Financial Accounting - [NEP 2020] SBPD Publications

It gives me a great pleasure and satisfaction to present this book "FINANCE AND ACCOUNTING". The main characteristics of the book are simple understanding and key concepts. The following important highlights in this book will make the users to read this book. i. I have illustrated Accounting cycle steps by creating 42 transactions, given the journal entries for these 42 transactions, prepared all the various ledger accounts from these journal entries, preparation of Trial balance has done with these ledger account balances and finally, prepared the final accounts (Trading, Profit and loss account and Balance sheet) based on the Trial balance. Hence, I conclude that the end-to-end process of Accounting cycle with data interpretation has done in this book which will help the readers to understand that "where can we get the amounts which are appear in trial balance). ii. I have evaluated 45 ratios based on latest financial statements of a leading manufacturing company for the financial year ended December 2019. iii. Clear presentation of financial statements analysis have done in this book. iv. Bank Reconciliation statement have prepared based on real time scenario. v. Capital budgeting methods have explained in clear and transparent manner. vi. Readers can easily understand about Derivatives. vii. The computation of Sensex from live indices will help the readers to understand how the Sensex figures arrive. And also, I have given an important 150 terms under 'GLOSSARY' at the end of the book which can be used as a quick reference to learn an important terminology of Finance and Accounts. Chapter wise hyperlink will help the readers to go quickly to the desired chapter. This book is useful to everyone in Finance and Accounting field like students, Accounts executives, Financial analysts, etc. I have added two important chapters

'Monetary policy Rates' and 'GDP and Inflation' in this book. I hope that the book will help the readers to study in a focused manner. Any criticism and constructive suggestion in the direction of making the book a better teaching and studying manual will be gratefully acknowledged by the author. Suggestions will be incorporated in the subsequent editions. All the best
