To the outside world, Siena McMahon has a fairy-tale life. Born into a great Hollywood dynasty-granddaughter of movie legend Duke McMahon, daughter of billionaire producer Pete McMahon—she is blessed with beauty, brains, and wealth...a proverbial princess. Yet behind the wrought-iron gates of the sprawling McMahon mansion in Hancock Park, her life is far from idyllic. The McMahons are bound together not by love but by infighting and ambition. When a gold-digging English aristocrat, Caroline Berkeley, worms her way into their lives and their home, the family's potent mix of jealousy and wealth explodes. Packed off to school in England, Siena starts making plans to leave the moment she arrives. She is determined to become a Hollywood star in her own right—just as her grandfather had said she would be. And once back in L.A., the rejections, betrayals, and failures she'll face will only make her stronger and tougher than ever before. But at what price? In the utterly dysfunctional landscape of her life—among friends, lovers, and family—she must find the people who will help her survive, help her become the person she was meant to be, help her be truly Adored. Set in the most glamorous cities of the world—L.A., London, Paris, and New York—Tilly Bagshawe's debut novel is like the real-world Hollywood it mirrors: deliciously escapist, wickedly sexy, and always irresistibly compelling.

The most terrifying novel you will read this year... Max admits to killing the young woman whose still-warm, disembowelled body was found beside him - but he claims to be suffering from DID, a multiple-personality disorder and common alibi for murderers. Strawberry-blond psychiatrist Irene Cogan is brought in to assess his claims and is astonished to find that Max has many more alters - or alternative personalities - than any DID sufferer she's previously encountered. But what Irene doesn't know is that one of those alters is a suspected serial killer the FBI know as Casey - a man responsible for the disappearance, and almost certain death, of several women. Women with just one thing in common - strawberry-blond hair....

365 Devotions for Young Women Zondervan

In an ever-changing world, we can be certain of one thing: we are beloved by God. *Adored: 365 Devotions for Young Women* tackles tough topics girls face, from bullying and social media to friendships and dating, all the while showing readers how infinitely precious they are in God's sight. Each day features an easy-to-read, relevant devotion paired with a scripture verse and journaling space to help readers reflect on the day's message. With honest, poignant, and sometimes humorous text, every page will speak to the pressures and changes girls face, giving them real-world applications to find God in their hearts and in their lives. Perfect for everyday use, *Adored* will resonate with girls searching for truth and guidance. Gift givers will love this highly designed book featuring a beautiful, foiled cover, and two-color interior pages.

A riveting psycho-thriller with unforgettable characters: the serial killer, the psychiatrist he kidnaps, and the world-weary FBI agent who is in pursuit. The man in the prison cells calls himself Max. He admits to killing the cop who found him sitting in a car beside the still-warm body of a disembowelled young woman, but he claims to be suffering from DID, the multiple-personality disorder that is a common alibi for the worst criminals. Assigned to assess the truth of Max's defence is strawberry blonde psychiatrist Irene Cogan. When Max masterminds his bloody escape from prison and kidnaps Irene, he agrees to undergo a course of therapy, during which Irene is introduced to a succession of his alters - his alternative personalities. To her alarm, it seems that one of them has a distinctly unhealthy penchant for strawberry blondes. And it looks like it will be up to FBI Special Agent E.L. Pender, who has been on Max's trail for over a decade, to find them before Irene discovers exactly what that penchant entails...

Life is perfect for Freya Rose. She has a gorgeous boyfriend, a loving mother... Oh, and her very own stalker... Okay, so maybe Freya's life isn't quite as perfect as she thought. There is more to the picturesque town of Jasper, Alberta than meets the eye. The residents quiet, and laid back demeanors perfectly disguise an extraordinary community of werewolves, vampires, and hunters. When Freya is finally able to see beyond the secrets, she is introduced to a supernatural world full of temptation, power, and love rivals. Freya's relationship with Tristan struggles to make it past all of the lies and secrets, so when a mysterious stranger strolls into her life, will she be able to resist his seductive charms?

