### **Female Virginity Loss and Love in Anglophone Popular Literatures** Springer Nature

I Had to Lose My Virginity is a compelling story of an extraordinary woman who emerges from obscurity to become one of the successful and influential women entrepreneurs in Africa. This truly amazing story, skillfully told in a mix of poetry and vivid prose, provides intimate and insightful glimpse into a life that has defied biting poverty, personal failure and tragedy to become a remarkable portrait of success. The reader will doubtless find this book provocative, motivating and inspiring.

[A Young Gentleman's Guide To Losing Your Virginity: Everything You Haven't Been Told And Need To Know](#) Simon and Schuster  
Following Jeffrey Brown's debut hit, Clumsy, Unlikely continues to explore the nature of relationships in this story of how Jeffrey Brown lost his virginity. A full-length graphic novel of excruciating detail and intimacy, drawn in an awkward style that both disarms the reader and heightens the emotional impact of the work.

### **An Autobiography** NYU Press

Whether stud or dud, hot dish or cold fish, you're never the same after you first "do the deed." But how wild, weird, or earth shattering was it for your neighbor, the person next to you on the bus, or your veterinarian? In How to Lose Your Virginity... and How Not To, compiled from 1,000 face-to-face interviews across North America, Shawn Wickens makes us transfixed voyeurs in

scores of others' seminal "coming" of age moments. From Kelsie Testa in Jerk Magazine: "A compilation of shocking yet heartwarming tales of orifices, secretions, and vulgarity that pleasantly ends in an orgasm. From condom follies to mixed-race orgies, Wickens proves that no formula exists when it comes to this seminal and 'ground-breaking' event.... One central message remains the same for all of these first-timers: losing your virginity is weird and exhilarating, whether you lost it with your middle-school bus driver named Frank at age 13 or you waited until marriage." Featured in the New York Daily News, The Huffington Post and Jezebel.com. Breakthru Radio calls How to Lose Your Virginity, "...an entertaining and enlightening read for virgins and non-virgins alike." A portion of the proceeds is donated to RAINN (Rape and Incest National Network)

### *My Story* Pratzten Publishing

From a Hackney council estate to the House of Lords, this is the extraordinary story of one of our greatest entrepreneurs. Alan Sugar was born in 1947 and brought up on a council estate in Clapton, in Hackney. As a kid he watched his dad struggle to support the family, never knowing from one week to the next if he'd have a job. It had a huge impact on him, fuelling a drive to succeed that was to earn him a sizeable personal fortune. Now he describes his amazing journey, from schoolboy enterprises like making and selling his own ginger beer to setting up his own company at nineteen; from Amstrad's groundbreaking ventures in hi-fi and computers, which made him the darling of the stock exchange, to the dark days when he nearly lost it all; from his pioneering deal with Rupert Murdoch to his boardroom battles at

Tottenham Hotspur FC. In this compelling autobiography, he takes us into the world of The Apprentice, and describes his appointment as advisor to the government and elevation to the peerage. Like the man himself, What You See Is What You Get is forthright, funny and sometimes controversial.

### [The New Autobiography](#) Icon Books

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and won, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box--an expression he despises--but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

### **Stories I Only Tell My Friends** Penguin

Losing My Virginity is the unusual, frequently outrageous autobiography of one of the great business geniuses of our time. When Richard Branson started his first business, he and his friends decided that "since we're complete virgins at business,

let's call it just that: Virgin." Since then, Branson has written his own "rules" for success, creating a group of companies with a global presence, but no central headquarters, no management hierarchy, and minimal bureaucracy. Many of Richard Branson's companies--airlines, retailing, and cola are good examples--were started in the face of entrenched competition. The experts said, "Don't do it." But Branson found golden opportunities in markets in which customers have been ripped off or underserved, where confusion reigns, and the competition is complacent. And in this stressed-out, overworked age, Richard Branson gives us a new model: a dynamic, hardworking, successful entrepreneur who lives life to the fullest. Family, friends, fun, and adventure are equally important as business in Branson's life. *Losing My Virginity* is a portrait of a productive, sane, balanced life, filled with rich and colorful stories:

*Four Steps to Rewire Your Brain* Penguin

Kaveri is thirty; single; knows seven languages; is an interpreter by profession; has read all the books about men and how to get a date. Yet; she has not been able to figure out the language of love. Since the 'THE ONE GREAT LOVE' of her life has eluded her for thirty years and might never show up; she decides to take matters into her own hands. On her thirtieth birthday; she makes a resolution—love or no love; she is going to lose her virginity. Life; however; has other plans! This is a story of a spirited woman who plunges into a rollercoaster ride filled with ideas; ideals and adventures—each new day competing with yesterday to make her rethink and re-evaluate life and love.

