Alien Next Door Kensington Books
 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense deja vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100%

original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new? In **Icons Unmasked**, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever

Twelve Years a Slave Image Comics

about the latest trends in fashion and the newest ways to get on with the crowd around the world. Get them this book now. **Scarygirl** Harper Collins
 This collection of essays focuses on the representations of a variety of "bad girls"—women who challenge, refuse, or transgress the patriarchal limits intended to circumscribe them—in television, popular fiction, and mainstream film from the mid-twentieth century to the present. Perhaps not surprisingly, the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women. From the beginning, for good or ill, women have been depicted as insubordinate. Today's popular manifestations include such widely known figures as Lisbeth Salander

(the “girl with the dragon tattoo”), The Walking Dead’s Michonne, and the queen bees of teen television series. While the existence and prominence of transgressive women has continued uninterrupted, however, attitudes towards them have varied considerably. It is those attitudes that are explored in this collection. At the same time, these essays place feminist/postfeminist analysis in a larger context, entering into ongoing debates about power, equality, sexuality, and gender.

Little Raindrop Hay House, Inc

Gordon Korman's acclaimed and timely YA novel explores the dangerous side of high school contact sports. Marcus is new in town and is hoping to make the

championship high school football team, but it seems like a closed club, run by current star quarterback Troy. One day, while tossing the ball around in a park one day, Marcus meets Charlie, a man in his fifties who can play football like an old pro, which is exactly what he happens to be — a former NFL player and local celebrity. Charlie has boundless energy and coaches Marcus on his fear of being tackled, but as Marcus becomes more involved in this friendship with Charlie, it becomes painfully obvious to him, through the simplicity of Charlie's thoughts, that the long-term effects of the violent plays he suffered during his football glory days have taken their toll on Charlie. With wit and sensitivity, Gordon Korman tackles truths about high school sports, while delivering a poignant story about an unlikely friendship.

Mary Anne's Makeover (The Baby-Sitters Club #60) Scholastic Canada

Traveling secretary Hattie Davish is taking her singular talents to Washington, D.C., to help Sir Arthur Windom-Greene research his next book. But in the winding halls of the nation’s capital, searching for the truth can sometimes lead to murder . .

. Hattie is in her element, digging through dusty basements, attics, and abandoned buildings, not to be denied until she fishes out that elusive fact. But her delightful explorations are dampened when she witnesses a carriage crash into a carp pond beneath the shadow of the Washington Monument. Alarmingly, one of the passengers flees the scene, leaving the other to drown. The incident only heightens tensions brought on by the much publicized arrival of “Coxey’s Army,” thousands of unemployed men converging on the capital for the first ever organized “march” on Washington. When one of the marchers is found murdered in the ensuing chaos, Hattie begins to suspect a sinister conspiracy is at hand. As she expands her investigations into the motives of murder and closes in on the trail of a killer, she is surprised and distraught to learn that her research will lead her straight to the highest levels of government . . . Praise for A Deceptive Homecoming “A well-written historical mystery that brought the period to life.”—Mystery Scene

** NEW YORK TIMES BESTSELLER! **

Ready to take the next step toward living in alignment with the Universe? The #1 New York Times best-selling author of *The Universe Has Your Back* shows you how. In *Super Attractor*, Gabrielle Bernstein lays out the essential steps for living in alignment with the Universe--more fully than you've ever done before. "I've always known that there is a nonphysical presence beyond my visible sight," Gabby writes. "All my life I've intuitively tuned in to it and used it as a source for good. . . . What we call it is irrelevant. Connecting to it is imperative." *Super Attractor* is a manifesto for making that connection and marrying your spiritual life with your day-to-day experience. In these pages, you'll learn to: * Move beyond dabbling in your practice, when it's convenient, to living a spiritual life all the time * Take practical steps to create a life filled with purpose, happiness, and freedom * Feel a sense of awe each day as you witness miracles unfold * Release the past and live without fear of the future * Tap into the infinite source of abundance, joy, and well-being that is your birthright * Bring more light to your own life and the world around you This book is a journey of remembering

where your true power lies. You'll learn how to co-create the life you want. You'll accept that life can flow, that attracting is fun, and that you don't have to work so hard to get what you want. Most important, you'll feel good. And when you feel good, you'll give off a presence of joy that can elevate everyone around you. After reading this book, you will know how to fulfill your function: to be a force of love in the world.

