From the bestselling author of *The Flight Attendant*, here is a gripping psychological novel of obsession and consequence. When Laurel Estabrook is attacked while riding her bicycle through Vermont's back roads, her life is forever changed. Formerly outgoing, Laurel withdraws into her photography, spending all her free time at a homeless shelter. There she meets Bobbie Crocker, a man with a history of mental illness and a box of photographs that he won't let anyone see. When Bobbie dies, Laurel discovers a deeply hidden secret—a story that leads her far from her old life, and into a cat-and-mouse game with pursuers who claim they want to save her. In a tale that travels between the Roaring Twenties and the twenty-first century, between Jay Gatsby's Long

Island and rural New England, bestselling author Chris Bohjalian has written an extraordinary novel.

Justice has never known freedom. She woke up ten years ago, naked and alone with no memory of who or what she was. Since then, she's been a prisoner, compelled by powers she doesn't understand. She's roamed the country, doing whatever the fates demanded of her, good or bad. Completely alone. Until now. Ronan is starving to death. Like all the Sanguinar, his survival depends on finding the dwindling traces of blood left behind by an ancient, magical race. Weeks ago, Justice saved his life and since then, it's been her blood he craves, her face he dreams about. As evil closes in on all sides, threatening the only stronghold the Sentinels have to protect them, Ronan must find a way to gain Justice's trust and free her from the dark powers that control her. Because if he

can't, the next person she is compelled to kill may be him.

NEW YORK TIMES BEST SELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! An achingly beautiful work of historical fiction that moves between Germany on the eve of World War II and present-day Wisconsin, unspooling a

thread of love, longing, and the powerful bonds of family. Annelise is a dreamer: imagining her future while working at her parents' popular bakery in Feldenheim, Germany, anticipating all the delicious possibilities yet to come. There are rumors that anti-Jewish sentiment is on the rise, but Annelise and her parents can't quite believe that it will affect them; they're hardly religious at all. But as Annelise falls in love, marries, and gives birth to her daughter, the dangers grow closer: a brick thrown through her window; a childhood friend who cuts ties with her; customers refusing to patronize the bakery. Luckily Annelise and her husband are given the chance to leave for America, but they must go without her parents, whose future and safety are

uncertain. Two generations later, in a small Midwestern city, Annelise's granddaughter, Clare, is a young woman newly in love. But when she stumbles upon a trove of her grandmother's letters from Germany, she sees the history of her family's sacrifices in a new light, and suddenly she's faced with an impossible choice: the past, or her future. A novel of dazzling emotional richness that is based on letters from Lauren Fox's own family, *Send for Me* is a major departure for this acclaimed author, an epic and intimate exploration of mothers and daughters, duty and obligation, hope and forgiveness.

The oath was an institution of fundamental importance across a wide

range of social interactions throughout the ancient Greek world, making a crucial contribution to social stability and harmony; yet there has been no comprehensive, dedicated scholarly study of the subject for over a century. This volume of a two-volume study explores the nature of oaths as Greeks perceived it, the ways in which they were used (and sometimes abused) in Greek life and literature, and their inherent binding power.

What determines whether complex life will arise on a planet, or even any life at all? Questions such as these are investigated in this groundbreaking book. In doing so, the authors synthesize information from astronomy, biology, and paleontology, and apply it to what we know about the rise of life on Earth and to what could possibly happen elsewhere in the universe. Everyone who has been thrilled by the recent discoveries of extrasolar planets and the indications of life on Mars and the Jovian

moon Europa will be fascinated by Rare Earth, and its implications for those who look to the heavens for companionship. Christine Feehan's Drake Sisters Series Silhouette

Taken by Storm Kensington Books Jackie Patton has been rescued by the Theronai from her captivity and torture at the hands of the Synestryn, only to learn that she's a potential match for the Theronai warriors who need a woman to literally save their lives. Forced to

choose, she unexpectedly selects Iain, a cold-hearted warrior who doesn't want to be saved. Iain is convinced that it's too late—that his soul is already as dead as his former betrothed, killed by the Synestryn. Still, he is the only one she wants. But is Iain indeed beyond saving? *A Paranormal Romance Novel (An eSpecial from New American Library)* Penguin

Regardless of its outcome, the Iraq War has had a transformative effect on the Middle East. To equip U.S. policymakers to better manage the war's long-term consequences, the authors analyzed its effects on the regional balance of power, local perceptions of U.S. credibility, the domestic stability of neighboring states, and trends in terrorism after conducting extensive interviews in the region and

drawing from an array of local media sources.

Meet the elementally gifted sisters of Sea Haven in this collection that includes five full-length Drake Sisters novels plus a novella from #1 New York Times bestselling author Christine Feehan. **MAGIC IN THE WIND** Ever since Damon Wilder sought refuge in Sea Haven, he's heard the same breathless rumor so suggestive that it carries him to Sarah Drake's cliff-top home. But Damon has not arrived alone. Two men have tracked him to Sea Haven, and into the shadows of Drake House, where Sarah hides her own secrets. And danger is just a whisper away... **OCEANS OF FIRE** A gifted daughter in a magical bloodline, Abigail Drake was born with a mystical affinity

for water, and possesses a strong bond with dolphins, swimming among them in the waters off Sea Haven. Until she witnesses a murder on shore, and flees for her life—right into the arms of the Interpol agent who once broke her heart... **DANGEROUS TIDES** Dr. Libby Drake is sensible and practical. To her more adventurous sisters, she's always been the "good girl". Certainly not the kind to attract the attention of a genius like Ty Derrick—until a tragic accident leaves the handsome biochemist at her mercy... **SAFE HARBOR** Hannah Drake has been the elusive object of affection for Jonas Harrington for as long as the rugged Sea Haven sheriff can remember. If only the stunning super-model was driven by a passion other than her career. But Jonas isn't the only one with

desires for Hannah... **TURBULENT SEA** Joley Drake was born with a legacy of unexpected magical gifts, but it was the gift of singing that made her an overnight sensation—a rock and roll goddess trapped by fame, fortune, and ambition. Heated by the flush of success, Joley could have any man she wanted. But there's only man who can give her what she really needs... **HIDDEN CURRENTS** After a long time away Elle Drake is finally on her way home to the small coastal village of Sea Haven. But when she fails to arrive, it's left to Sheriff Jackson Deveau to rescue her from an unseen danger. But Sea Haven is no longer safe for anyone, and it'll take the powers of all the Drake sisters and their men to survive the coming storm.

The Double Bind Penguin

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for

academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the

material, showcasing a variety of views about the good, the bad, and the best way forward.

Fatal Strike St. Martin's Griffin

From the bestselling author of *Eventide*, *The Tie That Binds* is a powerfully eloquent tribute to the arduous demands of rural America, and of the tenacity of the human spirit. Colorado, January 1977. Eighty-year-old Edith Goodnough lies in a hospital bed, IV taped to the back of her hand, police officer at her door. She is charged with murder. The clues: a sack of chicken feed slit with a knife, a milky-eyed dog tied outdoors one cold afternoon. The motives: the brutal business of farming and a family

code of ethics as unforgiving as the winter prairie itself. Here, Kent Haruf delivers the sweeping tale of a woman of the American High Plains, as told by her neighbor, Sanders Roscoe. As Roscoe shares what he knows, Edith's tragedies unfold: a childhood of pre-dawn chores,

a mother's death, a violence that leaves a father dependent on his children, forever enraged. Here is the story of a woman who sacrifices her happiness in the name of family--and then, in one gesture, reclaims her freedom.
