Intermediate  
Accounting, 7th  
Edition** McGraw-

Hill/Irwin

Intermediate

Accounting presents accounting from the perspective of essential activities of business: operating, investing, and financing. Students will see accounting as it is in the real world -- an essential component of the management function and decision-making process.

**Study Guide  
Intermediate  
Accounting, Volume  
1** Wiley

Financial accounting is undergoing a period of unprecedented change. The FASB and IASB have been working together to

issue converged accounting standards that will dramatically change key reporting areas, and more generally have sought to converge accounting standards over time. In late 2011, the SEC will announce its decision on whether large public companies in the U.S. will be able to choose whether to report under U.S. GAAP or IFRS or if all companies are anticipated to be reporting under IFRS in the near future. So, while there currently is considerable overlap between U.S. GAAP and IFRS, and that overlap is increasing as convergence continues, important differences remain. To help instructors deal with the challenging environment, the Spiceland team is committed to providing

current, comprehensive and clear coverage of intermediate accounting. The 7th edition reflects this commitment with the following innovations.

**Intermediate Accounting** John Wiley & Sons

This bestseller has powered the careers of countless professionals. The new edition builds on the book's reputation for comprehensiveness, accuracy, and currency, incorporating all the recent changes to the accounting literature. Updated with the latest developments and standards in the field. The book includes a CD-ROM with an accounting cycle tutorial, a financial statement analysis primer, an annual

report database, spreadsheet tools, career resources, and more. It will help readers develop the knowledge- and skills-base they need to succeed as professional accountants.

*Intermediate Accounting, , Chapters 1-14* McGraw-Hill Companies

This is the Volume 1 Study Guide to accompany Intermediate Accounting, Sixteenth Edition. Kieso, Weygandt, and Warfield's Intermediate Accounting, Sixteenth Edition continues to set the standard for students and professionals in the field. The 16th edition builds on this legacy through new, innovative student-focused learning. Kieso
