ARIANA JAIR

An Activist-Scholar Finds His Voice, Learns to Write, and Survives Academia Jennifer Baum
It was a simple job: keep an eye on the minister's wife until she goes safely to bed. Then all hell broke loose. The death of a beloved Chicago televangelist's wife is only the beginning; someone is homiciding their way through the Temple of Majesty Church. Private eye Nod Blake - an aging throwback to an era of detecting on the mean streets - has been dumped in the middle of it all, on his head. The resulting injuries seem to have opened a door to the hereafter: Blake believes dead people are talking to him. But are the victims really begging the gumshoe for help from the other side of the grave? When his nemesis, Detective Lieutenant Wenders, finds evidence that Blake is the murderer, the private dick's life becomes a great big soup sandwich. Doug Lamoreux's 'Corpses Say the Darndest Things' is a riveting murder mystery with a sly sense of humor, set in 1979 Chicago where a maniacal killer on the loose in The Windy City... is the good news.

How to Score Random House of Canada

HER LIFE COACH Museum curator Sammi Matthews isn't just in a dating slump, she's putting men on the injured list. After giving one date a black eye and cracking another's rib, Sammi decides she needs professional help. Enter life coach Luke Jones, who advises Sammi on how to overcome her klutziness. And their phone sessions work! Sammi soon meets a sexy FBI agent who seems to know just what she needs. IS CHANGING HER LIFE When his brother Luke goes into federal protection, FBI Special Agent Chase Jones agrees to cover for him. Then Sammi's hot voice sizzles down the line, and the usual "phone only" rule is out. With "Luke" coaching her by day, and Chase dating her by night, Sammi's confidence soars, along with her appeal. Chase falls hard, but how will Sammi feel if and when he comes clean? Chase would rather she break all his bones than risk breaking her heart. IN WAYS SHE'S NEVER IMAGINED!

The Complete Ruby Redfort Collection: Look into My Eyes; Take Your Last Breath; Catch Your Death; Feel the Fear; Pick Your Poison; Blink and You Die (Ruby Redfort) Singapore New Reading Technology Pte Ltd

Medications such as Vioxx and procedures such as vertebroplasty for back pain are among the medical "advances" that turned out to be dangerous or useless. What Dr. Vinayak K. Prasad and Dr. Adam S. Cifu call medical reversal happens when doctors start using a medication, procedure, or diagnostic tool without a robust evidence base—and then stop using it when it is found not to help, or even to harm, patients. In *Ending Medical Reversal*, Drs. Prasad and Cifu narrate fascinating stories from every corner of medicine to explore why medical reversals occur, how they are harmful, and what can be done to avoid them. They explore the difference between medical innovations that improve care and those that only appear to be promising. They also outline a comprehensive plan to reform medical education, research funding and protocols, and the process for approving new drugs that will ensure that more of what gets done in doctors' offices and hospitals is truly effective.

"Every doctor should read this book."—JAMA Internal Medicine "[A]n excellent and realistic discussion of some of the horror stories that occur in medical practice . . . Highly recommended."—Choice "Ending Medical Reversal goes far in teaching medical students and practicing physicians alike how to learn on our own."—The Lancet "This has to be on the reading list for medical and nursing students."—Nursing Times "Ending Medical Reversal presents persuasive evidence that many current standard-of-care treatments are probably ineffective or harmful, thoroughly explains how such treatments came to be accepted, and proposes a number of ways to address the general problem (only some of which involve avaricious companies and mercenary physicians) and minimize its impact on a specific patient."—Journal of Clinical Research Best Practices "Dr. Prasad and Dr. Cifu offer a five-step plan, including pointers for determining if a given treatment is really able to do what you want it to do, and advice on finding a like-minded doctor who won't object to a certain amount of back-seat driving."—The New York Times "When I describe *Ending Medical Reversal* as revolutionary, I don't use the term lightly. Go out and read it—right now."—Common Sense Family Doctor "Should be considered for undergraduate reading lists. Keep a copy in the pharmacy or your briefcase as a great icebreaker or discussion point with other local healthcare professionals."—The Pharmaceutical Journal

A Rogue Irishman Who Tried Hachette Books

Welcome to the Welcome Inn and welcome to the life of Mary Ediger. A work of creative non-fiction, *Mennonite Girl* follows Mary from her life as a young girl in a quiet rural parsonage to an inner city community center in Hamilton, Ontario. The daughter of a Mennonite preacher, Mary struggles with the trials of growing up Mennonite in a non-Mennonite community, while her parents continue to follow God's call. Young and old, religious and non-religious readers alike will find themselves drawn into Mary's tale, laughing all the while as she deals with everything life throws at her. With interminable wit and an everlasting sense of humour, this is a coming of age story for the child in all of us. www.maryediger.com