Bright Lights, Dark Places Random House Books for Young Readers

The gripping family drama—and never-before-told love story—surrounding the rise and fall of the late Aldo Gucci, the man responsible for making the legendary fashion label the powerhouse it is today, as told by his daughter. Patricia Gucci was born a secret: the lovechild whose birth could have spelled ruination for her father, Aldo Gucci. It was the early 1960s, the halcyon days for Gucci—the must-have brand of Hollywood and royalty—but also a time when having a child out of wedlock was illegal in Italy. Aldo couldn't afford a public scandal, nor could he resist his feelings for Patricia's mother, Bruna, the paramour he met when she worked in the first Gucci store in Rome. To avoid controversy, he sent Bruna to London after she became pregnant, and then discretely whisked her back to Rome with her

newborn hidden from the Italian authorities, the media, and the Gucci family. *In the Name of Gucci* charts the untold love story of Patricia's parents, relying on the author's own memories, a collection of love letters and interviews with her mother, as well as an archive of previously unseen photos. She interweaves her parents' tempestuous narrative with that of her own relationship with her father—from an isolated little girl who lived in the shadows for the best part of a decade through her rise as Gucci's spokesperson and Aldo's youngest protégé, to the moment when Aldo's three sons were shunned after betraying him in a notorious coup and Patricia—once considered a guilty secret—was made his sole universal heir. It is an epic tale of love and loss, treason and loyalty, sweeping across Italy, England and America during the most tumultuous period of Gucci's sixty years as a family business.

You Can't Always Get What You Want
Harper Collins

Create Your Own Top Model This sassy style guide is for teens who want to discover the stories behind their favorite looks, find their own style, and learn what

God Complex Vol. 1: Dogma Springer
WALL STREET JOURNAL BESTSELLER • A how-to guide for crafting beautiful and delicious cheese boards for entertaining and self-care, from the creator of the Cheese by Numbers method and the Instagram phenomenon That Cheese Plate “[Marissa Mullen] takes the guesswork out of the coolest, most solid thing to bring to any party or potluck: the cheese platter.”—Rachael Ray With her gorgeous, showstopping cheese and charcuterie

boards, Marissa Mullen takes cheese to a whole new level. Her simple, step-by-step Cheese by Numbers method breaks the cheese plate down into its basic components—cheese, meat, produce, crunch, dip, garnish—allowing you to create stunning spreads for any occasion. This beautifully designed book goes beyond preparation techniques. According to Mullen, cheese plates can be an important form of artistic self-care, like flower arranging or meditative coloring books—but you can eat the results! That Cheese Plate Will Change Your Life celebrates the ways in which cheese brings people together, and how crafting a cheese plate can be a calming, creativity-bolstering act. With fifty exquisite, easy-to-make cheese and charcuterie plates, this book will teach you how to relax, enjoy, and indulge—to find your cheesy bliss.

Super Attractor Cernunnos

Emma may be the littlest in the Valentine family, but she knows that she has what it takes to help the family business get ready for the holiday. But Emma just can't seem to do things the right way like the bigger members of her family, no matter

how hard she tries. Will Emma find a way to help her family on Valentine's Day, or is the littlest Valentine just too little?

