, the worshipper of ASSARAC and BELTIS, had already inscribed his name and exploits on those swarthy obelisks and enormous bulls which have lately risen from the grave of centuries. The glory of NINEVEAH, passed away, to be restored again in these our days by the marvelous excavations at KOYUNJIK, KHORABAD, and NIMROUD. Another capital had arisen on the banks of the Euphrates, destined to surpass the ancient splendor of its ruined predecessor on the banks of the Tigris. The worshipper of the eagle-headed NISROCH — a mighty leader of the Chaldean hordes — had arisen, and gathering his armies from their mountain homes, had made the palaces and halls of NINEVE a desert, had marched southwards against the reigning PHARAOH of Egypt — had encountered him at CARCHEMISH — hurried on to THE HOLY CITY, and carried away with him to his favorite capital the rebellious people of the Lord. Among them was a captive of no ordinary note. He was at that time a child, yet he lived to see this descendant of the hardy Chasdim grow great in power and fame — to hear the tale of the fall of TYRE, and “the daughter of the ZIDONIANS,” and of the triumph over PHARAOH HOPHRA, whom modern researches have discovered in the twenty-sixth dynasty of Egypt’s kings. At length the haughty conqueror returns, and dreams mysteriously. This forgotten prisoner becomes the only interpreter of wondrous visions of Empires about to arise and spread over distant centuries. The dreamer is at length gathered to his fathers, yet the interpreter lives on through the reign of the grandson, and explains a mysterious writing on the palace wall, amidst revelry which ends in the city’s overthrow. Cryus and his Persians, Darius and his Medes rise rapidly to power, and the Prophet rises with them — till envy throws the aged Seer into a lion’s den. But he perishes not till he has seen visions of the “future history of mankind. The triumphs of PERSIA and MACEDON are revealed — the division of ALEXANDER’S Empire — the wars of his successors — the wide-spread dominion of ROME — the overthrow of the Sacred Sanctuary by Titus — and THE COMING OF MESSIAH to regenerate and to rule the world when the seventy weeks were accomplished. This book covers Calvin’s commentaries on Daniel 1 - 6.

**A Commentary** Westminster John Knox Press

The Dictionary of the Bible is a landmark reference work edited by biblical scholar James Hastings. It is a thorough index of all key terms in Scriptures. This edition features two linked tables of contents: one at the beginning of the volume, which takes you to individual chapter, and the other at the beginning of each chapter linking to its verses. The full title was A Dictionary of the Bible, dealing with the Language, Literature and Contents, including the Biblical Theology. It was edited by James Hastings, with the assistance of John A. Selbie. Additional assistance with revision of the proofs was provided by A. B. Davidson, S. R. Driver and H. B. Swete. Although described as a “dictionary”, the work is better described as an encyclopaedia, with signed articles sometimes several pages in length. It is a substantial work, with more than 8000 pages and 1,401,784 words. The 194 authors of articles were established scholars of the day, generally Protestant Christians, from many countries, but mostly from the UK and the USA in that order.

The subject matter was "the Old and New Testaments, together with the Old Testament Apocrypha, according to the Authorized and Revised English Versions." Articles were written "on names of all Persons and Places, on the Antiquities and Archaeology of the Bible, on its Ethnology, Geology and Natural History, on Biblical Theology and Ethic ..."It remains a one of the best source of Biblical information.

*The Art of the Mystery Story* Canongate Books

This book explores a variety of biblical texts in order to clarify and better understand the relationship between the individual and the community in ancient Israel. Although much of the argument is focused upon Deuteronomy and the deuteronomistic history, other pentateuchal and prophetic texts are also probed. In particular, certain instances of divine retribution that are corporate in nature are explored, and it is argued that such punishments are quite common and completely understandable of the basic theological ideas that are operative in such cases. The examination turns to other biblical texts that appear to reject the notion of corporate divine retribution (e.g., Ezekiel 18). Here the focus is on whether these texts do in fact reject all forms of corporate divine retribution and how large a shift these texts signal in the biblical understanding of the relationship between the individual and the community. Finally, Kaminsky asserts that certain theological features explored in this study can be used by those scholars who argue that the enlightenment idea of individualism needs to be balanced by a renewed philosophical and theological emphasis on the individual's responsibility to the larger society.

**Daniel** Hermeneia: A Critical & Historical

This work completes Daniel Block's two-volume commentary on the book of Ezekiel. The result of twelve years of studying this difficult section of Scripture, this volume, like the one on chapters 1-24, provides an excellent discussion of the background of Ezekiel and offers a verse-by-verse exposition that makes clear the message of this obscure and often misunderstood prophet. Block also shows that Ezekiel's ancient wisdom and vision are still very much needed as we enter the twenty-first century.