Fight for the American Soul Harlequin

During the initial days of Desert Storm Army Reservist Private Anita Harvey had a horrible nightmare. A year after the 1998 bombing of U.S. Embassies then Sergeant Harvey warned some Ft. Hood soldiers that Americans would be attacked on U.S. soil within the next five years. It was a feeling she couldn't shake since that horrible dream years earlier. She did not realize that her dream was a vision foreseeing that horrible day in American history known as 9-11 some ten years later. After years of battling disabilities U. S. Army veteran Anita Harvey has come forth with the novel every soldier and veteran must have; 'Fight For The American Soul'

Cypher Xlibris Corporation

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Weekly World News Penguin

Explains how success in life can be achieved by being mean, selfish, and disrespectful to others, using humorous anecdotes from the author's life as a guide.

Inspector Harry Hole tracks a Norwegian serial killer in this installment of Jo Nesbø's New York Times bestselling series. One night, after the first snowfall of the year, a boy named Jonas wakes up and discovers that his mother has disappeared. Only one trace of her remains: a pink scarf, his Christmas gift to her, now worn by the snowman that inexplicably appeared in their yard earlier that day. Inspector Harry Hole suspects a link between the missing woman and a suspicious letter he's received. The case deepens when a pattern emerges: over the past decade, eleven women have vanished—all on the day of the first snow. But this is a killer who makes his own rules . . . and he'll break his pattern just to keep the game interesting, as he draws Harry ever closer into his twisted web. With brilliantly realized characters and hair-raising suspense, international bestselling author Jo Nesbø presents his most chilling case yet—one that will test Harry Hole to the very limits of his sanity.

Corpses Say The Darndest Things Vintage Crime/Black Lizard

With an attack by the body-stealing Takers imminent, Jack and Parker must put aside their grief and track down the ingredients of their father's formula—one that will rein in the power-hungry Takers—to keep their family and friends out of danger. Their only hope lies in a riddle where each brother unknowingly possesses a piece of the solution.

(A Liana Campbell Cozy Mystery Book 1) Red Mountain Publishing

Just when she thinks she may be catching a break, Maggie Lee is saddled with babysitting her psychic friend, Armani, whose spirit guides have suddenly deserted her. They never warned Armani that she'd be robbed while waiting for an online date who stood her up or that someone would break into her home. But investigating the trouble in her friend's world isn't Maggie's only problem. Someone shoots her avian pal, Mike, and Maggie is determined to find out whom. Neither task is easy, but Maggie's difficulties are intensified by trying to keep her unruly household running in the absence of Aunt Susan, who seems to have dropped off the planet. And oh yeah, Maggie's ne'er-do-well dad has returned to town. Can Maggie successfully juggle her investigations, cops, bad guys, a reporter, her menagerie and her crazy family? Or will it all be too much for her?

Ghost Ships of Terra Nixon House

January 1801, and Captain Alan Lewrie, RN, known as "St. Alan the Liberator" for freeing (stealing!) a dozen black slaves on Jamaica to man his frigate years before, is at last being brought to trial for it, with his life on the line. At the same time, Russia, Sweden, Denmark, and Prussia are forming a League of Armed Neutrality, to Napoleon Bonaparte's delight, to deny Great Britain their vital exports, even if it means war. England will need all her experienced sea dogs, but ... even Alan Lewrie? Ultimately Lewis is acquitted, but he's also ignored by the Navy, so it's half-pay on "civvy street" for him, and with idle time on his mischievous hands, Lewrie is sure to get himself in trouble--again!--especially if there are young women and his wastrel public school friends involved...and they are! A brawl in a Panton Saint brothel, a drunk, infatuated young Russian count, precede Lewrie's summons to Admiralty and the command of the Thermopylae frigate to replace an ill captain as the fleet gathers to face down the League of the North, and its instigator, the mad Tsar Paul. Lewrie must take the Thermopylae into the Baltic in the dead of winter, alone and with no support, to scout the enemy fleets and iced-in harbours, deal with a fellow officer who is less of a friend than he thought, and be saddled with a pair of Russian noblemen as a last-minute peace delegation, but if the wily Foreign Office spy-master, Zachariah Twigg, sent them, what else might

their mission be? All that and the Battle of Copenhagen, too, and it's broadsides at close quarters, and treachery for Lewrie, forcing him to use all his wiles to survive!
