### A Field Guide for Travel and Adventure Photographers Mountaineers Books

Landscape photography remains one of the most popular genres for enthusiast and commercial photographers alike, but all of the books on the market are large in format and unsuited to use in the field. This latest addition to Ilex's popular Field Guide series meets this need perfectly, with Carl Heilman's unique expertise and brilliant photos presented for the first time in a go-anywhere format. Covering key areas like equipment, exposure, weather and post-processing, and with a handy ready-reference section in the back of the book, The Landscape Photography Field Guide will become an essential companion on any shooting trip.

*Boyd Norton's Outdoor Digital Photography Handbook* Appalachian Mountain Club

A condensed reference distills the photographer's popular workshops and lessons into a compact guide, in a resource designed for the needs of outdoor and travel photographers that covers such topics as mobile digital photography, preventing bad exposures in less-than-ideal conditions, and fixing images with unexpected flaws. Original.

*John Shaw's Nature Photography Field Guide* Wiley

An updated bestseller, this book of extraordinarily beautiful photographs of nature contains state-of-the-art instruction on how any photographer can aim for equally impressive results every time a camera is focused on the great outdoors. Even highly skilled photographers are often baffled by the problems facing them when they work outdoors. But with this exceptional field guide in hand, every photographer—beginner, serious amateur, semi-pro, and pro—can conquer the problems encountered in the field. Using his own exceptional work as examples, the author discusses each type of nature subject and how to approach photographing it. Specific advice and information cover selection of equipment and lenses; how to compose a shot; how to get close ups; and other tips covering a range of techniques to enrich various types of nature photographs.

What could top the #1 best-selling photography book of all time? We're talking about the award-winning, worldwide smash hit, written by Scott Kelby, that's been translated into dozens of different languages, because it's the one book that really shows you how to take professional-quality shots using the same tricks today's top digital pros use. Well, what if you took that book, created four more just like it but with even more tips, plucked out only the best tips from all five of THOSE books, updated the images, referenced all-new gear, and added a completely new chapter on how to make the transition from shooting photos with your phone to making photographs with your new DSLR? In The Best of The Digital Photography Book, you'll find all of Scott's favorite tips and techniques curated and updated from The Digital Photography Book, Parts 1-5, along with a brand new chapter on transitioning from your phone to a full-fledged DSLR. You'll find everything that made the first five titles a success: Scott answering questions, giving out advice, and sharing the secrets he's learned just like he would with a friend—without all the technical explanations and techie photo speak. This book will help you shoot dramatically better-looking, sharper, more colorful, more professional-looking photos every time.

*Learn Everything You Need to Know in 20 Weeks* Amphoto Books

*Digital Photography Through the Year* The Mountaineers Books

\* Guidebook to more than 60 dog-suitable trails, accessible from metro areas including Los Angeles, Palm Springs, San Diego, and Santa Barbara \* Most trails are lightly traveled; off-leash permitted on nearly half \* What to pack for your dog on the trail Allen Riedel and his canine trail companions, Chewbacca and Socrates, have hiked thousands of miles together in southern California to select the best dog-friendly, dog-fun, and dog-safe hikes in the region. More than two-thirds of the trails in *Best Hikes with Dogs Southern California* are lesser-known, where travel is light and where you're unlikely to meet horses, bicycles, or motorized vehicles. On nearly half of the trails, off-leash hiking is permitted. The hikes avoid steep, rocky terrain and many offer lakes or streams as a reward. Paw comfort rating (whether you'll be walking on sand, dirt, or pavement) is clearly noted in the information block at the beginning of each hike description; potential dog hazards such as ticks or poison oak are described in the text. A Trail Finder chart in the front of the book indicates trail length, which hikes include water, swimming, or shade, which are "good for senior dogs" or "best for fit dogs".