*The Virgin Way* Grove/Atlantic, Inc.

Bridget Jones's Diary meets Mean Girls as lovably flawed high school student Chloe Snow chronicles her junior year as she navigates the highs and lows of family, friendship, school, and losing her virginity. I'll be honest: junior year has been a disaster. My horrible mom is back from Mexico. My dad's girlfriend is living in our house. Did I mention my parents aren't divorced yet? On the plus side, I lost my virginity!...and then the whole school found out and I got slut-shamed. Then, somehow, I got popular! But according to some people, it turned me into a monster, and I'm pretty sure everyone hates me now. Oh, and there was the Thanksgiving fiasco, and the prom queen debacle, and the illegal middle-of-the-night drive to the hospital. Want to hear the whole wild story? You'll have to read my notes.

**Losing My Virginity** Penguin

It's business school, the Branson way. Whether you're interested in starting your own business, improving your leadership skills, or simply looking for inspiration from one of the greatest entrepreneurs of our time, Richard Branson has the answers. Like a Virgin brings together some of his best advice, distilling the experiences and insights that have made him one of the world's most recognized and respected business leaders. In his trademark thoughtful and encouraging voice, Branson shares his knowledge like a close friend. He'll teach you how to be more innovative, how to lead by listening, how to enjoy your work, and much more. In hindsight, Branson is thankful he never went to business school. Had he conformed to the conventional dos and don'ts of starting a business, would there have been a Virgin Records? A Virgin Atlantic? So many of Branson's achievements are due to his unyielding determination to break the rules and rewrite them himself. Here's how he does it.

*Like a Virgin* Portfolio

We all know that stress is serious. If ignored too long, it becomes life-threateningly serious. Yet 83 percent of Americans are doing nothing about it. Don't be one of them. There's now a solution to stress that literally rewires your brain for a life of doing well, and being well, on your way to flourishing. The most important brain discovery in the last 400 years concerns a simple but powerful shift in attitude that can change a brain wired for stress into a brain powered for success. This specific shift literally rewires the brain to deliver the full measure of intelligence, creativity, and emotional balance that enables you to flourish instead of struggle. It's a higher state of mind anyone can attain stimulating the higher brain function that unblocks the health, wealth, and love we all desire. Fail to make this shift and you will lack the brainpower to fulfill your dreams. Your stress provoking brain will continue to dump toxic stress hormones into your system, shrinking brain mass, limiting brain bandwidth, depressing your emotional set point, and shortening your lifespan. You can solve these problems and fulfill your aspirations. *The End of Stress: Four Steps to Rewire Your Brain* guides you through an evidence-based process that achieves this powerful shift. The book is designed as a workshop-in-a-book, supported by a website of tools, audio files, and materials that make it easy.

It was the nineties and I was a young horny teenage boy, just having turned 18. I had finally met a girl to whom I was going to lose my virginity too and found myself alone in a park late at night with her that evening. This true story details the steamy events of that night, as well as all the titillating events that lead up to my first time having sex. (This story contains acts of MF sex, kissing, and oral sex) (First Time Virgin Public Sex)

Full of hilarious anatomical diagrams, ridiculous advice, and tips for surviving the morning after, the First Timer's Kit encourages readers to stop masturbating and start living!

*The Purity Myth* Createspace Independent Pub

Twenty years after his iconic memoir *Losing My Virginity*, the world's ultimate entrepreneur is back with the rest of the story. Richard Branson's *Losing My Virginity* shared the outrageous tale of how he built Virgin from a student magazine into one of the greatest brands in history. No challenge was too daunting, no opportunity too outlandish to pursue. And each new adventure started with five simple words: "Screw it, let's do it." Now, fifty years after starting his first business, Branson shares the candid details of a lifetime of triumphs and failures and what he really thinks about his unique life and career. *Finding My Virginity* is an intimate look at his never-ending quest to push boundaries, break rules, and seek new frontiers—even after launching a dozen billion-dollar businesses and hundreds of other companies. As he led Virgin into the new millennium, Branson fearlessly expanded the brand into new categories such as mobile, media, fitness, and banking and into every corner of the globe—all while preserving its iconoclastic, scrappy spirit. He even brought Virgin into space with Virgin Galactic, the world's first commercial spaceline. *Finding My Virginity* takes us behind the scenes of the incredible brains, heart, and sacrifices that have gone into making private

spaceflight an imminent reality—even after the biggest crisis Branson has ever faced. But this book is much more than a series of business adventures. It's also the story of Branson's evolution from hotshot entrepreneur to passionate philanthropist and public servant, via Virgin Unite's environmental and health initiatives and through the Elders, a council of influential global leaders. And it's the story of his personal quest to become a better son, husband, father, and "grand-dude" to his four grandchildren. Featuring a supporting cast that includes everyone from Bill Gates to Kate Moss, Nelson Mandela to Barack Obama, this is the gripping account of a man who will never stop reaching for the stars, in more ways than one. Find out how Branson did it for the first time—all over again.