Zoo Sleepover Simon and Schuster

A unique, inside look at American childhood through the conversations between Highlights magazine and its young readers and a call to grown-ups to make time to actively listen to the children in their lives. Every year, tens of thousands of children write to Highlights magazine, sharing their hopes and dreams, worries and concerns, as if they were writing to a trusted friend. From the beginning, the editors at Highlights have answered every child individually. Longtime editor in chief Christine French Cully has curated a collection of this remarkable correspondence (letters, emails, drawings, and poems) in *Dear Highlights*--revealing an intimate and inspiring 75-year conversation between America's children and its leading children's magazine. From the timeless, everyday concerns of friendship, family, and school, to the deeper issues of identity, sexuality, divorce, and grief, here is a unique time capsule of American childhood in the voices--and the very

handwriting--of children themselves. The book captures a child's-eye view of some of the most important events of the past 75 years: the COVID-19 pandemic, 9/11, the Challenger Disaster, and the assassination of John F. Kennedy. Cully's insightful narrative becomes a call to action for adults to lean in and listen to children, to make sure our kids know that they matter and what they think matters, and to assure them that they have the power to become people who change the world. By turns funny, heartbreaking, moving, and enlightening, *Dear Highlights* will cause readers to reflect, to listen, and to embrace the children in their lives. From the foreword by nationally syndicated columnist Amy Dickinson: "In times of great stress or trouble, Mr. Rogers advised children: 'Look for the helpers. You will always find people who are helping.' That's exactly what children writing to 'Dear Highlights' find when they put pen to paper: helpers whose open-minded trust and kindness surely has made our world a better place." [Klutz: Rainbow Maker](#) Speedy Publishing LLC

It is the story of Yuga, a mysterious young

warrior, who was born and brought up in the forest. He lives with his Guru who tries to save the hidden secrets of the Shatapatha Kingdom from the followers of Darkness. Their ancestors are afraid of the rebirth of the Shadow of Darkness Lord in the future. Aryan is the king of their kingdom, who is wise and generous. He and his protectors begin their Tapasya to please their creator, 'Garuda - The King of Birds' for grace and to defend them from the followers of Lord Darkness. The Creator pleases and boon them with the hidden secrets, and also, reminds them to do some karma so that they can own the hidden secrets. In the middle of a battle, the Shatapathans find one of their protectors who had disappeared with King Aryan for so many years. The protector sends Yuga with them. It's a journey of Yuga exploring the hidden secrets.

In the Water They Can't See You Cry

Harper Collins

WHEN MEXICAN FOLKLORE MEETS U.S. POP CULTURE!!!! *Border Bang* is a passionate love letter to the Tijuana and US border, documenting the bootleg artifacts sold to locals and tourists alike. Reappropriating the bombardment of pop culture images is

the border's reaction to global issues and events, telling viewers and consumers not to glorify these situations but rather to acknowledge them through their subversive presentation. Border artisans and shysters digest the influx of international popular culture, reappropriating and reconfiguring images to express themselves and empower objects with subversive ideas masked underneath bold colors and text. Raised in Tijuana, Gutierrez crossed the border to the US to attend elementary and middle school. Each day, he was dazzled and entranced by the objects being sold, creating alternative narratives to the cartoon characters and celebrity portraits

that he saw. *Border Bang* is a reflection of his childhood narrative, using images from Mickey Mouse to Tupac Shakur to convey the reflections and meditations of global events as witnessed by the border, exploring his love affair with Mexican pop and folk culture.

Let's Play Dress Up Now | Children's Fashion Books Speedy Publishing LLC

In 1973, graffiti ran rampant in NYC, reaching its peak that summer. The work of black writers from the Bronx like SUPER COOL 223, RIFF 70 (WORM/CASH), and PHASE 2 defined the art which the kids called Top-to- Bottom or T-to-B, as it vertically covered a full subway car. Some T-to-B pieces were so elaborate and complex that the NYT hypothesized that

they were a collaboration between professional artists and the graffiti writers. Here are photos from that heady era.

My Amazing Look Book Allen & Unwin

Have you ever wondered what happens to a raindrop when it falls from the sky? This beautifully illustrated story will capture the imaginations of children and parents alike, and offers a perfect introduction to the water cycle.

[Fashion Activity Book](#) National Geographic Books