The biggest question is, how will she react when she discovers that she belongs in this new world, far more than she ever realized. This book contains adult themes, therefore 18+ is advised. This story ends in a cliffhanger, and is then continued in *Abandoned By An Alpha*. There may be some triggers in this book, ie, stalking, murder, adultery, and hunks that might melt your clothes off. The series as a whole, has a reverse harem feel to it, but Freya does not entertain all of the guys at once. That being said, there are a few scenes where more than one guy is involved, so be prepared. Lastly, if you would like to follow me, I can be found on Facebook (L.P. Dillon) or at Author L.P.Dillon's Divas on Facebook. I'm also on Twitter and Instagram occasionally, and my Freya Rose series can be found on Radish. Ps. I'm sorry that you're hanging by your fingertips on that cliff edge, I'll send one of Freya's guys along to save you soon xxx

Five years after the Sweet Sixteen Massacre killing twenty people and forever warping her view on the game, Kelsey Mackenzie stitches up her emotional traumas with unraveling thread, hiding behind half smiles holding more pain than she could imagine. Refusing to be associated with the Mackenzie name and prestige it holds in New York City, Kelsey retreats to Washington, DC where she creates a new life for herself. She finds love in a man nothing like her first love Quill, meets a best friend who isn't aware of her past pain like her cousin Briana, and navigates DC better than she ever did Brooklyn; however, that doesn't change the emptiness Kelsey feels. Her new home isn't quite like her old home, and her old home feels like a cemetery for the past life she lived before the day her innocence was stolen. Arriving home for her 21st birthday, Kelsey expects a quiet celebration with her family, and while the festivities start off slow, she finds that her wish for an unforgettable year is granted when a chance encounter has her facing a familiar face from her past. William "Quill" Evans has always had the heart of a hustler, with his dreams being to be one of the biggest drug dealers to ever touch New York City. After a knee injury ruins his basketball career, Quill wets his feet at the possibility of leaving the legitimate hustles behind and going back to the get money spirit that flows through his veins. The key to him having it all comes with a lock known as Drea Winthrop, the spoiled daughter of revered North Carolina drug lord Amos Winthrop. As the "father" of Drea's unborn child, Quill is granted access to the world of fast money he left behind, and when Amos makes the decision to expand his empire to Brooklyn, Quill hops on the opportunity to return home where not only his heart is, but his first true love: Kelsey Mackenzie. Past hurt keeps Quill from connecting with Kelsey. That, and the original drug lord of New York City: her father, Urban Mackenzie. Quill knows that he has to come hard if he wants to win the heart of Kelsey, and is willing to risk everything to heal her broken heart. First, he has an empire to build. The epic follow up of *Adored by a New York Drug Lord* chronicles a young hustler's rise to the top and the hurdles he'll have to face, with the biggest one being fighting the woman he loves for the throne that is her birthright.