#### **If It's Not Fun, It's Not Worth Doing** Penguin

A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye. A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wild counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. The Outsiders placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

**Adventures of a Global Entrepreneur** Virgin Books Limited  
Julia Greenfield is twenty-six years old and still a virgin... and something's got to change. She travels to spend the summer with her mysterious aunt Vivienne in North Carolina, and unearths a confounding secret: her 58 year old aunt is a virgin too. Julia

becomes fixated on puzzling out what could have led to Viv's appalling condition, all while trying to avoid the same fate.

**An Intimate Portrait of First Sexual Experiences** Simon and Schuster

"Impressionistic and engaging ... Fankhauser boldly offers new wisdom." - Bromleigh McCleneghan, pastor and author of *Good Christian Sex* --- On the 8th day, God created sexual intercourse. And it was good. But for girls like Dani Fankhauser who were told sex was only to happen once you cross the threshold of marriage, that "goodness" seemed...questionable. As young women, we learned how to say "No" to sex, but not how to ask a guy to put on a condom. We were told to limit physical affection because it undermined love, but not how to deal with our own desires and drive. Our own bodies, and their capacity for pleasure, were left a mystery. In *SHAMELESS*, Fankhauser writes about the questions she had that couldn't be answered by mainstream culture or by Christian communities - about shame, love, intimacy, and STDs. *How America's Obsession with Virginity is Hurting Young Women* Pan Macmillan

Pop-culture phenomenon, social rights advocate, and the most prominent LGBTQ+ voice on YouTube, Tyler Oakley brings you *Binge*, his New York Times bestselling collection of witty, personal, and hilarious essays. For someone who made a career out of over-sharing on the Internet, Tyler has a shocking number of personal mishaps and shenanigans to reveal in his first book: experiencing a legitimate rage blackout in a Cheesecake Factory; negotiating a tense standoff with a White House official; crashing a car in front of his entire high school, in an Arby's uniform; projectile vomiting while bartering with a grandmother; and so much more. In *Binge*, Tyler delivers his best untold, hilariously side-splitting moments with the trademark flair that made him a star.

*The Autobiography* Simon and Schuster

Sir Richard Branson's amazing memoir is now updated to include the effect on the Virgin Group of 11 September, his views on the war in Iraq, the rise of Virgin Blue and the flotation of Virgin Mobile. Discover how Virgin is moving into the US domestic flight market and why he set up the charitable body "Virgin Unite". As ever, his thirst for challenge is unquenched. Sir Richard reveals

the thrills of the world record attempt with the Virgin Atlantic Global Flyer and taking Virgin to the final frontier as Virgin Galactic are poised for a new era of commercial space travel. Compelling. Brilliant. Revealing. Funny. Inspirational.

Extraordinary. Revealing Sir Richard's unique story, his personal philosophy on life, the Virgin brand and business *Losing My Virginity* is an autobiography without equal.

**Finding My Virginity** *Losing My Virginity* The Autobiography  
Nervous, inexperienced, confused. For most, losing your virginity is one of life's most significant moments, always to be remembered. Of course, experiences vary, but Laura Carpenter asks: Is there an ideal way to lose it? What would constitute a "positive" experience? What often compels the big step? And, further, what does "going all the way" really mean for young gays and lesbians? In this first comprehensive study of virginity loss, Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight, gay or bisexual. *Virginity Lost* offers a rare window into one of life's most intimate and significant sexual moments. The stories here are frank, poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating. Importantly, Carpenter argues that one's experience of virginity loss can have a powerful impact on one's later sexual experiences. Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools, this important volume will provide essential information about the sex lives of young people.

*Losing My Virginity* Crown Pub

At 30, Duncan Bannatyne had no money and was enjoying life on the beaches of Jersey. He saw a story of someone who had made himself a millionaire, and decided to do the same. Five years later he had done it, and now he is worth £168 million. In this remarkable book, Bannatyne relives his colourful path to riches, from ice cream salesman to multi-millionaire, explaining how anyone could take the same route as he did - if they really want to. Hugely articulate, and with numerous fascinating and revealing stories to tell, this is an autobiography and a business book unlike any other - but then Bannatyne isn't like any other businessman, either.
