CHAPMAN SHEPPARD

De cavernícola a cristiano Calgary : Infoage Consulting and Pub. If you are a Seventh-day Adventist Christian, you have no doubt heard of The Shepherd's Rod, a message of present truth and reform first presented to leaders of the Seventh-day Adventist Church in the years 1929 and 1930. It has created much controversy. In *What Every Seventh-day Adventist Should Know about The Shepherd's Rod*, author Garrick D. Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message. It exposes the systematic misinformation, as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago. It provides clear and accurate answers to the questions raised against the Rod's message. And, it answers

the objections church leaders have historically offered as "proof" against its bearing the credentials of inspiration. Augustus fused the forensic methods of evidence analytics, as well as the investigative method of internal evidence analysis, to the claims brought against the message by the leaders of the Seventh-day Adventist Church. His research took him from the Heritage Library in Loma Linda, California, to The Biblical Research Committee in Silver Spring Maryland, and beyond. *What Every Seventh-day Adventist Should Know about The Shepherd's Rod* journeys through the pages of history and helps to separate truth from propaganda. It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh-day Adventism.

At Jesus' Feet Amazing Facts

Franz hasel, a 40-year-old pacifist, was drafted and assigned to Pioneer Company 699, Hitler's elite troops who built bridges at the front lines. His religious scruples did not endear him to his

superiors. Sarcastically dubbed "carrot eater" and "Bible reader," he finally gained the respect of his unit. Just before he was sent deep into Russia--where all but seven of his 1,200-man unit would die--he secretly discarded his gun, fearing that, as the company sharpshooter, he might be tempted to kill. In Russia he faced a new problem: how to warn the local Jews before the SS got to them.

Marriage is under attack! ... of course, this might be a shock to you if you weren't living in a culture in which 40 percent of people think marriage is a useless tradition--even with all the evidence that broken families are ravaged financially, physically, and emotionally by divorce. Yet God's Word is clear that this institution, created at the beginning of time, is the foundation of a healthy family and nation. Ultimately, marriage is God's idea. So what are believers to do in an age of rapid-fire marriages, rampant divorce, and tricky remarriages--individually and as a church? Pastor Doug Batchelor tackles these sensitive issues with tact and Bible clarity in an effort to help broken marriages mend, keep strong marriages together, and enable those dealing with divorce and remarriage to keep their lives in a biblical framework. Sure, perhaps it's a little strange that a person named "Batchelor" has written a book about marriage, but if you're struggling through a troubled marriage and divorce, you don't want to skip this counsel.

The Marked Bible McSweeney's

We live in interesting times. In our times we know many facts but lack faith. We know so much about medicine but enjoy little health. We ask many questions but receive few answers. Living in

a broken world, in times where wrong is considered right and right is considered wrong, we question the reality of the existence of God. Yet wherever we look, we see battered, scarred, bruised, maimed, and broken people crying for Him. God is always present. He is never caught off guard or taken by surprise. The problems and heartaches we face are a result of sin. The solution to sin is Jesus Christ the Creator, Savior, Sustainer, and Answer to all our questionings. By accepting Him, beholding His love and mercy, and studying His Word, our lives are transformed into His likeness. We become new creations. Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit. He would have come and died for us if we were the only sinner in the whole universe. In *Times Like These* is about Jesus and His love for lost humanity. In times like these, we need Him every nanosecond of the day and night. He is coming back soon to take His children home. A home where there is no pain, cancer, disease, tears of sorrow, or disappointment. Will you go with Him to Paradise? Now is the time to get ready.

God created us, and He knows how our minds, spirit, emotions and physics work. He made us to be dependent on Him. We must fill the vacuum with Him, not other obsessions. We belong to The

Higher Power and we are His creation. Everything we do in life is empty and meaningless if we don't put God first. He wants to spend time with us. He wants to give us power to live a victorious life for Him. He wants to show the world, through us, that it is possible to live a life that is pleasing to Him and we can only do this with His constant watch and help. When the storms of life attack us, we must be solidly anchored in our Higher Power.

Using the Bible (especially the Gospels) as a source of consolation for the believed potential devastation that would result in the Wrath of God once seen imminent through Global Warming, one is led through by the author to view positive signs of God's mercy and a new City of God that the Bible promises in Revelations. The dolphins trapped in our rivers were our delight as we witnessed the twists and turns brought upon life through our eco-systems and society. Also a film-maker, Risoli-Black details this additional dialog in the novel with anecdotes and criticisms of films of the fifties, sixties and seventies when one had choices of decent role models with ideal standards, not idols that led away from God. WRONG TURN: The Fifth Season of Love is a novel of true events where the townsfolk are the heavies that recall plots like Peyton Place and Town Without Pity. Also includes the novella, "The Song of the Bow" about the love between Jonathan and David, a love greater than the love of women.