Peace no longer resides in Normani's existence, and as she stares down the barrel of Preaux's gun, she has to wonder if her destiny isn't to be happy, but to pay for her wrongdoings with her life. When her meeting with fate is cancelled, Normani is forced to reevaluate the damage she has done to not only her family, but her grandparents as well. Revelations and family secrets have overrun the Pope family, destroying their already faulty bonds. Their loyalty has been tainted, and it is up to Normani to repair their trust, however such a feat seems impossible. Her grandparents' marriage is holding on by a vow, Nicole struggles with learning how to love and let go, and Normani has her own issues to deal with regarding her budding relationship with Urban. What was the promise of one night has blossomed into a full blown affair, one that Normani navigates with optimism until the reality of their situation sets in. Urban has a family, a longtime fiancée and daughter to consider. These obstacles force Normani to guard her heart, and when a certain someone enters the picture with the promises of no drama, she has to decide if her feelings for Urban are strong enough, or will she end up being adored by someone else? As Normani works to mend her family, Urban discovers that his once tight knit unit is falling apart at the seams. With the Veracruz Cartel still seeking answers to the slaying of Gabriel Garza, Urban knows it is only a matter of time before his family is targeted for the cartel's version of retributive justice. The eye-for-an-eye they have their sights set on would be Kelsey, who is not only dealing with growing pains, but discovering the world she lives in isn't black and white, but various shades of gray that come with the Mackenzie name. The arrangement he has with Shahily no longer holds the same appeal as it did before. Forced to maneuver around his present while spending time with his future, Urban feels as if he's struck a balance when Normani reminds him their relationship can't be at his convenience, that unlike Shahily, she has her entire life ahead of her. Time isn't on his side, and he has to risk the comfort of his current life for the reward of true love. The problem is that Shahily isn't letting go without a fight. With Ángel Garza out of the picture, Trish can finally let go of the pain and hurt monopolizing her life. At the very close of their relationship, a new one filled with promise is created when she meets Winston O'Neal, a wealthy lawyer with only eyes for her. He's everything she deserves after being terrorized by Ángel, and it feels good to be in a relationship with someone who has no ties to the game, except there's one handsome problem: Koi Mackenzie. Trish can't deny her feelings for Koi, but she feels more like a project than a potential girlfriend. Koi has saved her from herself more times than she can count, and it feels more like he's trying to save himself from past hurt. But when Camila Garza approaches Trish with a warning to the deadly events to come, Trish may have to put her trust in a Mackenzie once again.

This book discusses the mortal life and ministry of Jesus Christ.

Although there have been many books written about Christ, this one is unique. By closely examining the historical setting in which He lived, His radical teachings and the deliberate sacrifice of His life, we see Jesus Christ as a stunning leader, teacher and example. His words still challenge mankind. His example still towers above history. His teachings still require us to answer the question He put to all His followers: "What think ye of Christ?"

This book is the author's answer to that question. It will help you decide your own answer to the question. You will be introduced to a Jesus Christ you likely have not met--until now.

No one knows the future. I'm supposed to, but I'm a rebel at heart, even when it hurts. My dreams are invaded by a voice, a man who stirs something in me. I don't know if he's real, but seeing him each night feels like a betrayal of my four mates. Meanwhile, we're trying to find my sister, Wren. But don't blame me if nothing goes according to plan. When my guys give me the go-ahead to seduce a strange shifter in a club to help discover my missing sister's whereabouts, I'm all over it, and all over him. His voice is all too familiar. He doesn't know me, and he doesn't know about my dreams. Neither do my mates. But the man from my dreams is meant to be mine. Oracle Adored is the second installment in the Spellbound Shifters: Fates & Visions series. A portion of it was previously published in the Valentine Between the Sheets anthology, but it has since been expanded into a full story. For anyone who longs to experience God in the thick of life's

demands, Sara Hagerty's Adore offers a simple, soul-nourishing practice for engaging with God in the middle minutes of your day. None of us signed up for a conventional experience with the unconventional God, yet too often the spiritual life can become routine, dare we say, even boring. In Adore, Sara Hagerty gives us all permission to admit "I barely know You, God," and with this honest admission, to scoot a little nearer to this familiar stranger. Adoration is the simple practice Sara discovered for starting where you are, and letting the grit of your day greet the beauty of God's presence. Adoration is for the woman who feels frenzied and fearful in the middle minutes of her day. It is a simple practice for 7:37 a.m. when the children are waking and the dryer is already humming but also for the 12:17 p.m. lunch break and for 5:53 p.m. while stuck in traffic. Adoration is the place where we put how we feel in front of God's Word, and watch what happens to our insides. It's what you were made for. Join Sara in this soul-stirring journey through thirty attributes of God which you can walk through at your own pace. Learn how the simple habit of adoration--in the middle minutes of your day--can help you see God with fresh eyes, and talk to Him right there. Experience a new way of engaging with God in your everyday. Adore will show you how.
