**Lightlark (The Lightlark Saga Book 1)** Penguin

From the award-winning author of *Melissa*, the story of a boy named Rick who needs to explore his own identity apart from his jerk of a best friend. Rick's never questioned much. He's gone along with his best friend, Jeff, even when Jeff's acted like a bully and a jerk. He's let his father joke with him about which hot girls he might want to date even though that kind of talk always makes him uncomfortable. And he hasn't given his own identity much thought, because everyone else around him seemed to have figured it out. But now Rick's gotten to middle school, and new doors are opening. One of them leads to the school's Rainbow Spectrum club, where kids of many genders and identities congregate, including Melissa, the girl who sits in front of Rick in class and seems to have her life together. Rick wants his own life to be that . . . understood. Even if it means breaking some old friendships and making some new ones. As they did in their groundbreaking novel *Melissa*, in *Rick*, award-winning author Alex Gino explores what it means to search for your own place in the world . . . and all the steps you and the people around you need to take in order to get where you need to be.

I never meant to say a word, not one single word. But I did. Now because of something I leaked—without even realizing it—I've inadvertently broken up one of the Ice Knights' most legendary bromances. And worse—I've kicked hockey star Ian Petrov's grumpy level to insane levels of grump. And what could make it worse? How about the two of us being trapped together in a remote cabin after a massive blizzard. Neither of us can leave. Just us, the snow, his resentment, and OMG sexual tension so thick it would take a snowplow to break through it. I've got to get out of here before I do something even dumber than I've already done and kiss the sexy grouch with his misplaced anger and perfect pecks. That would be the worst, the absolute worst. But... would it be terrible if we gave in? Just a little? It's not like we're ever going to have to spend time together again. Until the next morning when we're told we have to play chummy for the press until this news cycle blows over. F.M.L. Each book in the Ice Knights series is STANDALONE: \* Parental Guidance \* Awk-Weird \* Loud Mouth

*The Mystery of the Second Map* Chariot Victor Publishing

The book contains a special bonus directory of major teen beauty pageants for 1994 and 1995.

**French Fry Forgiveness** HarperCollins UK

Cat shifter Bree Dwyer doesn't fear much. Ironically, what she fears most is the person who was put on the Earth just for her. Your true mate wasn't supposed to be cruel and twisted; wasn't supposed to be someone who'd never love or want to claim you. The rumors that her true mate is dead bring her only relief. Bree's intent on moving forward with her life and building a future with someone else. Sadly, the male she wants most is one she can never have—a hot-as-sin wolverine shifter who happens to be her boss ... and the cousin of her predestined mate. Aleksandr "Alex" Devereaux detests being bullshitted, but he's been lying to himself for years—pretending he thinks of Bree as extended family; that he doesn't want her so bad he aches with it; that he can't feel himself weakening against her pull. The night they spend together changes everything. He's done fighting himself on

what he wants. Someone isn't happy about that. Possibly the same 'someone' who's playing mind games with Bree, trying to scare her. They're succeeding, because too many leads point to the possibility that the culprit could be the one person that she's determined to believe is dead.

*Grave Witch* Kensington Cozies

Krissy Hancock's bookstore-café in Pine Hills, Ohio, is teaming up with the local library for a seasonal celebration, but someone is spiking the refreshments—with fatal results . . . With autumn in full swing and Thanksgiving on the way, Krissy's supplying cider and her staff is manning the apple-bobbing booth at a town event. But then a patron dunks his head in—and doesn't come back up. It soon becomes clear that Krissy's brew wasn't to blame. But with her policeman boyfriend looking to make detective, she can't help being drawn into the investigation. The victim was notorious for harassing not only her own bookstore but the library and the school for promoting supposedly scandalous literature—before someone censored him permanently. Now, Krissy will have to check out a stack of suspects to find a killer who's rotten to the core . . .

**Crime TV** Abrams

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**The Mystery of the Vanishing Present** Chariot Victor Publishing

For fans of *The Glass Castle* and *Educated*, comes mystery author Toby Neal's personal story of surviving a wild childhood in paradise. Born in 1965 to hippie surfer parents who just want to ride waves, use substances, and hide from society, red-headed Toby grows up as one of only a few hundred Caucasian "haole" people on the rugged, beautiful North Shore of Kauai, Hawaii. Toby's idealistic parents, breaking away from high achieving families, struggle with mental health and addiction issues as they try to live according to their own rules. Despite the hardship and deprivations of life on Kauai, they return again and again to an island whose hold on them is more powerful than any drug. Told from the immersive, first-person view of a child experiencing turbulent times as they occur, *Freckled* will take you on a journey you won't soon forget as Toby catches an octopus with her bare hands to feed the family, careens on her first bike down a rugged dirt trail deep in the jungle, and makes money by selling magic mushrooms to a drug dealer. Living in tents and off the land without electricity or communication with the outside world, Toby escapes into reading and imagination to deal with racial harassment and indifferent parenting. Sensitive, imaginative, and resilient, like a surfer girl Anne of Green Gables, Toby clings to a dream of academic achievement and a "normal" life. "Neal's prose is often effortless and elegant." --Kirkus Reviews
