Whereas Western intellectuals seek the essence of Buddhism in its doctrines and meditation practices, the traditional Buddhists of Asia absorb the ideas and values of their spiritual heritage through its rich narrative literature about the Buddha and his disciples. The most popular collection of Buddhist stories is, without doubt, the Jatakas. These are the stories of the Buddha's past births, relating his experiences as he passed from life to life on the way to becoming a Buddha. At times he takes the form of a bird, at times he is born as a hare, a monkey, a prince, a merchant, or an ascetic, but in each case he uses the challenges he meets to grow in

generosity, virtue, patience, wisdom, and compassion. This anthology of Jatakas, ably told by Ken and Visakha Kawasaki, remains faithful to the original yet presents the stories in clear and simple language. It thereby makes the Jatakas accessible even to young readers and to those for whom English is not their first language.

Stories from Panchatantra BRILL

This voluminous work, a store house of information about the Epics, Puranas and allied literature, was originally composed and published in Malayalam. It constituted the results of the author's devoted study and research extending over fourteen years. This English version of the same is to meet the growing demand of scholars interested in the study of Puranas. This stupendous work, in the form of an exhaustive descriptive index, covers the vast and varied field of ancient Indian culture in all aspects- history geography, religion, philosophy, myths, beliefs and practices as depicted in the Epics and Puranas. The work is planned on scientific lines. The material compiled is arranged systematically. Citations have been inserted in support of stated facts; at places they have been substituted by reference. Obsolete and

obscure words, denoting objects such as a particular tree or plant have been explained by their scientific or vernacular equivalents. All modern critical apparatus has been utilized in the preparation of this comprehensive work.

NPAT (BBA) Entrance Exam (VOL - I) 2020 | 15 Mock Test + Sectional Test Pencil

It takes lots of information, suggestions and discussion to decide a career option for yourself. In today's world, having a good job is a benchmark for a living standard of a person living in society. This tendency of society builds pressure on the candidates and they start entering the rat race of common people. They forget to introspect and bring clarity to what they wanted to become and what they choose. Planning is very important before execution and this must be done by every student before deciding to enter any career option. The Symbiosis Entrance Test is one such entrance exam that does not limit the scope of career options and provides a common gateway to various career options by offering admissions under various undergraduate courses like Management, Economics, Design, Mass Communication, Computer Studies, Liberal Arts and Culinary Arts.

Five Little Monkeys Sitting in a Tree

Pariyatti Publishing

Wisdom for Today from the Timeless Classic The Panchatantra, one of the world's greatest collections of tales, was compiled in India by a learned Brahmin named Vishnusharman, more than 2,000 years ago. These stories were meant to impart worldly wisdom to the dull-witted sons of a king, and have since travelled the world, awakening intelligence in readers across centuries. Arthur Ryder, a Professor of Sanskrit at the University of California, translated the Sanskrit original into English in 1925. This re-write of the Ryder translation is aimed at today's busy reader and the original interwoven stories are presented separately. Archaic English prose makes way for modern language. The "Principle" clearly and simply summarizes the wisdom imparted at the end of each story. Arthur Ryder's brilliant introduction and charming verse translations remain untouched. This book is a rare coming together of simple format, rich poetry, practical wisdom and lofty ideals, a vehicle to transmit the simple and timeless truths of the Panchatantra in a concise manner to a modern audience.

Prerequisite for Happiness Houghton Mifflin Harcourt

The stories of Panchtantra are very old. They were originally written in Sanskrit. They are a collection of short stories which are not only interesting to read, but also the best guide to instil moral values among children. Every story imparts a moral value. That is why they are read with great interest by readers of all age groups. The word Panchtantra is a combination of two words: 'pancha' means 'five' and 'tantra' means 'practice' or principles of conduct. So, Panchtantra depicts nitishastra (wise conduct of life) through stories mainly of animals which children love to read. We are presenting a collection of interesting tales from Panchtantra with colourful illustrations. We hope our young readers would enjoy reading these stories.

Big Words, Little People BPI Publishing

The word 'Panchatantra' is a combination of two words, 'Pancha' (five) and 'Tantra' (practice/ principle). Panchatantra is ancient Indian fables, believed to have been composed in the 3rd century BC, by Pandit Vishnu Sharma. The purpose behind the composition was to implant moral values and governing skills in the young sons of the king. The Panchatantra is the best guide to enroot moral values in children since its each tale has a moral lesson in its end. The Panchtantra is a great book where plants and animals can speak and converse with human beings too.