Siendo hijo adolescente de un padre millonario y una madre en el negocio de los espectáculos, Doug Batchelor tenía todo lo que el dinero puede comprar; todo, menos la felicidad. Él consumió drogas, tuvo peleas en la escuela y albergó fantasías suicidas.

Chasqueado consigo mismo, y convencido de que la vida no tiene sentido, Doug estaba decidido a obtener toda la diversión y emoción que pudiese hallar. Tiempo antes de terminar con su búsqueda, se instaló en una caverna en los cerros de Palm Springs, California. Y, a pesar de que su padre era dueño de un yate, un jet privado y una línea aérea, Doug llegó a revolver tachos de basura en busca de comida. La felicidad que Doug deseaba se le escapaba, hasta que un día comenzó a leer la empolvada Biblia que otro "buscador" había olvidado en su caverna. Lo que sucedió después solamente se lo puede describir como un milagro. ¡Un impresionante testimonio del poder transformador de la Palabra de Dios!

The Electrifying Story of a Soldier and His Family who Dared to Practice Their Faith in Hitler's Germany Ingram

Long after the death of Christ, the apostles seek out Mary Magdalene. They have come for her memories of Jesus, as she was closest to and most loved by him. Thus begins her story: her childhood and the murder of her parents; her education and service at a brothel; her first love. Mary recounts her intimate experience with Jesus of Nazareth--of meeting this remarkable man, their all-too-human relationship, and his journey toward destiny. Later, when she realizes the apostles are intentionally altering Christ's teachings to suit their own goals, Mary struggles to spread the undistorted teachings herself, joining with her sisters who would otherwise have no place, and no voice, in the new church the apostles are creating. In sharing her own story, Mary weaves a richly textured tapestry of people, landscapes, cultures, and beliefs, and provides new insight into the role of women in the early Christian church. Marianne Fredrikson

masterfully breathes new life into the figure of Mary Magdalene in this triumphal novel of the life, death, and resurrection of Jesus Christ, seen through the eyes of the woman who loved him most.

In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. Jacques B. Doukhan, an Adventist scholar of Jewish heritage, mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium. He ties the symbolism of the book to the sanctuary service of ancient Israel, showing how the seven sections of the book correspond to the seven feasts of Judaism. He argues that the prophecies of Revelation foretell the eventual discrediting of secularism (Egypt), the resurgence of conservative religion (Babylon), and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people.

Rest in Christ Amazing Facts

Named one of the Top 10 Books of the Year in 2020 by the Academy of Parish Clergy "Drawing on his own spiritual journey, David Gushee provides an incisive critique of American

evangelicalism [and] offers a succinct yet deeply informed guide for post-evangelicals seeking to pursue Christ-honoring lives."

—Kristin Kobes Du Mez, Calvin University Millions are getting lost in the evangelical maze: inerrancy, indifference to the environment, deterministic Calvinism, purity culture, racism, LGBTQ discrimination, male dominance, and Christian nationalism. They are now conscientious objectors, deconstructionists, perhaps even "none and done." As one of America's leading academics speaking to the issues of religion today, David Gushee offers a clear assessment and a new way forward for disillusioned post-evangelicals. Gushee starts by analyzing what went wrong with U.S. white evangelicalism in areas such as evangelical history and identity, biblicism, uncredible theologies, and the fundamentalist understandings of race, politics, and sexuality. Along the way, he proposes new ways of Christian believing and of listening to God and Jesus today. He helps post-evangelicals know how to belong and behave, going from where they are to a living relationship with Christ and an intellectually cogent and morally robust post-evangelical faith. He shows that they can have a principled way of understanding Scripture, a community of Christ's people, a healthy politics, and can repent and learn to listen to people on the margins. With a foreword from Brian McLaren, who says, "David Gushee is right: there is indeed life after evangelicalism," this book offers an essential handbook for those looking for answers and affirmation of their journey into a future that is post-evangelical but still centered on Jesus. If you, too, are struggling, *After Evangelicalism* shows that it is possible to cut loose from evangelical Christianity and, more than that, it is necessary.
